

Medula espinal

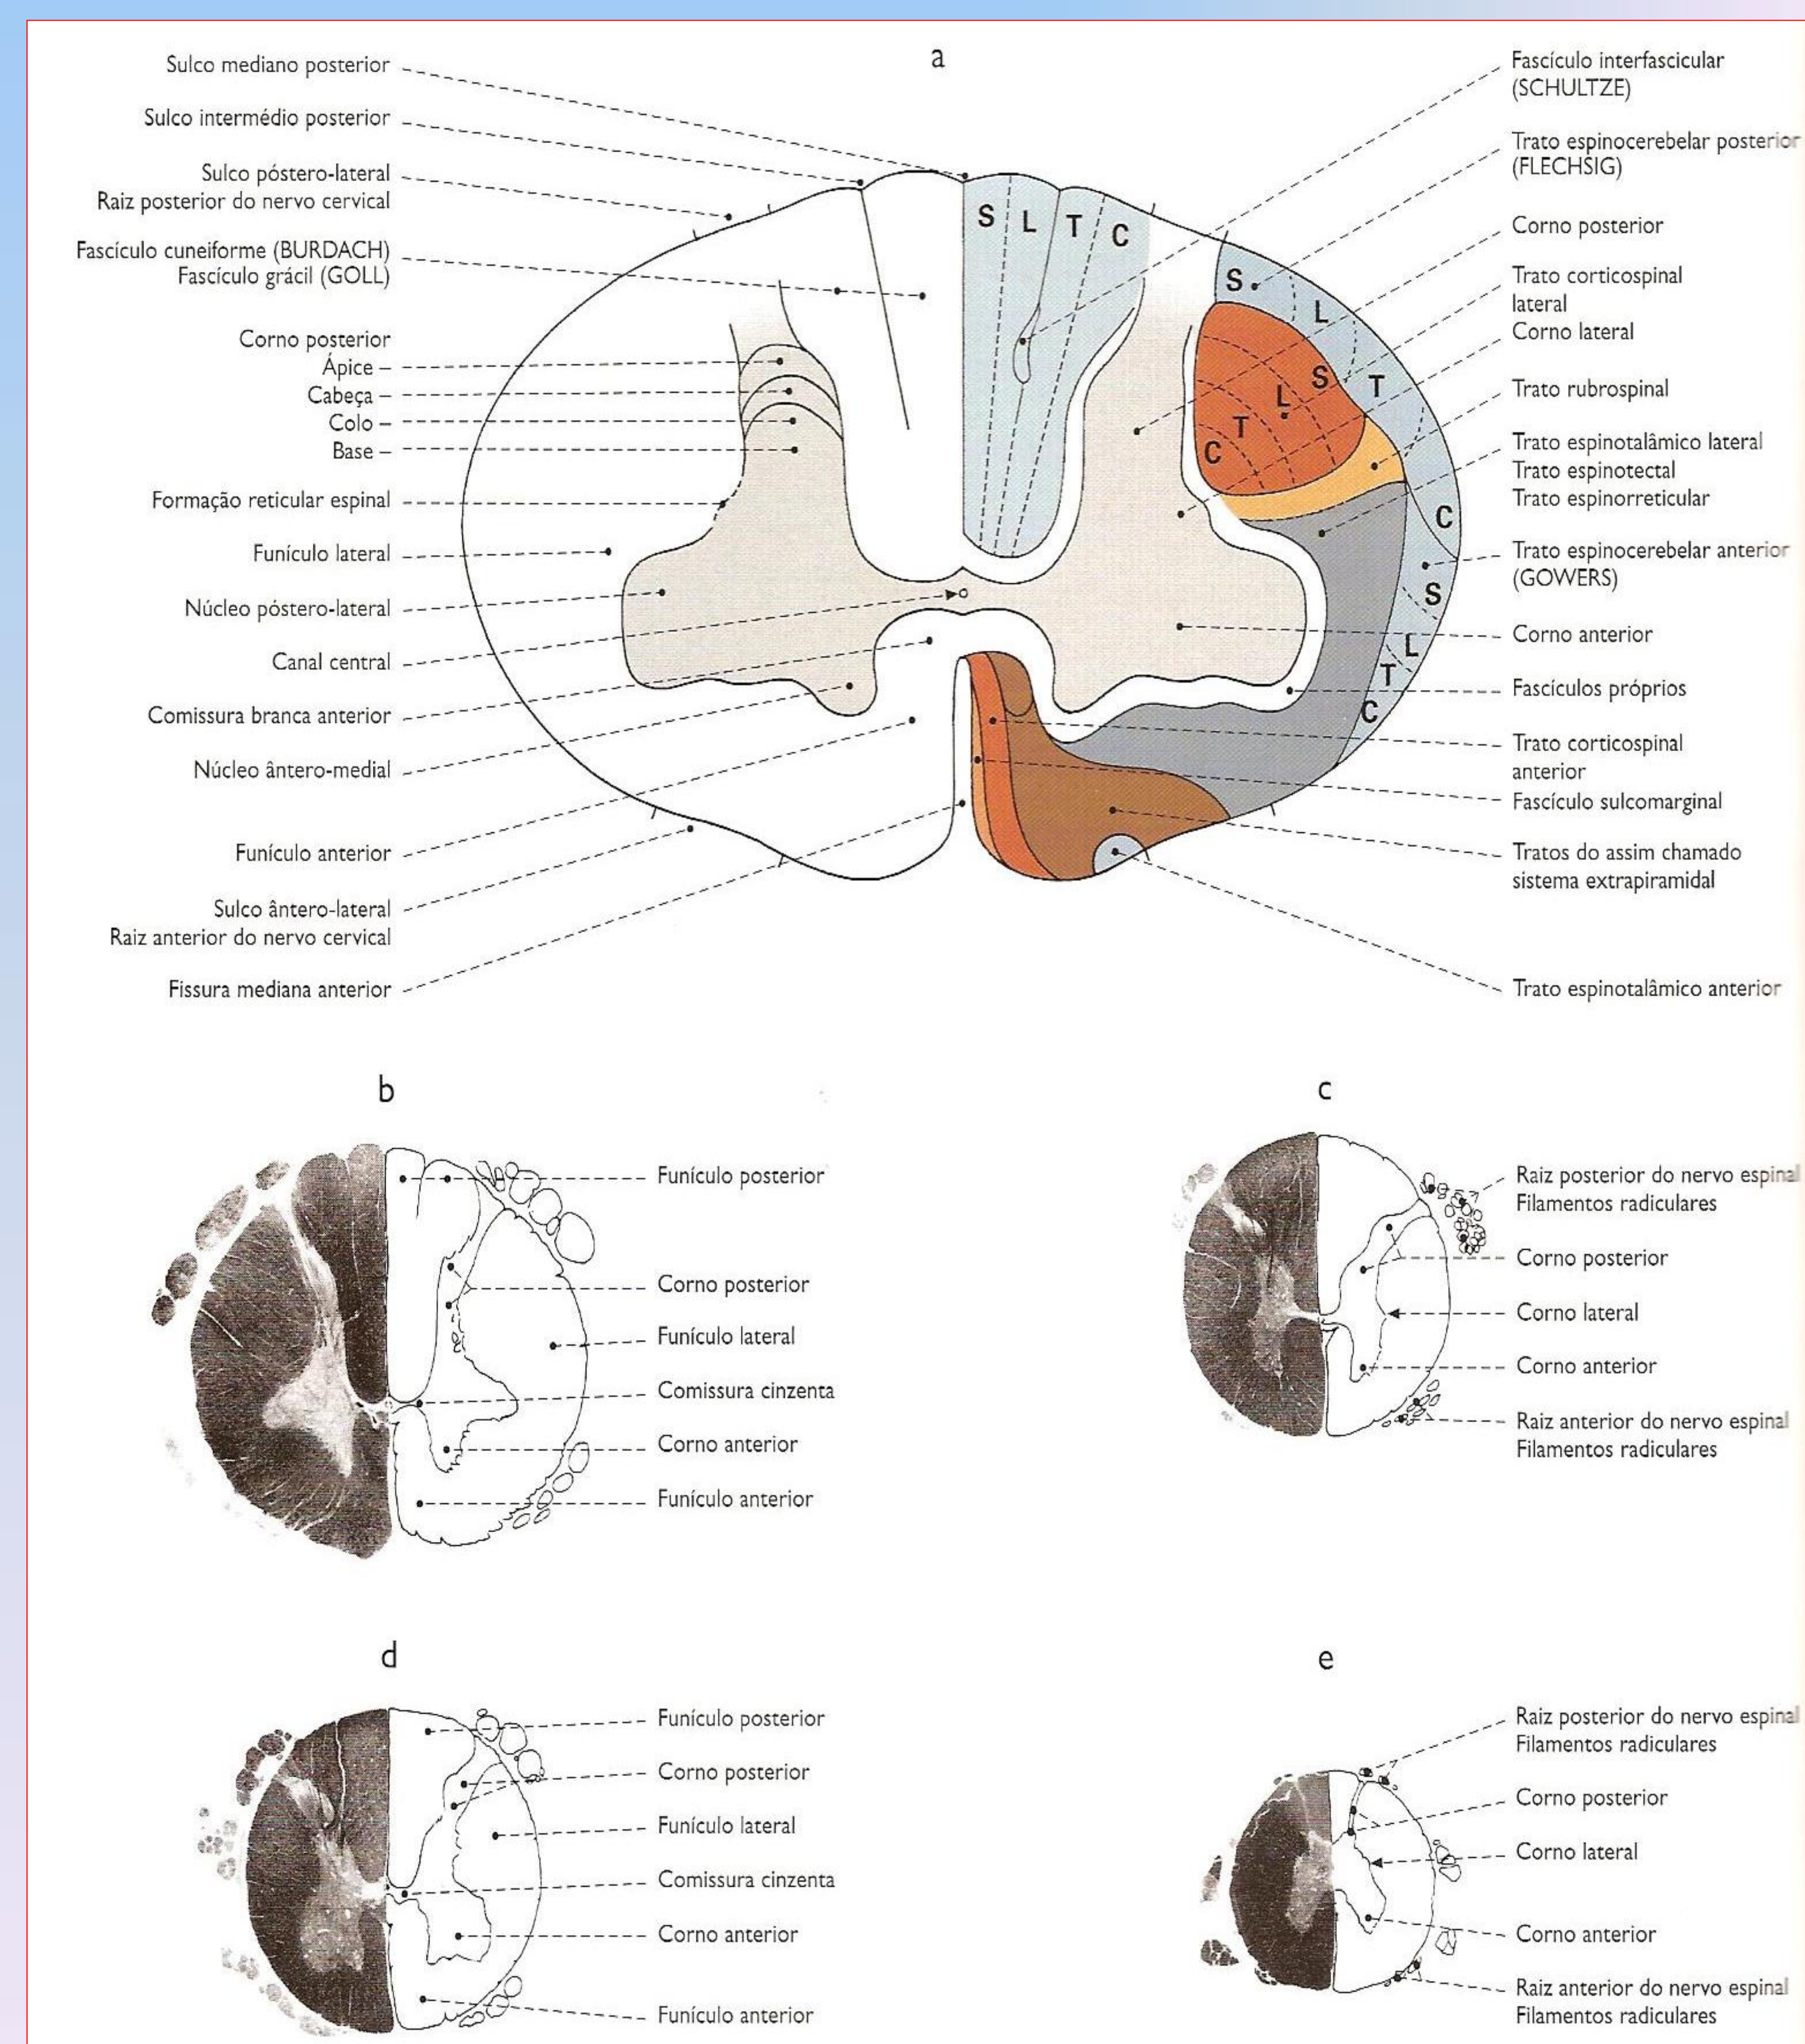

**Medula espinal no canal vertebral
vista dorsal**

**Medula espinal, meninges
e raízes de nervos espinais**

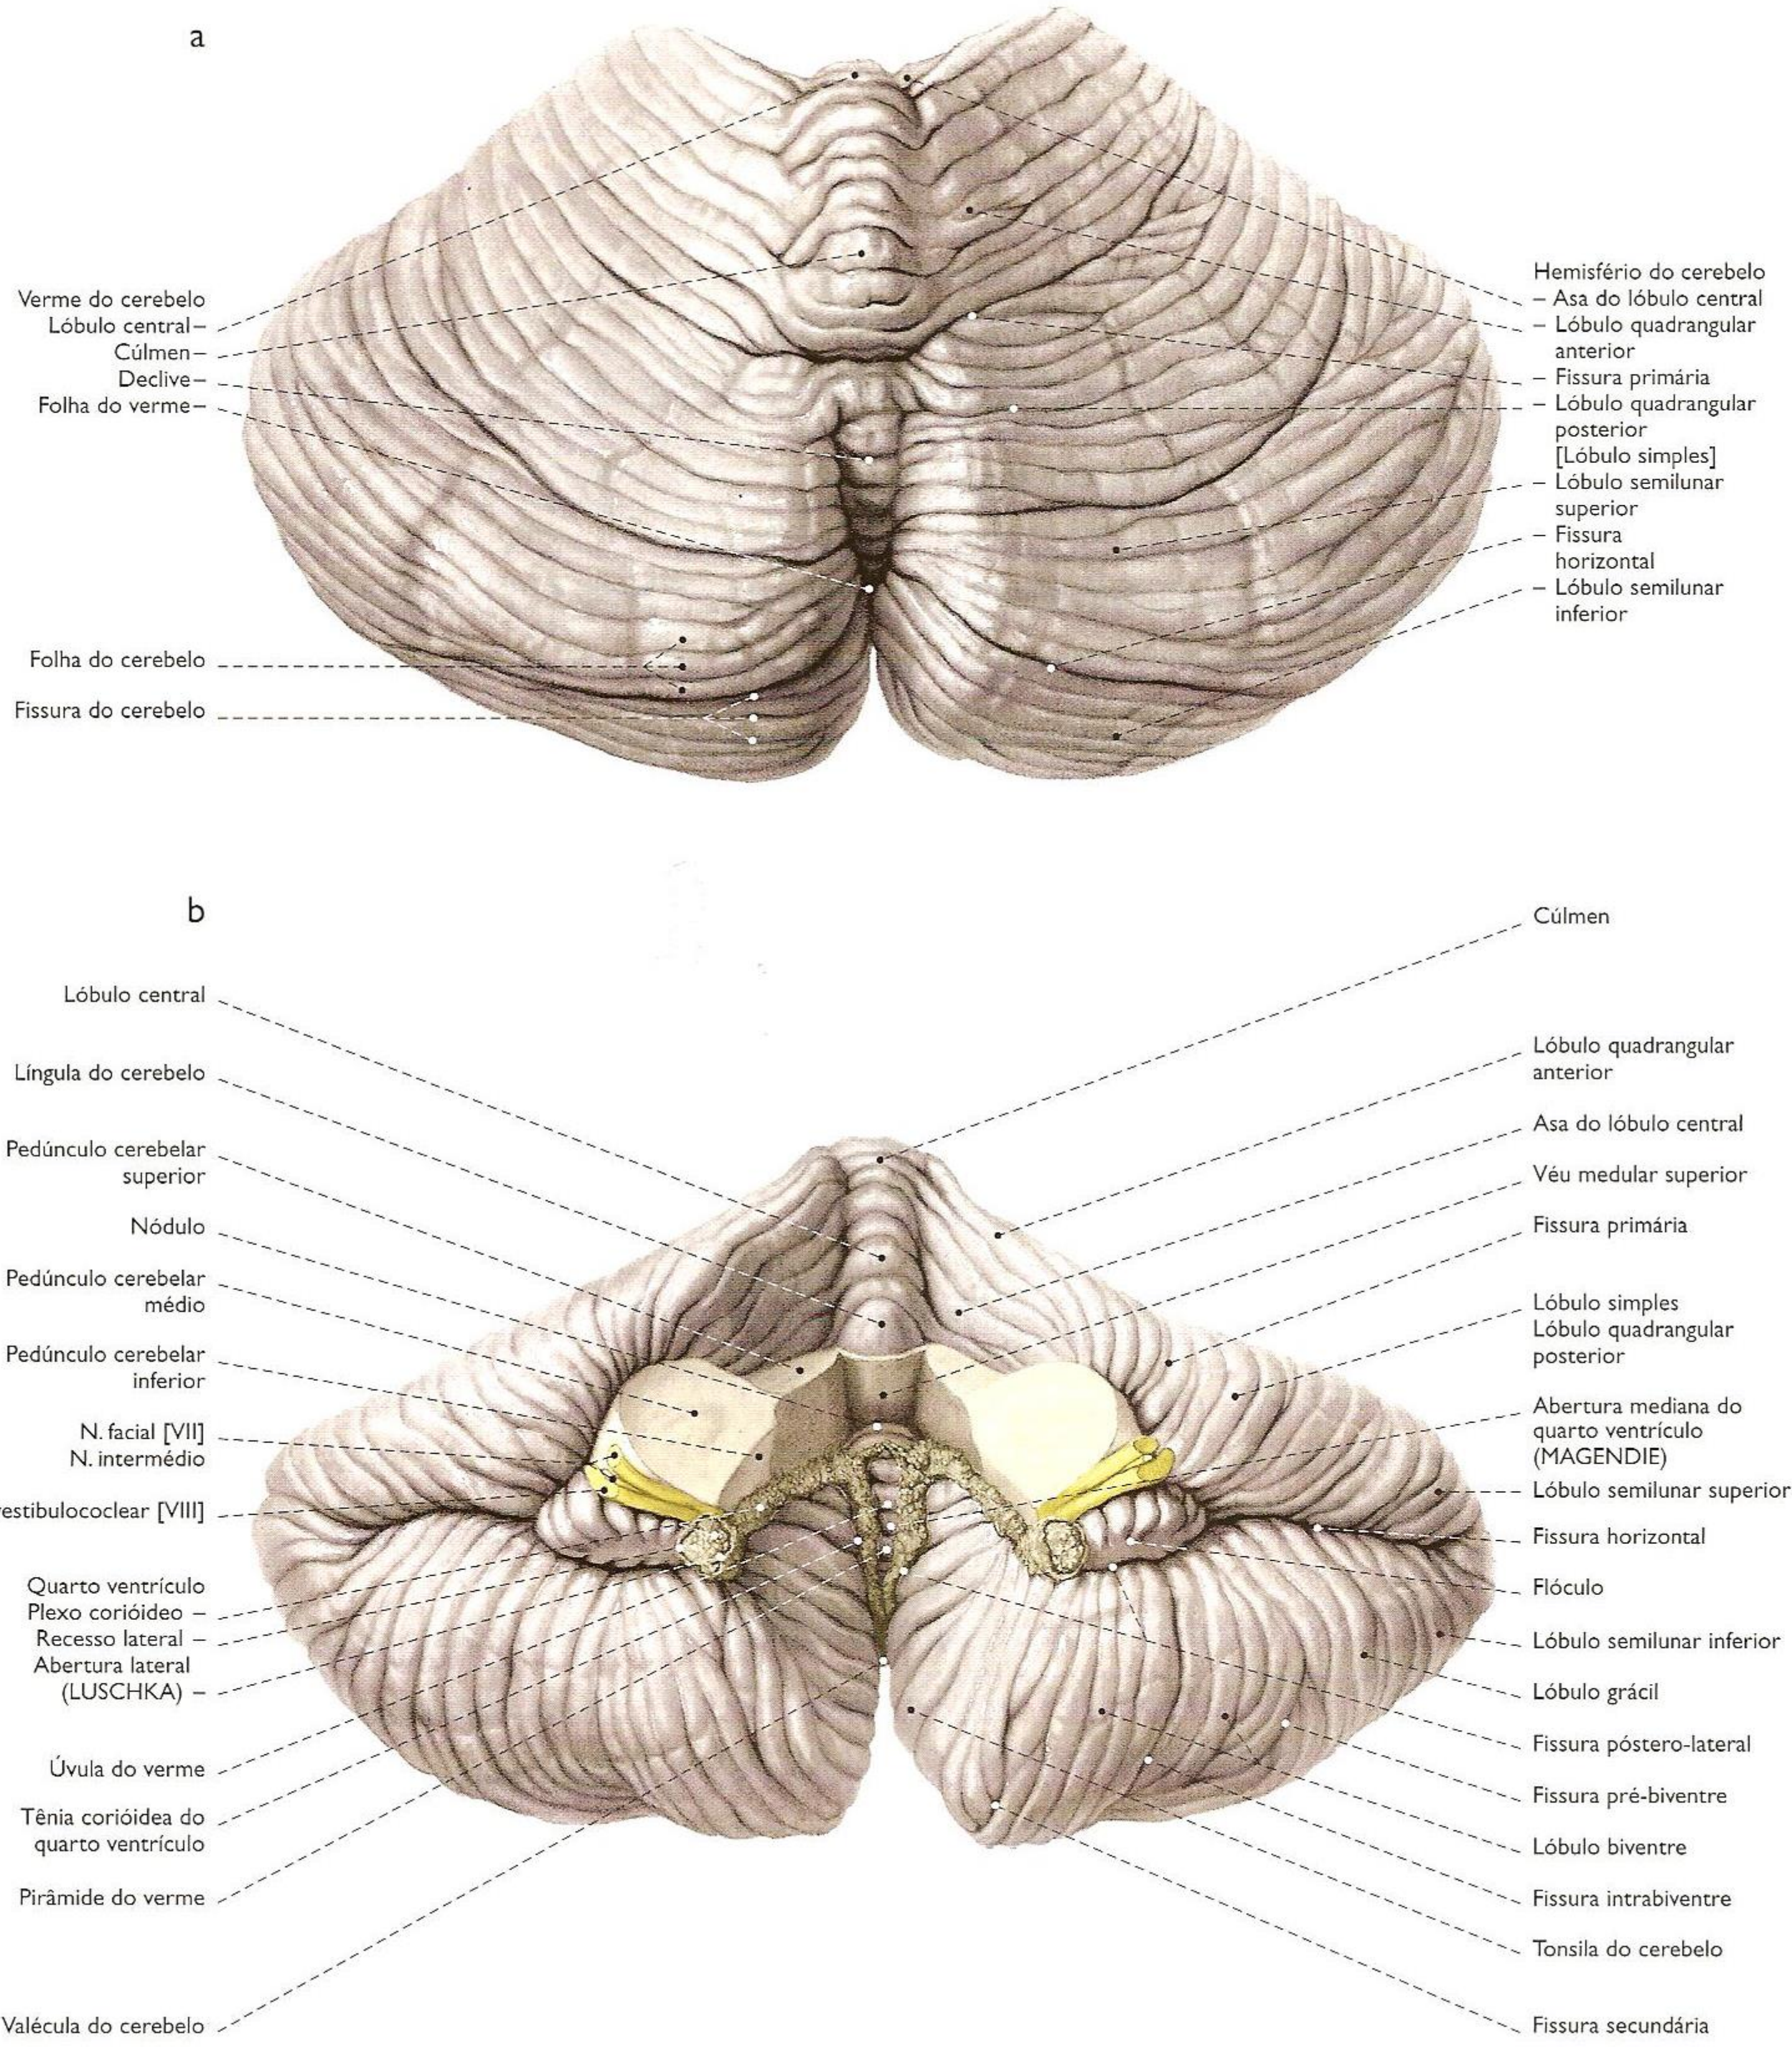

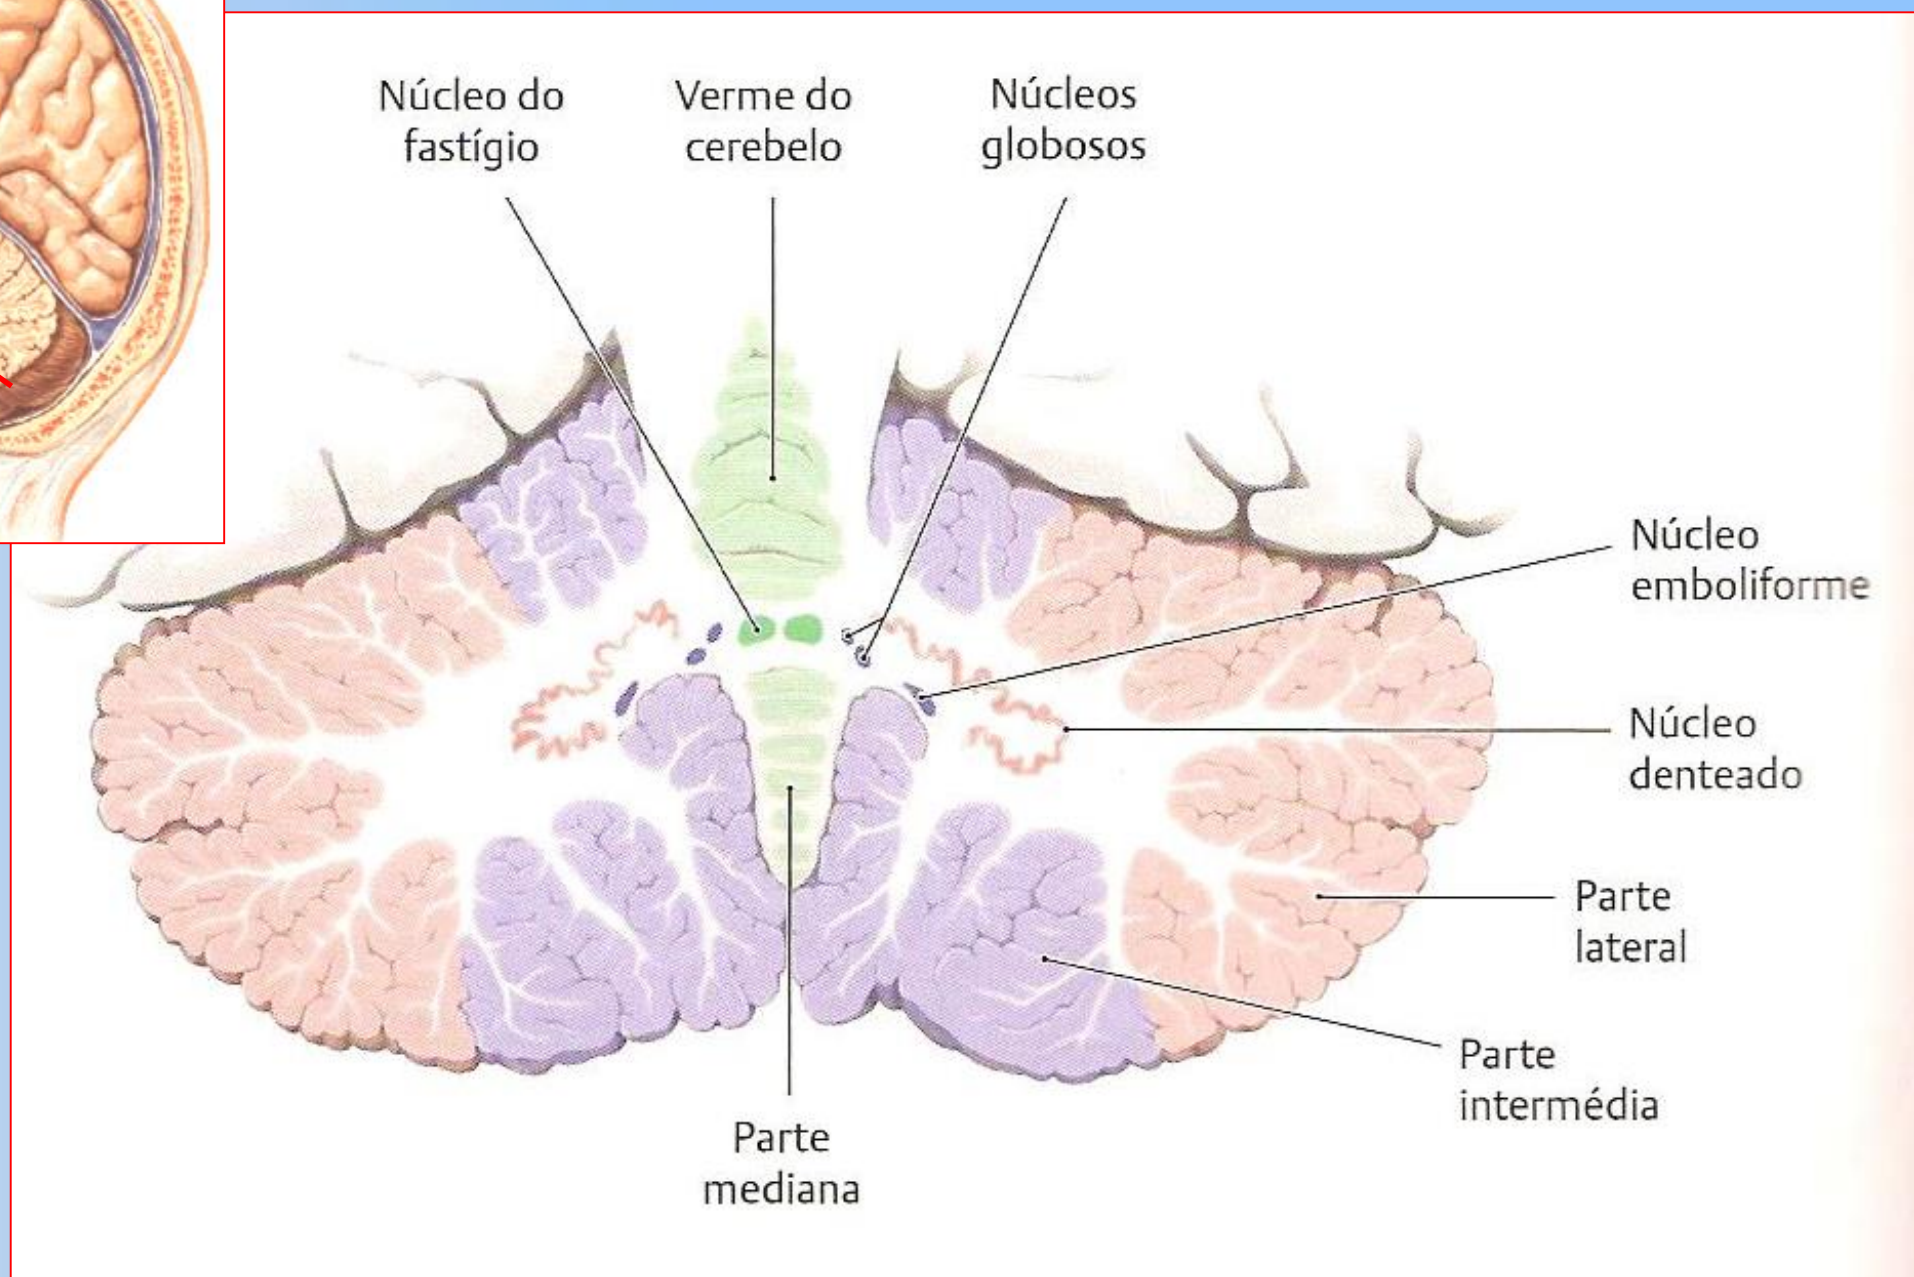

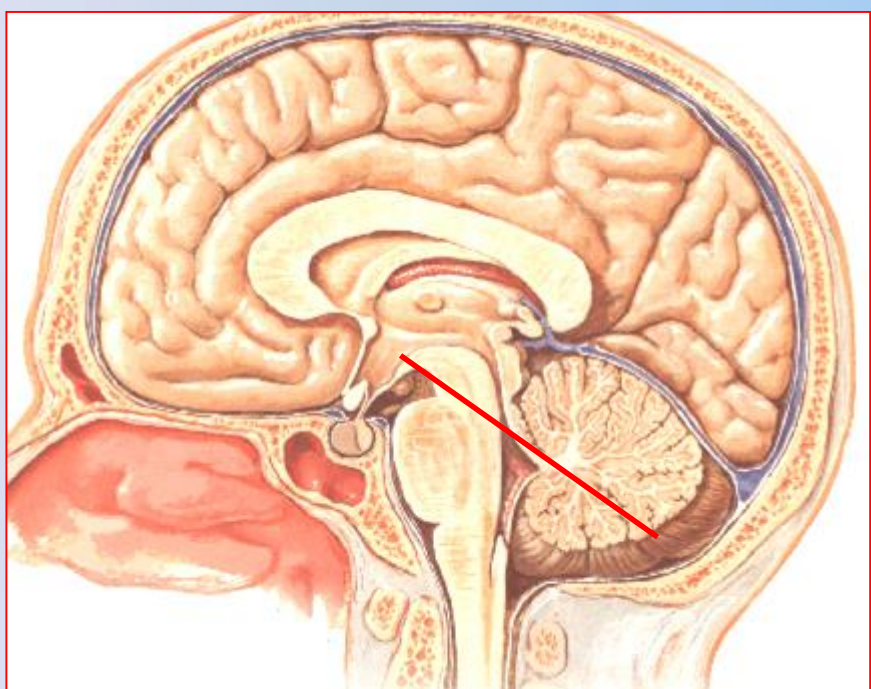

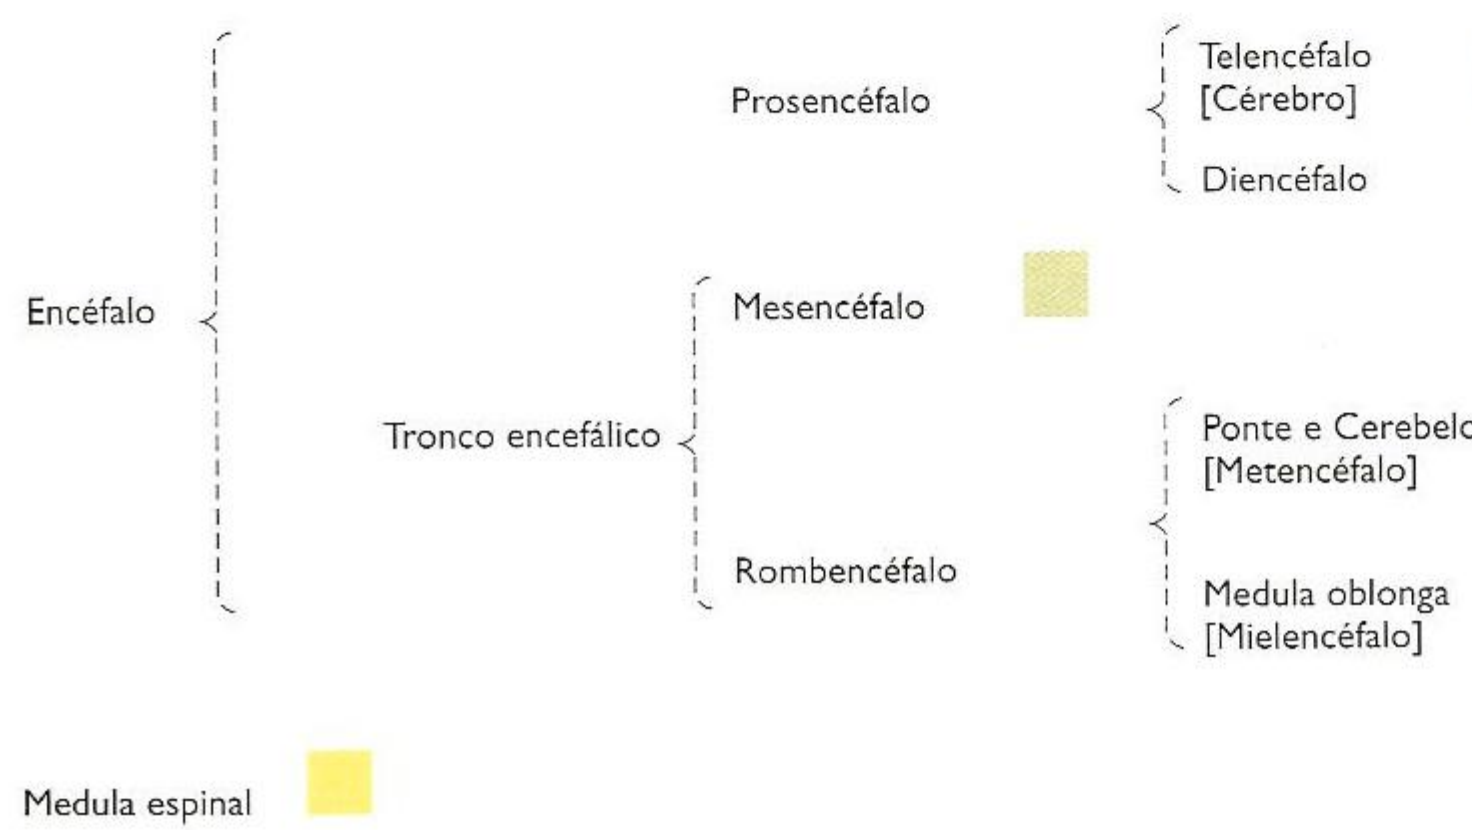

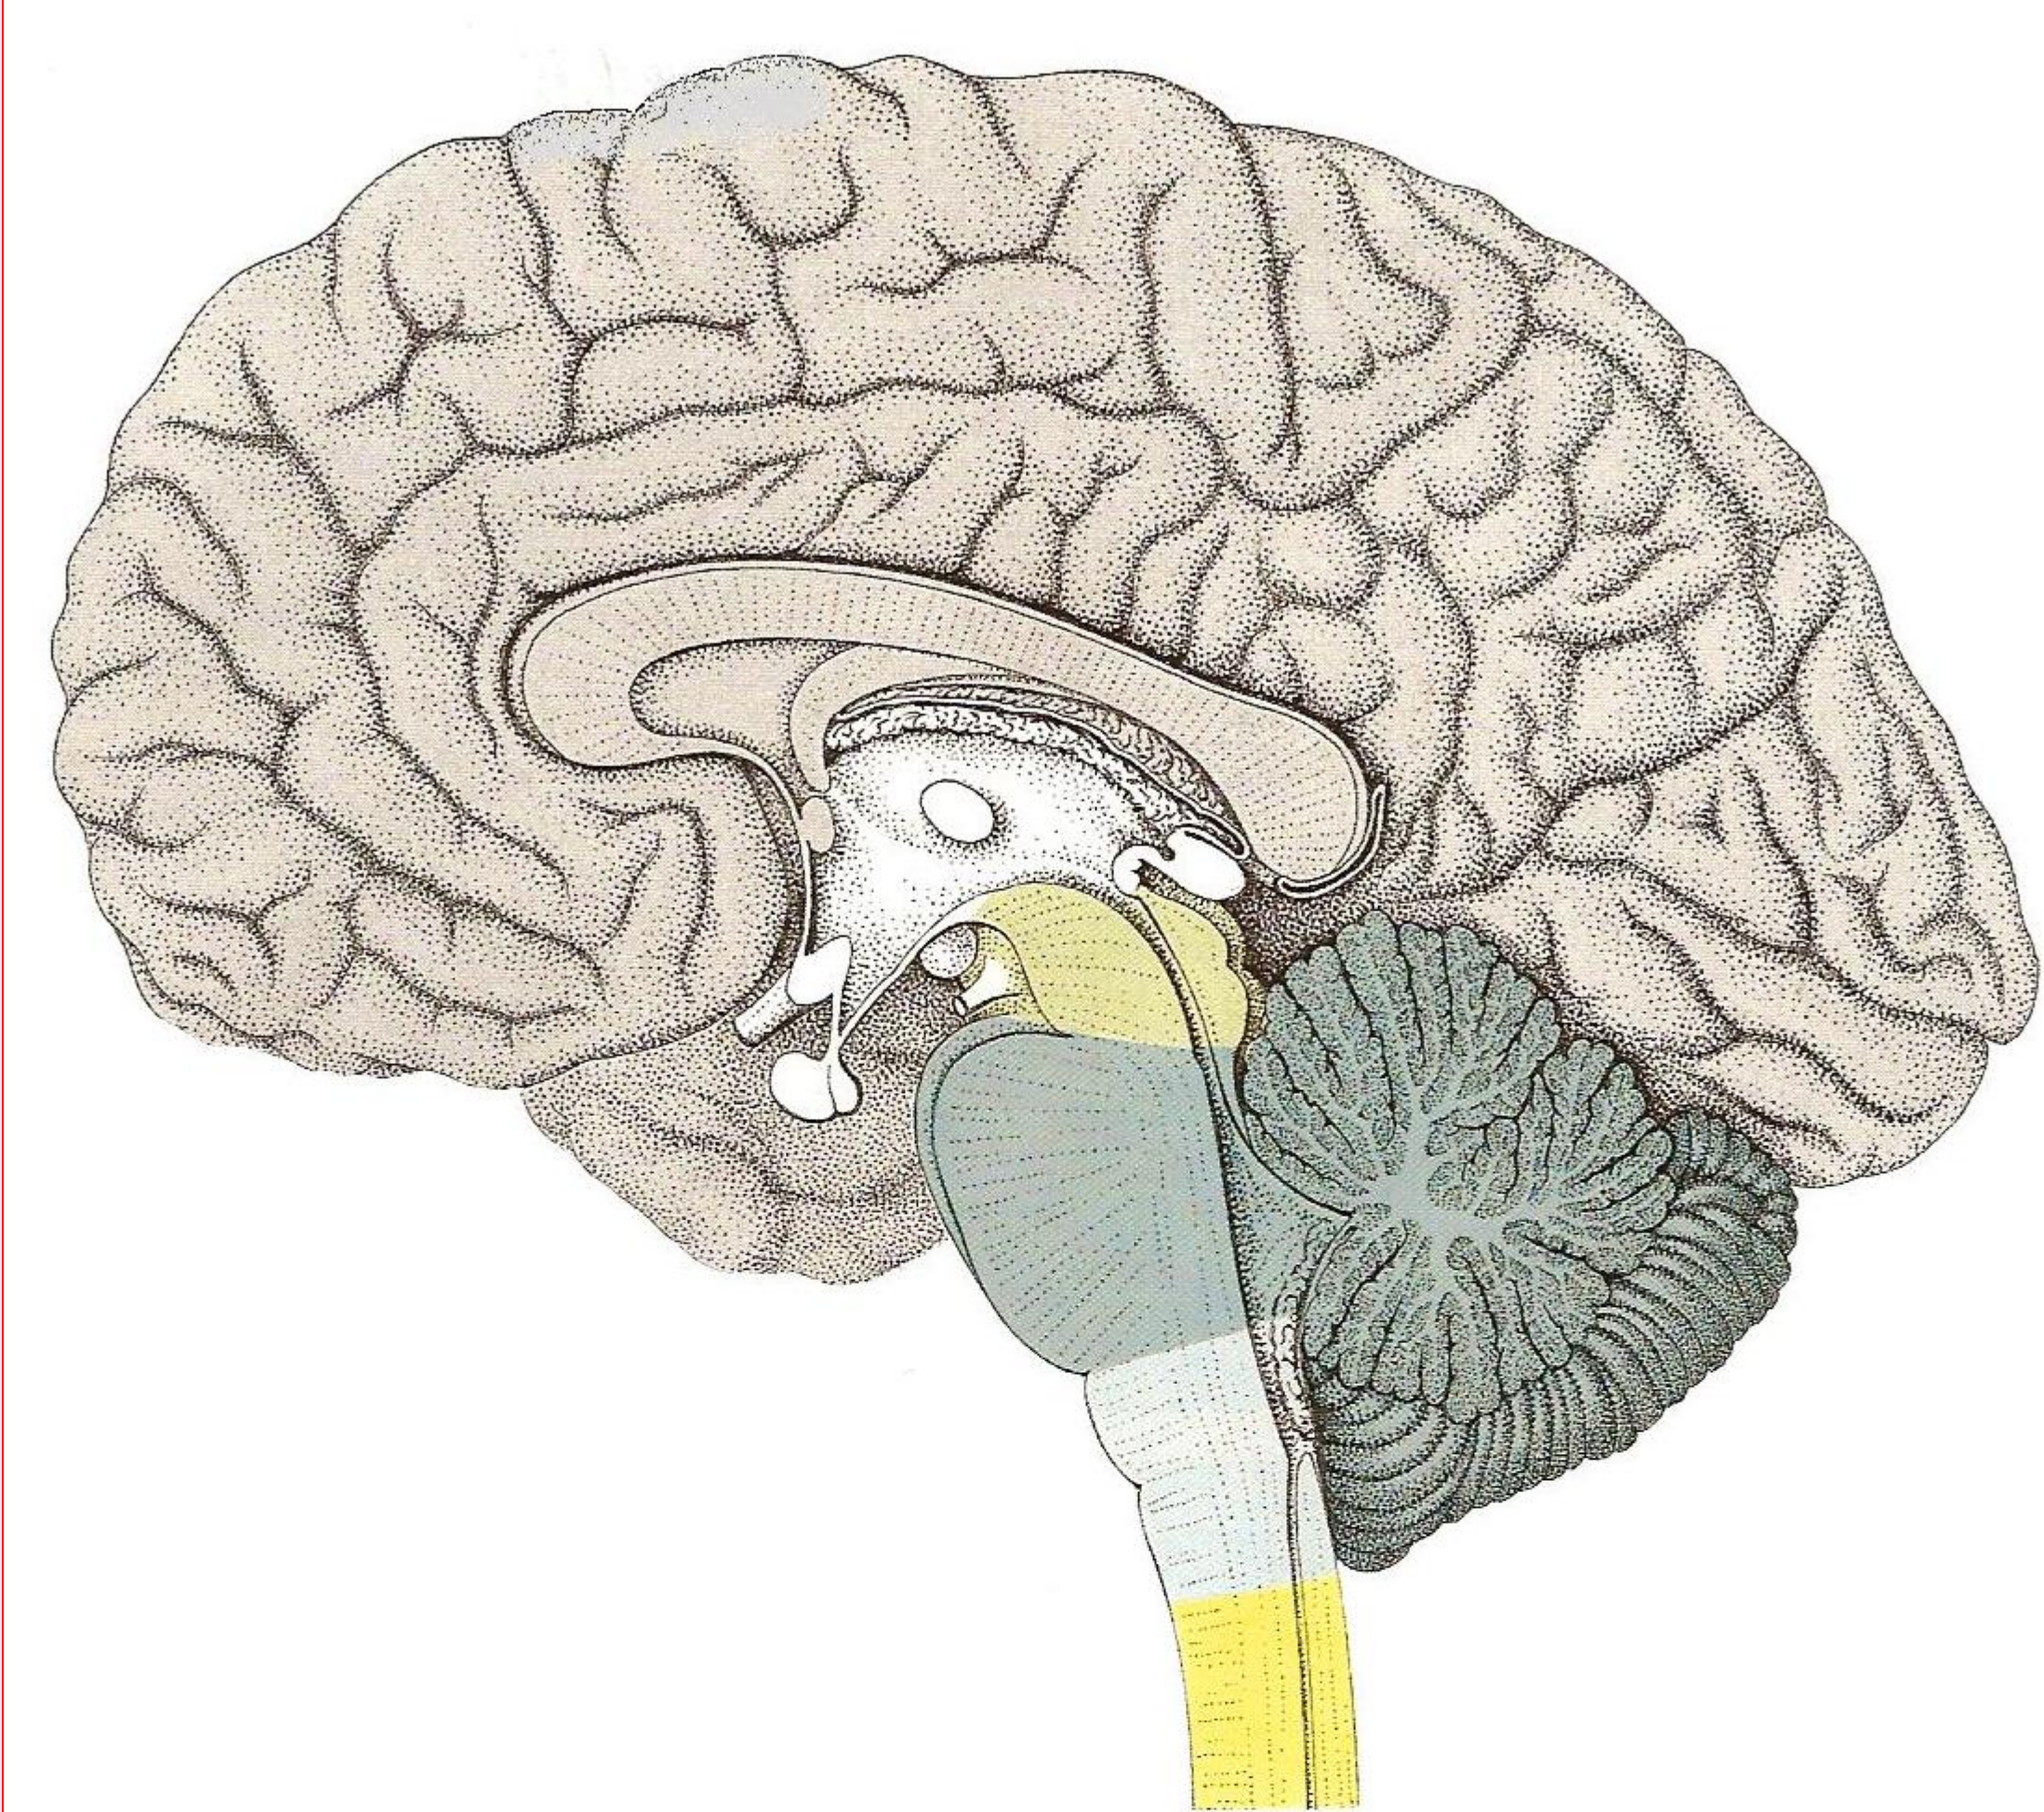

**Medula espinal, meninges
e nervos espinais**

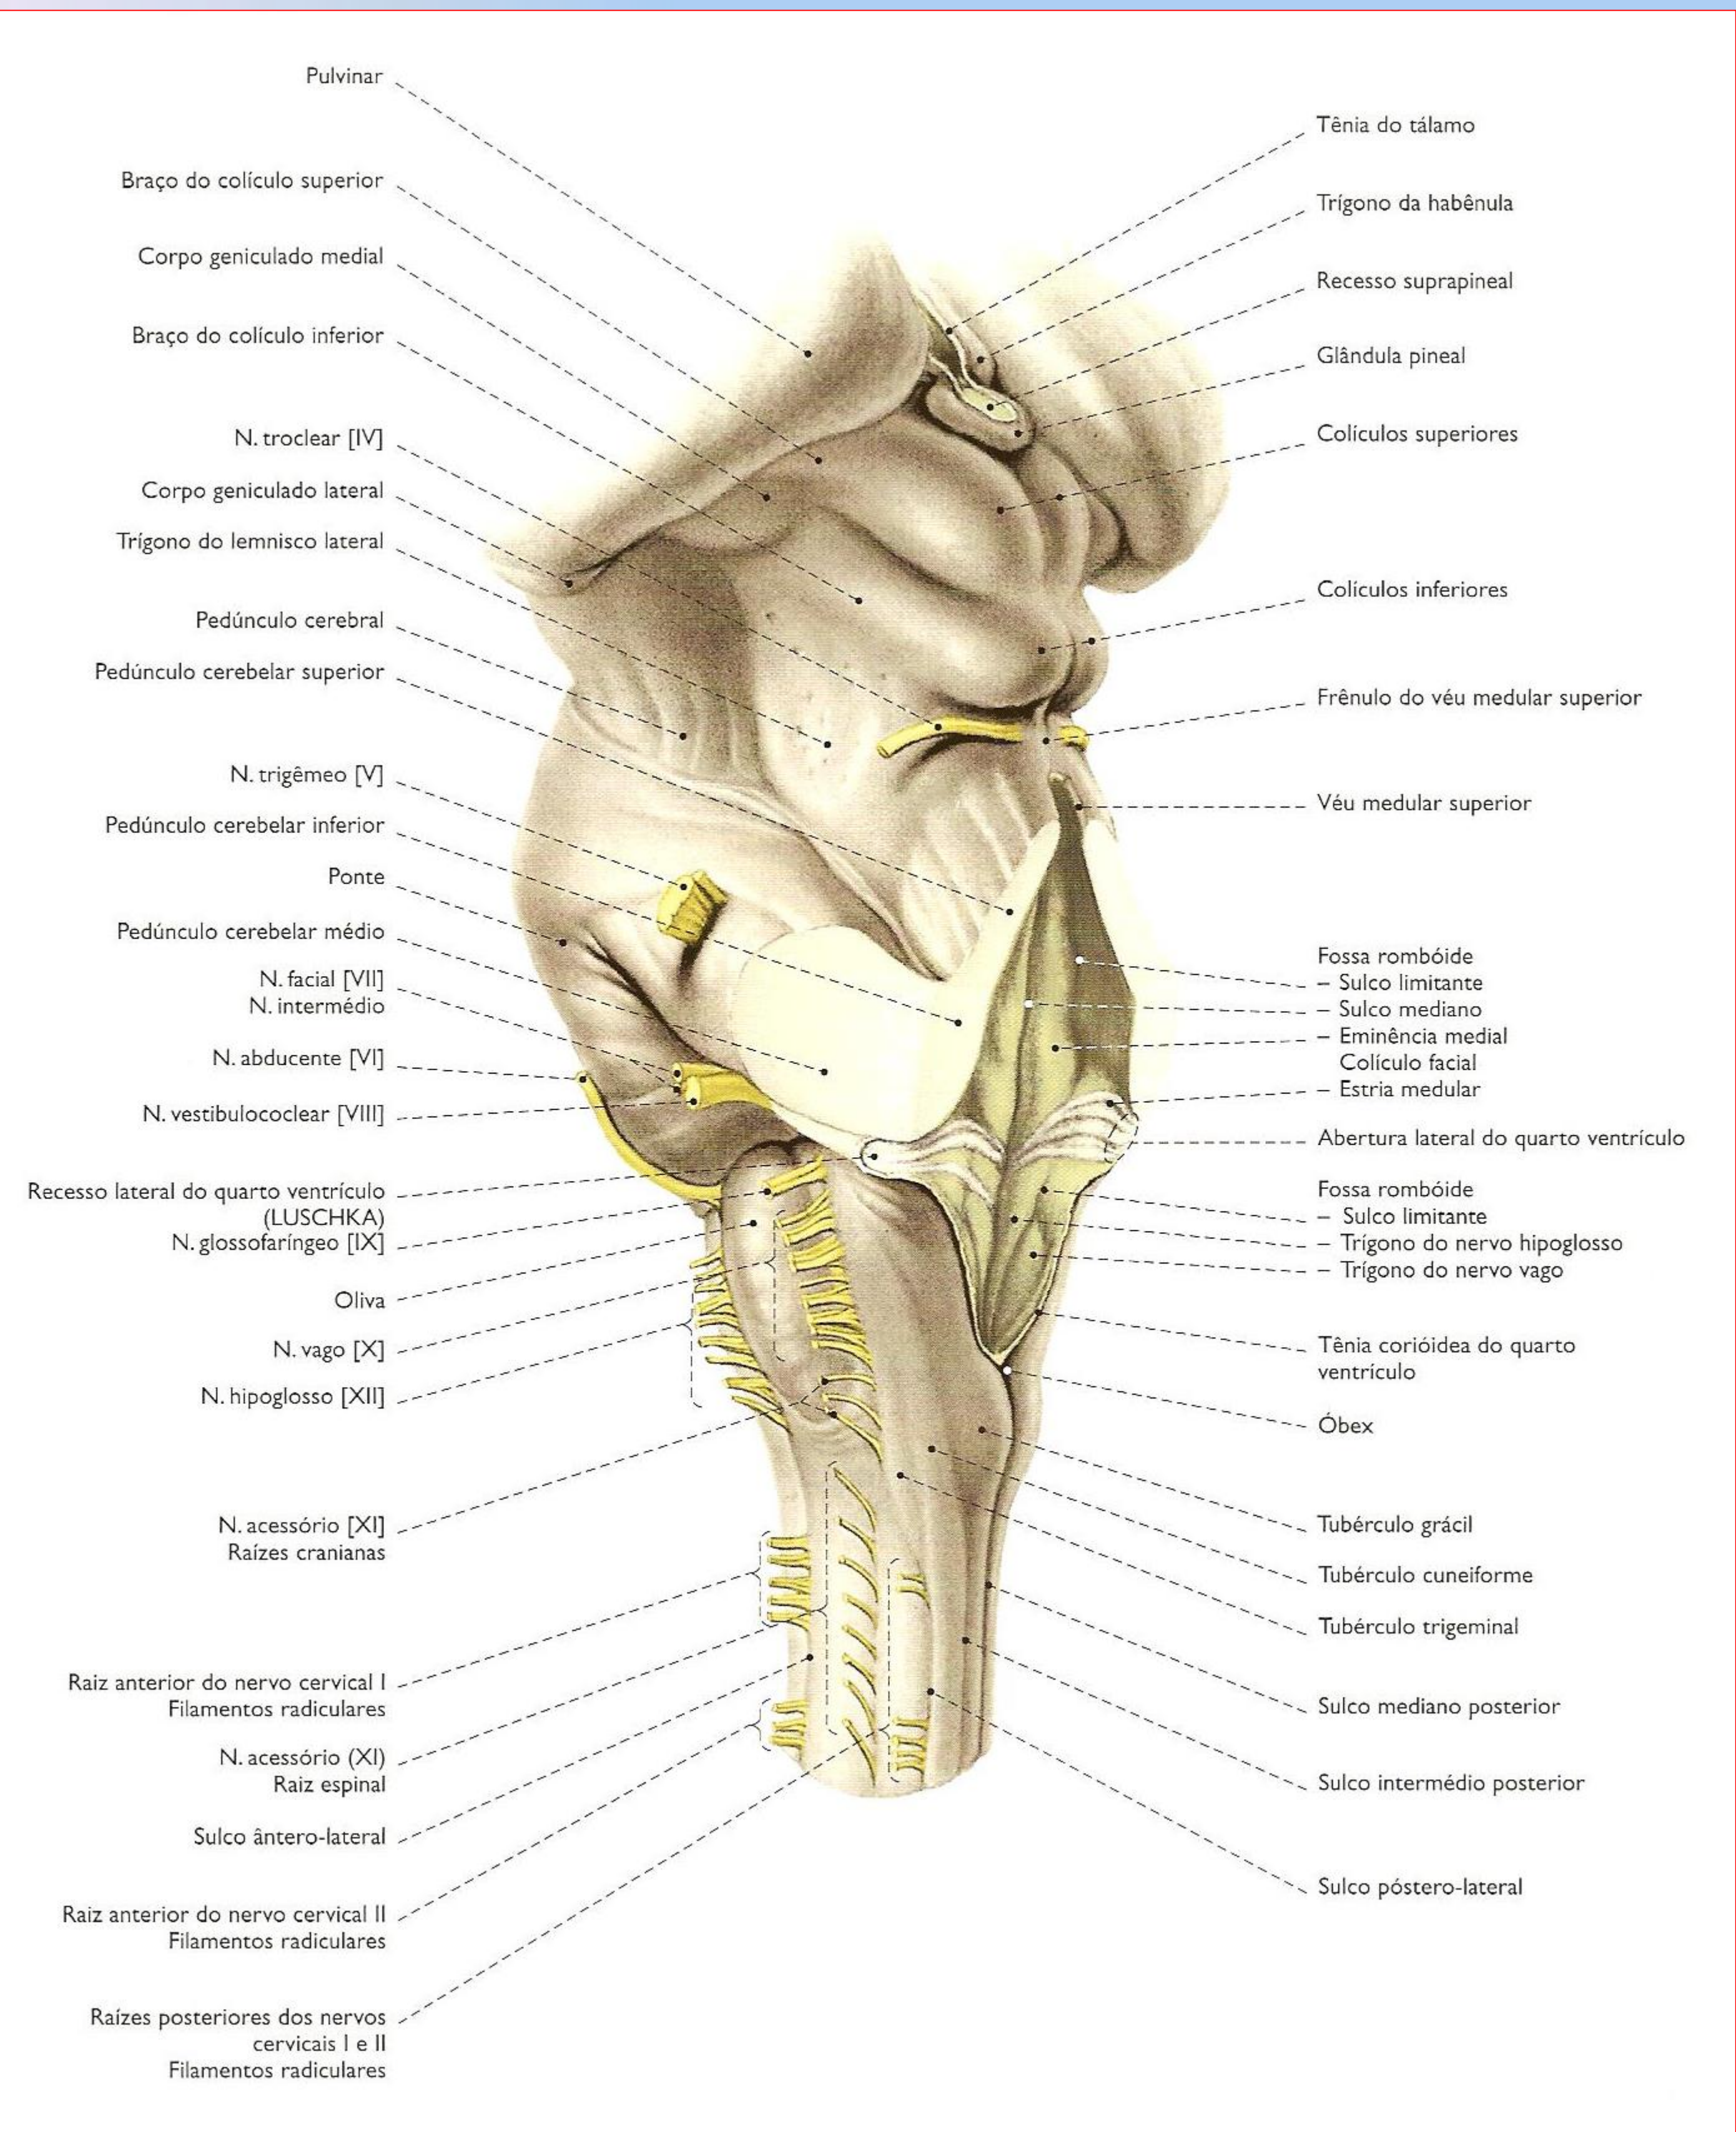

**Medula espinal
Cortes transversais:
b=cervical; c=torácica; d=lombar; e=sacral**

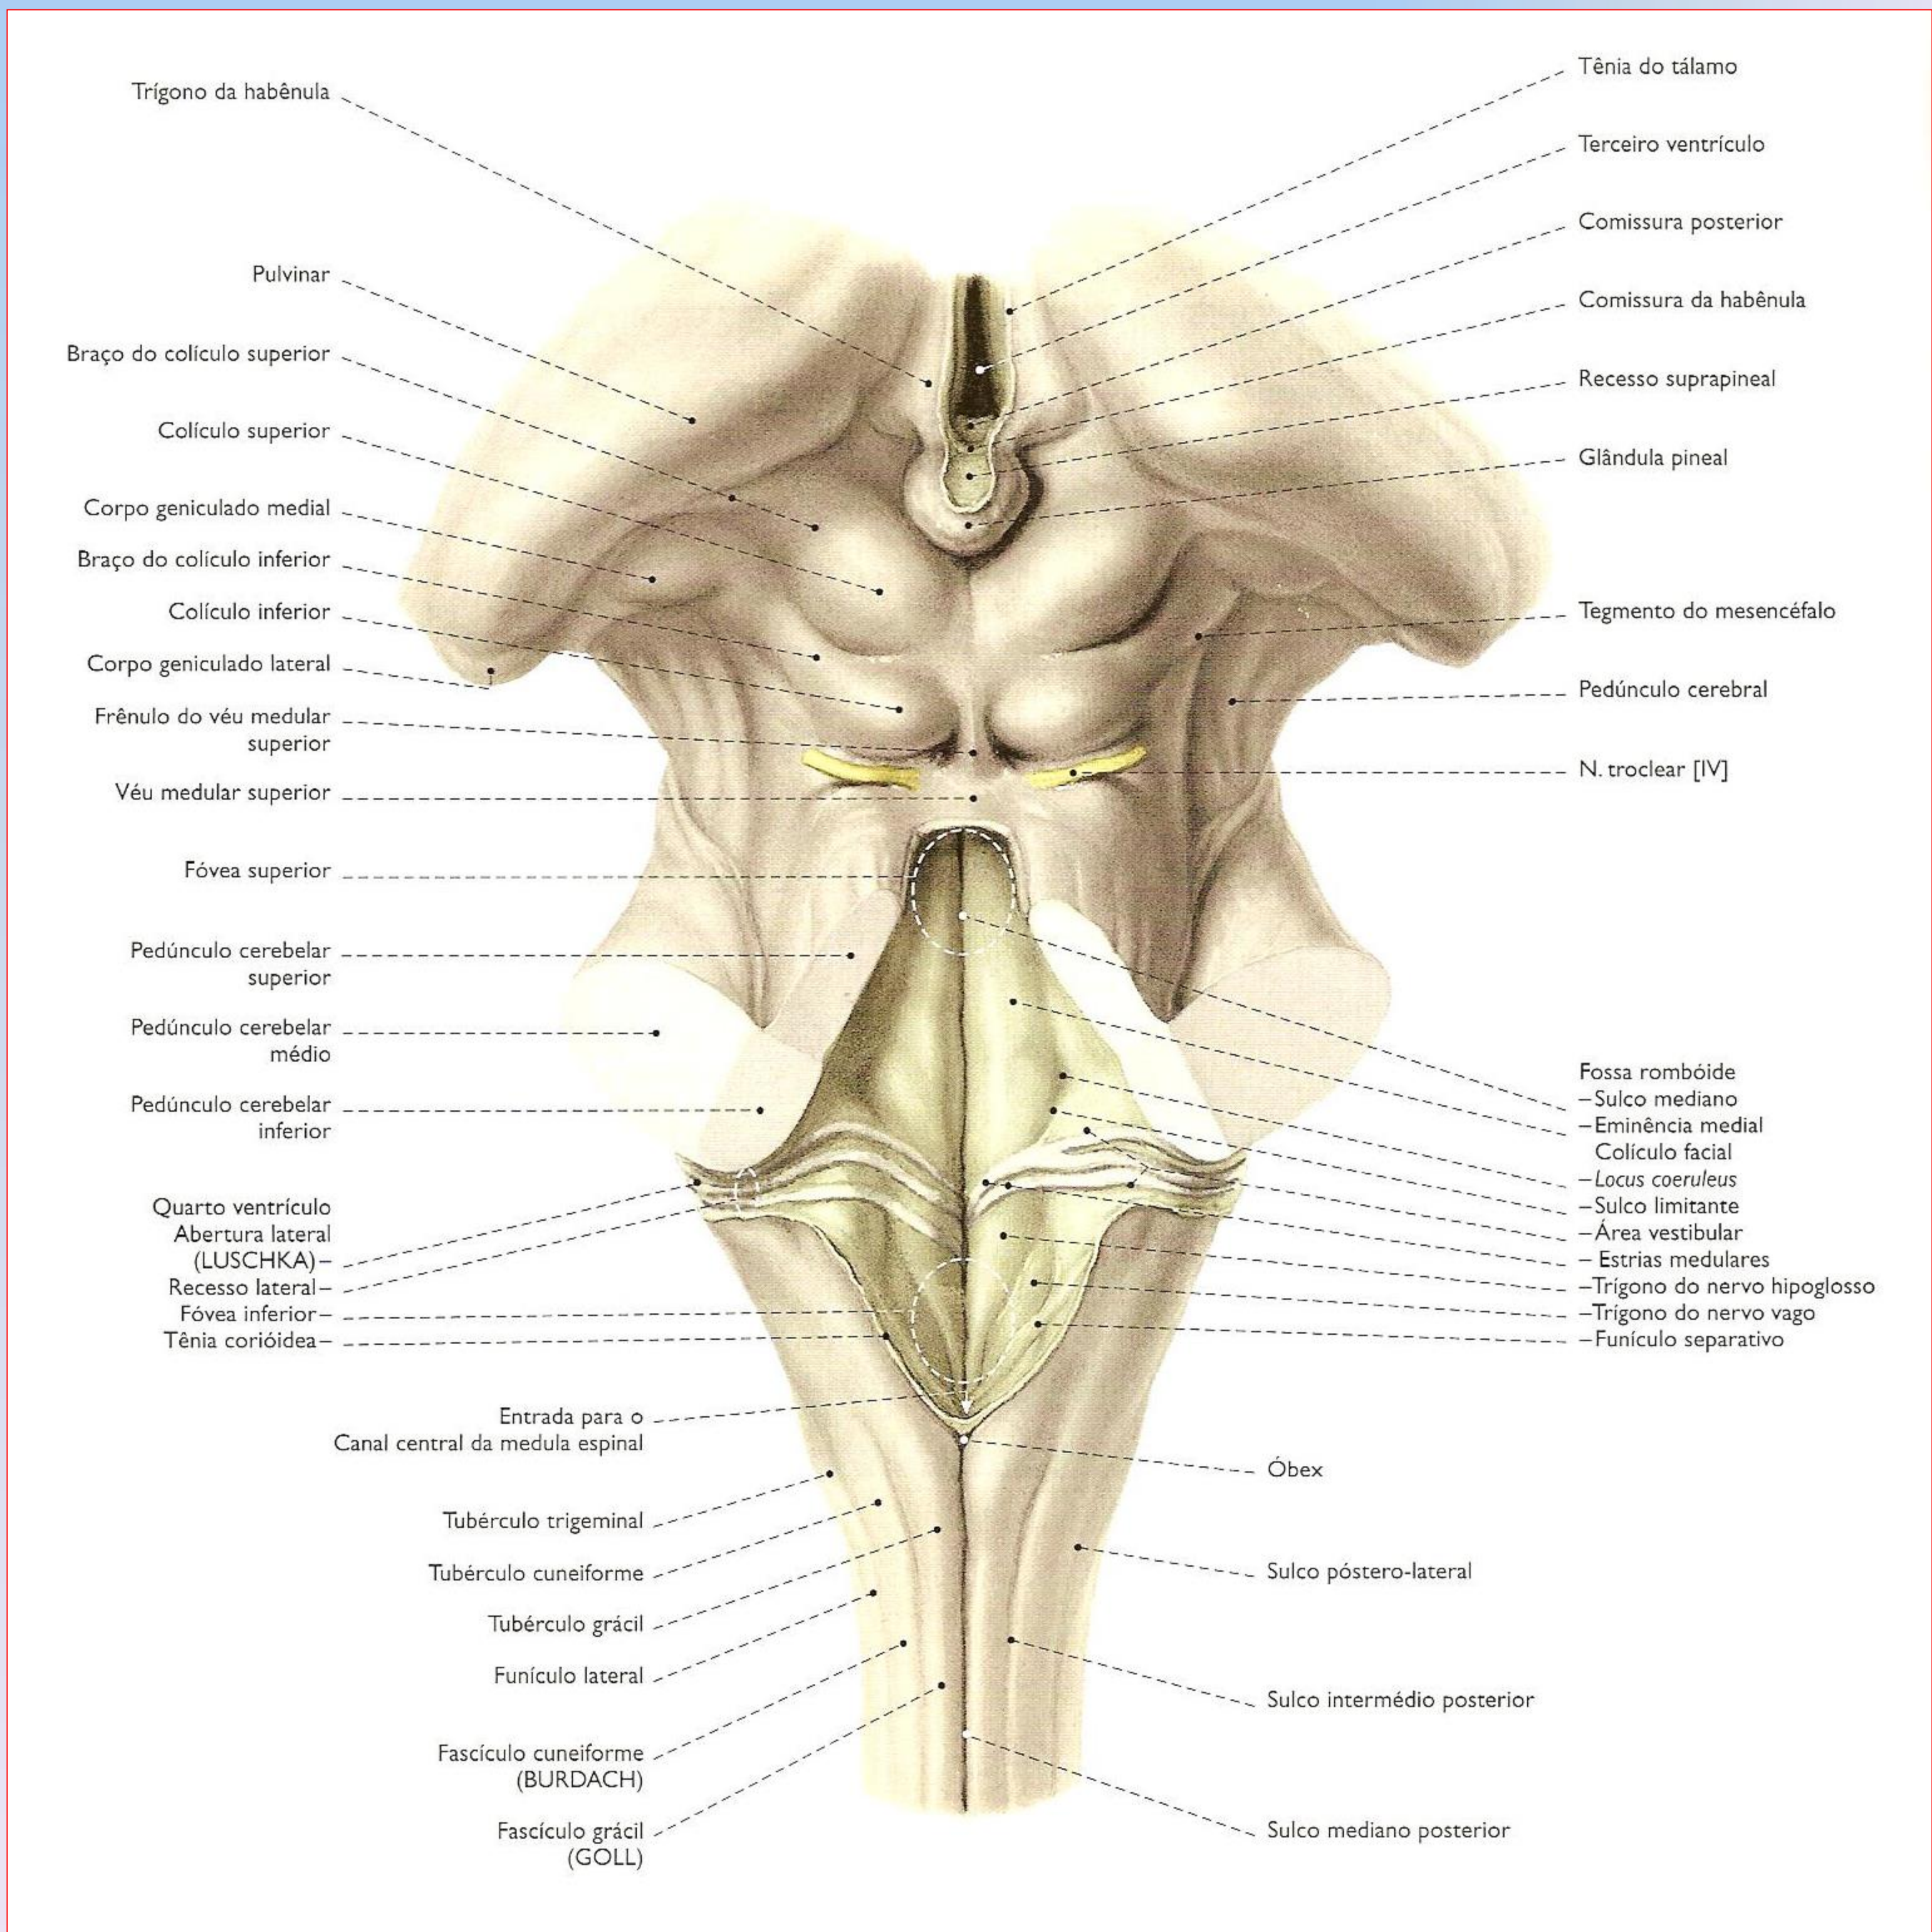

Tronco encefálico e cerebello

Cerebello :
a=vista superior
b=vista ventral

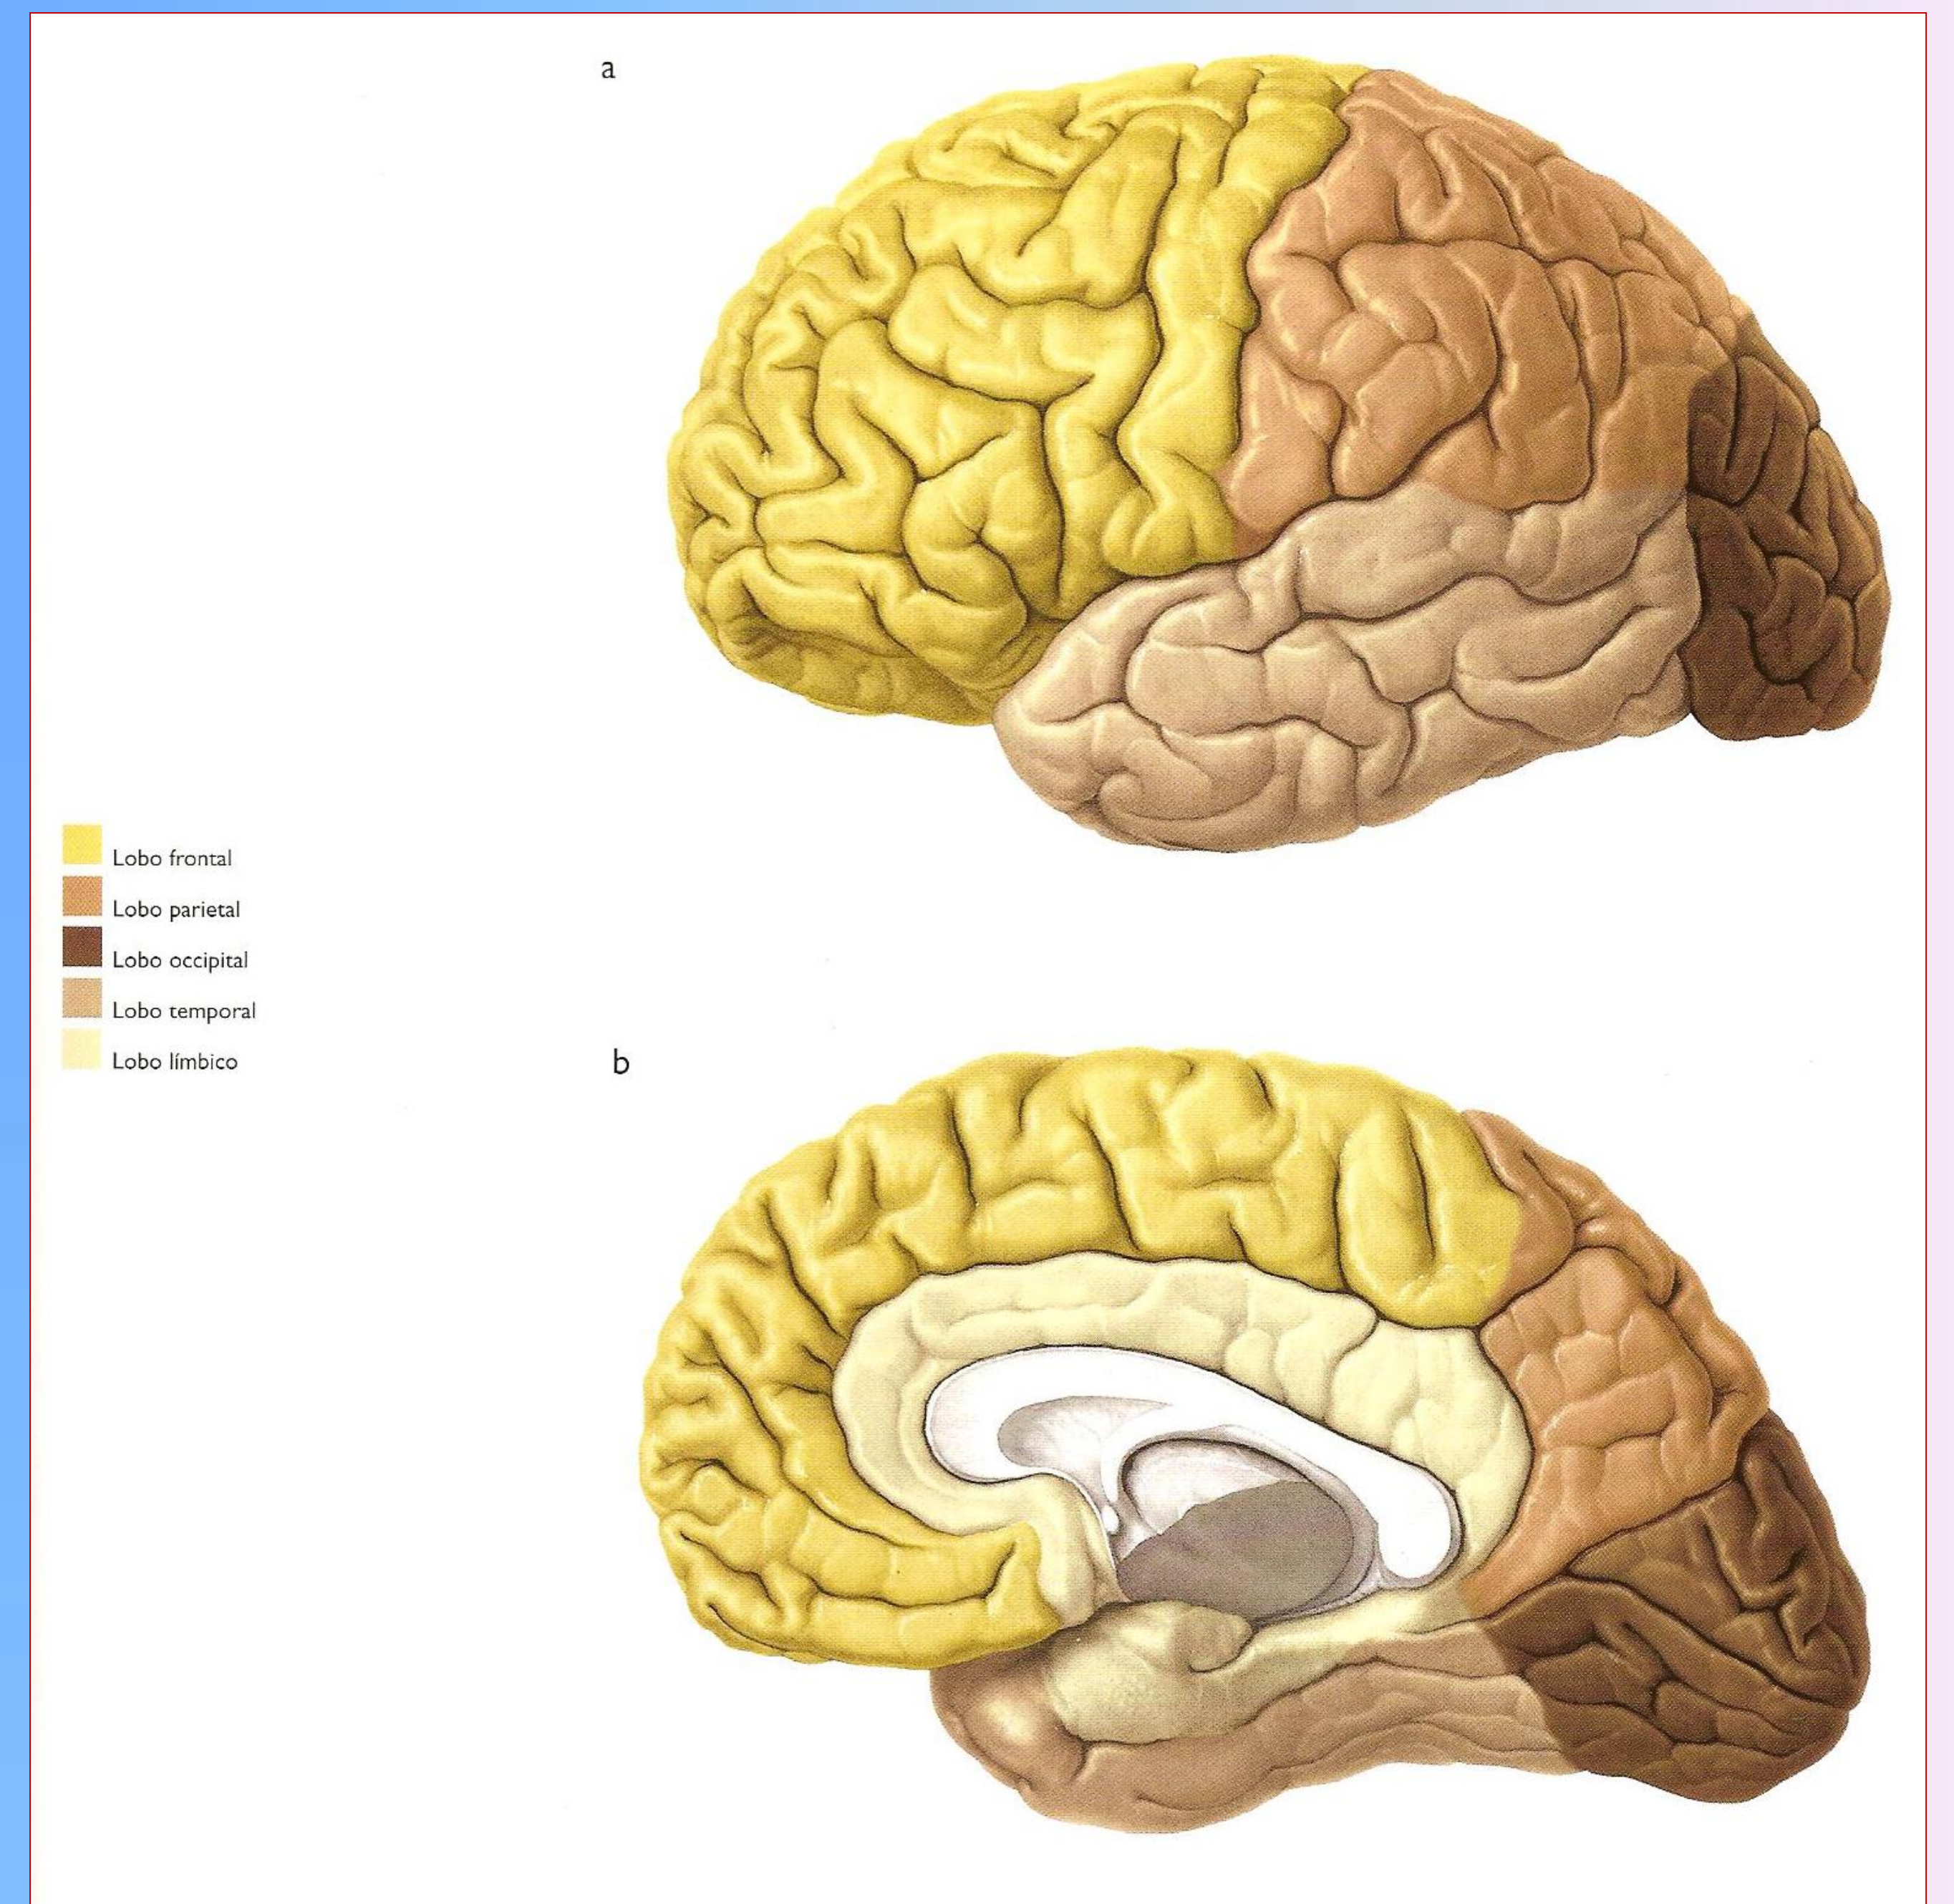

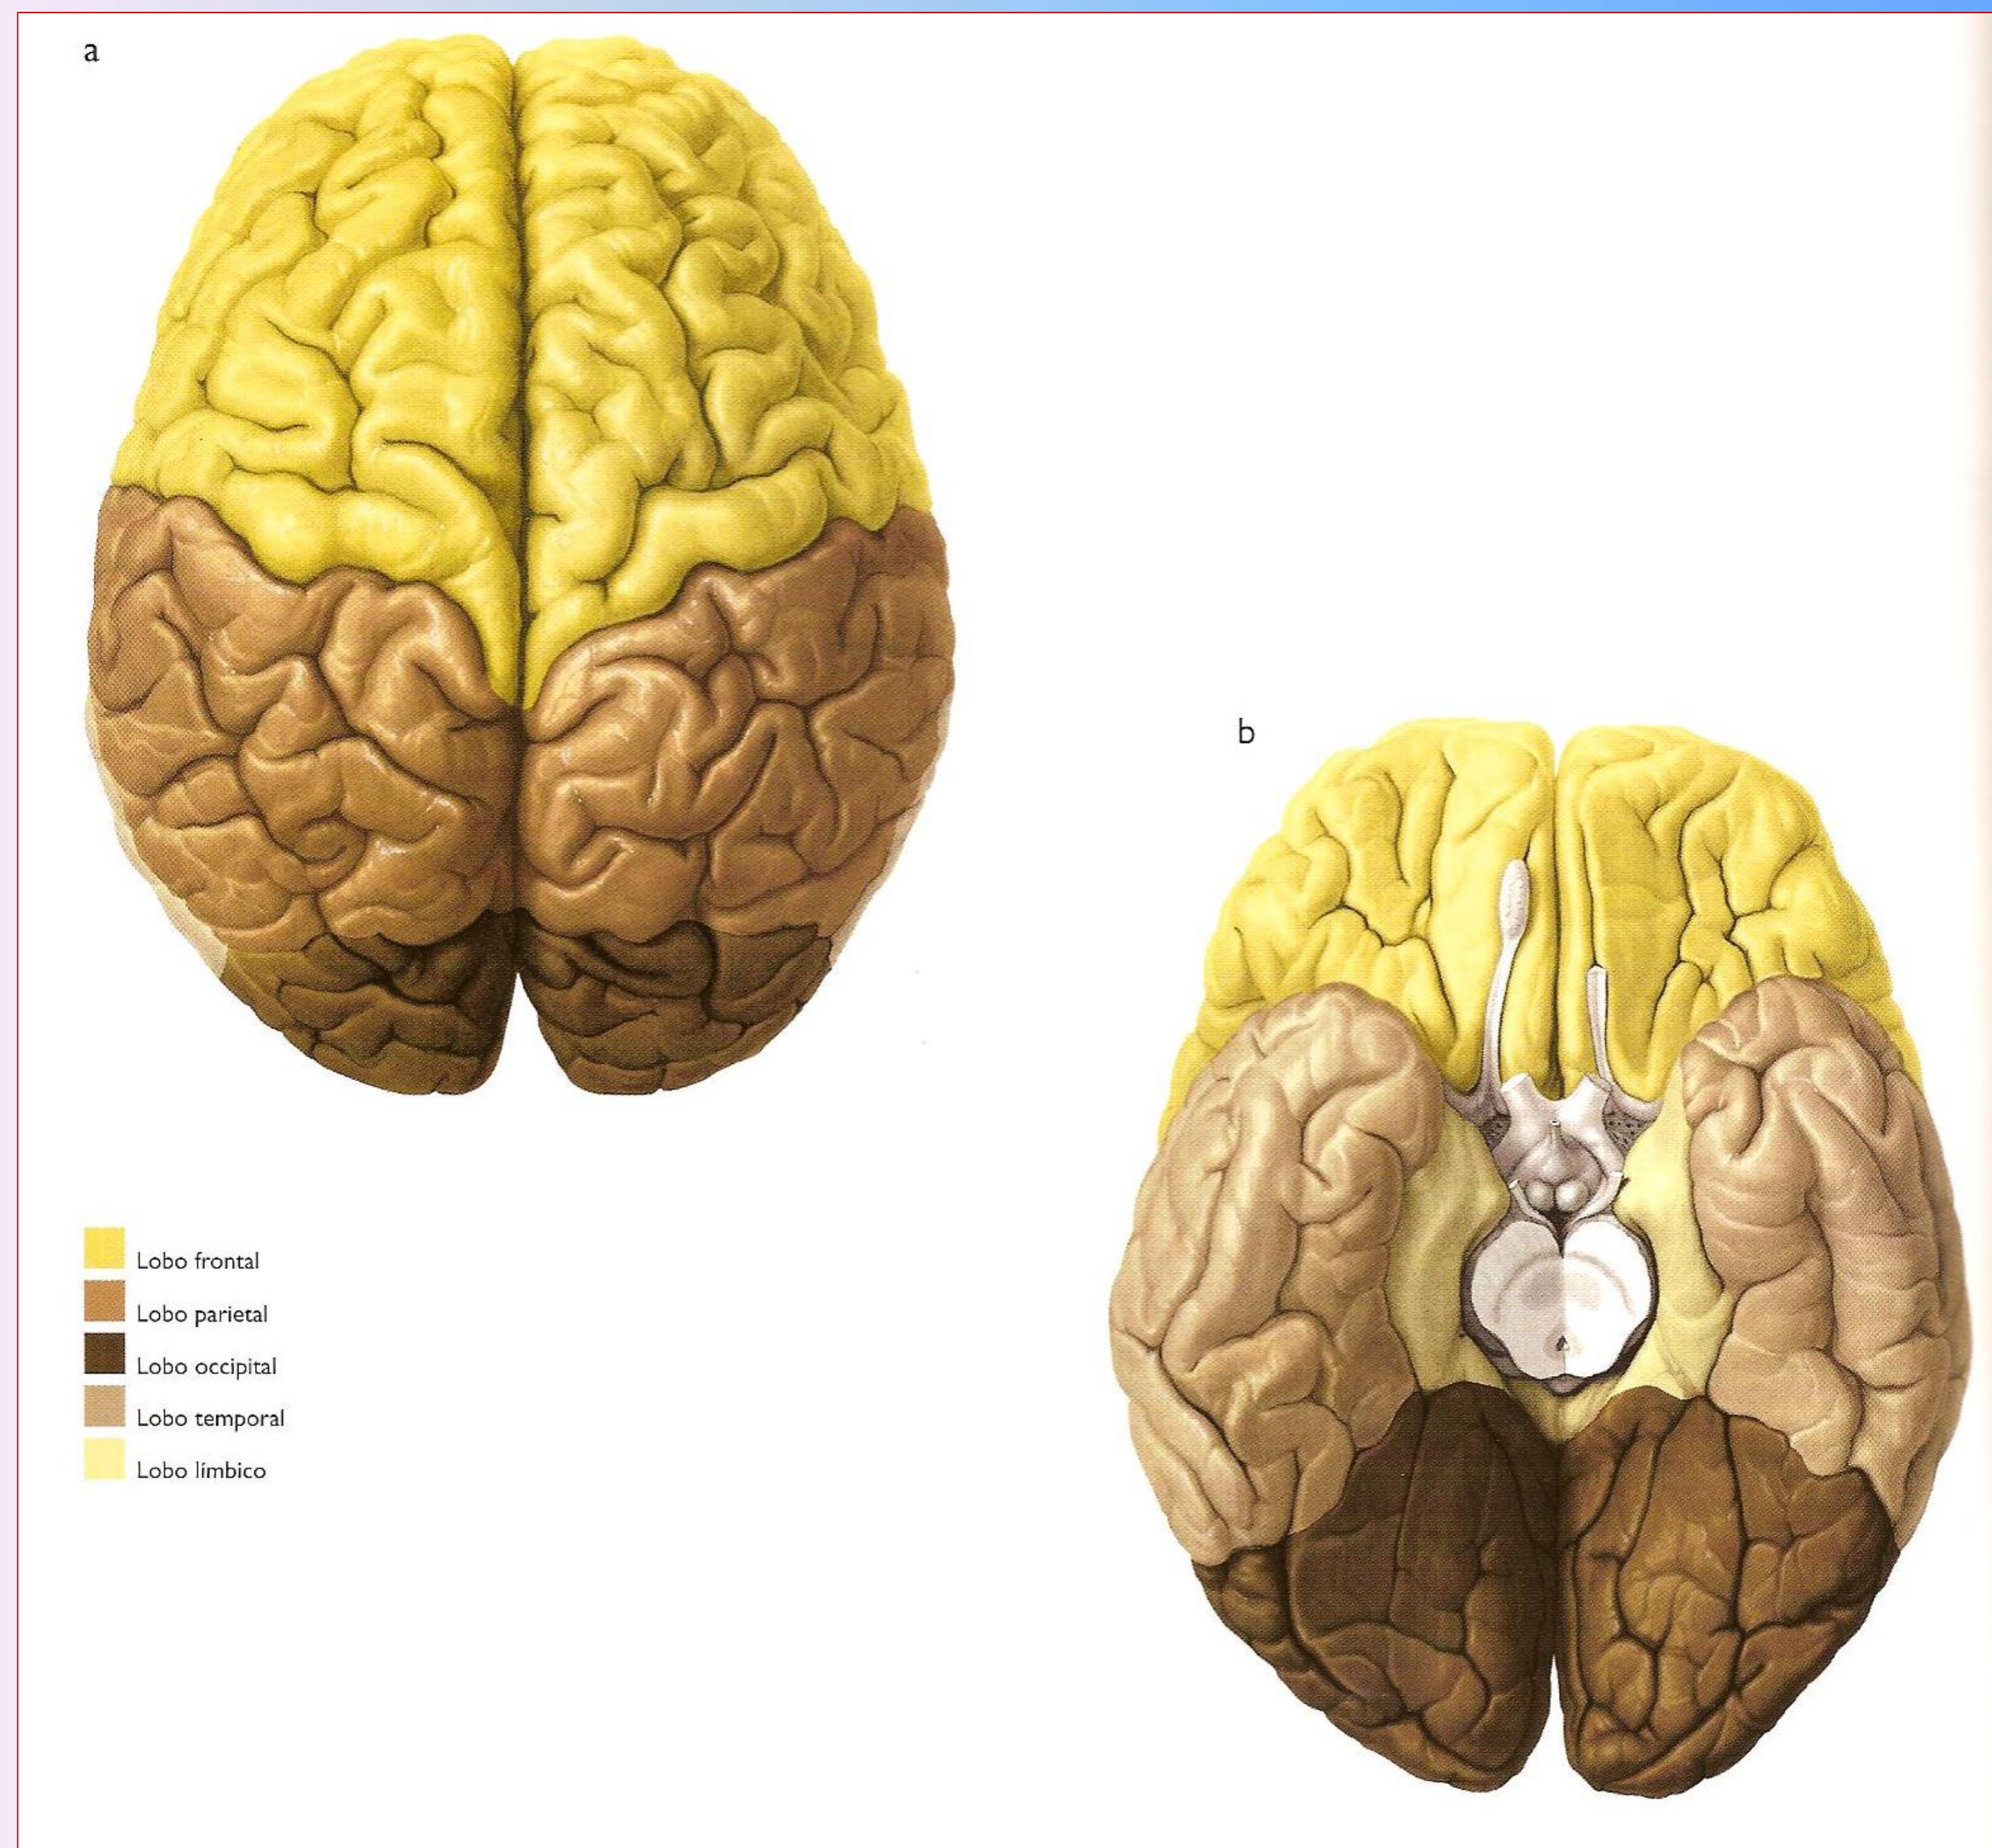

Tronco encefálico
Vista dorso-lateral esquerda

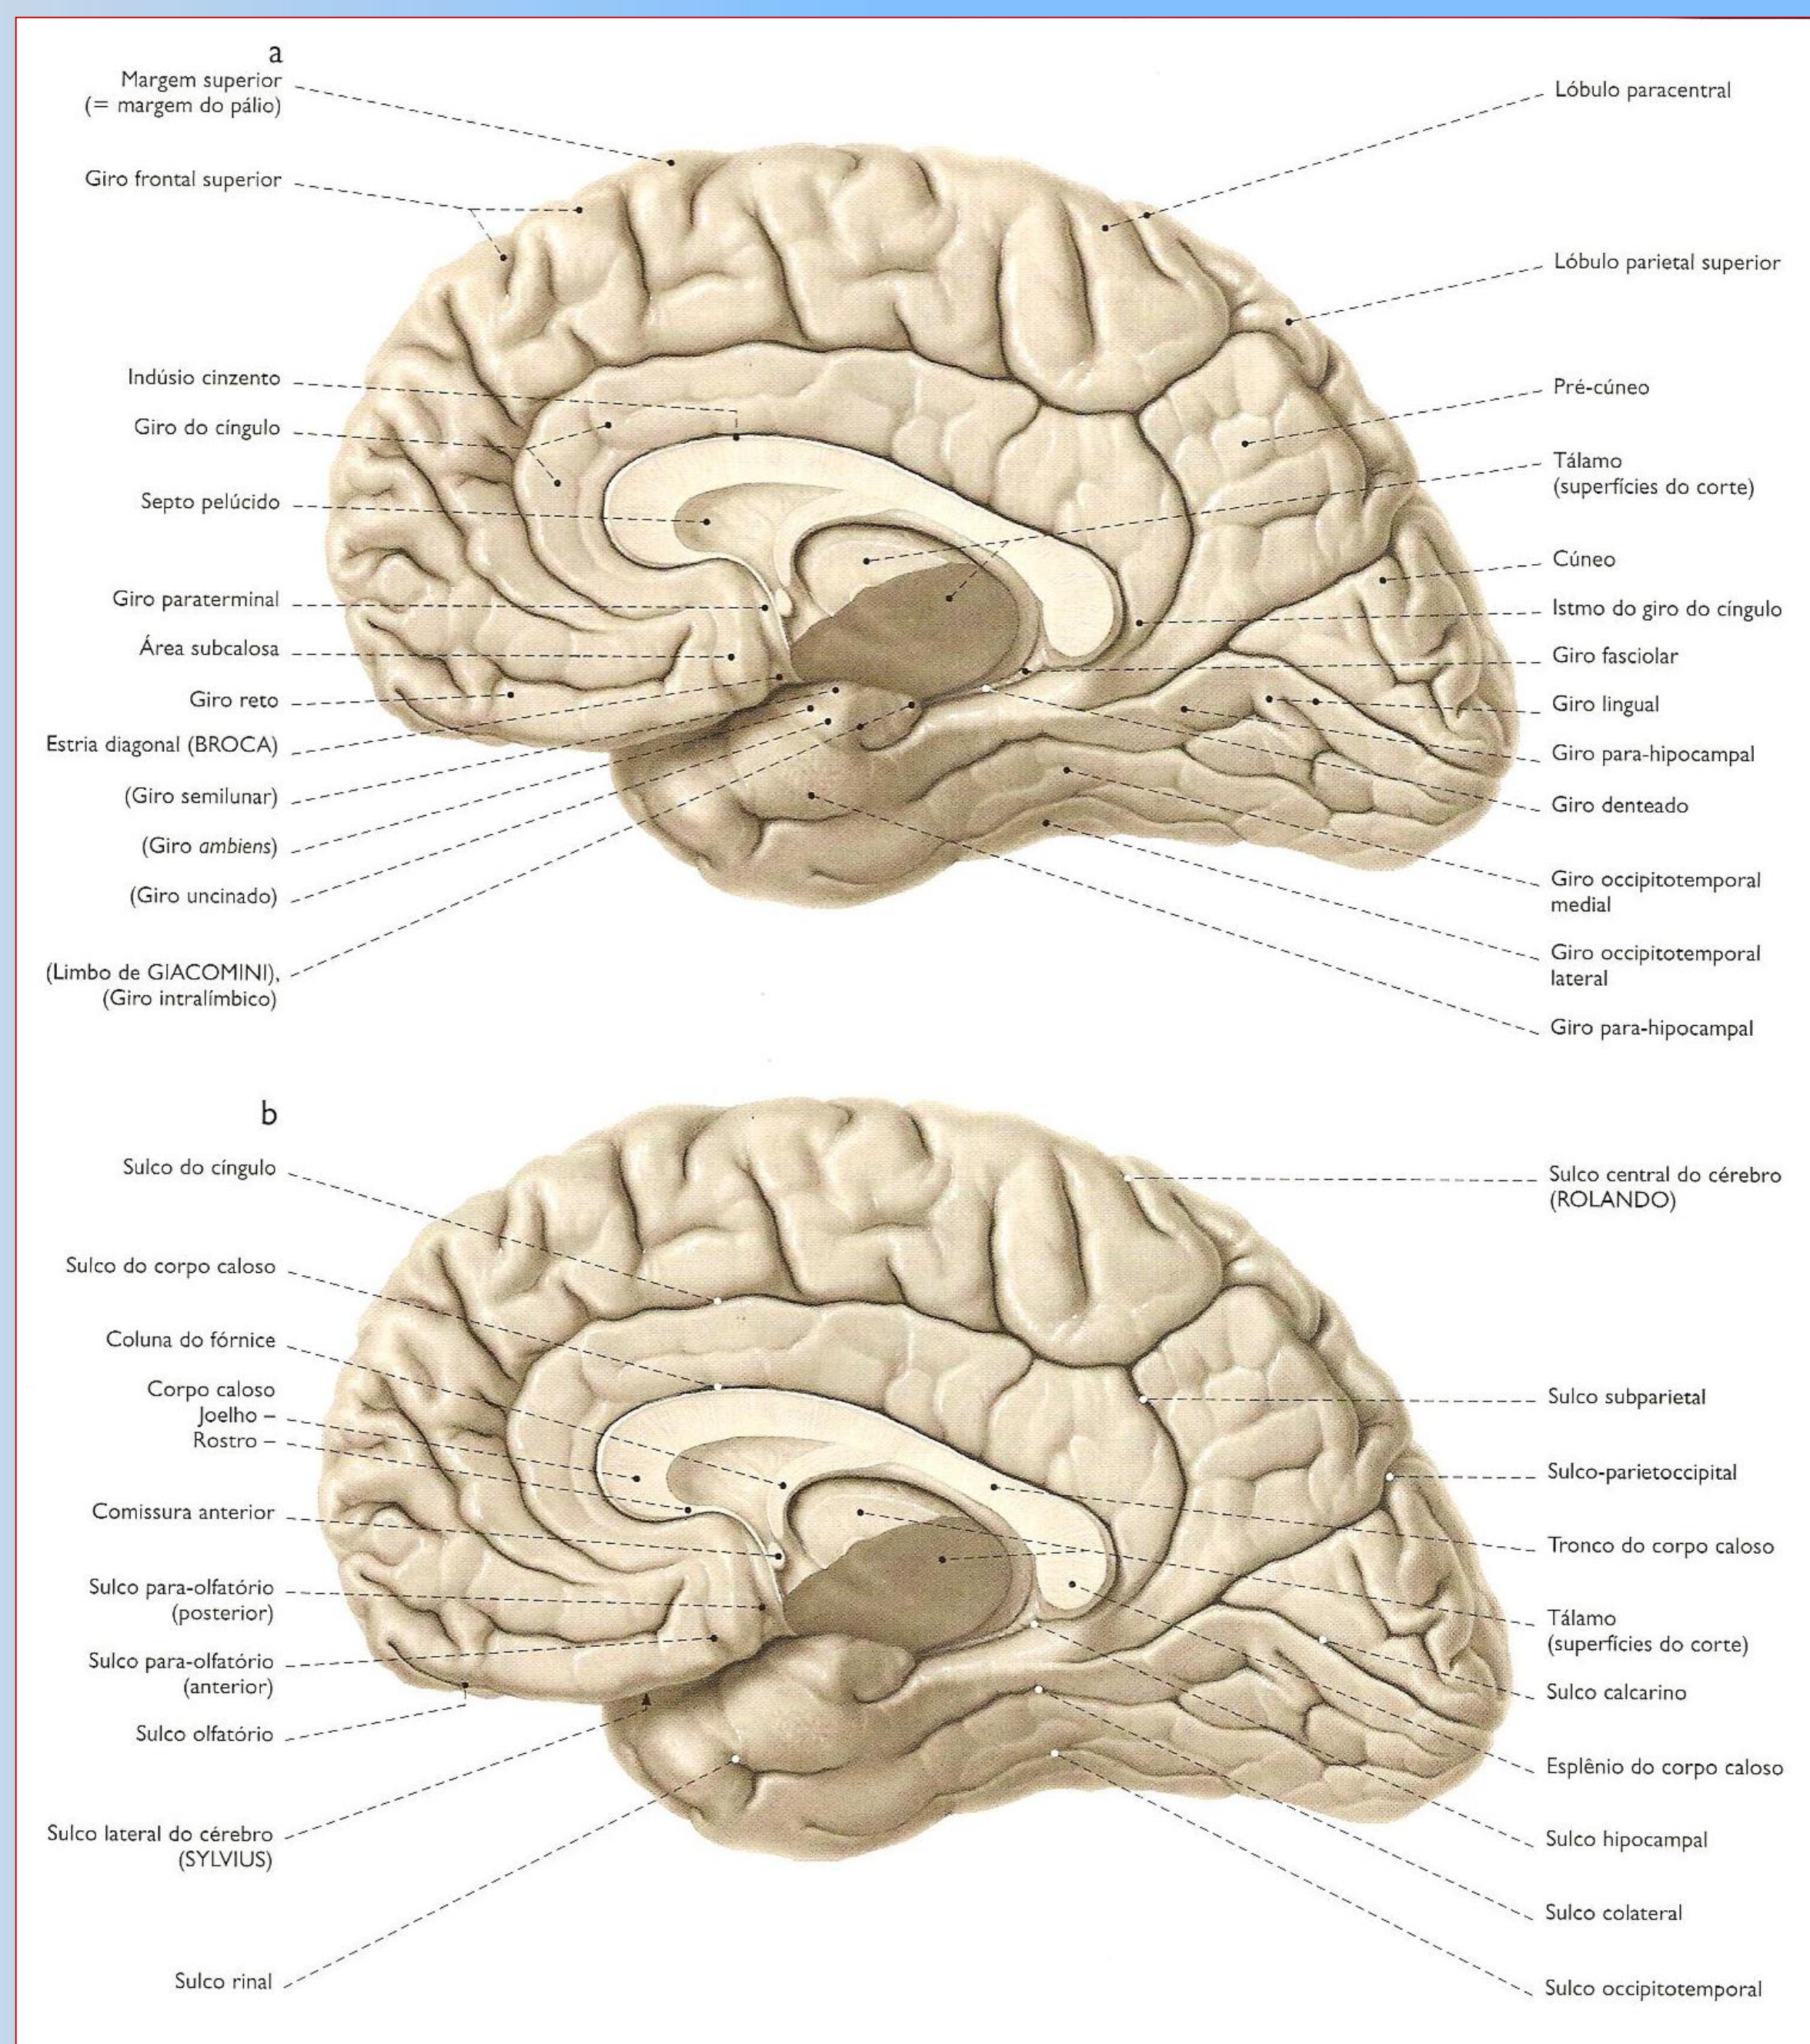

Tronco encefálico
Vista dorsal

Telencéfalo e diencéfalo

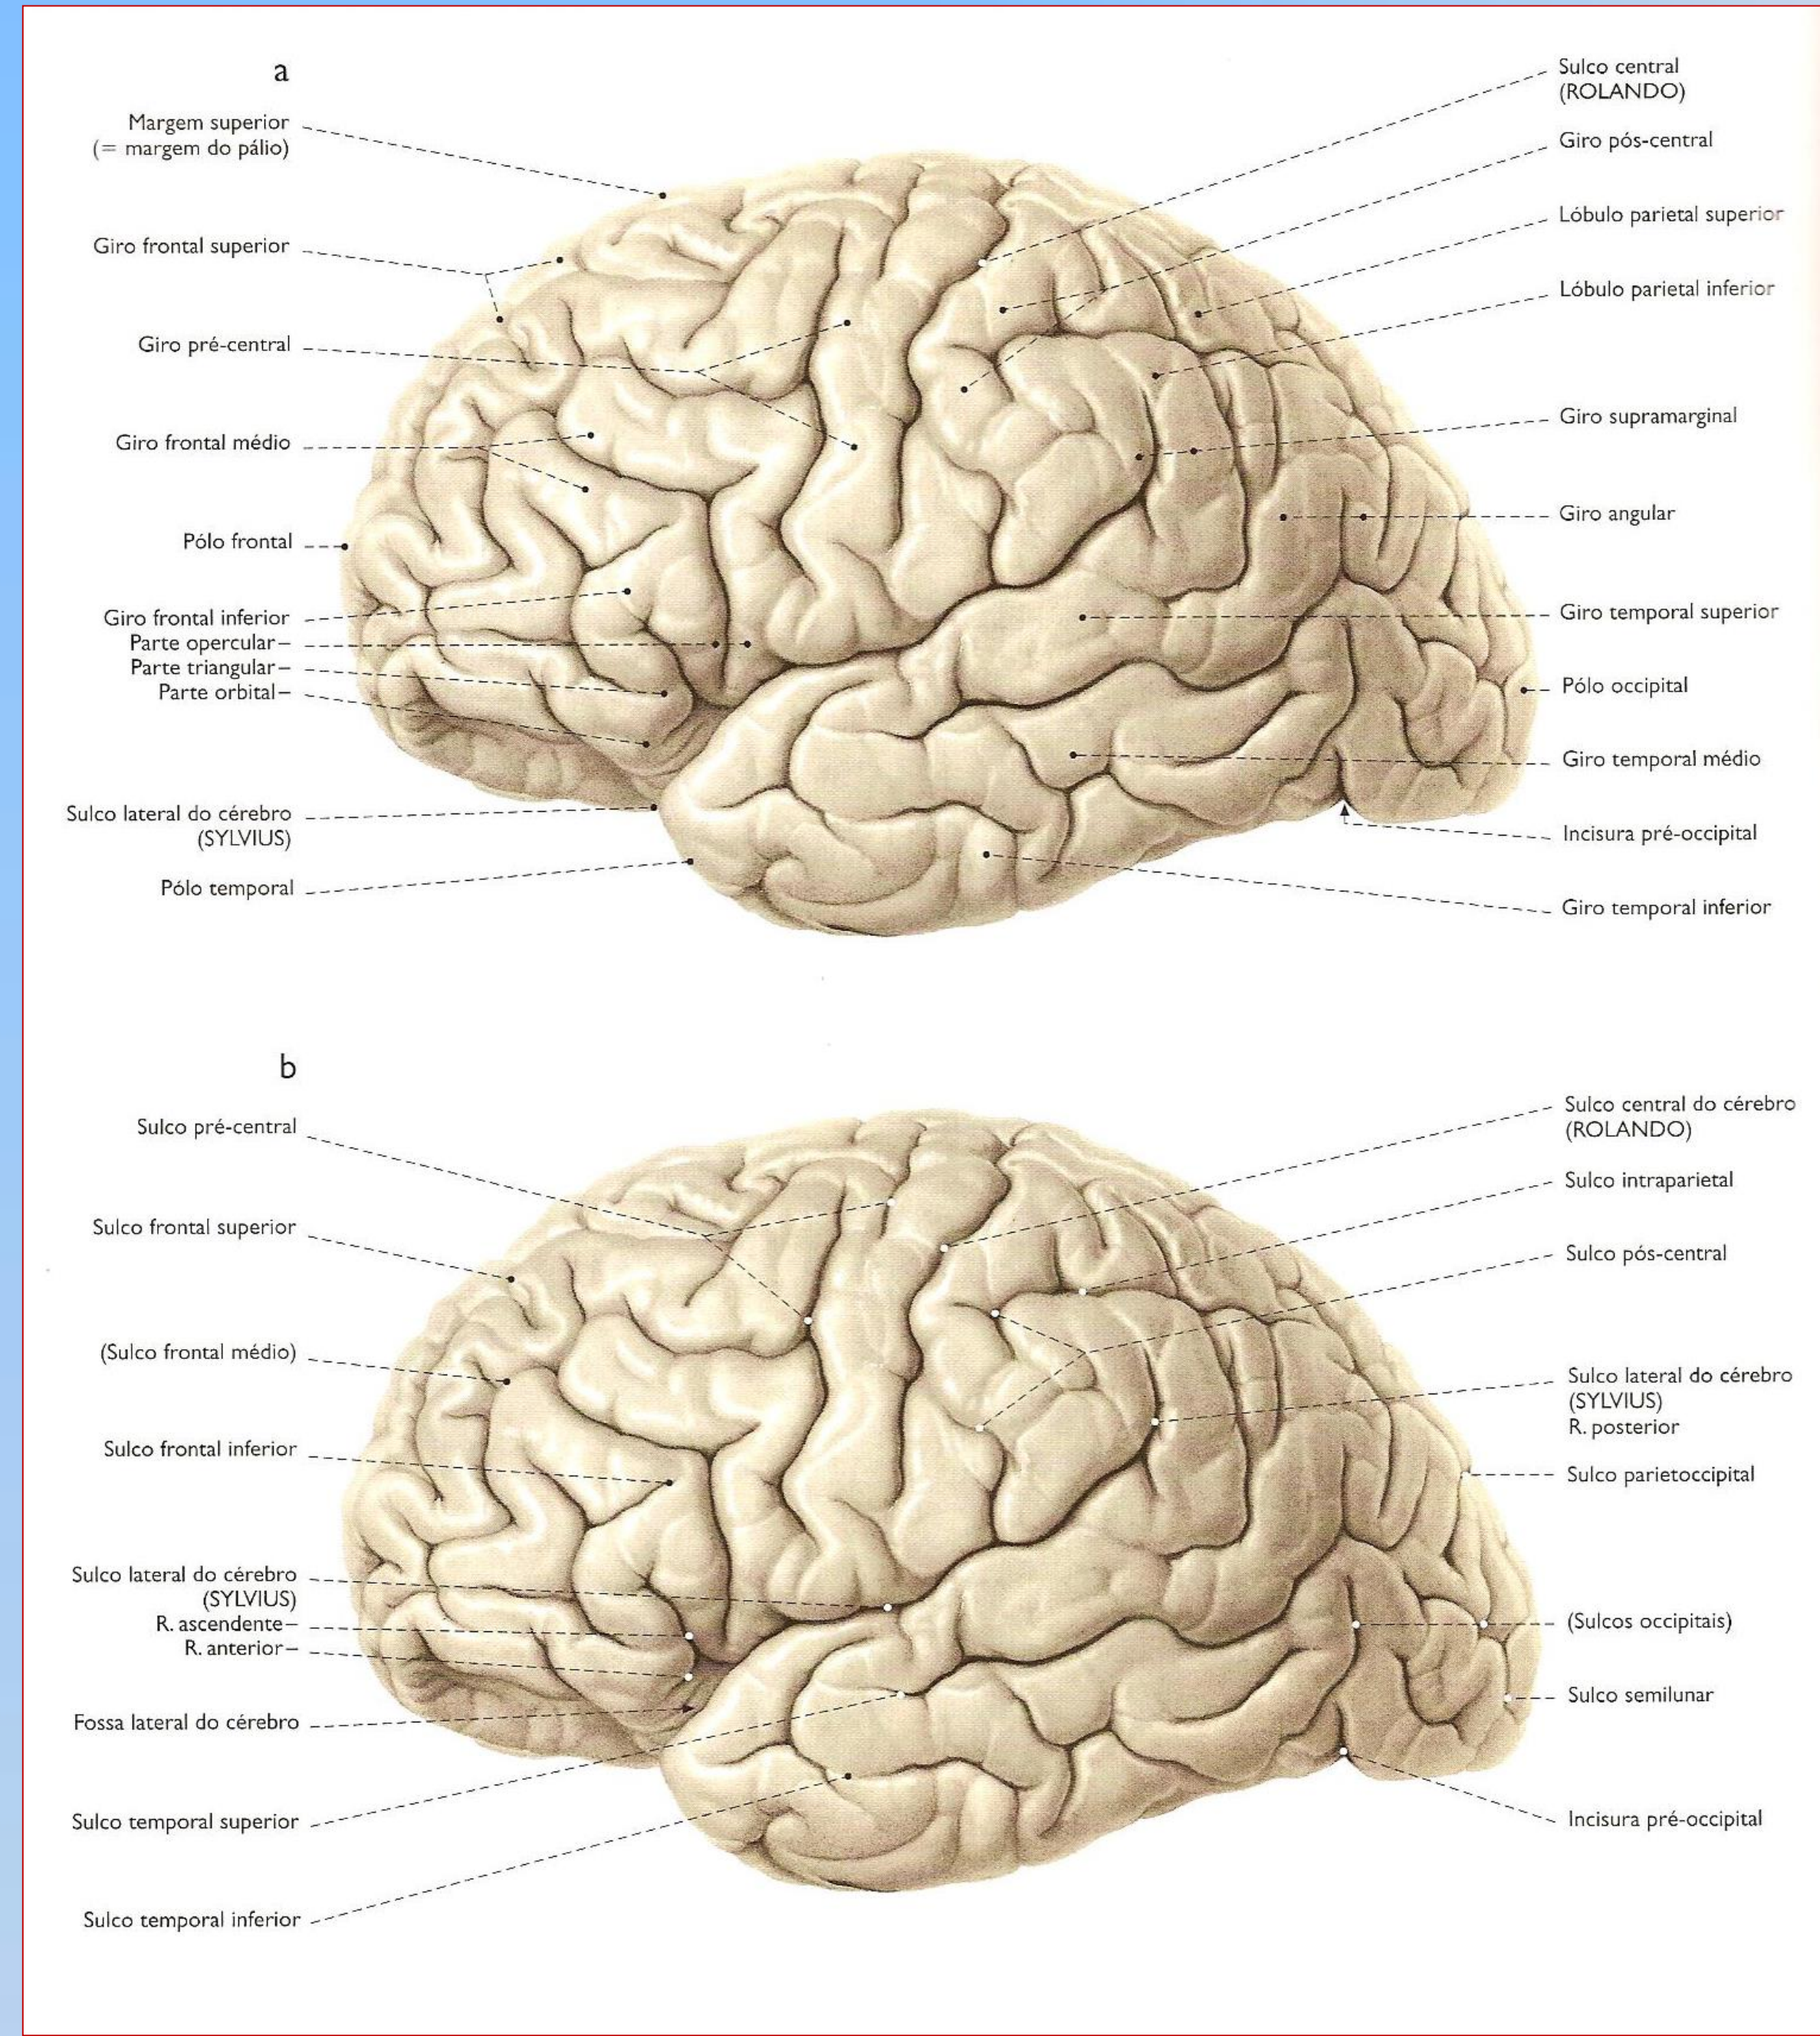

Lobos do cérebro

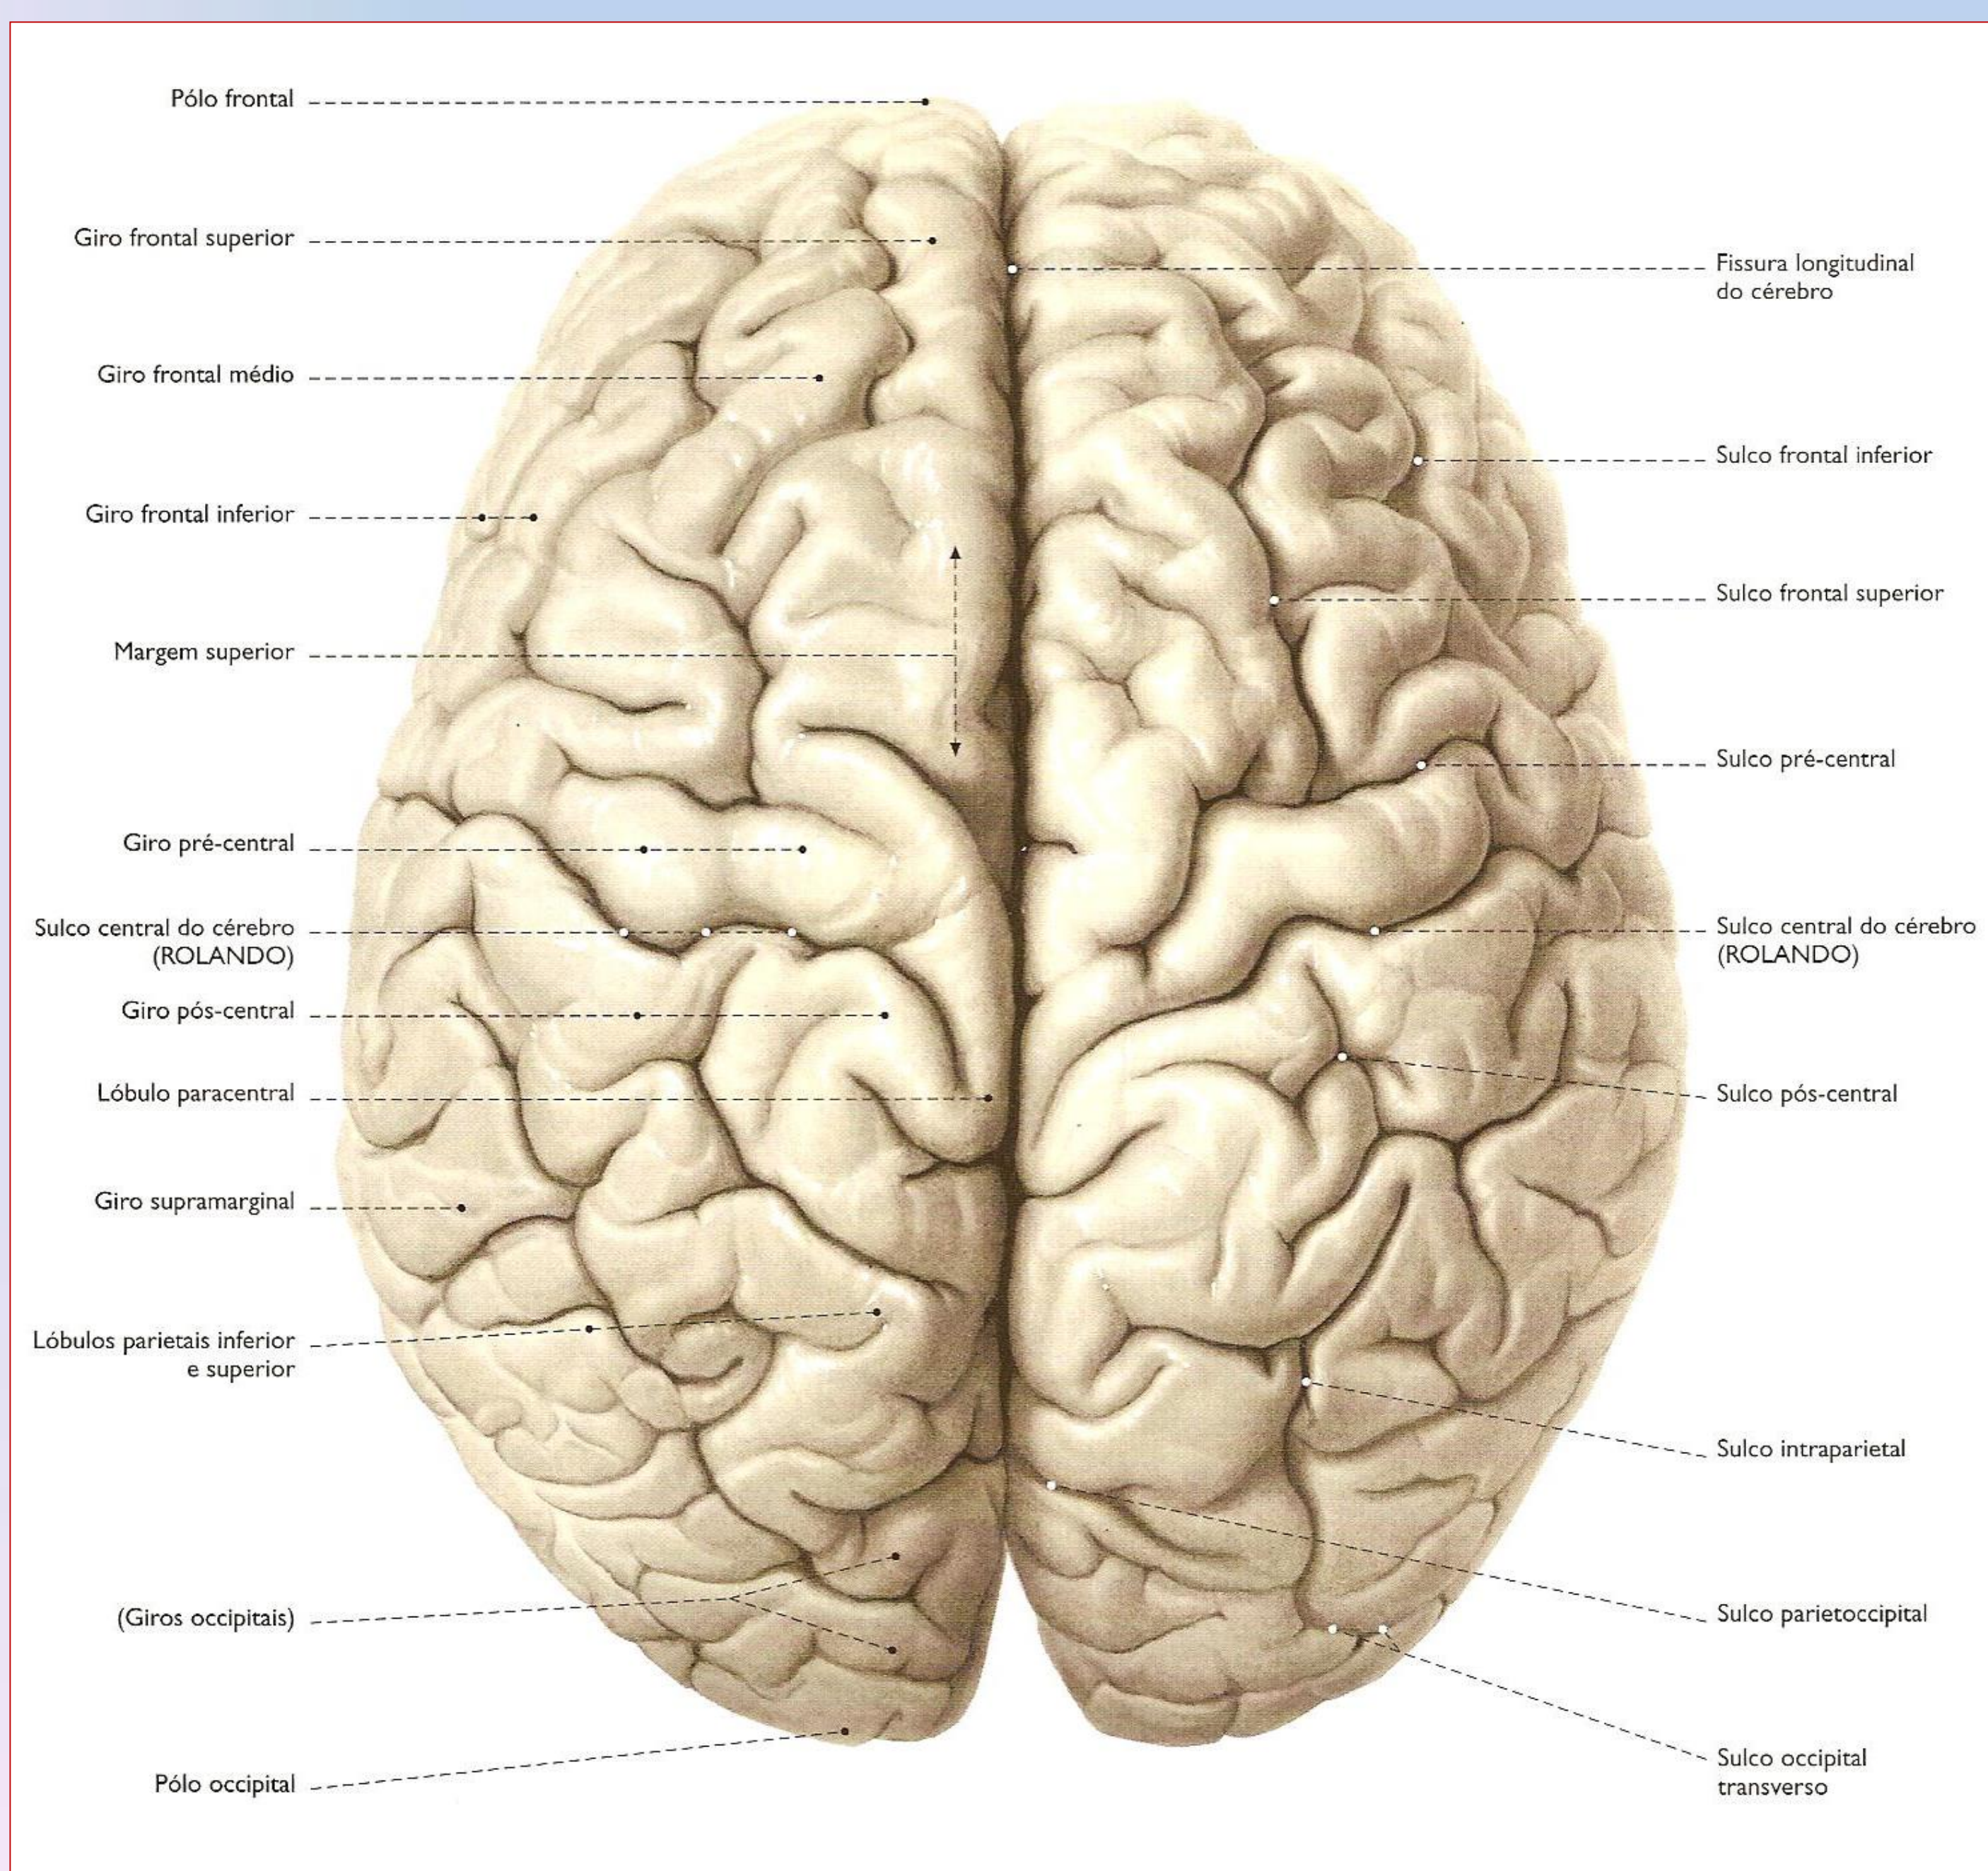

Hemisfério Cerebral Vista medial

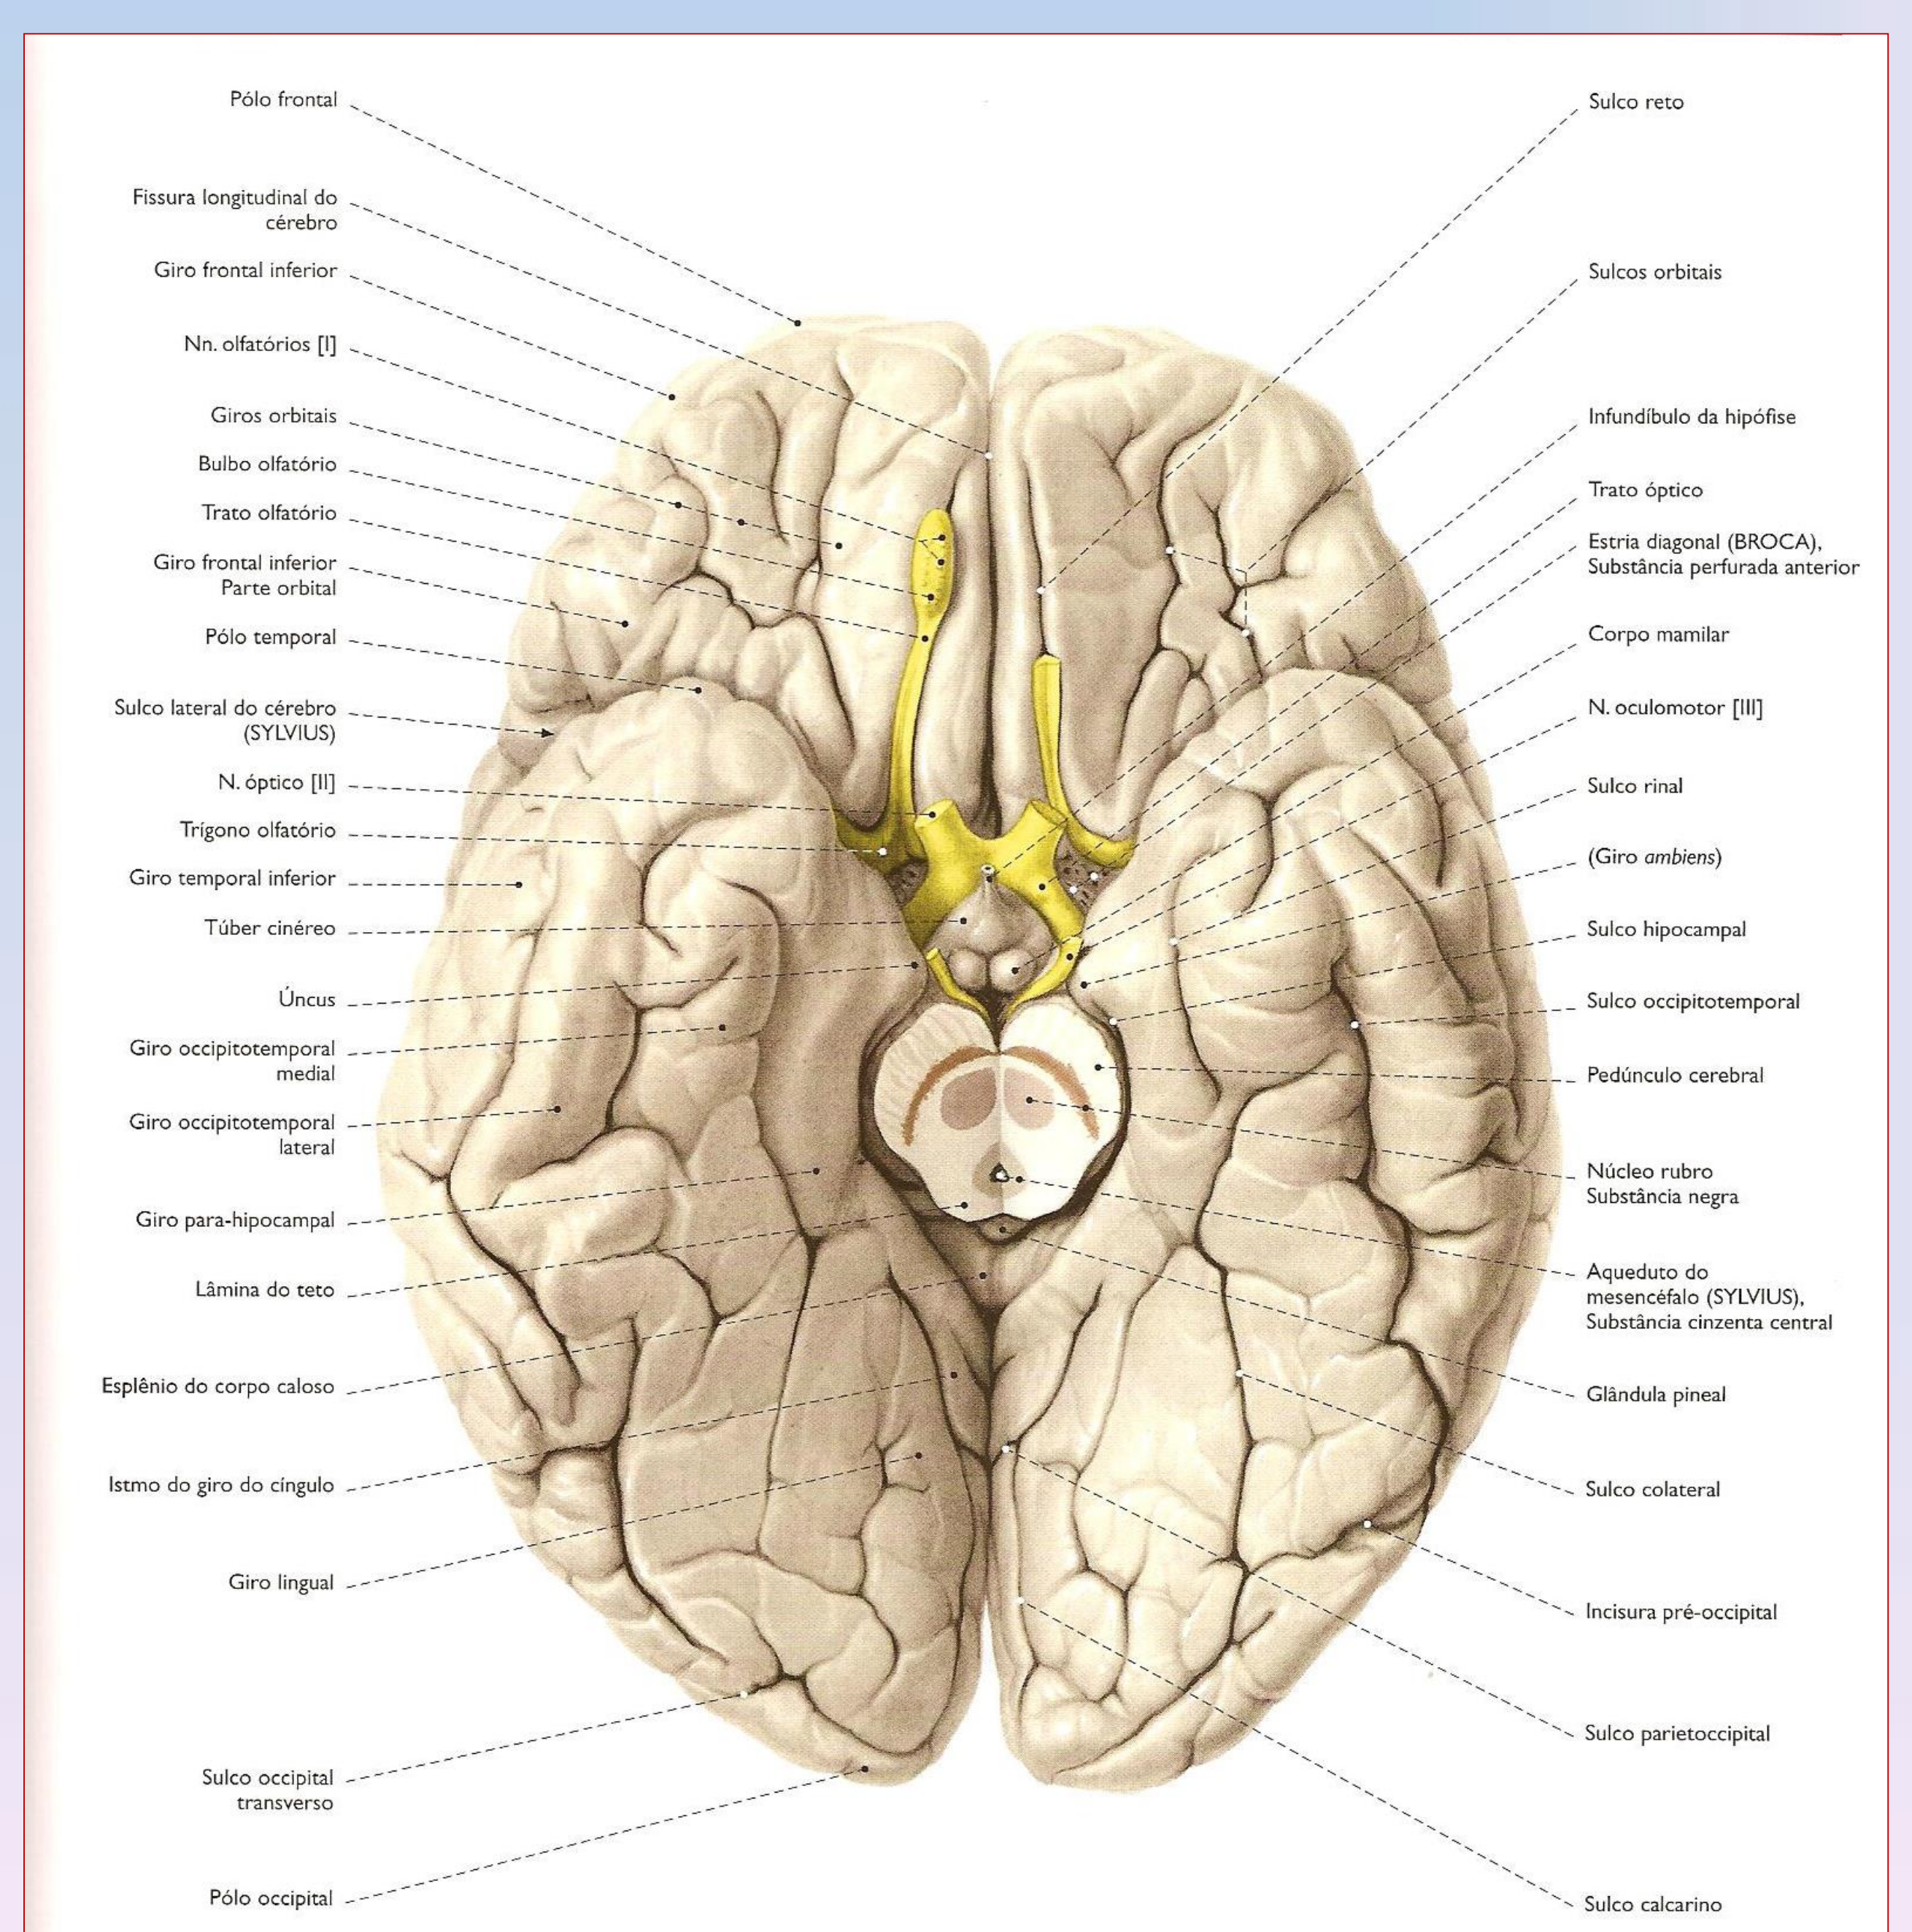

Hemisfério Cerebral Vista lateral

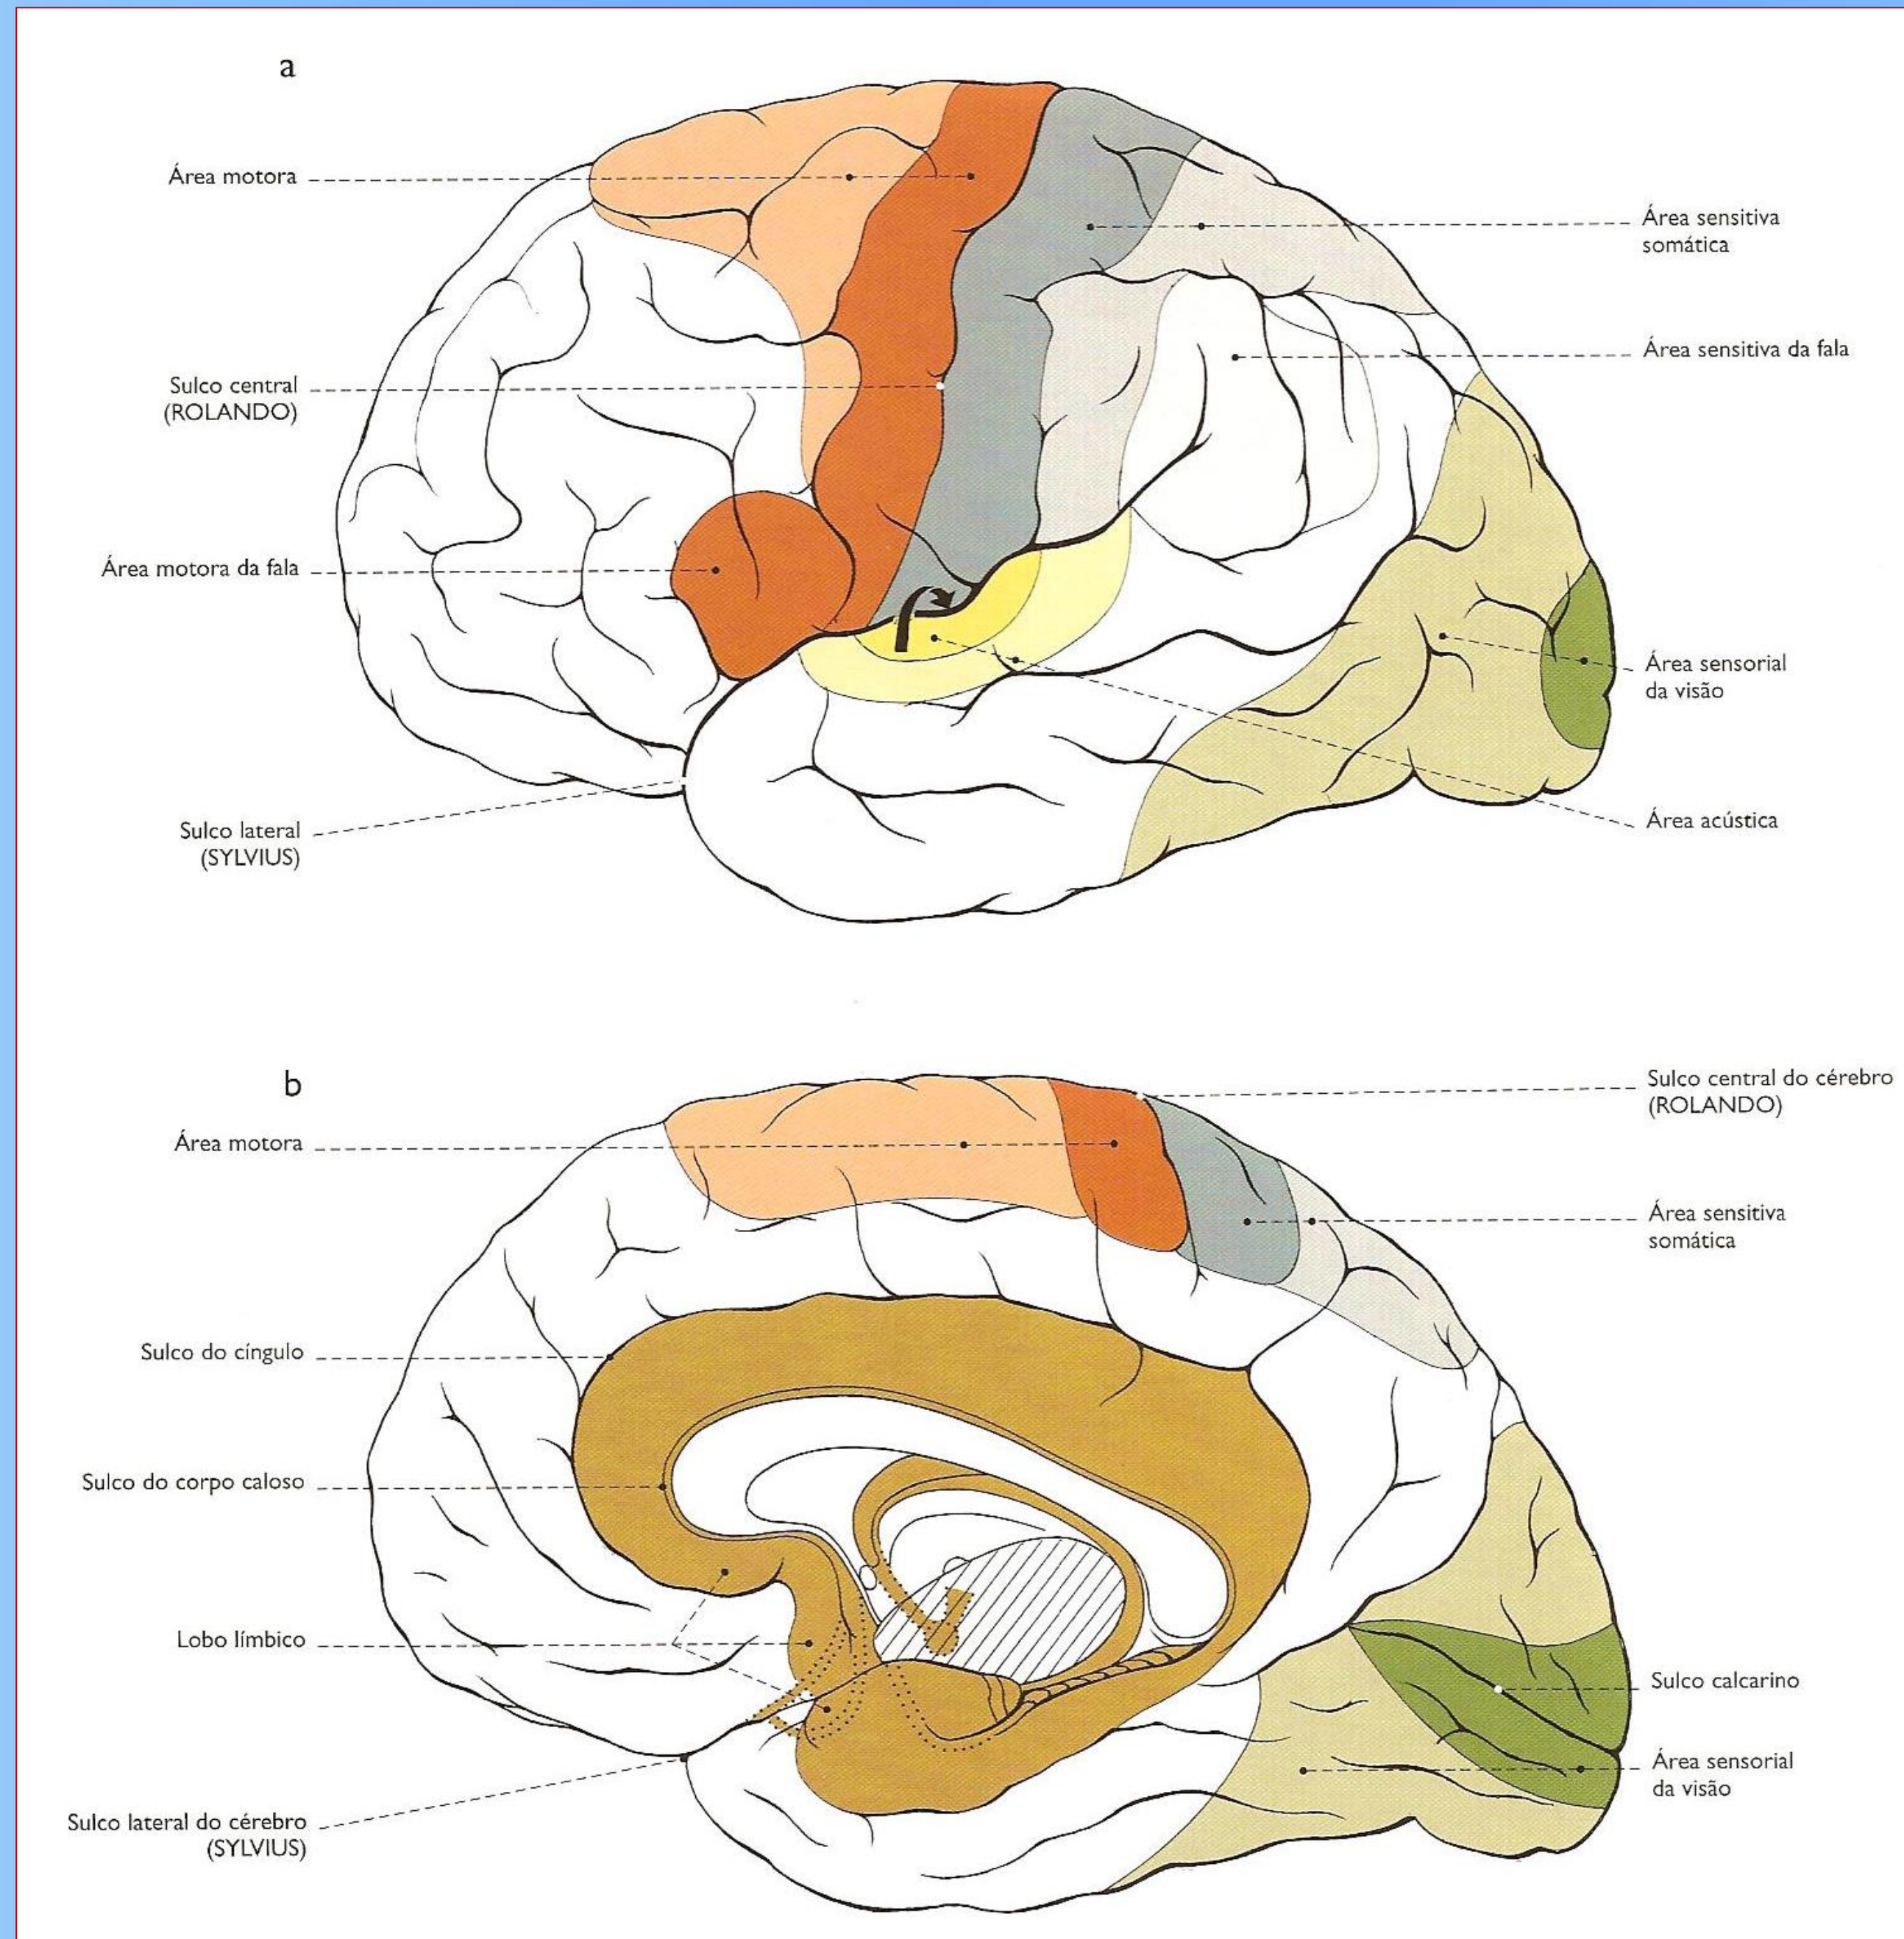

Hemisférios cerebrais – vista superior

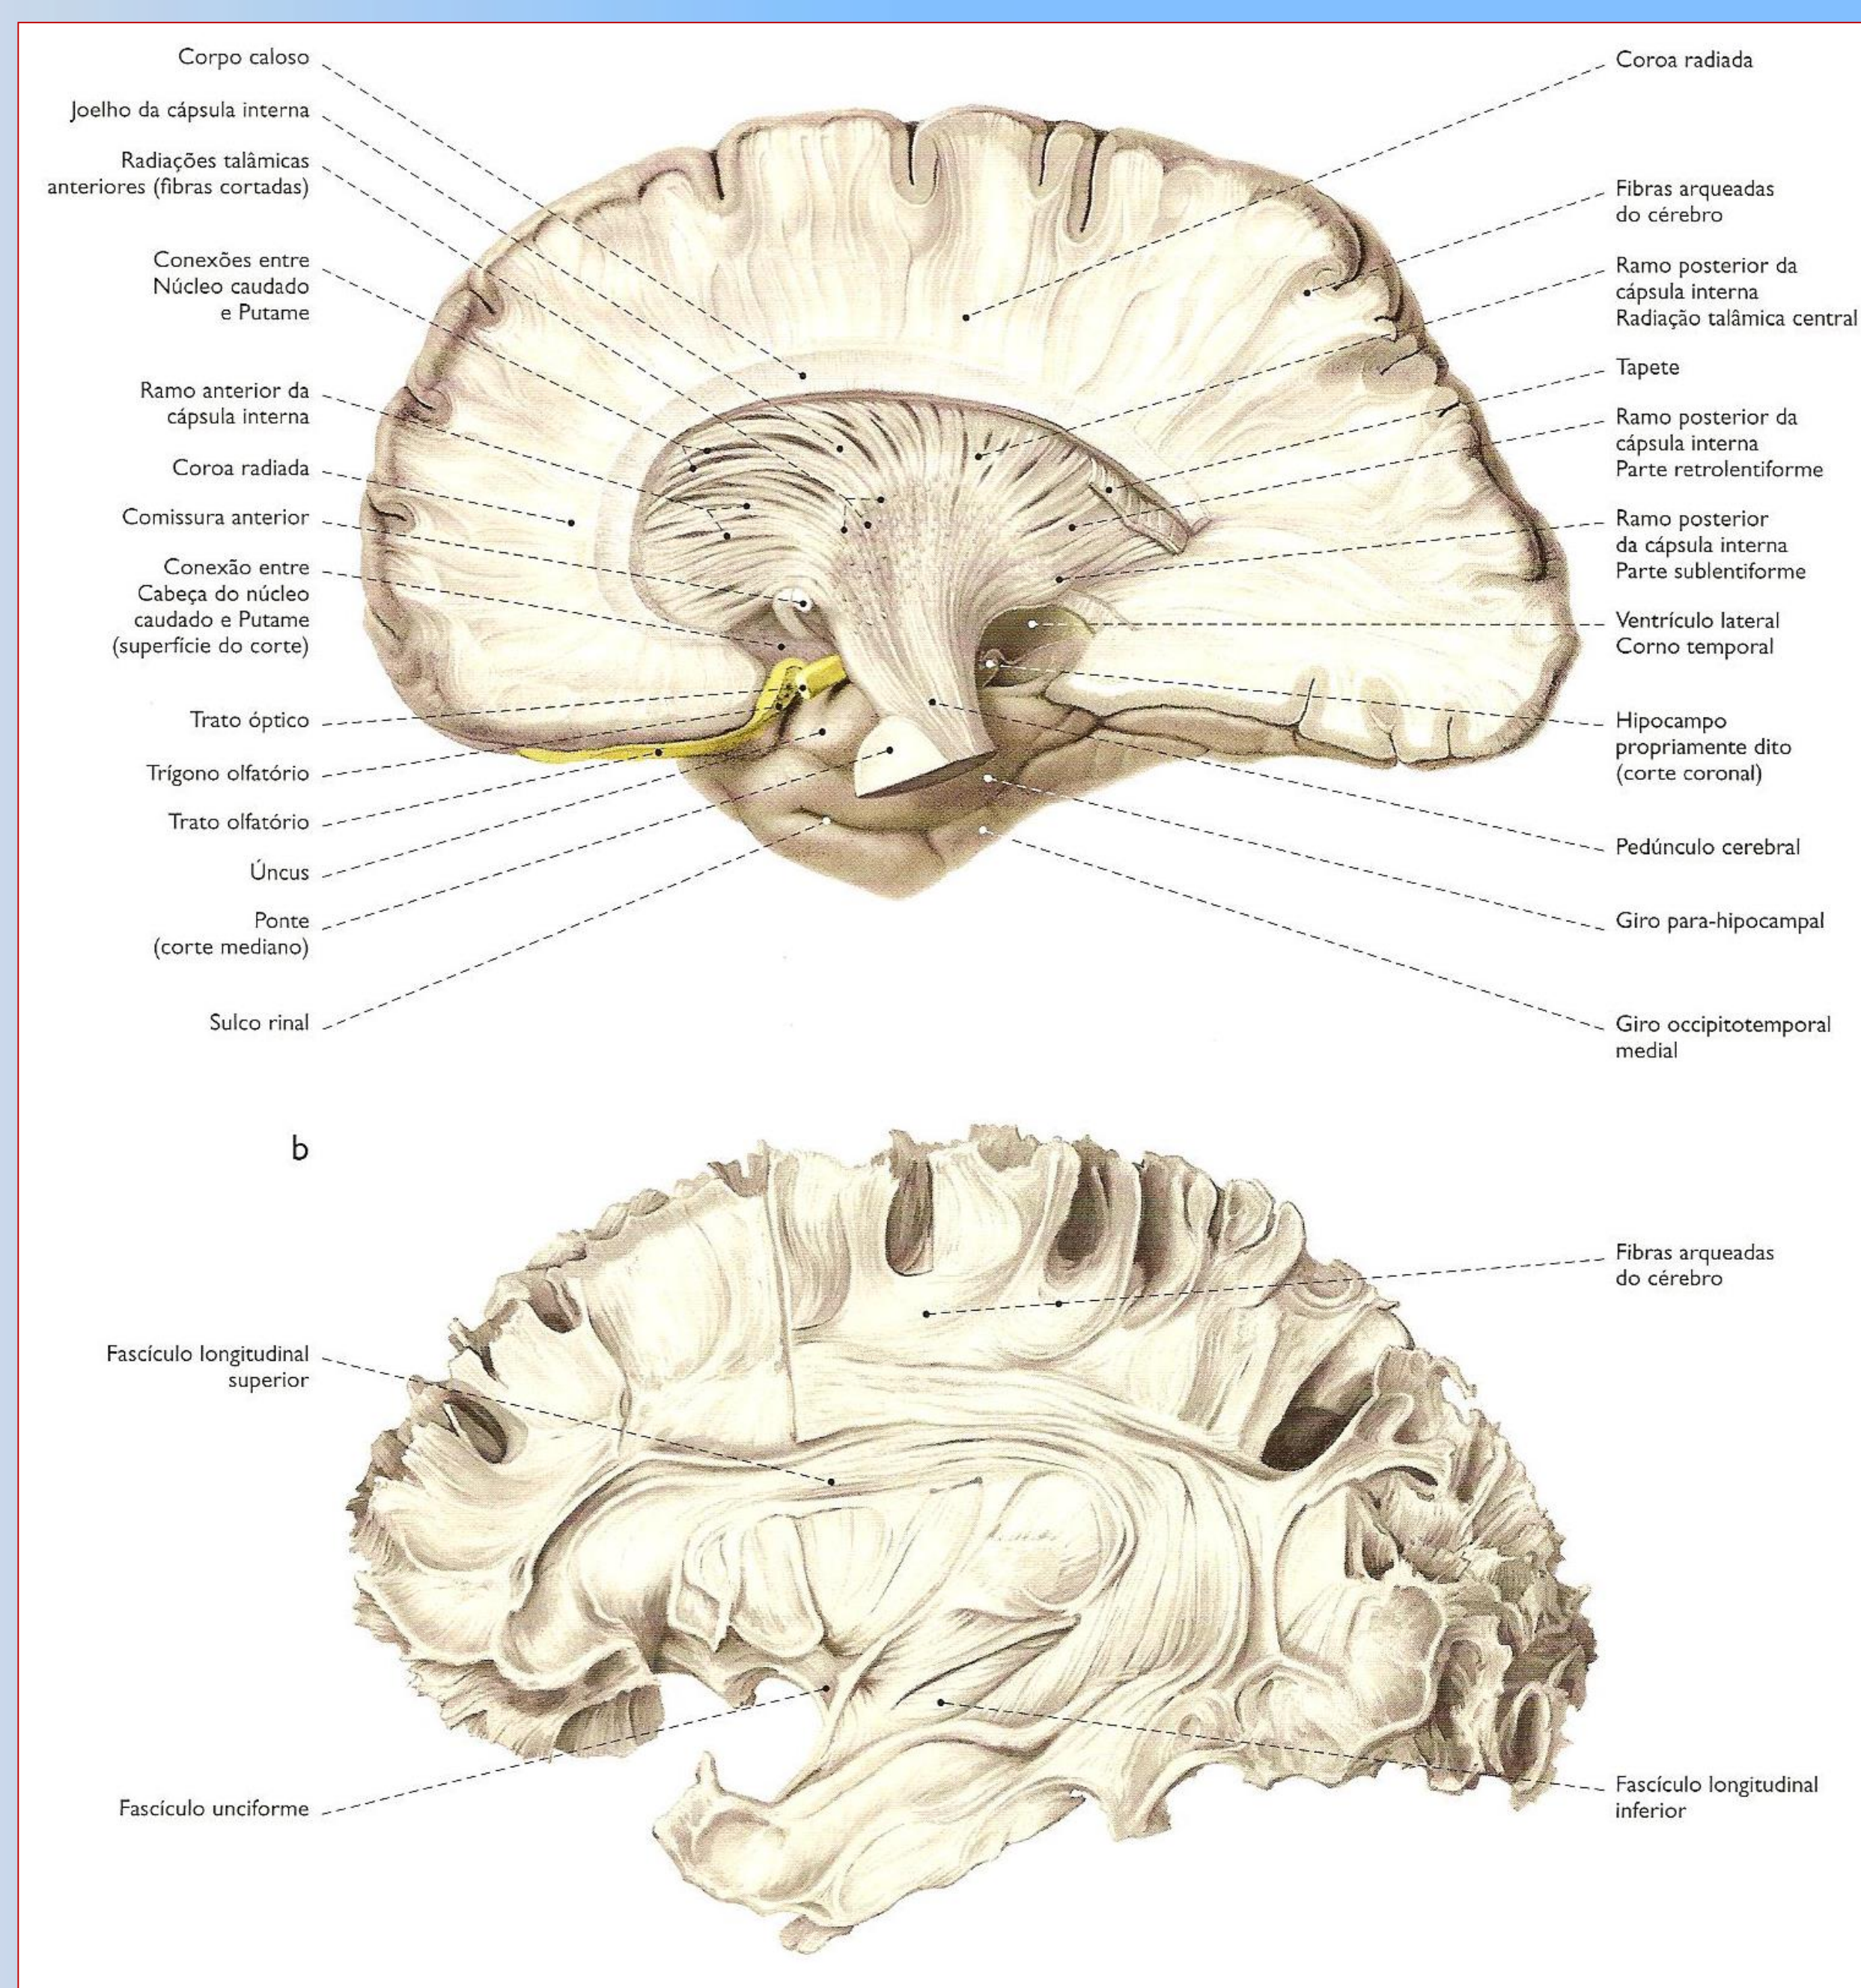

Hemisférios cerebrais – vista basilar

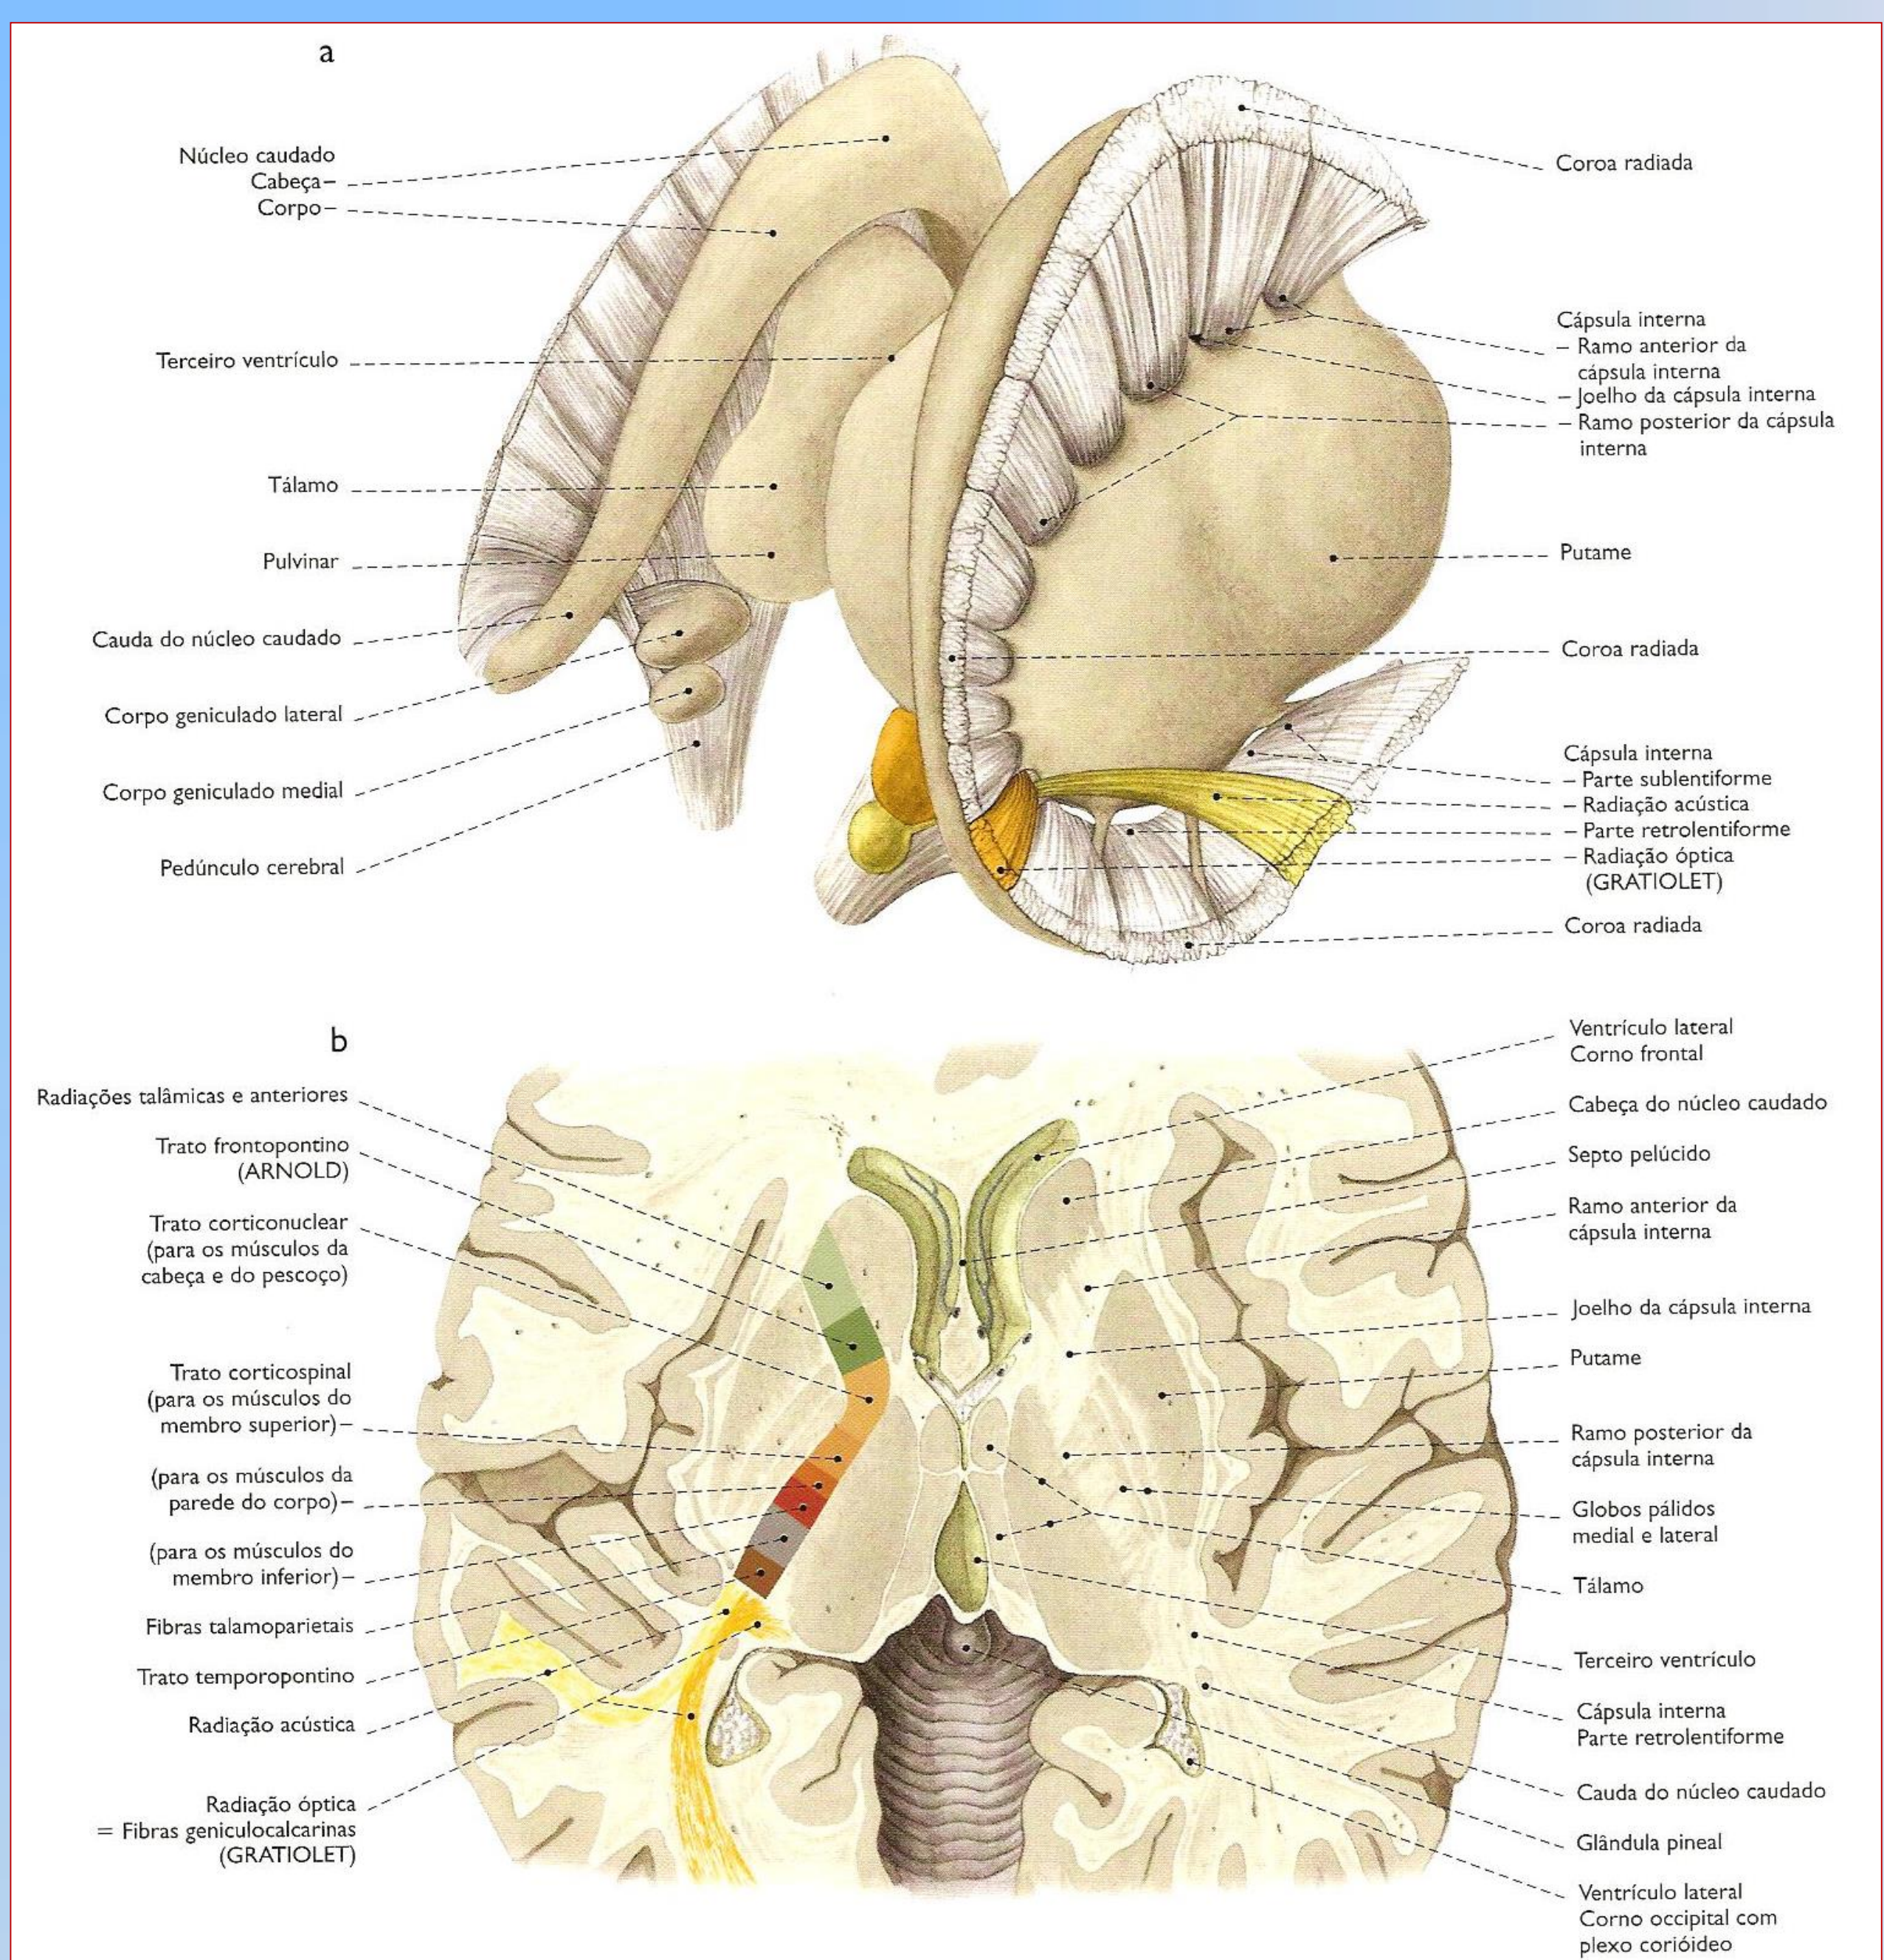

Telencéfalo e diencéfalo

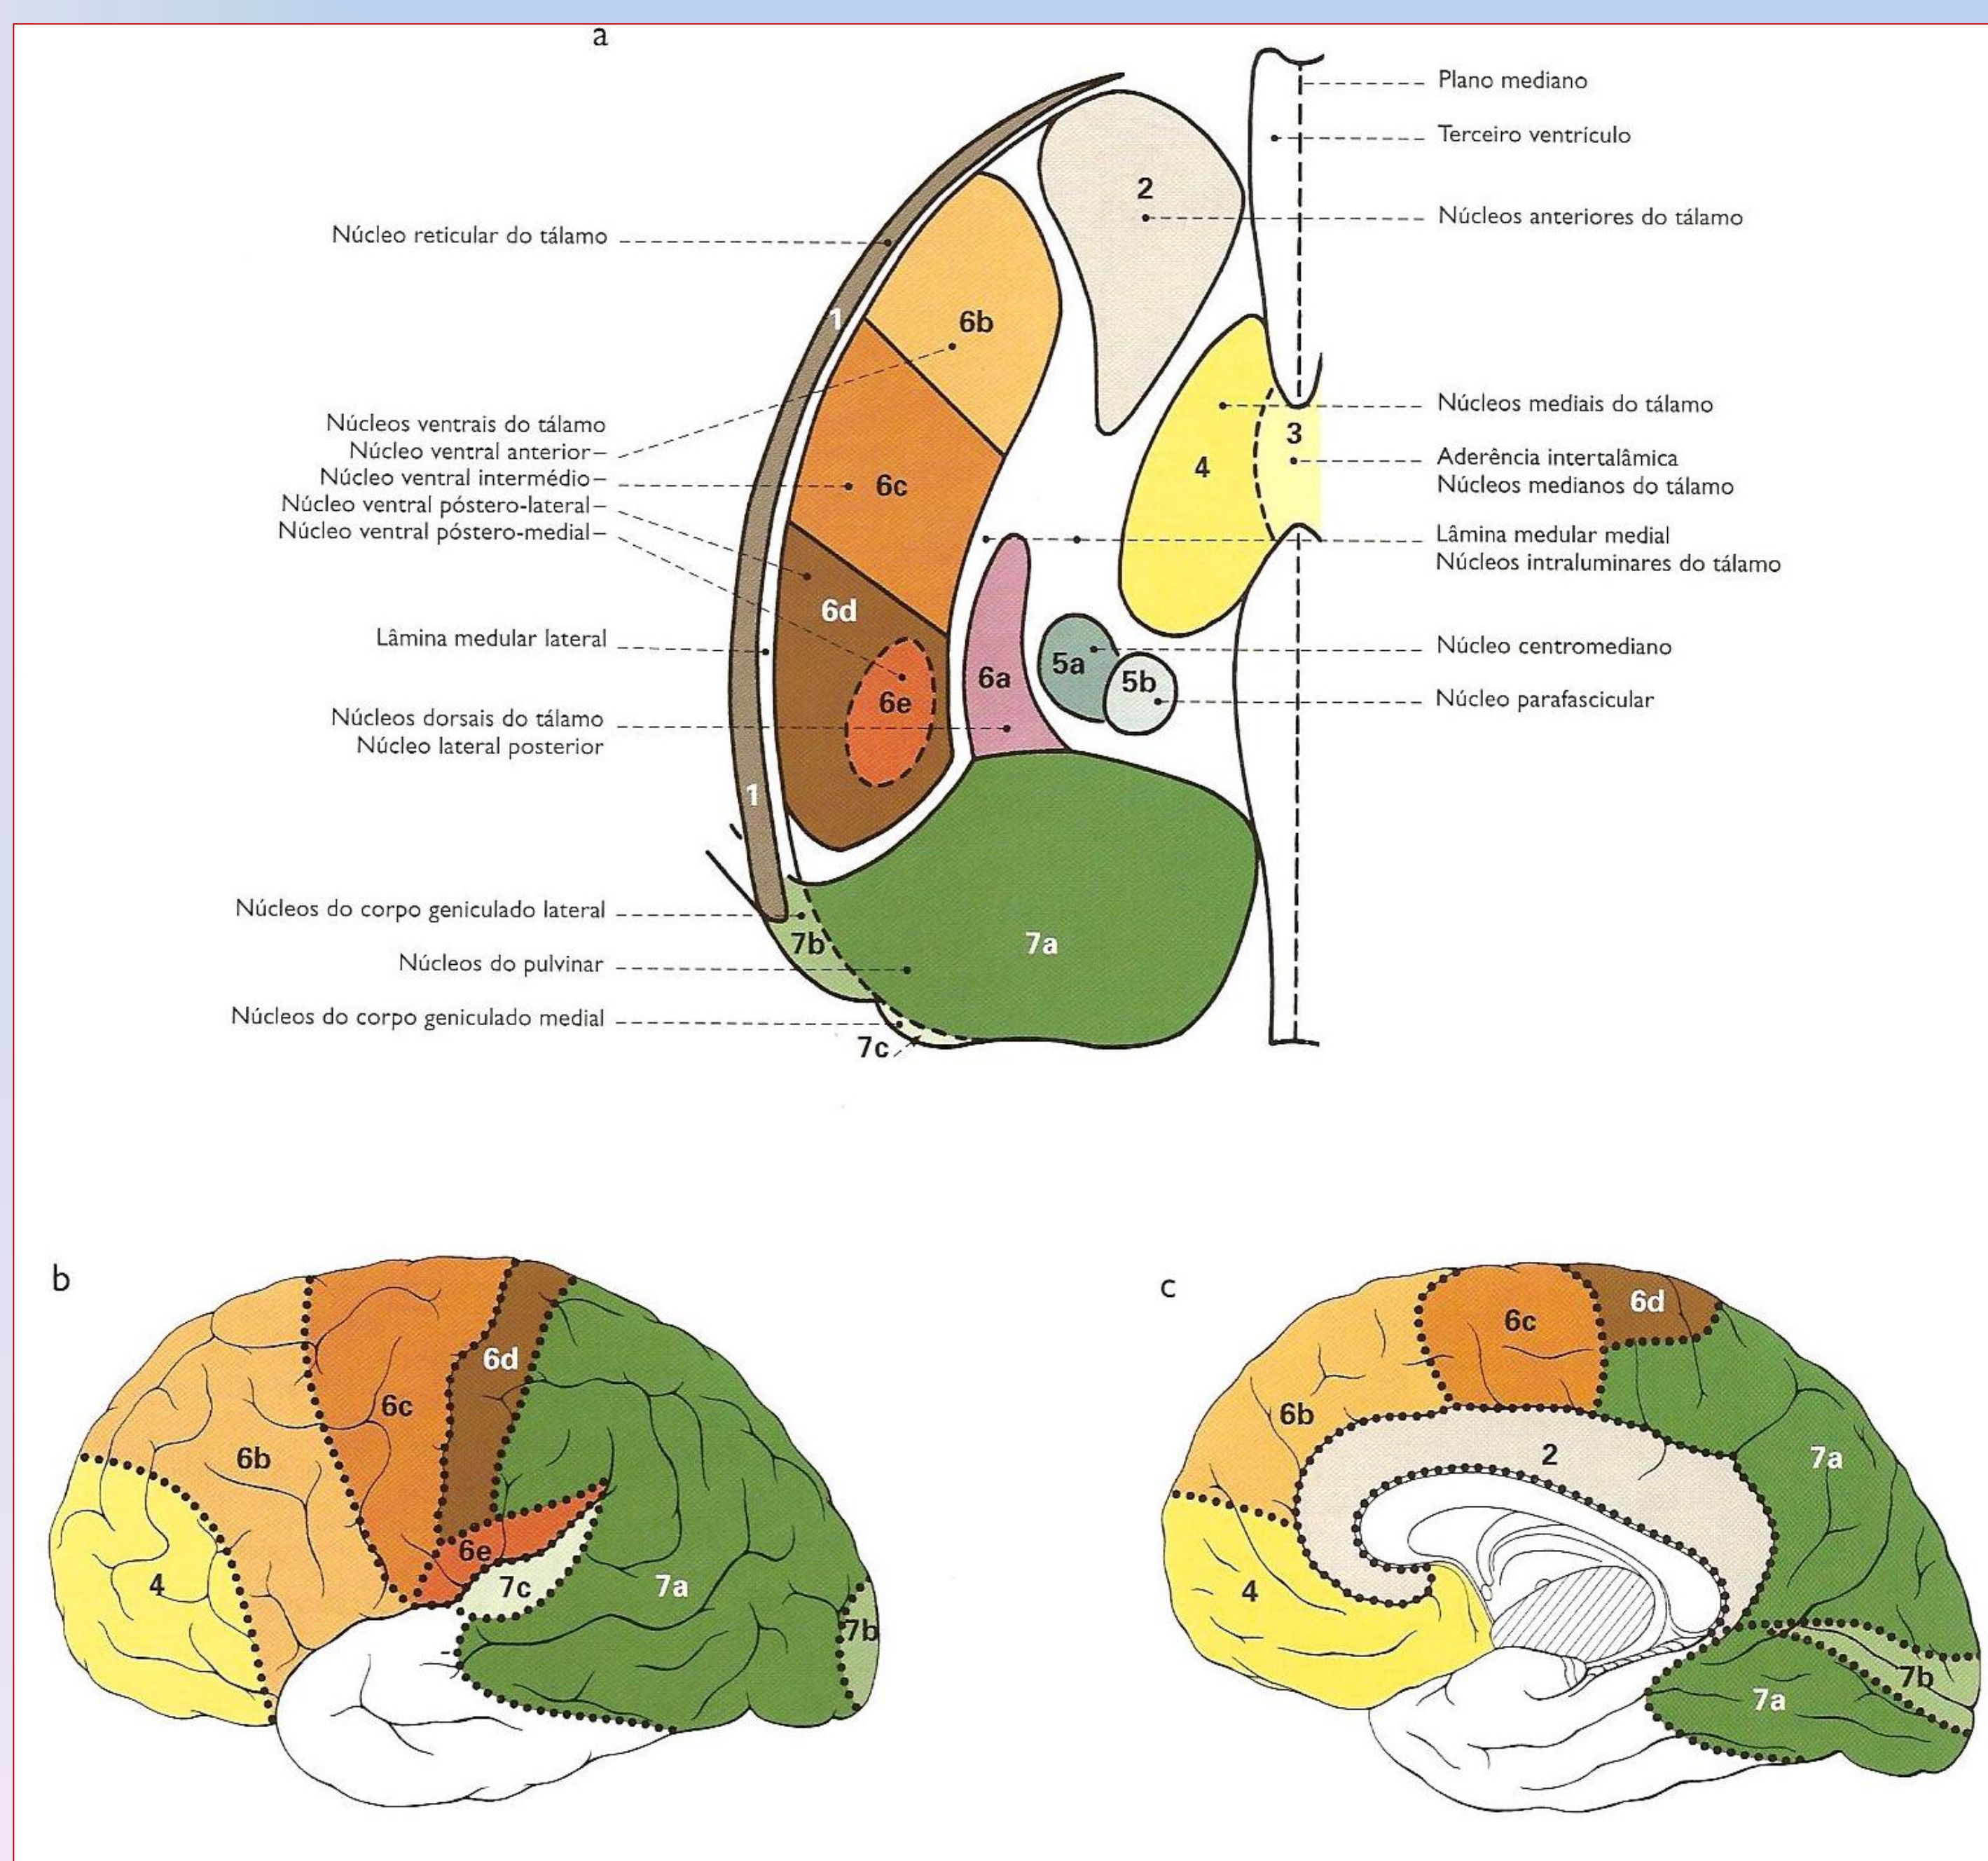

Áreas
corticais
funcionais

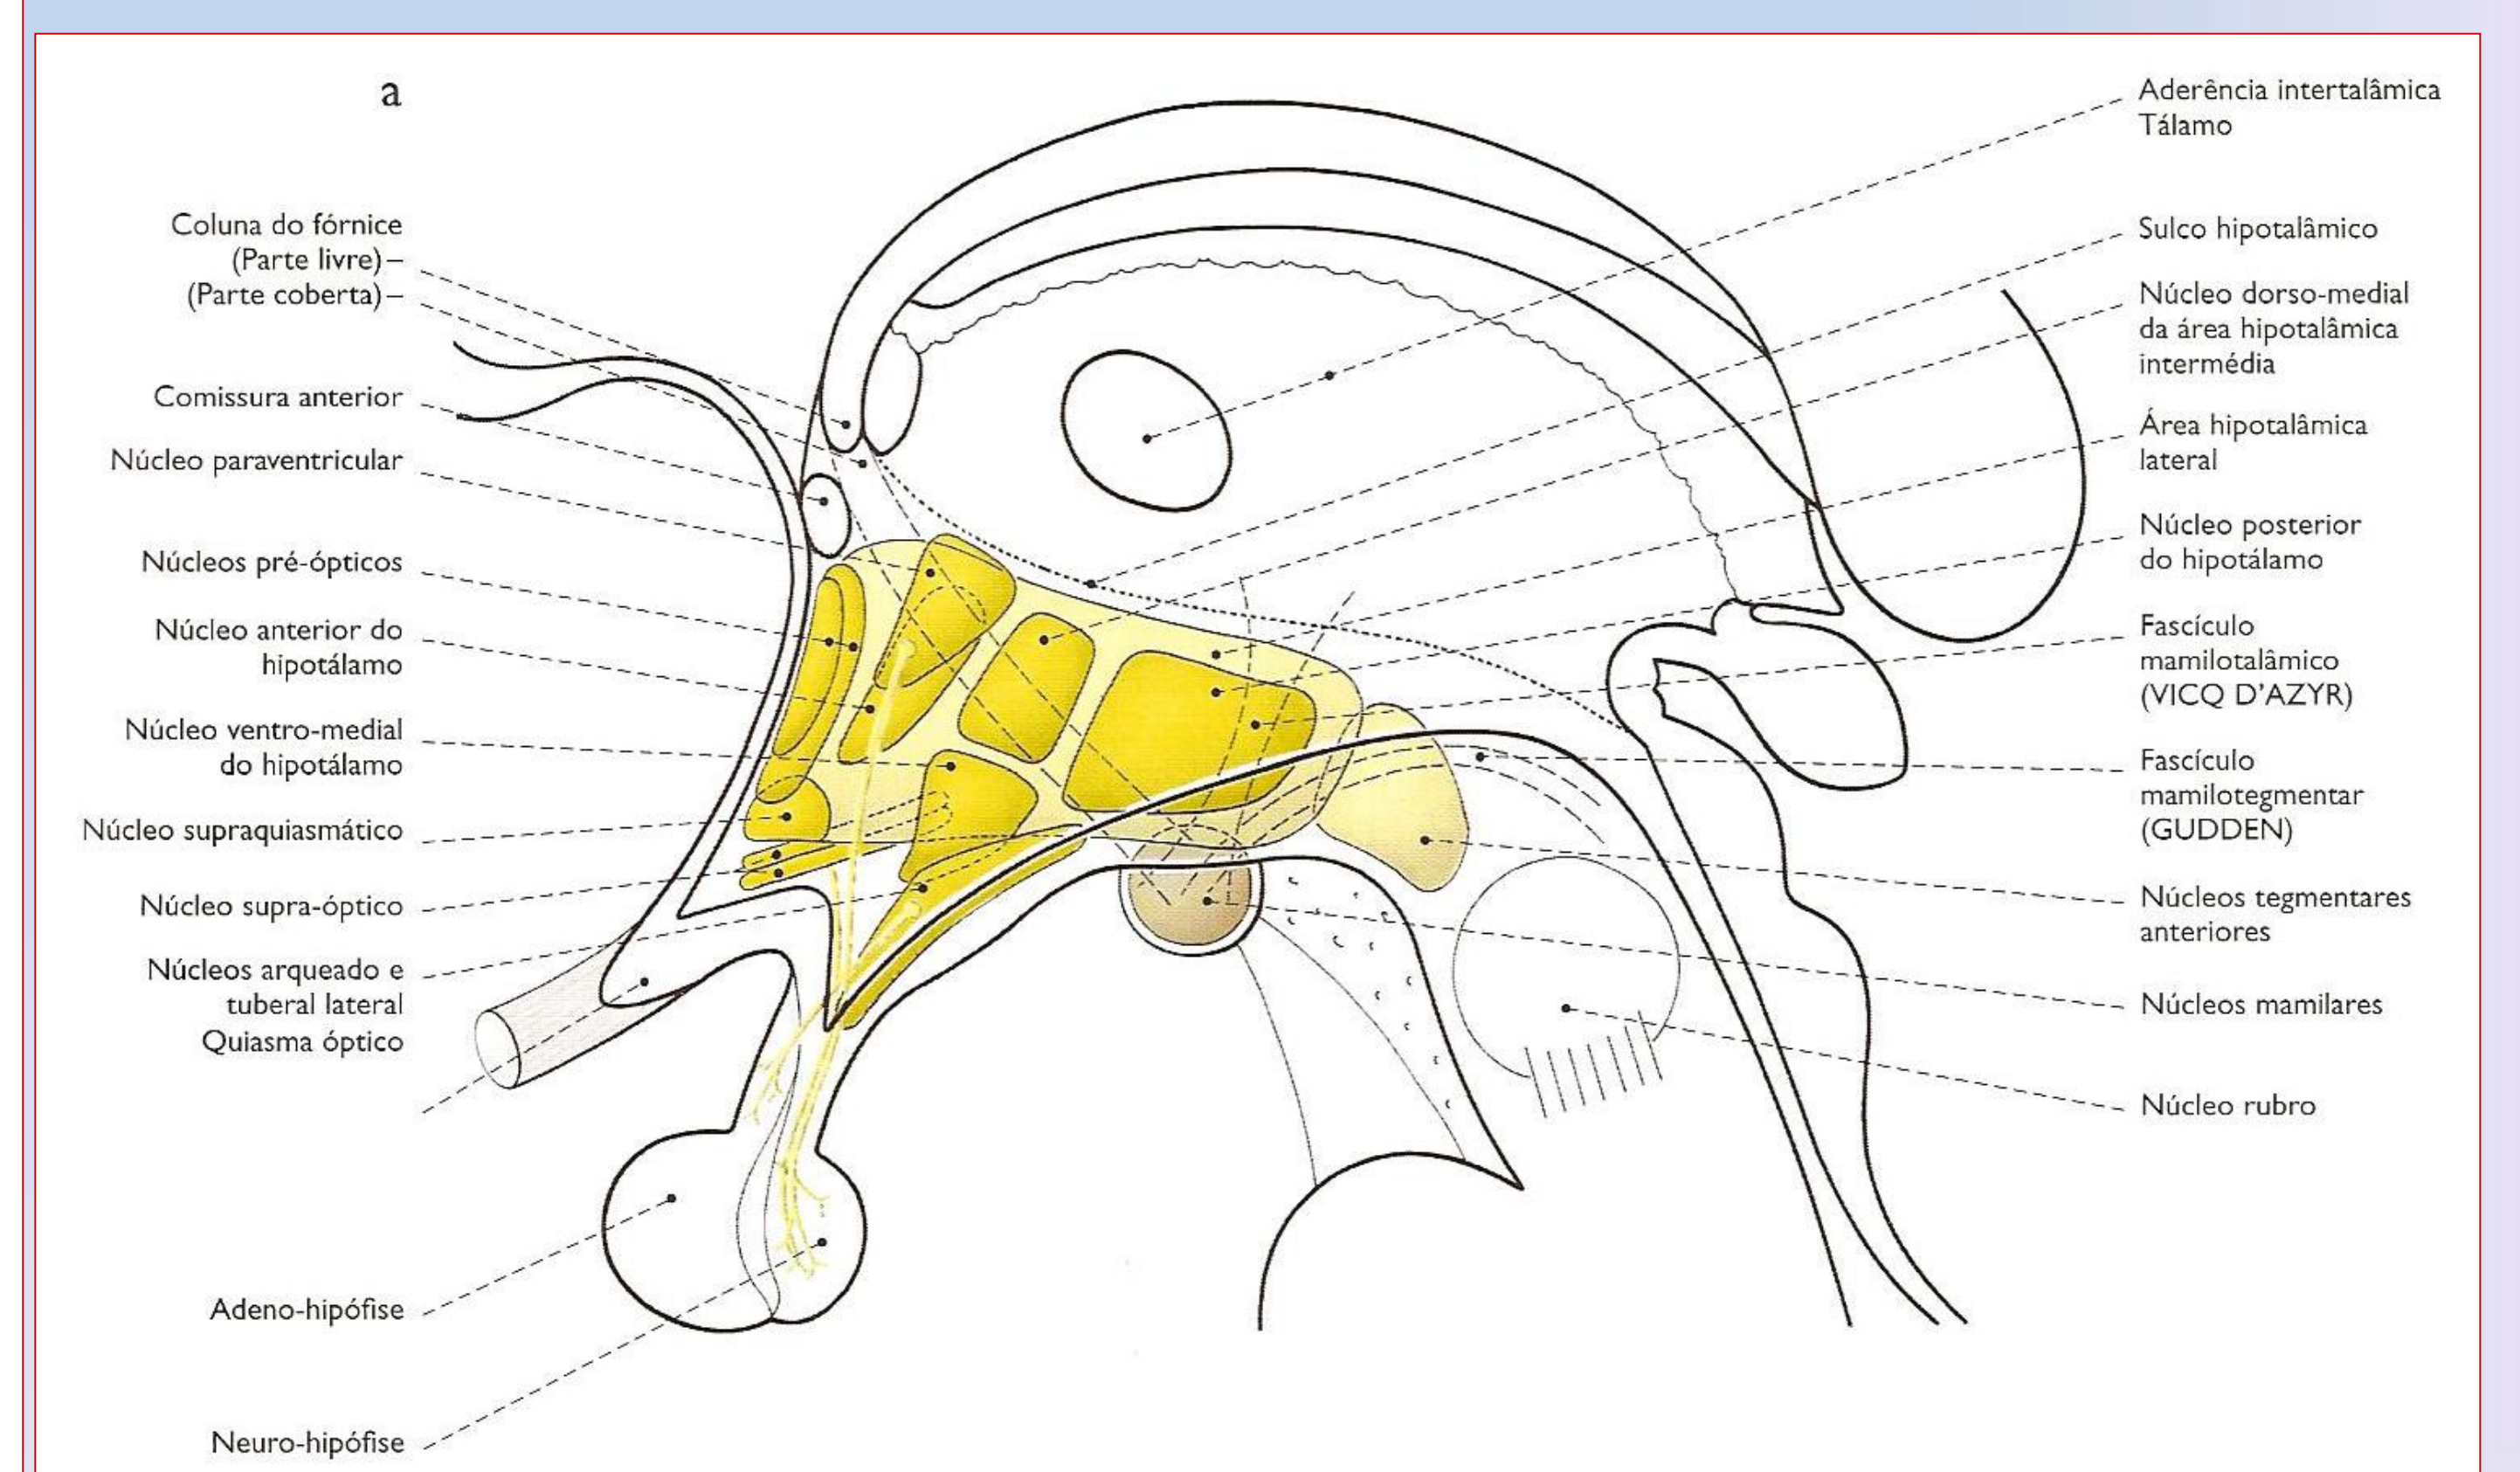

Fascículos
do cérebro

Cápsula
interna

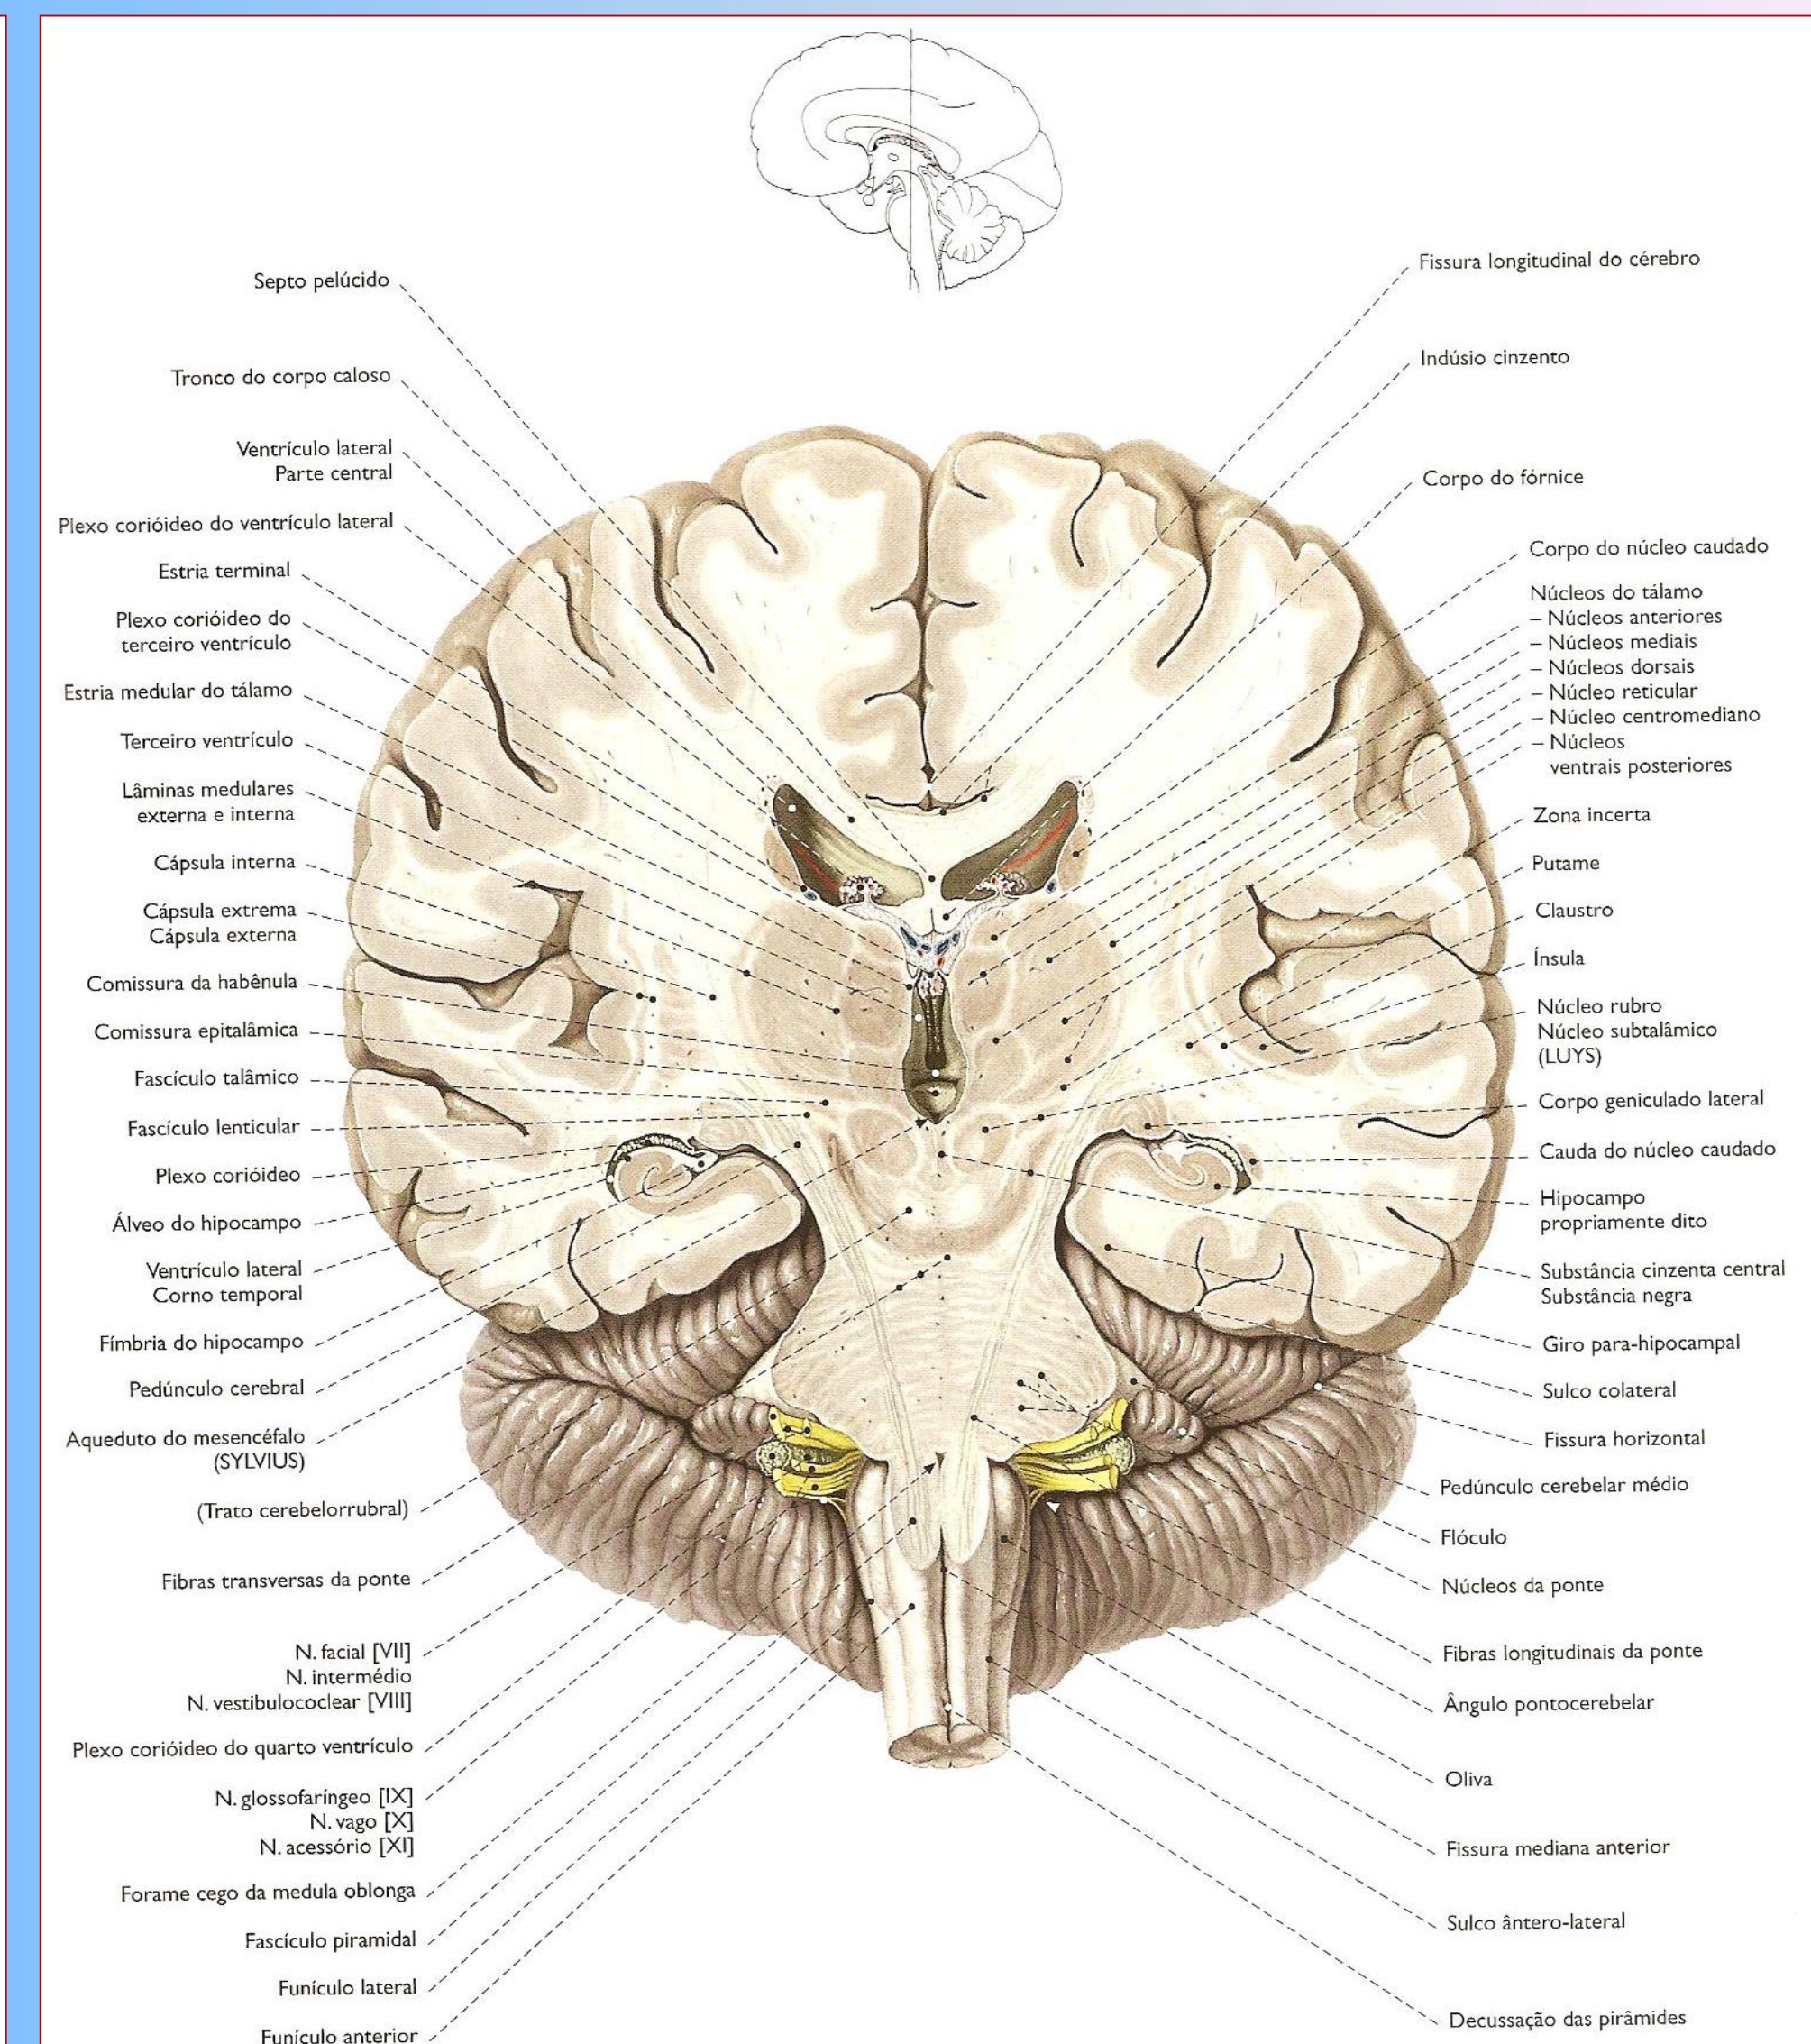

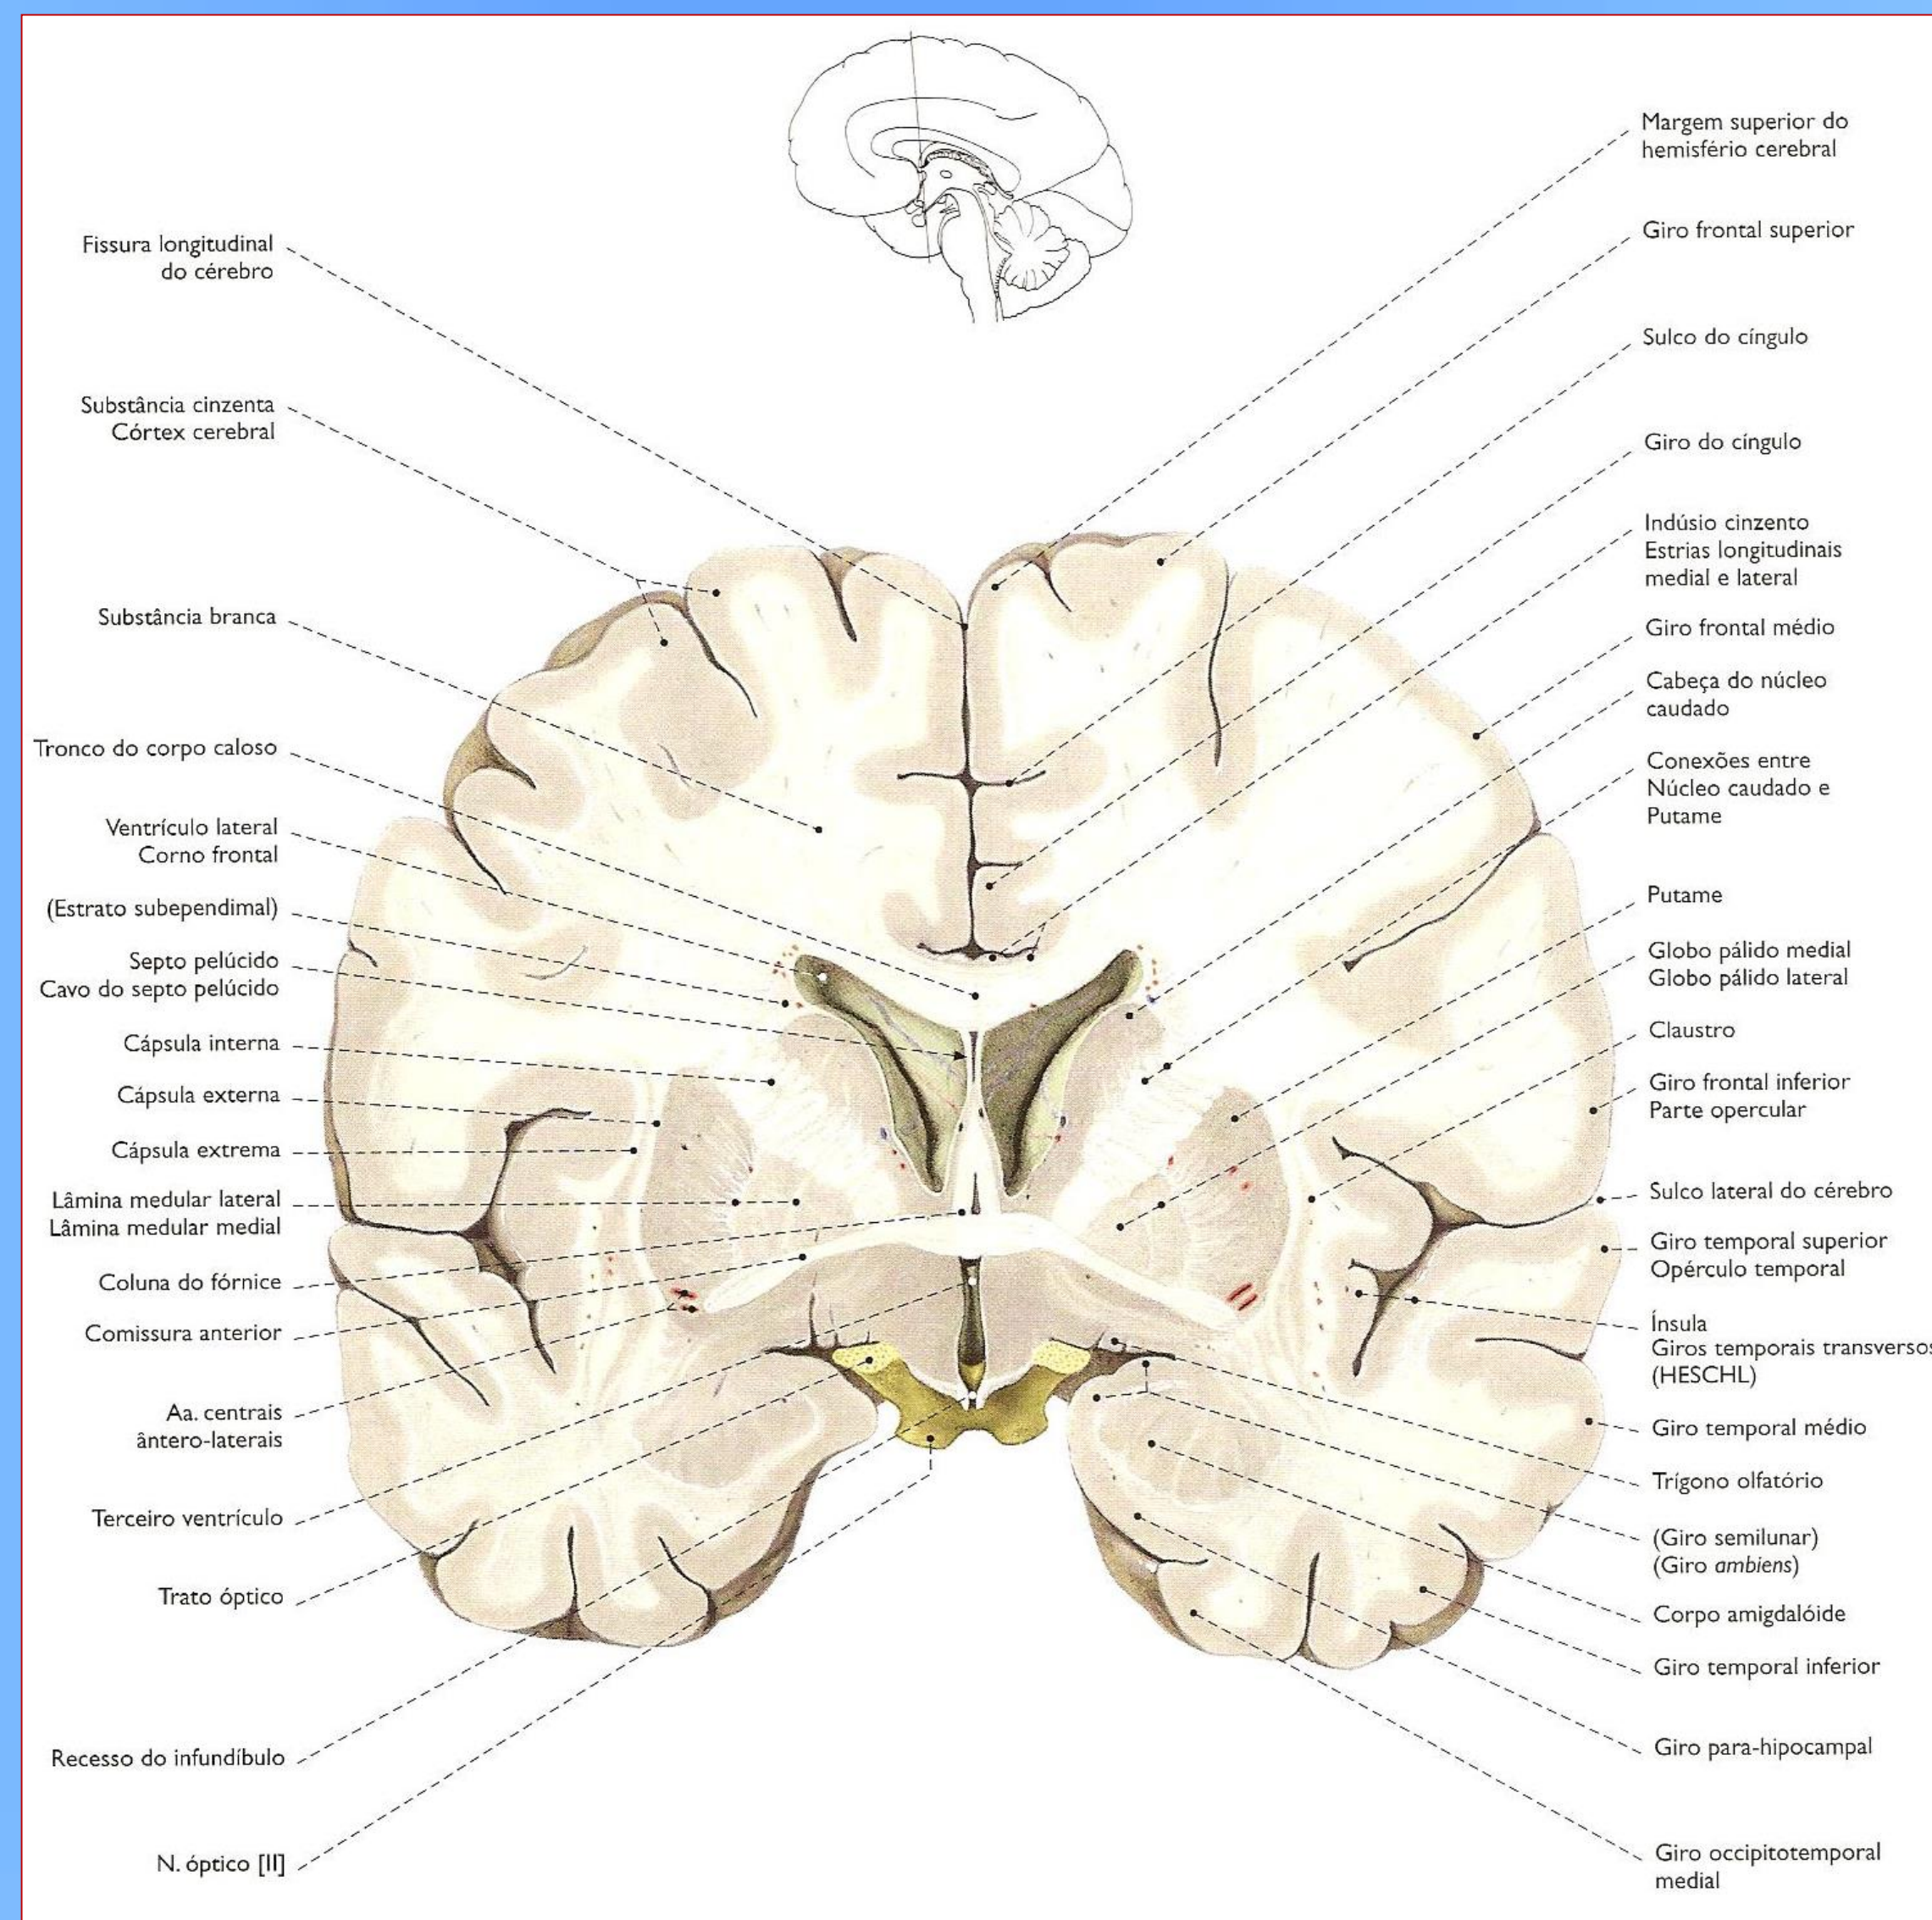

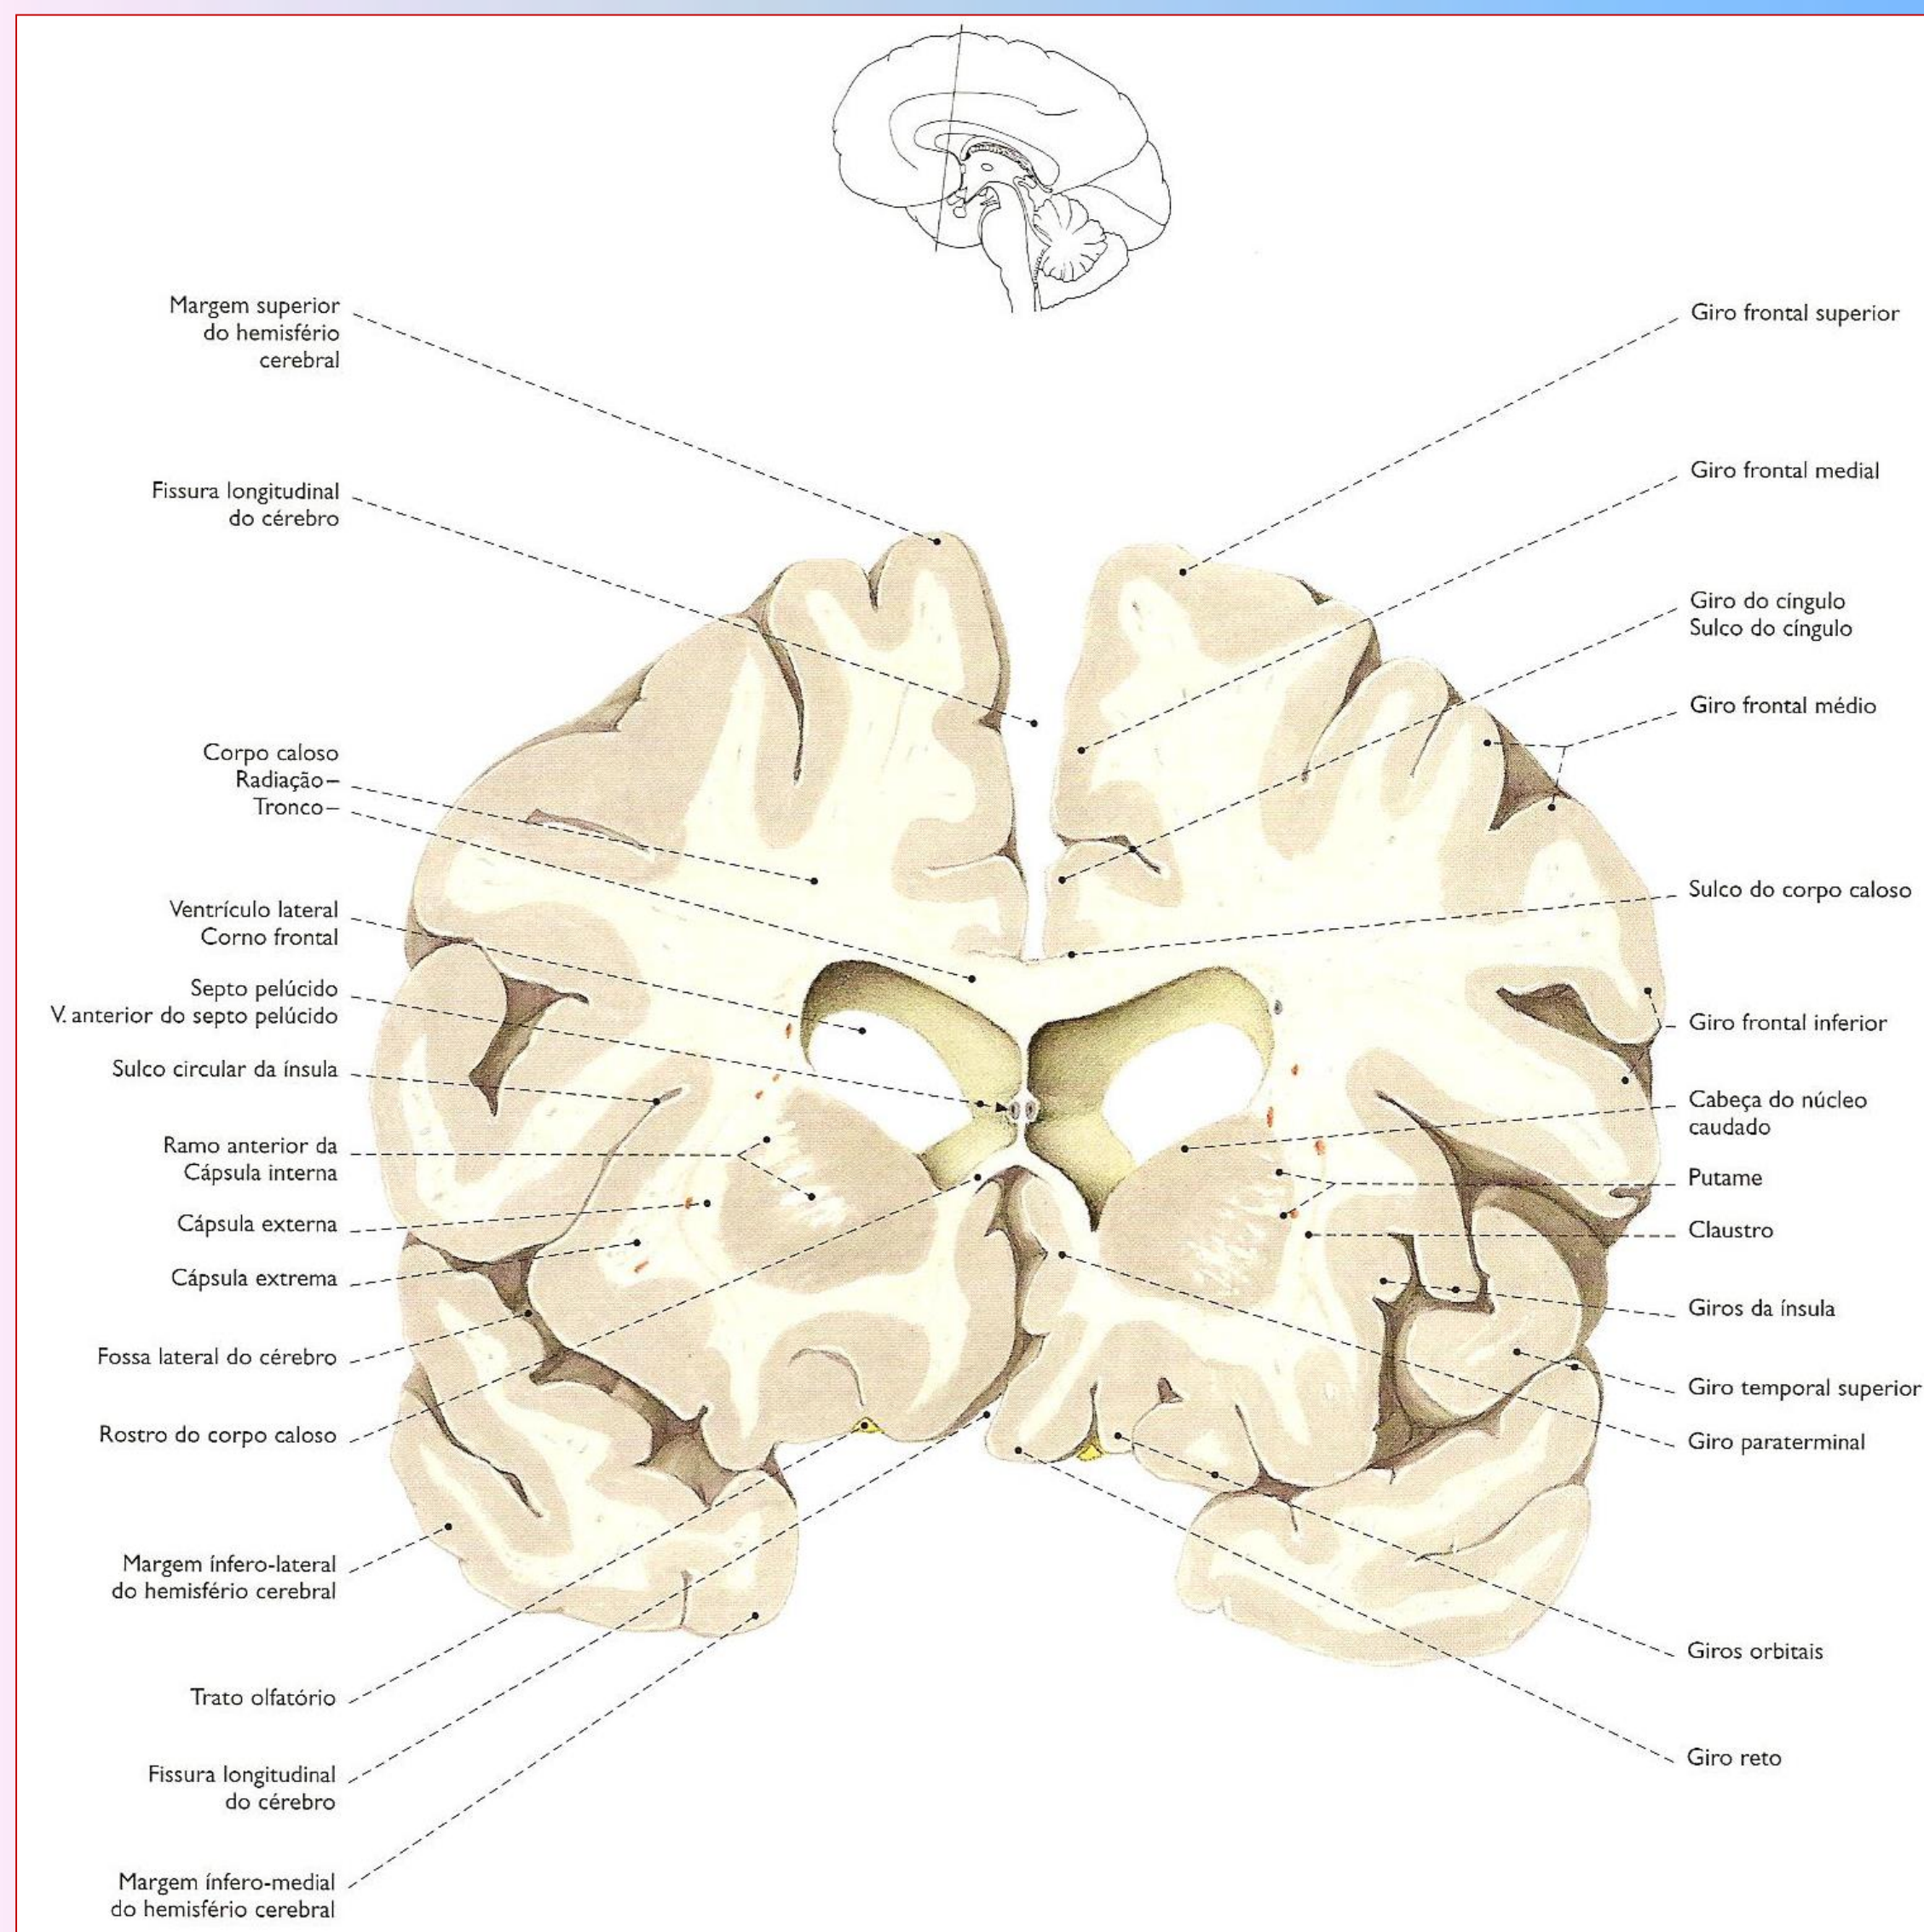

Núcleos talâmicos e suas projeções corticais

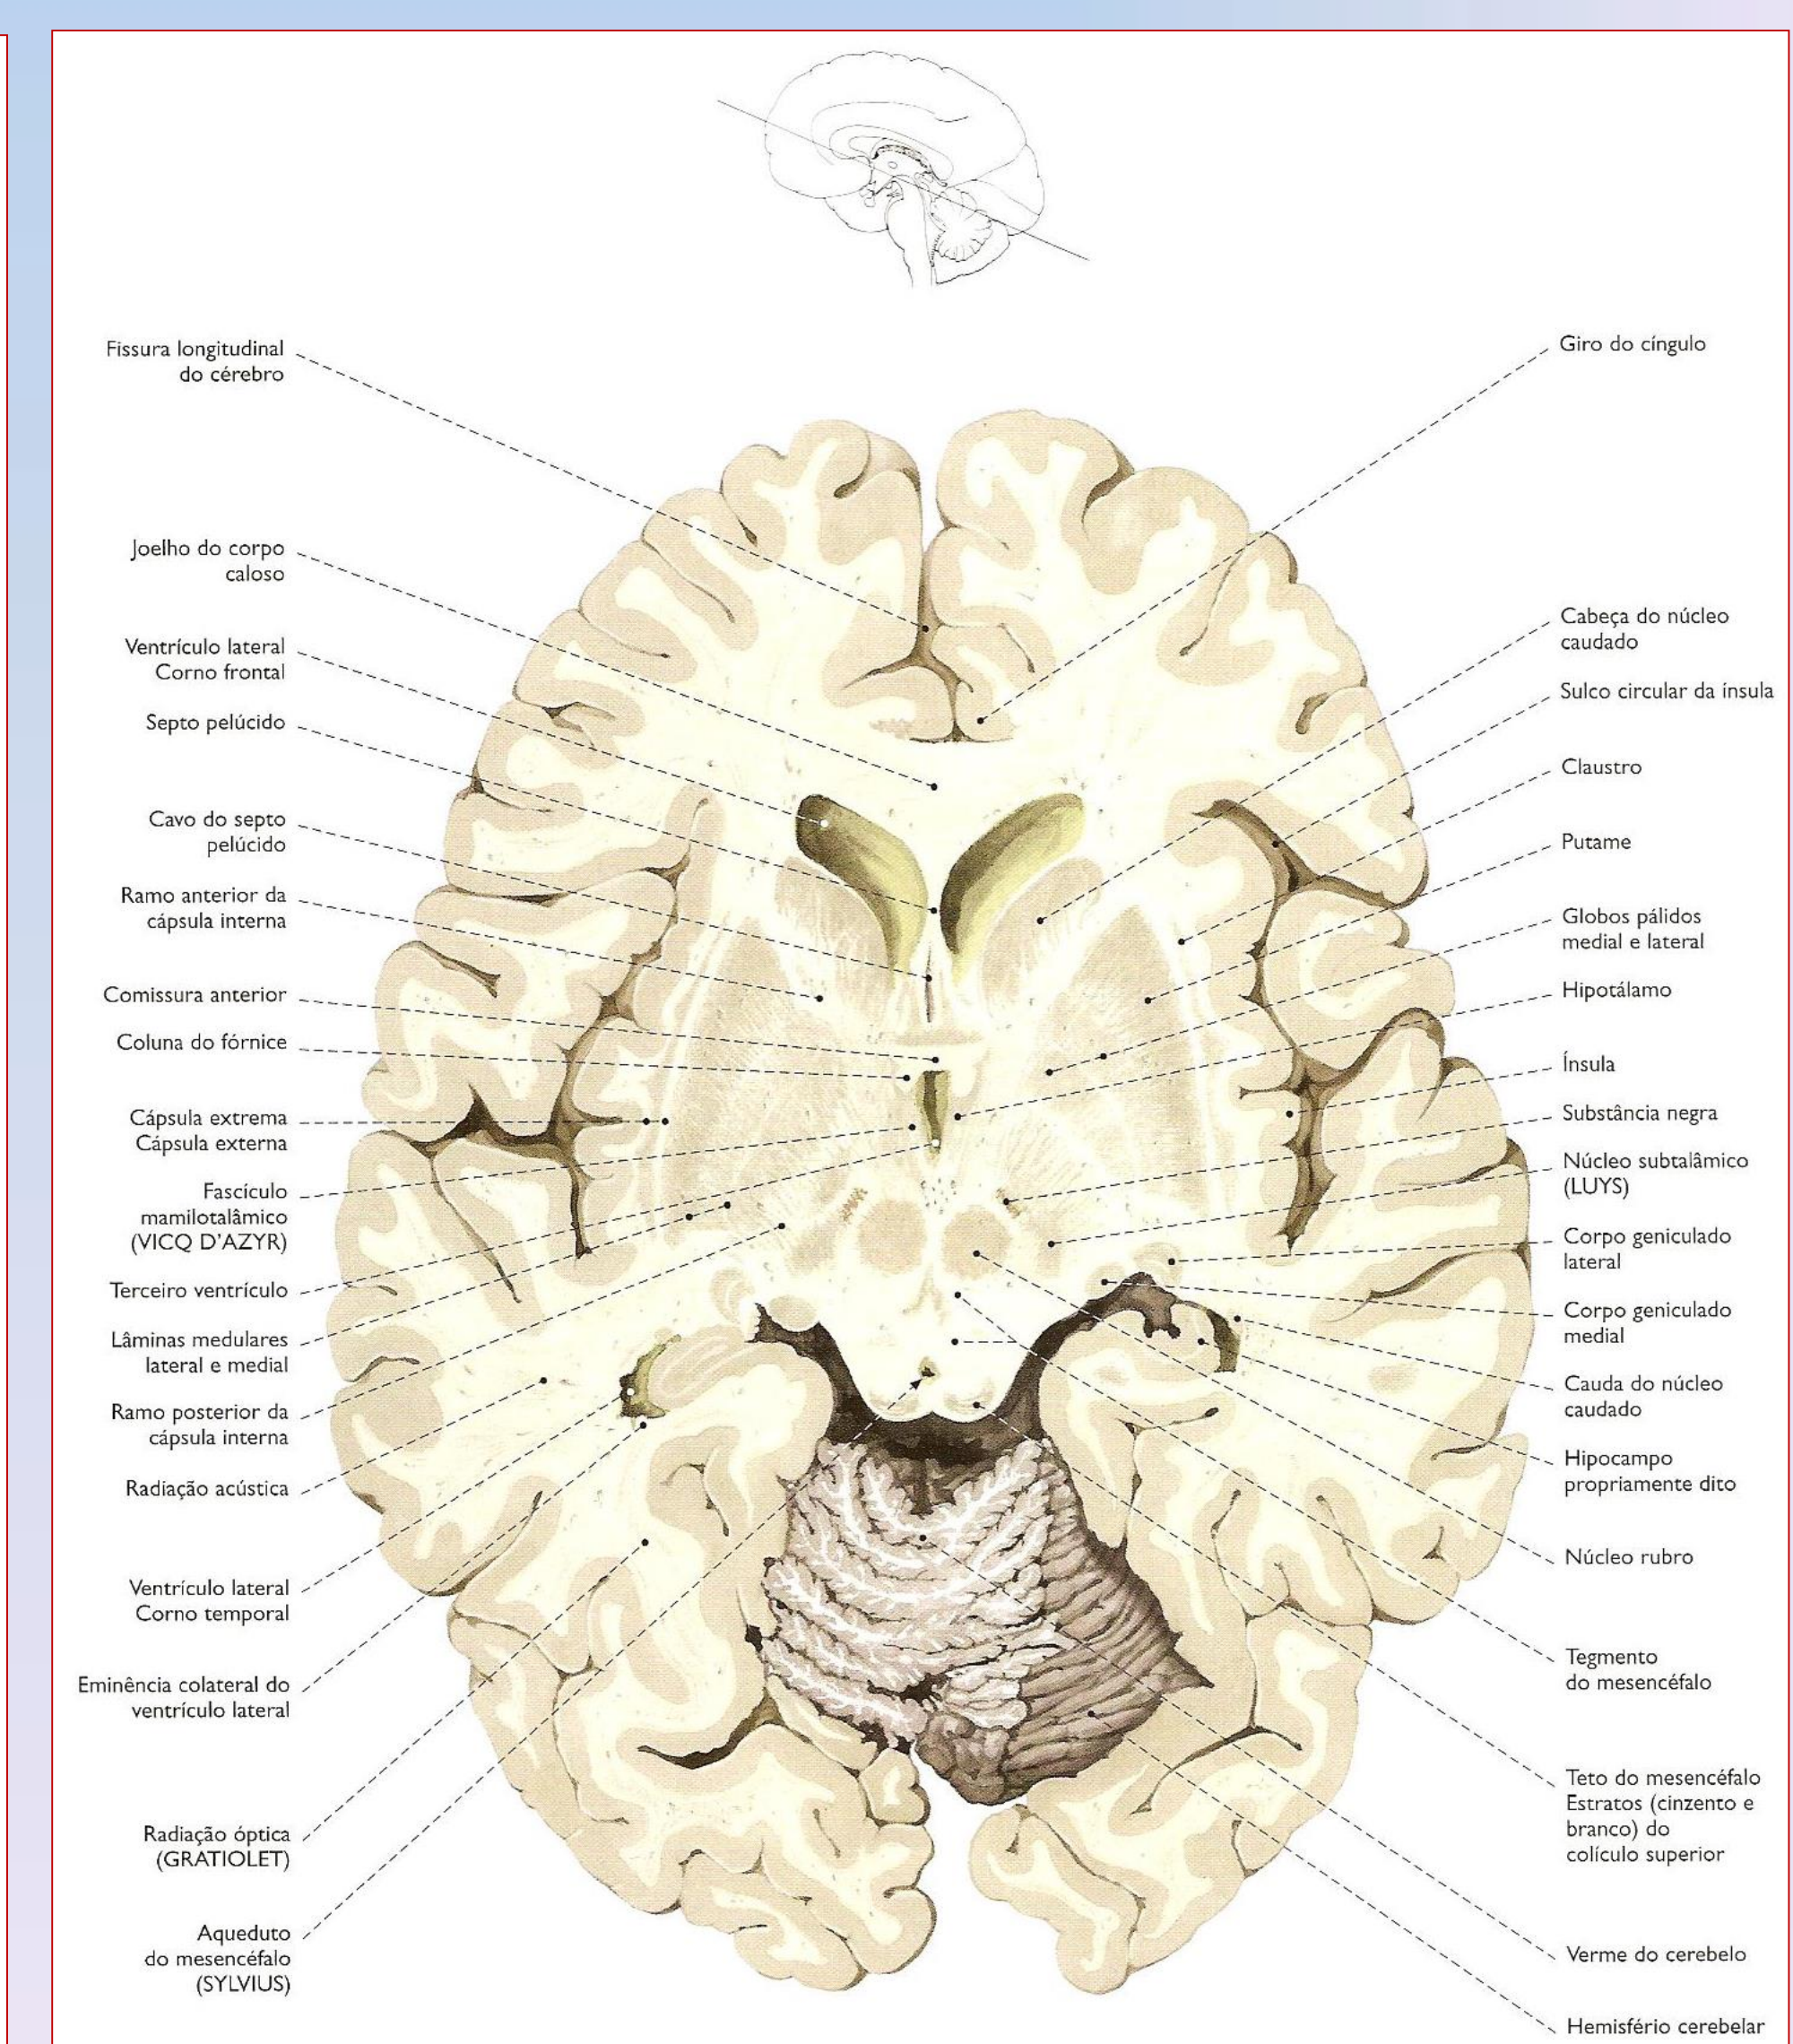

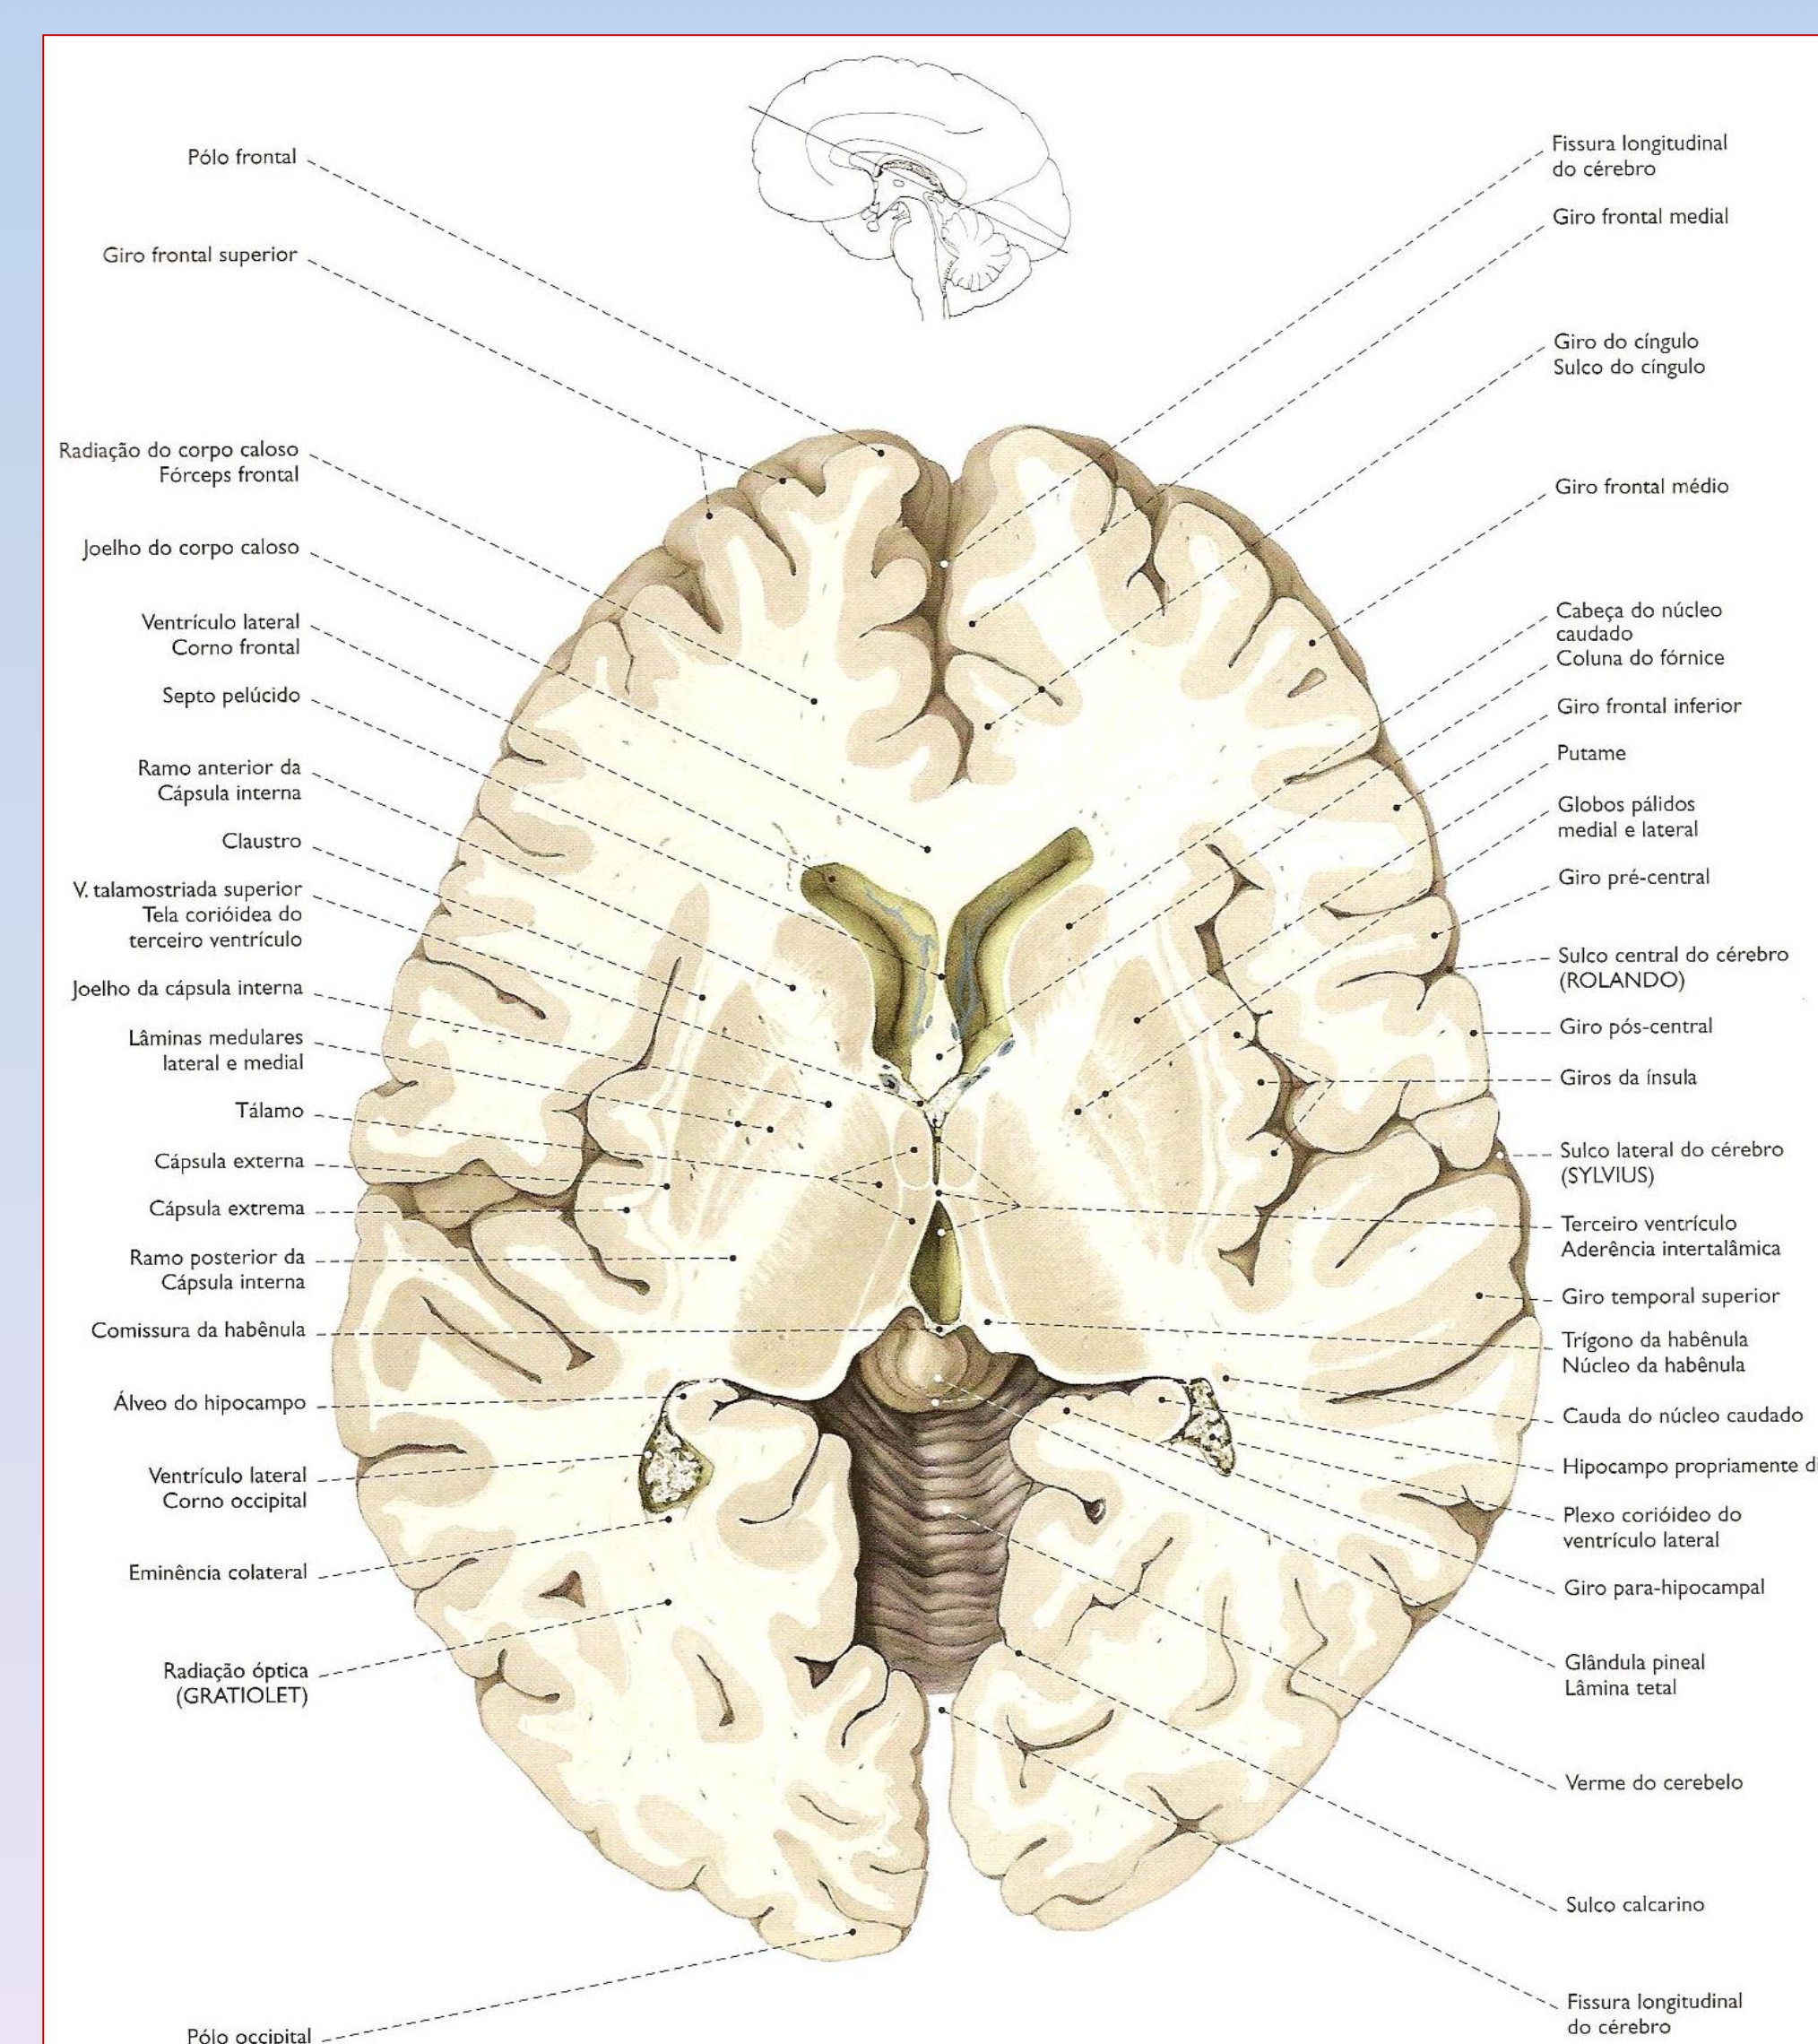

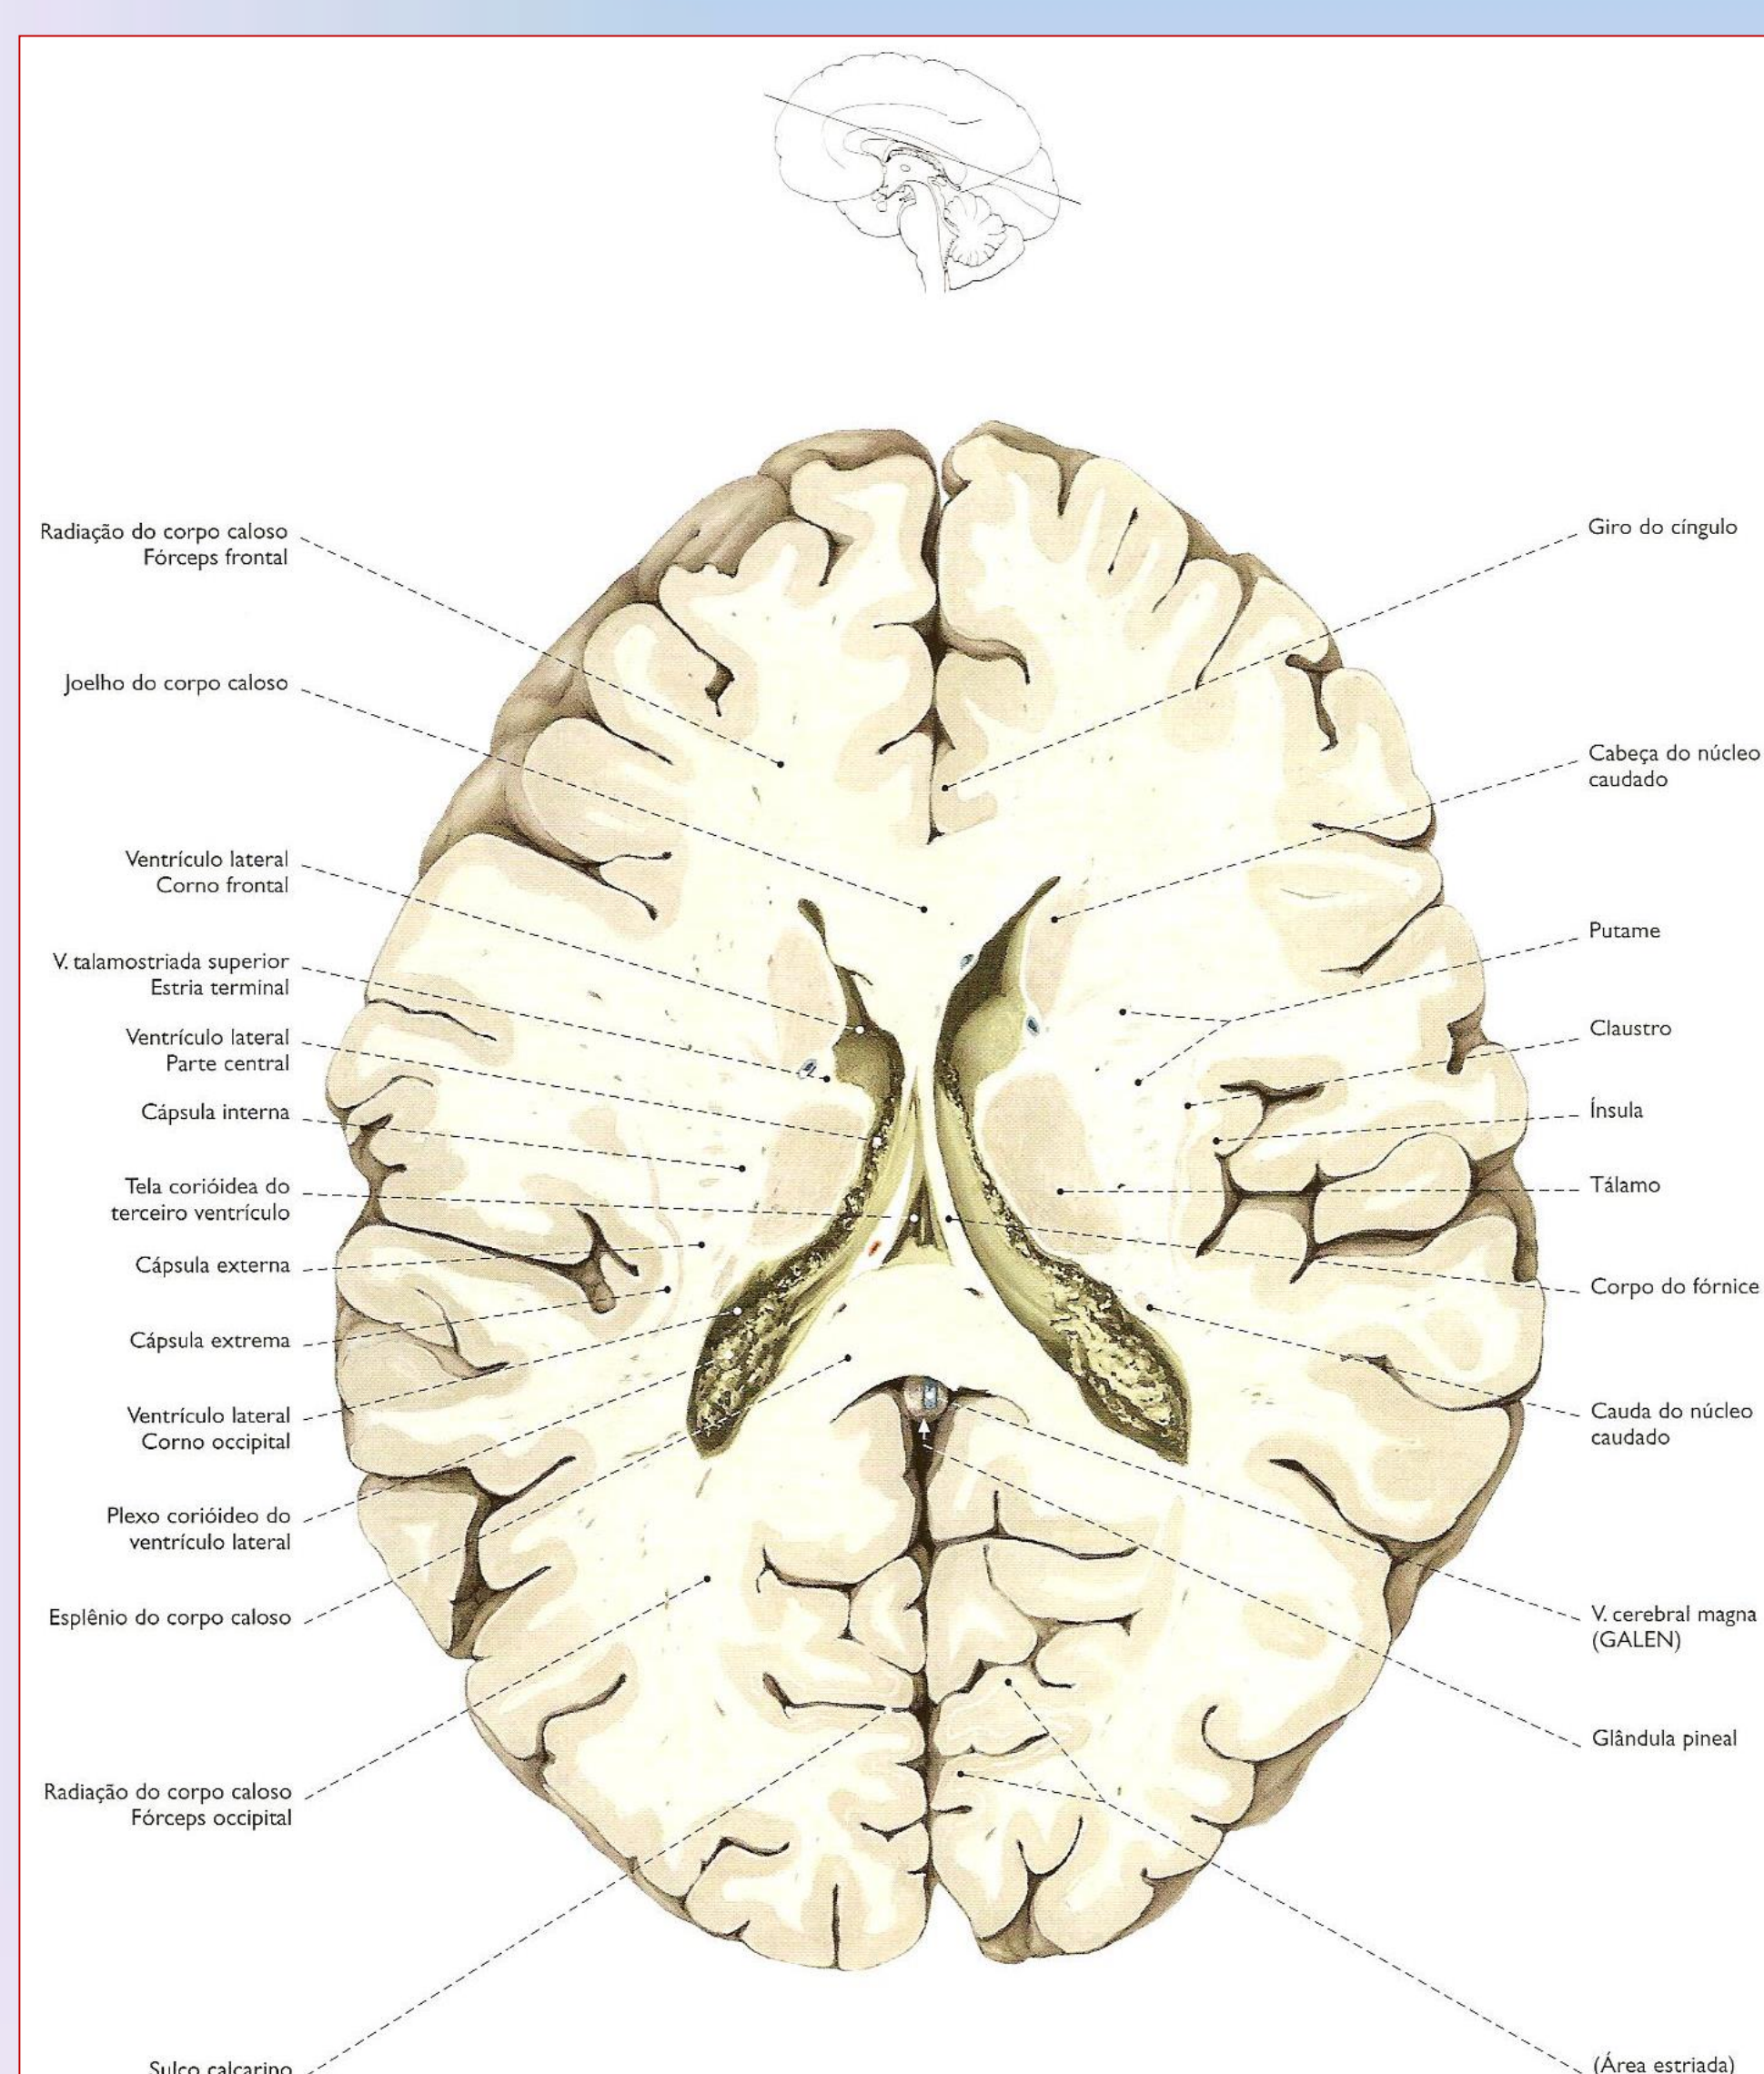

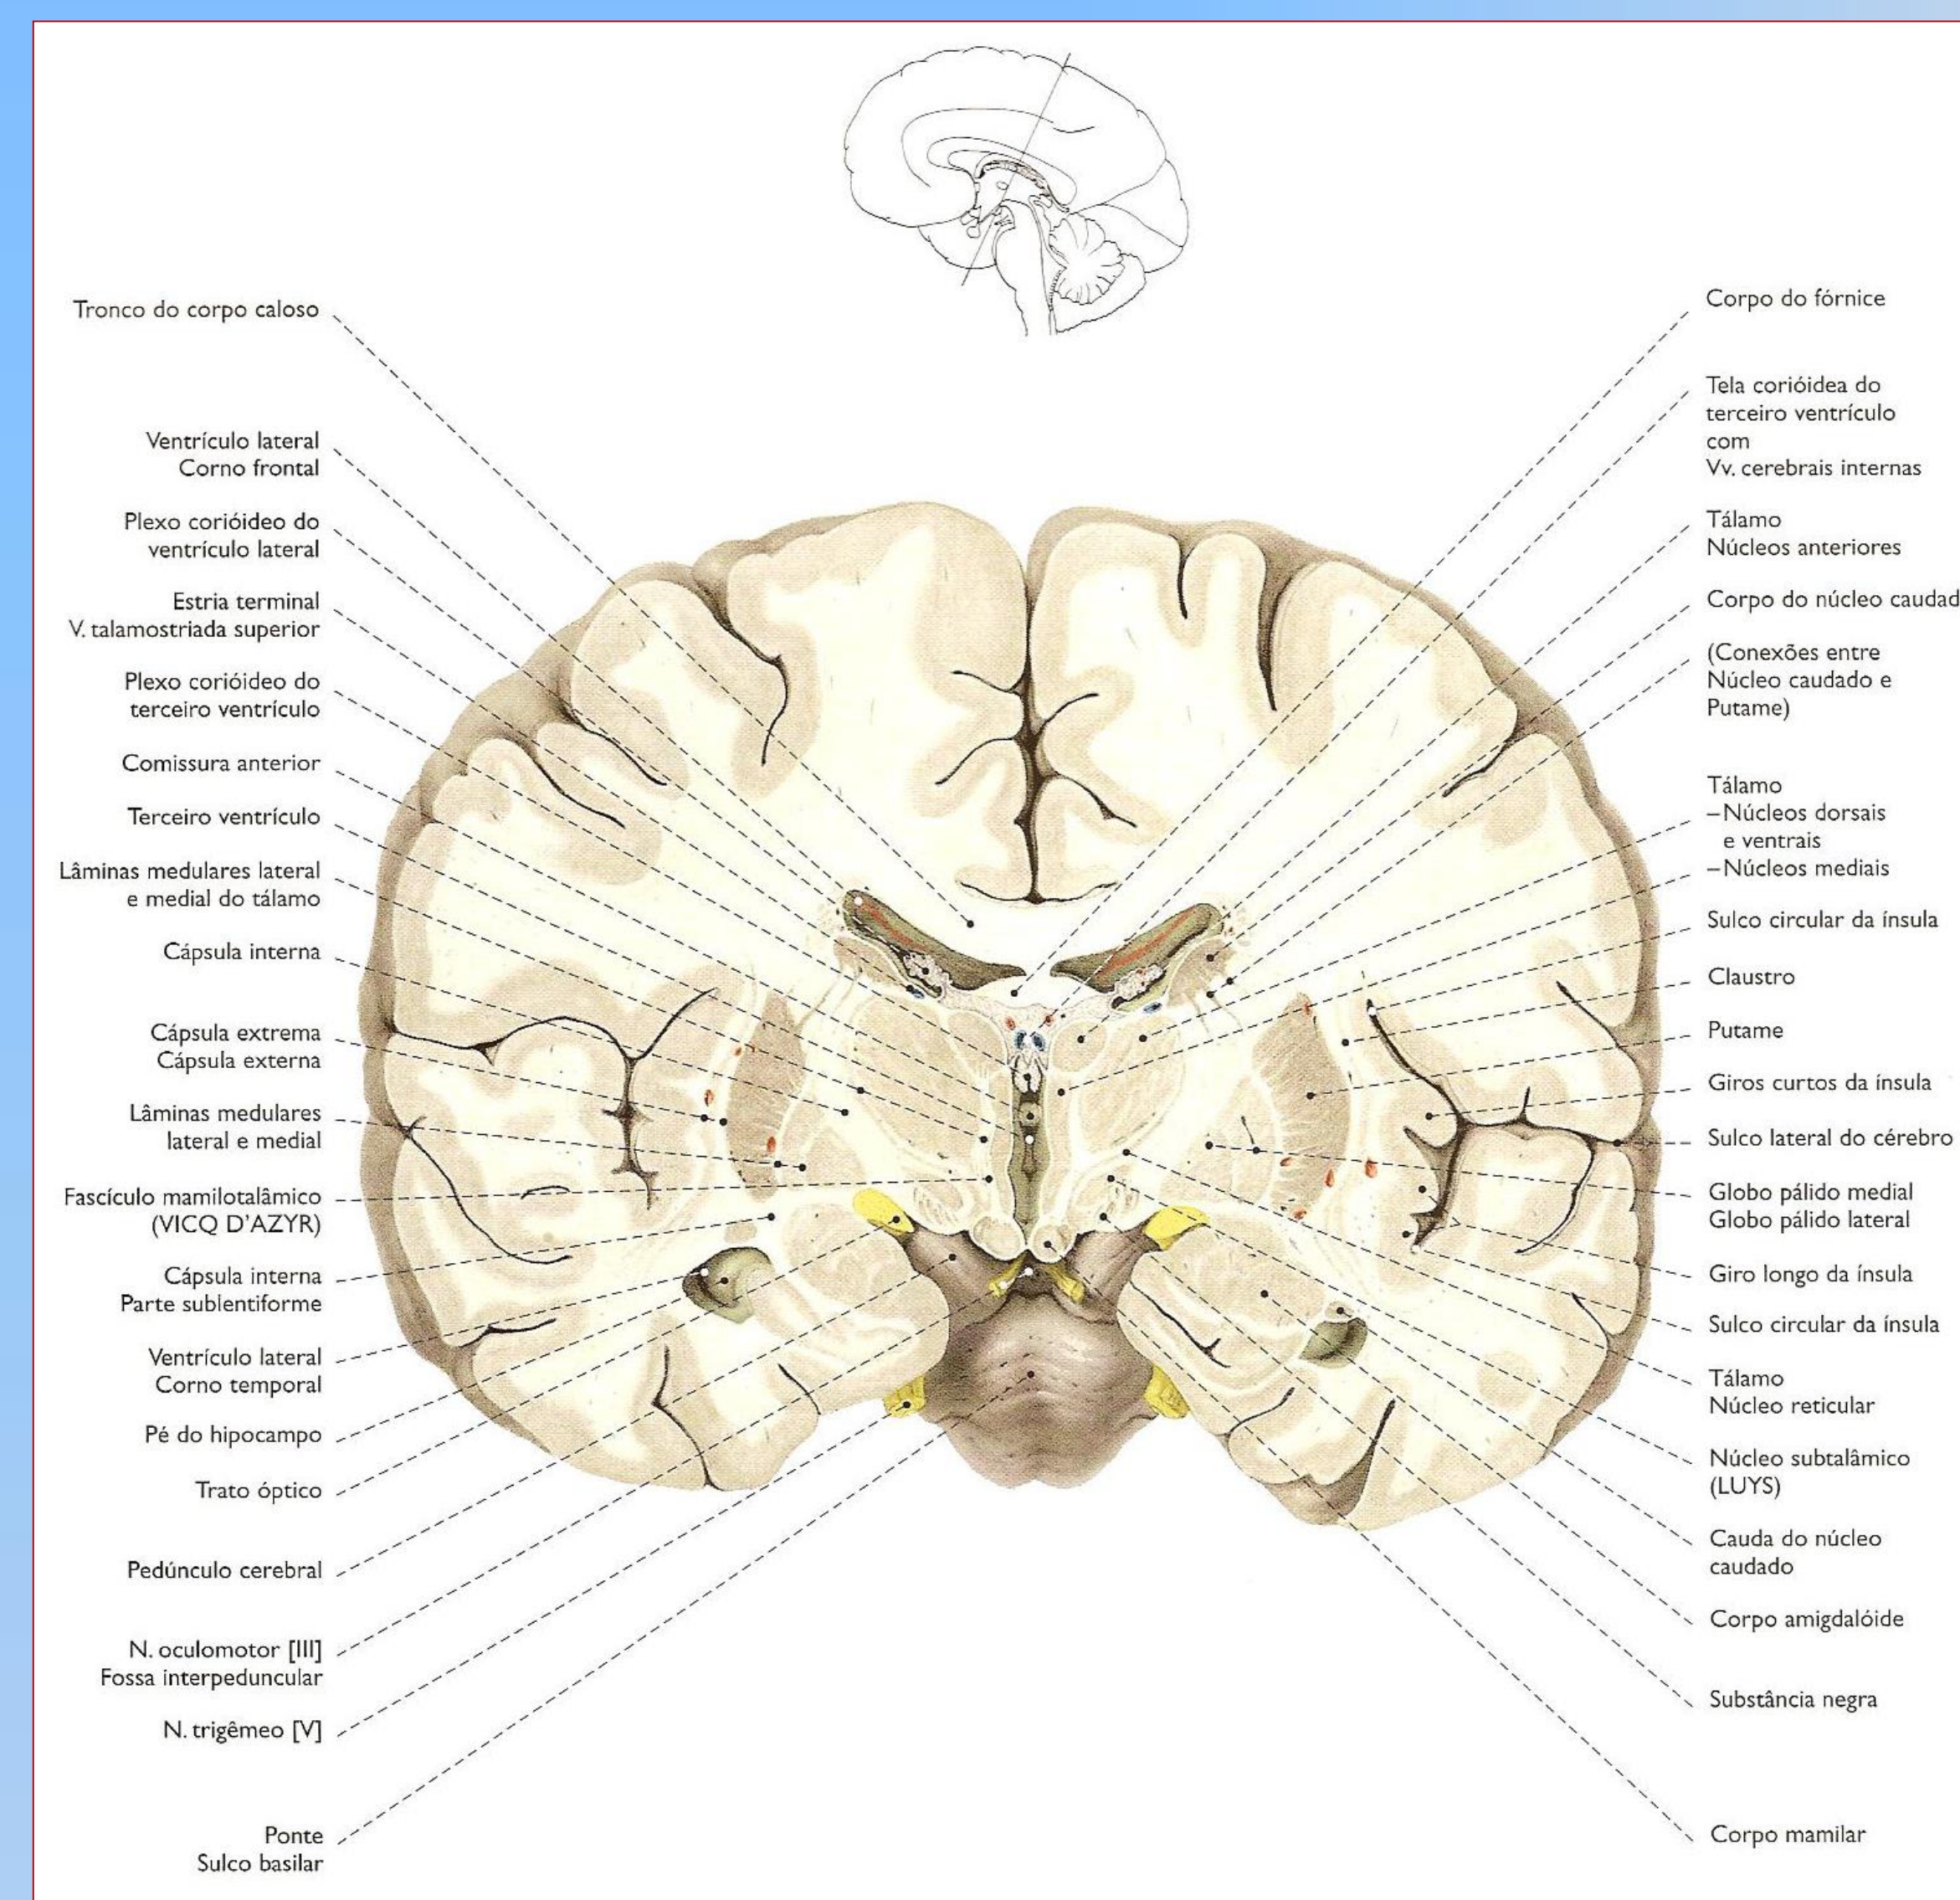

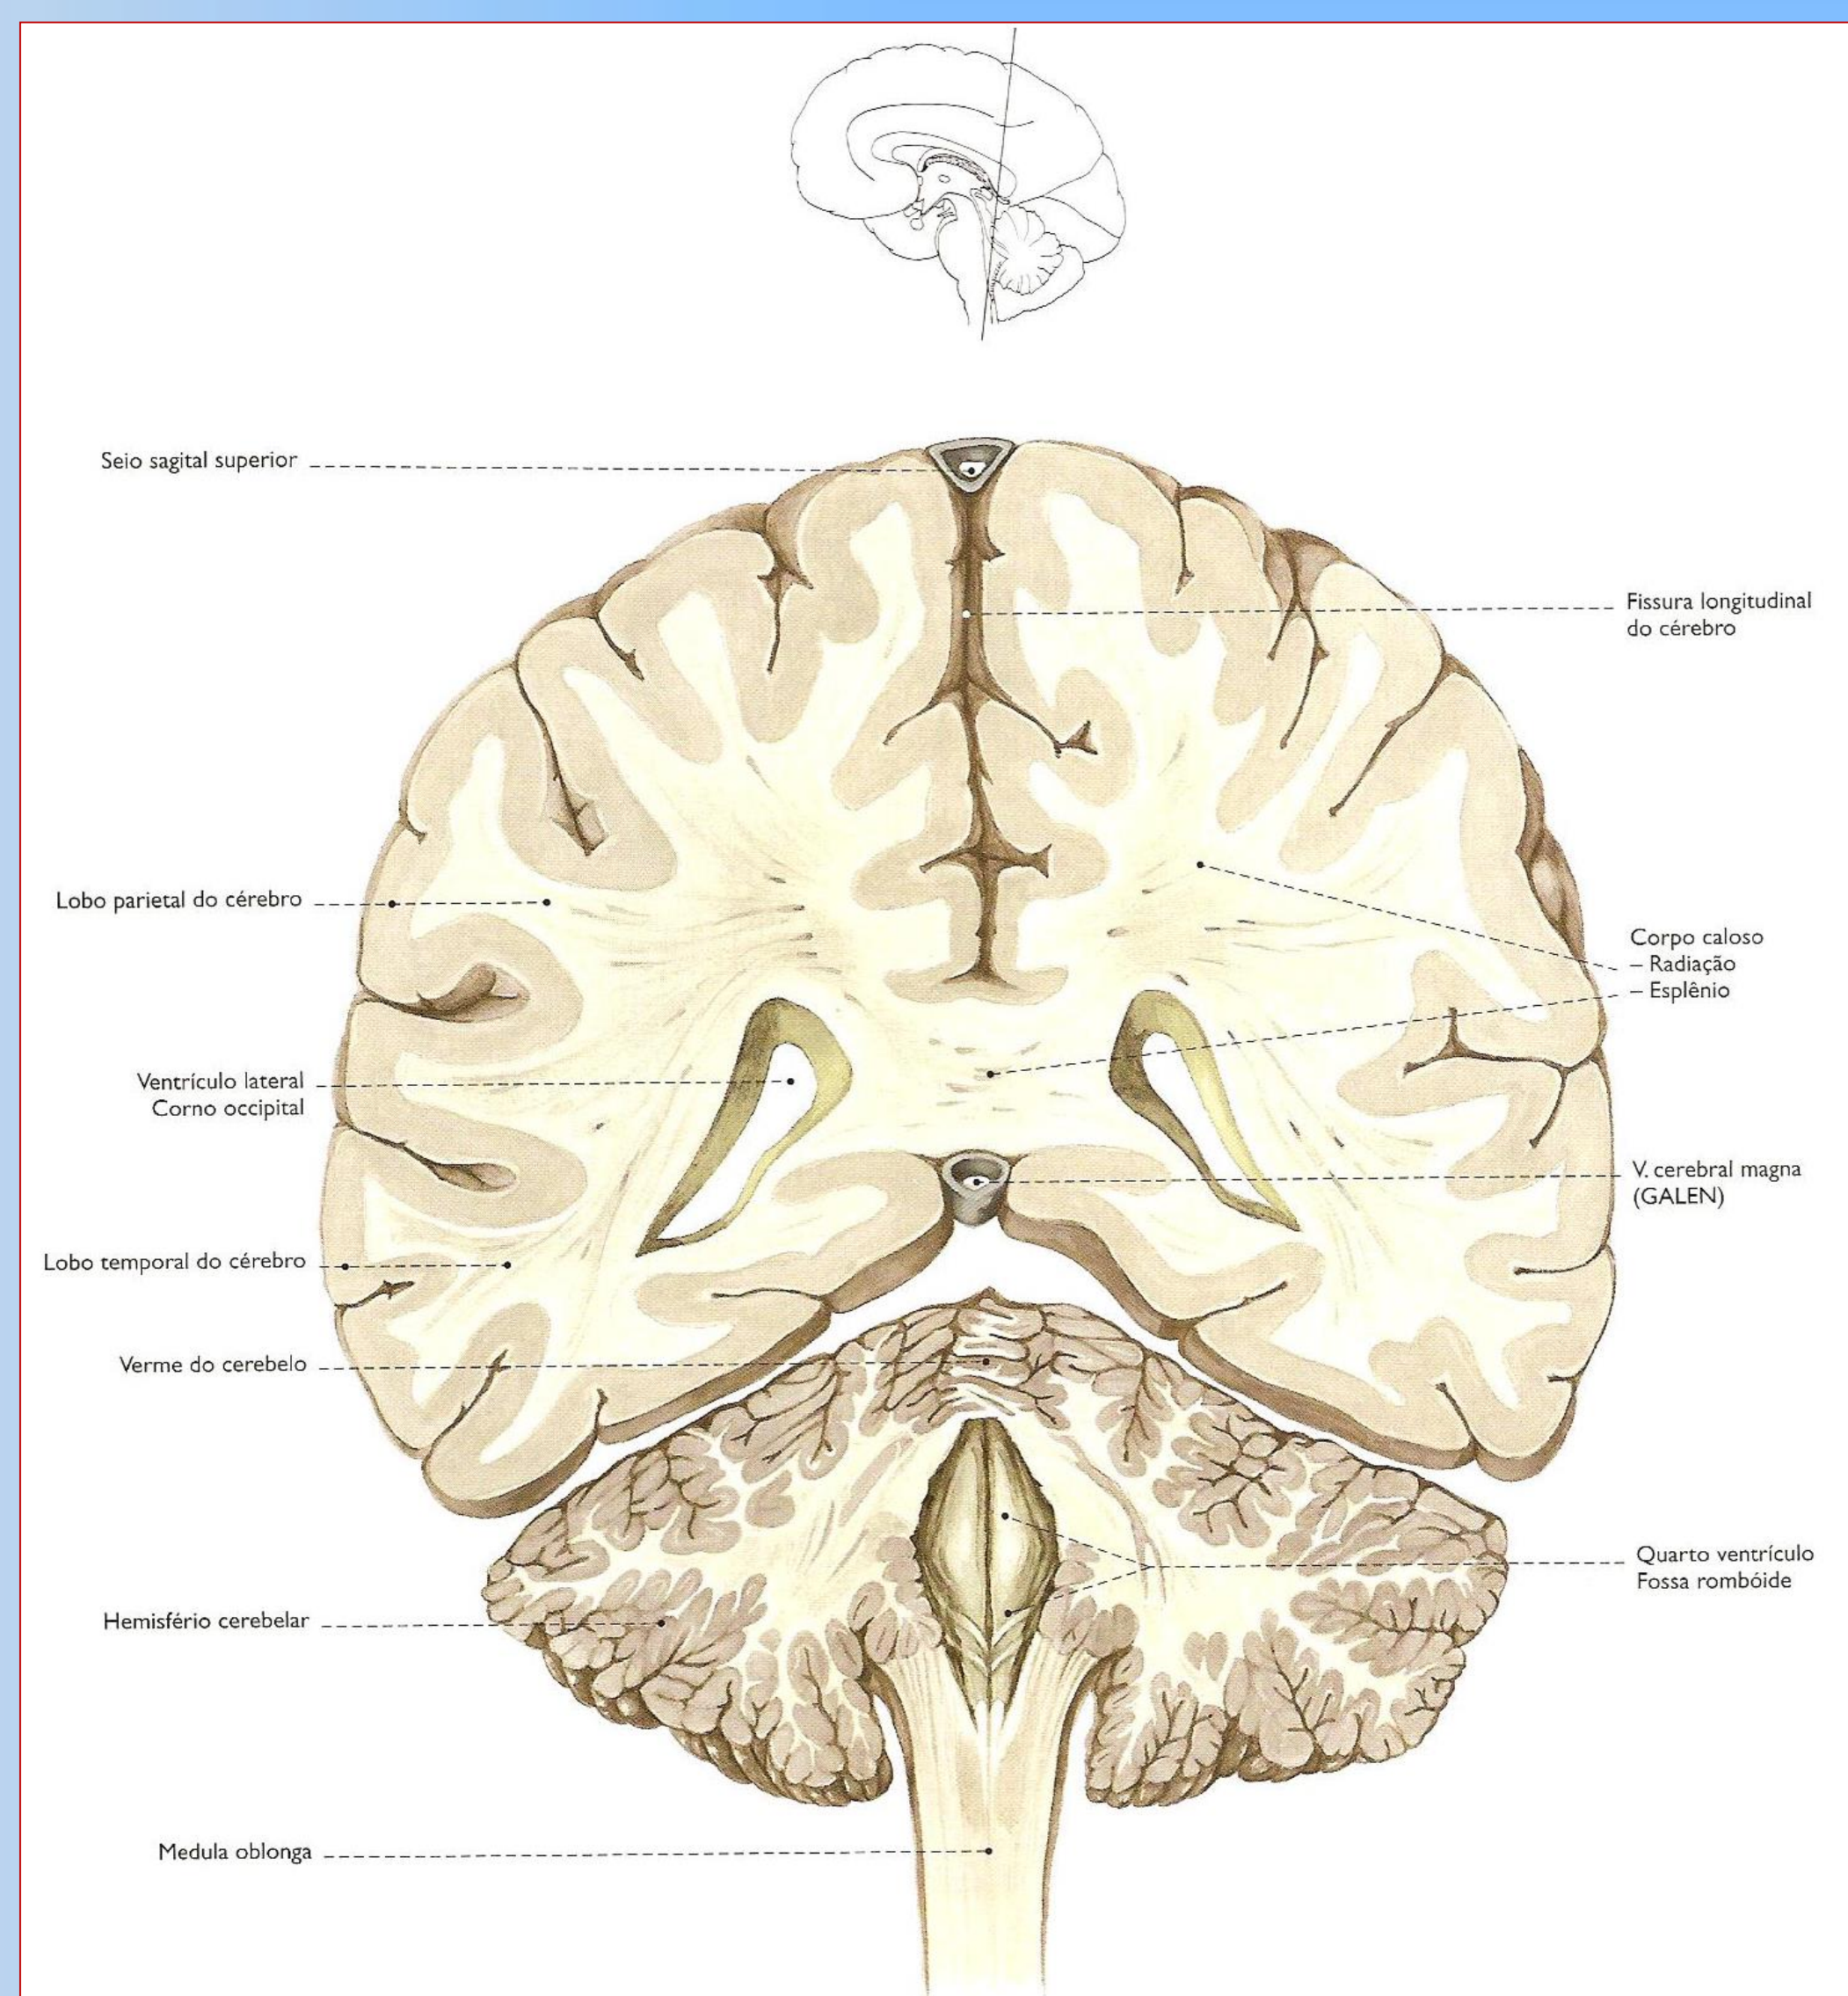

Hipotálamo e seus núcleos

Telencéfalo e diencéfalo

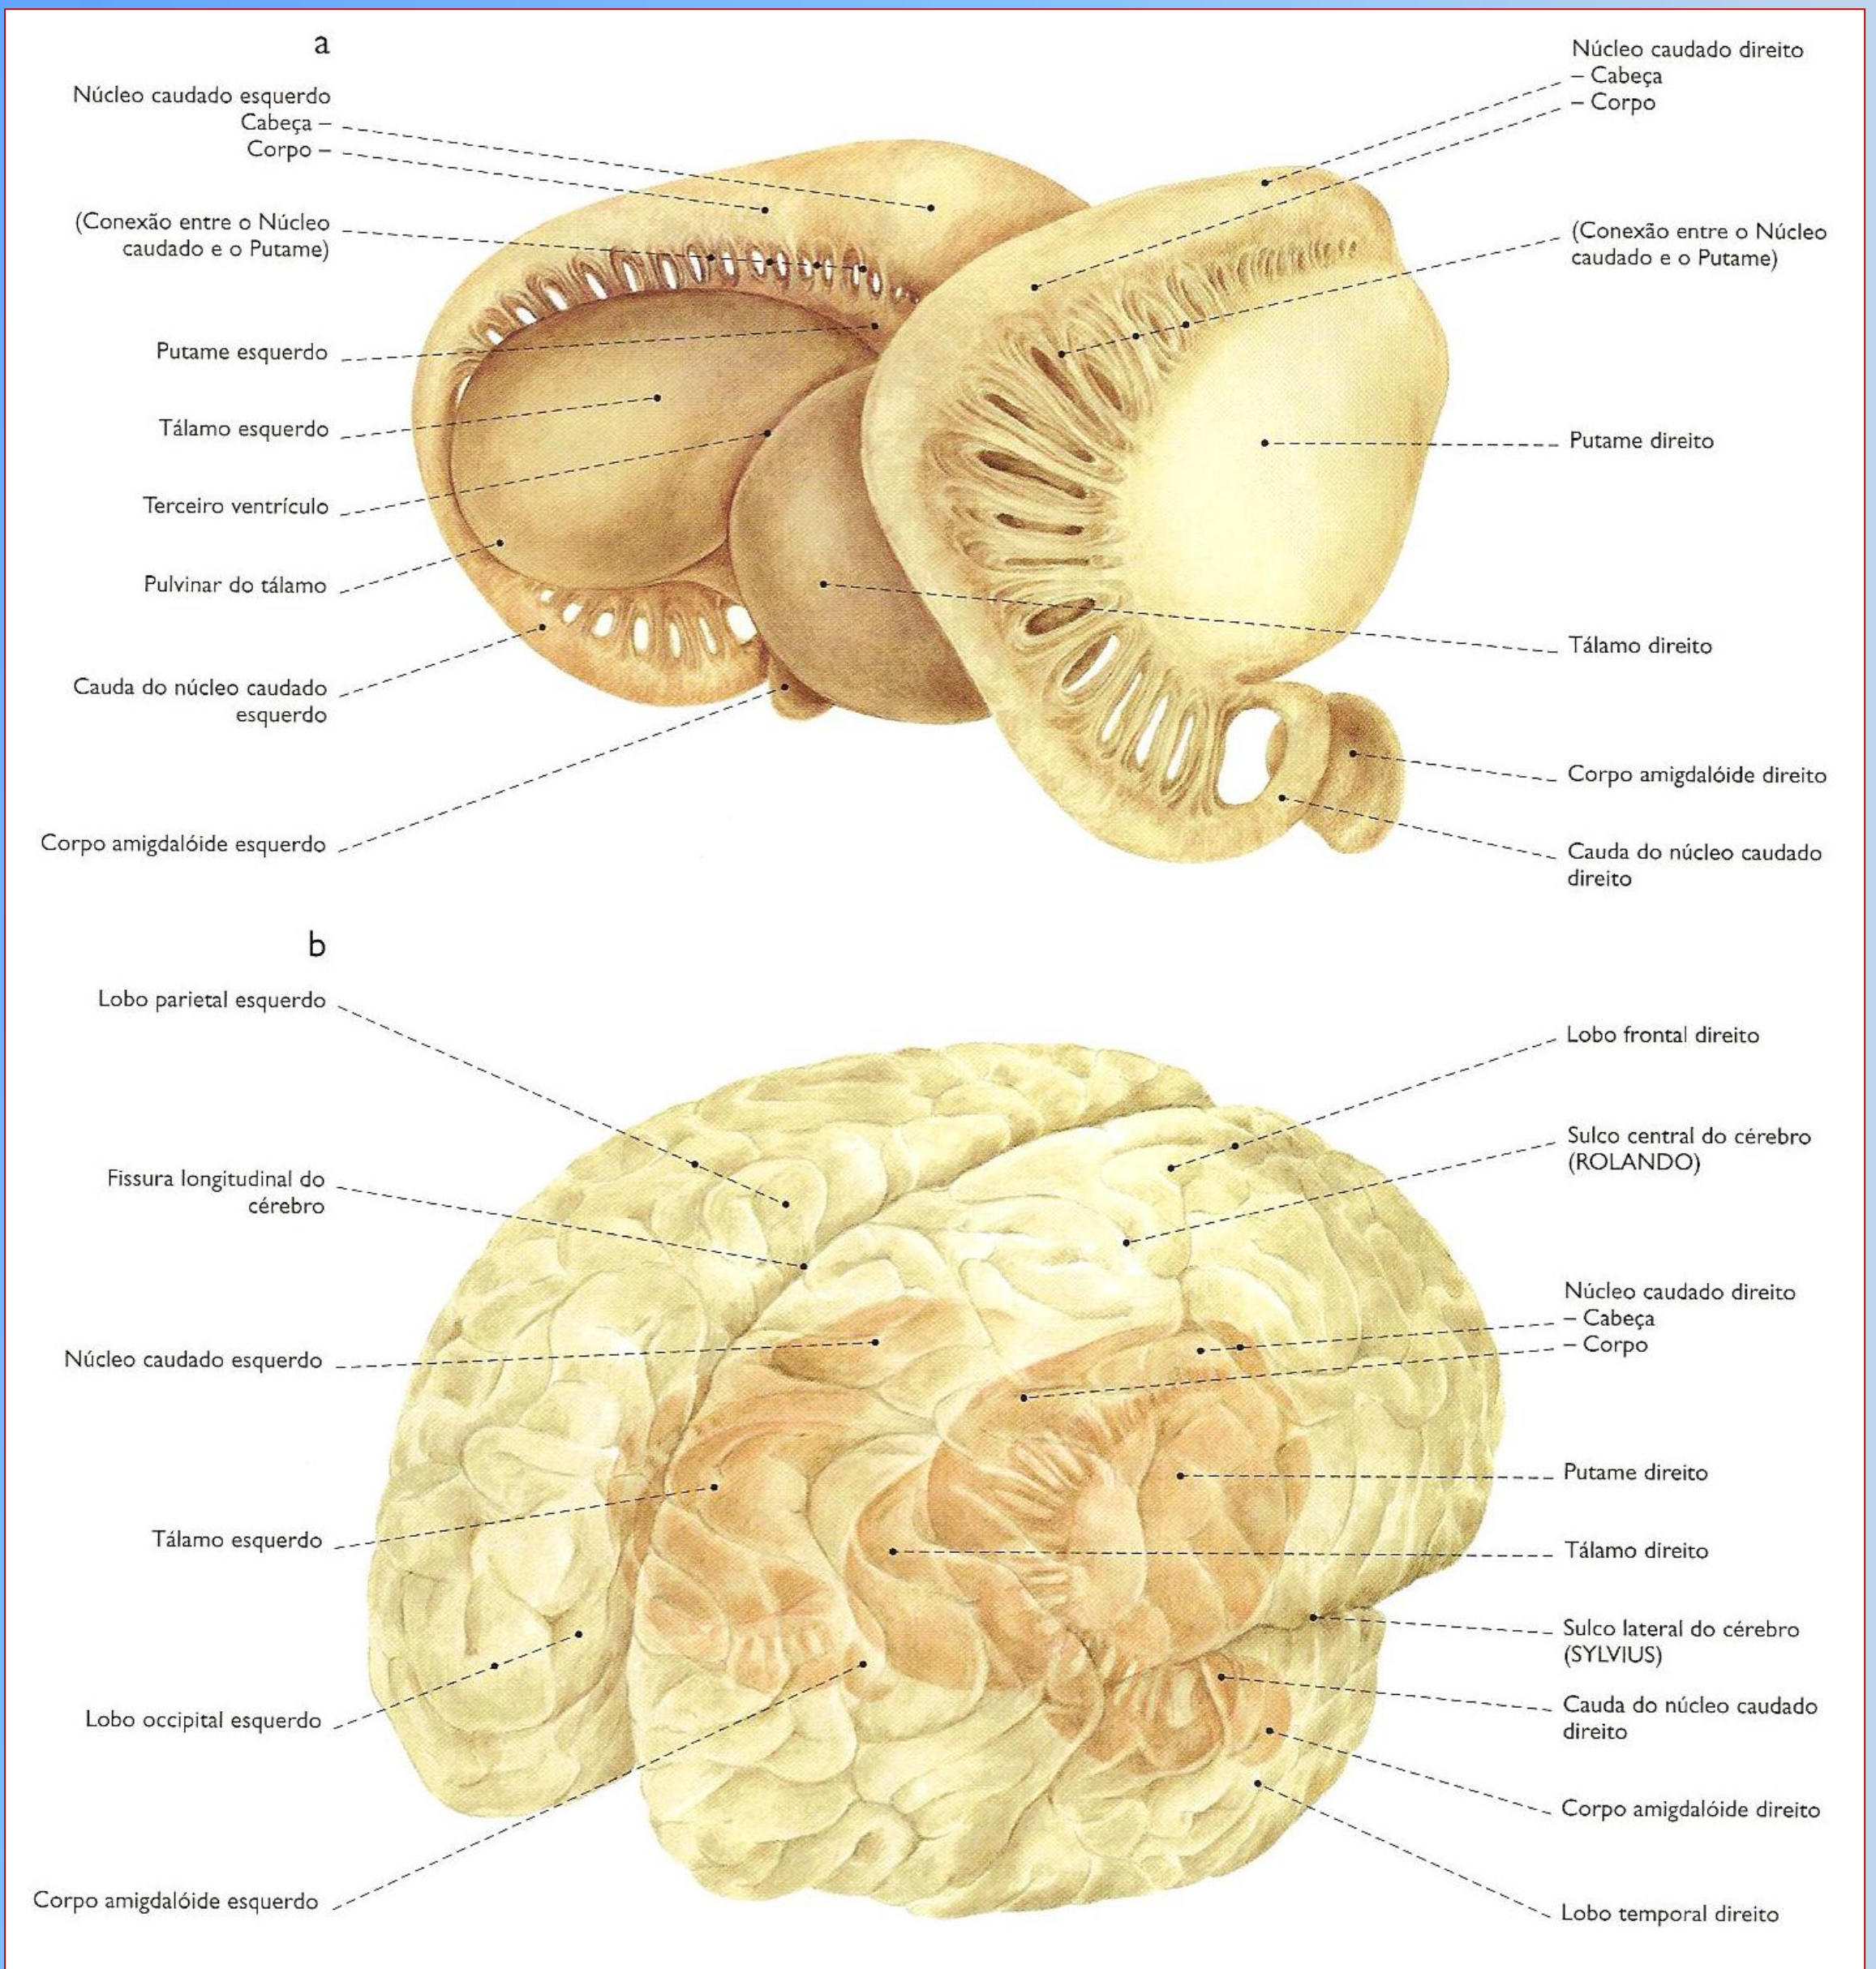

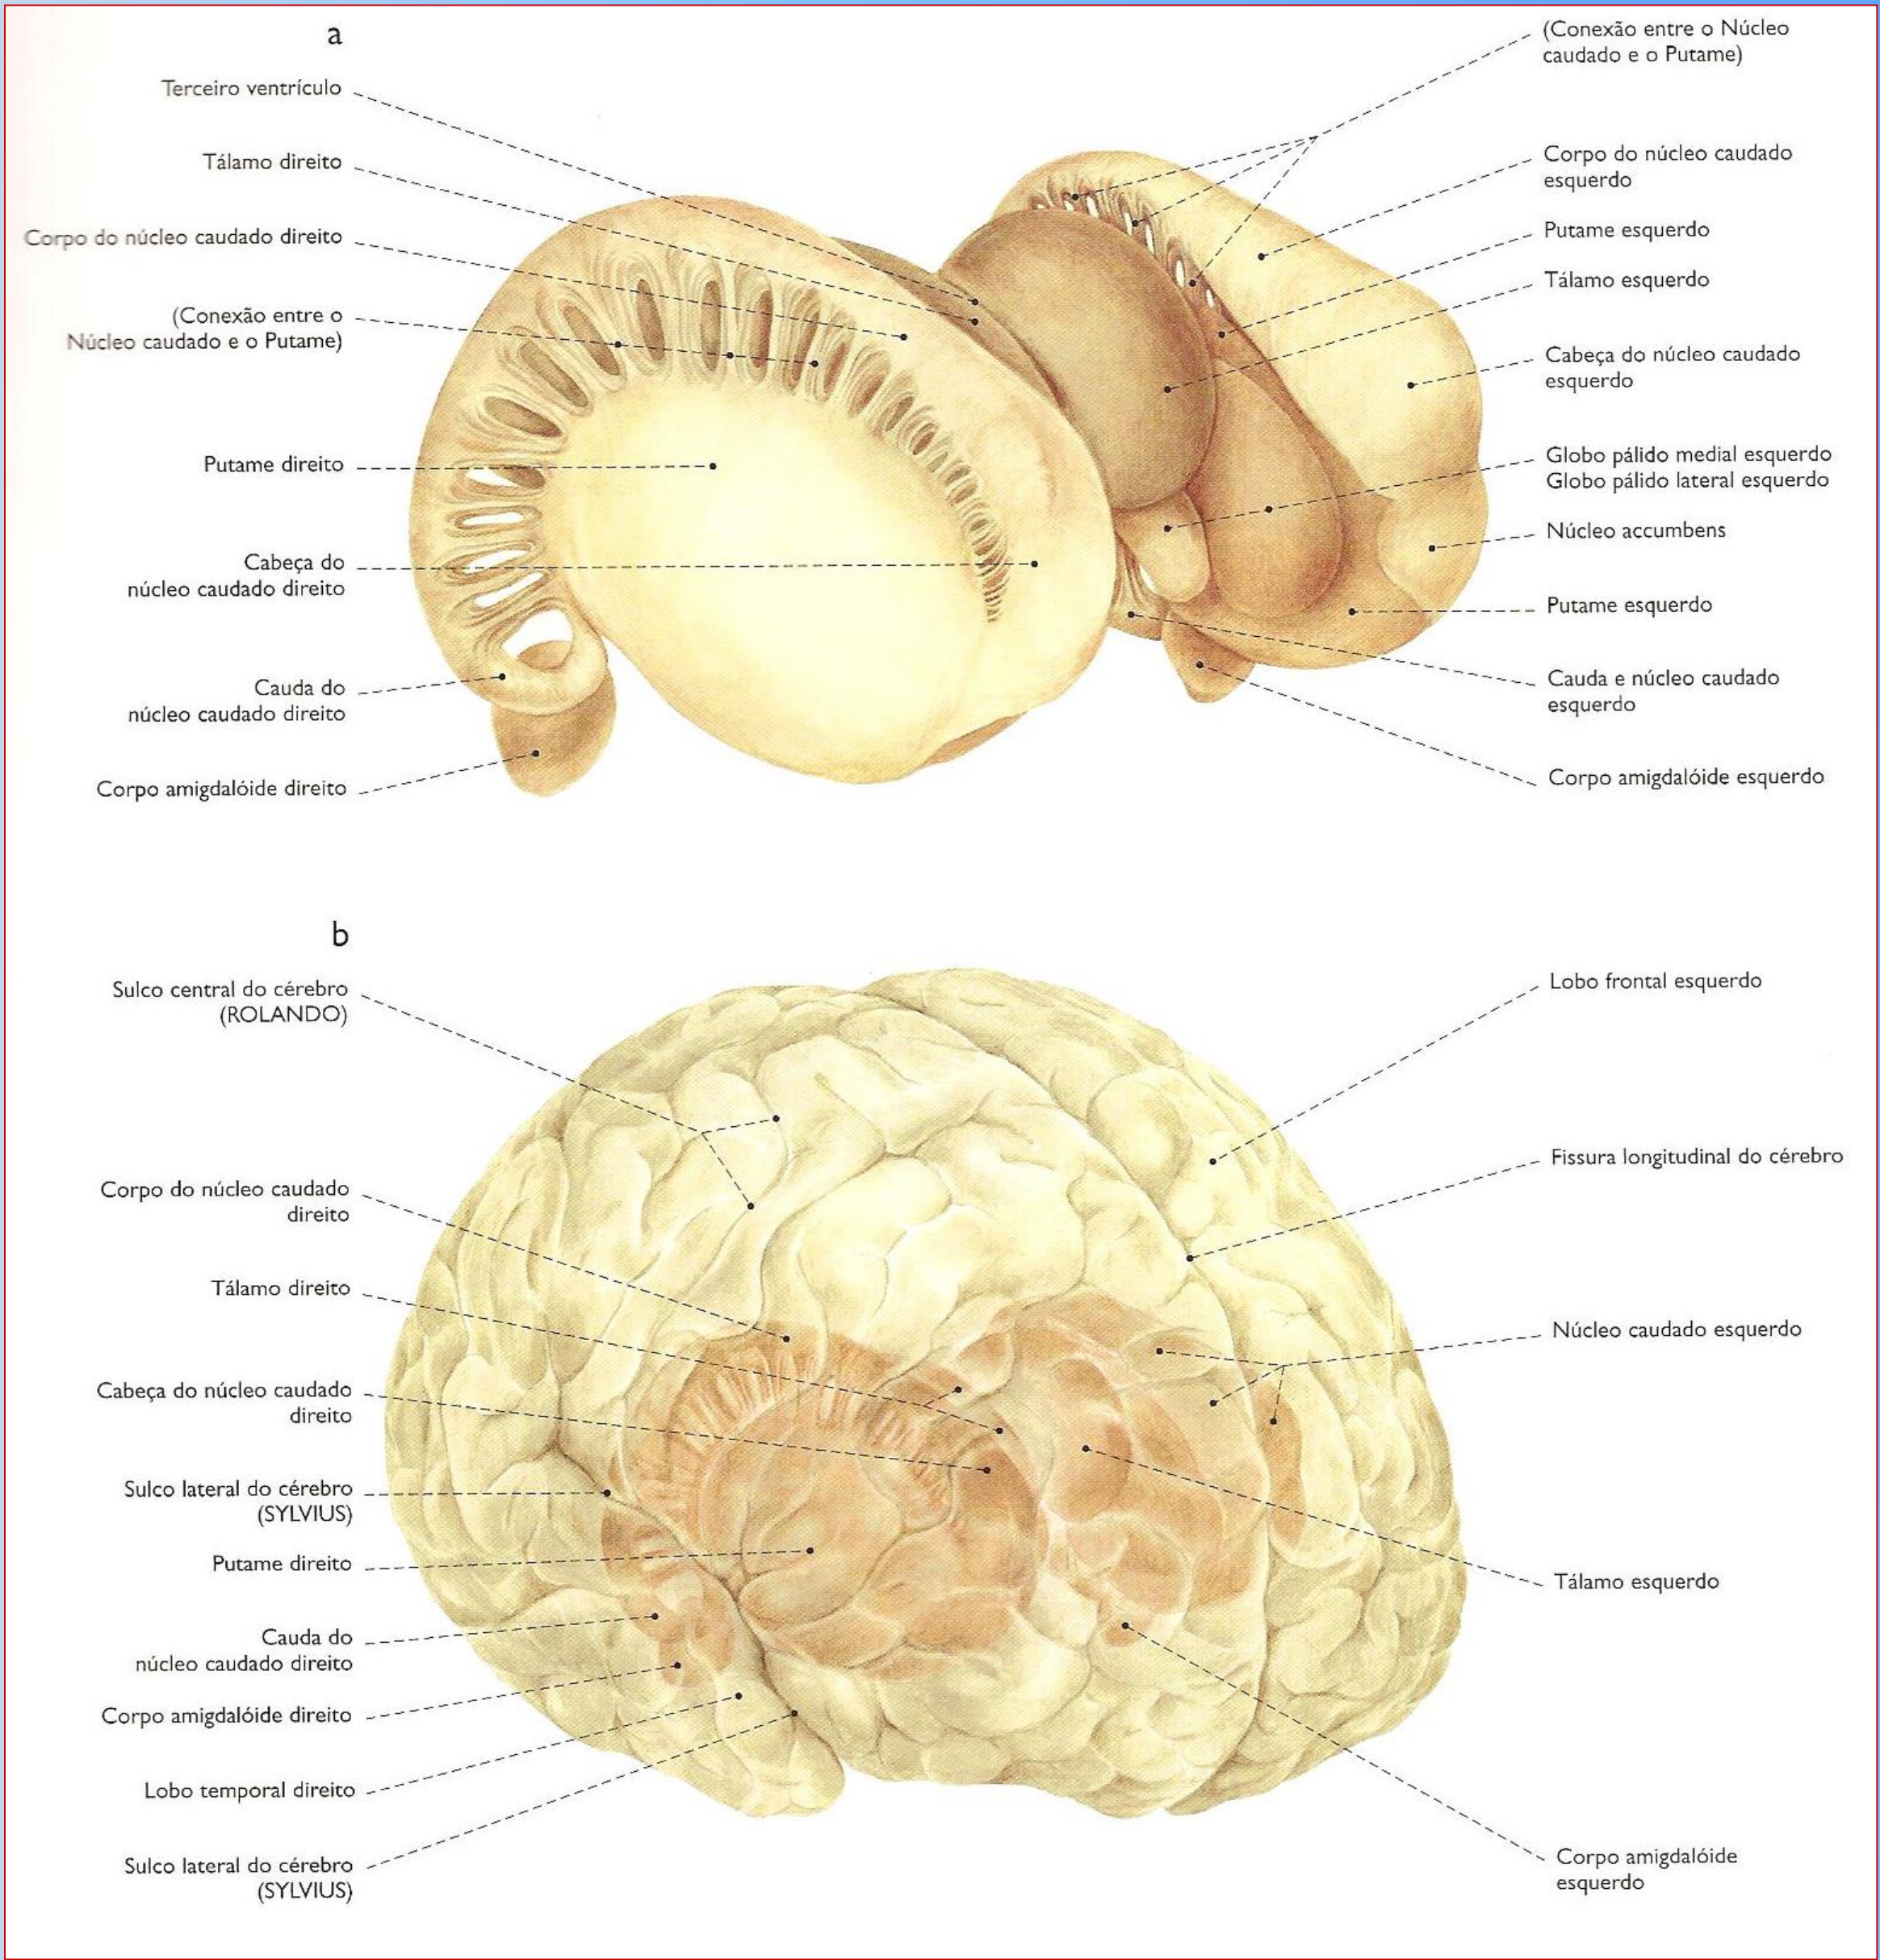

Cortes frontais de encéfalo

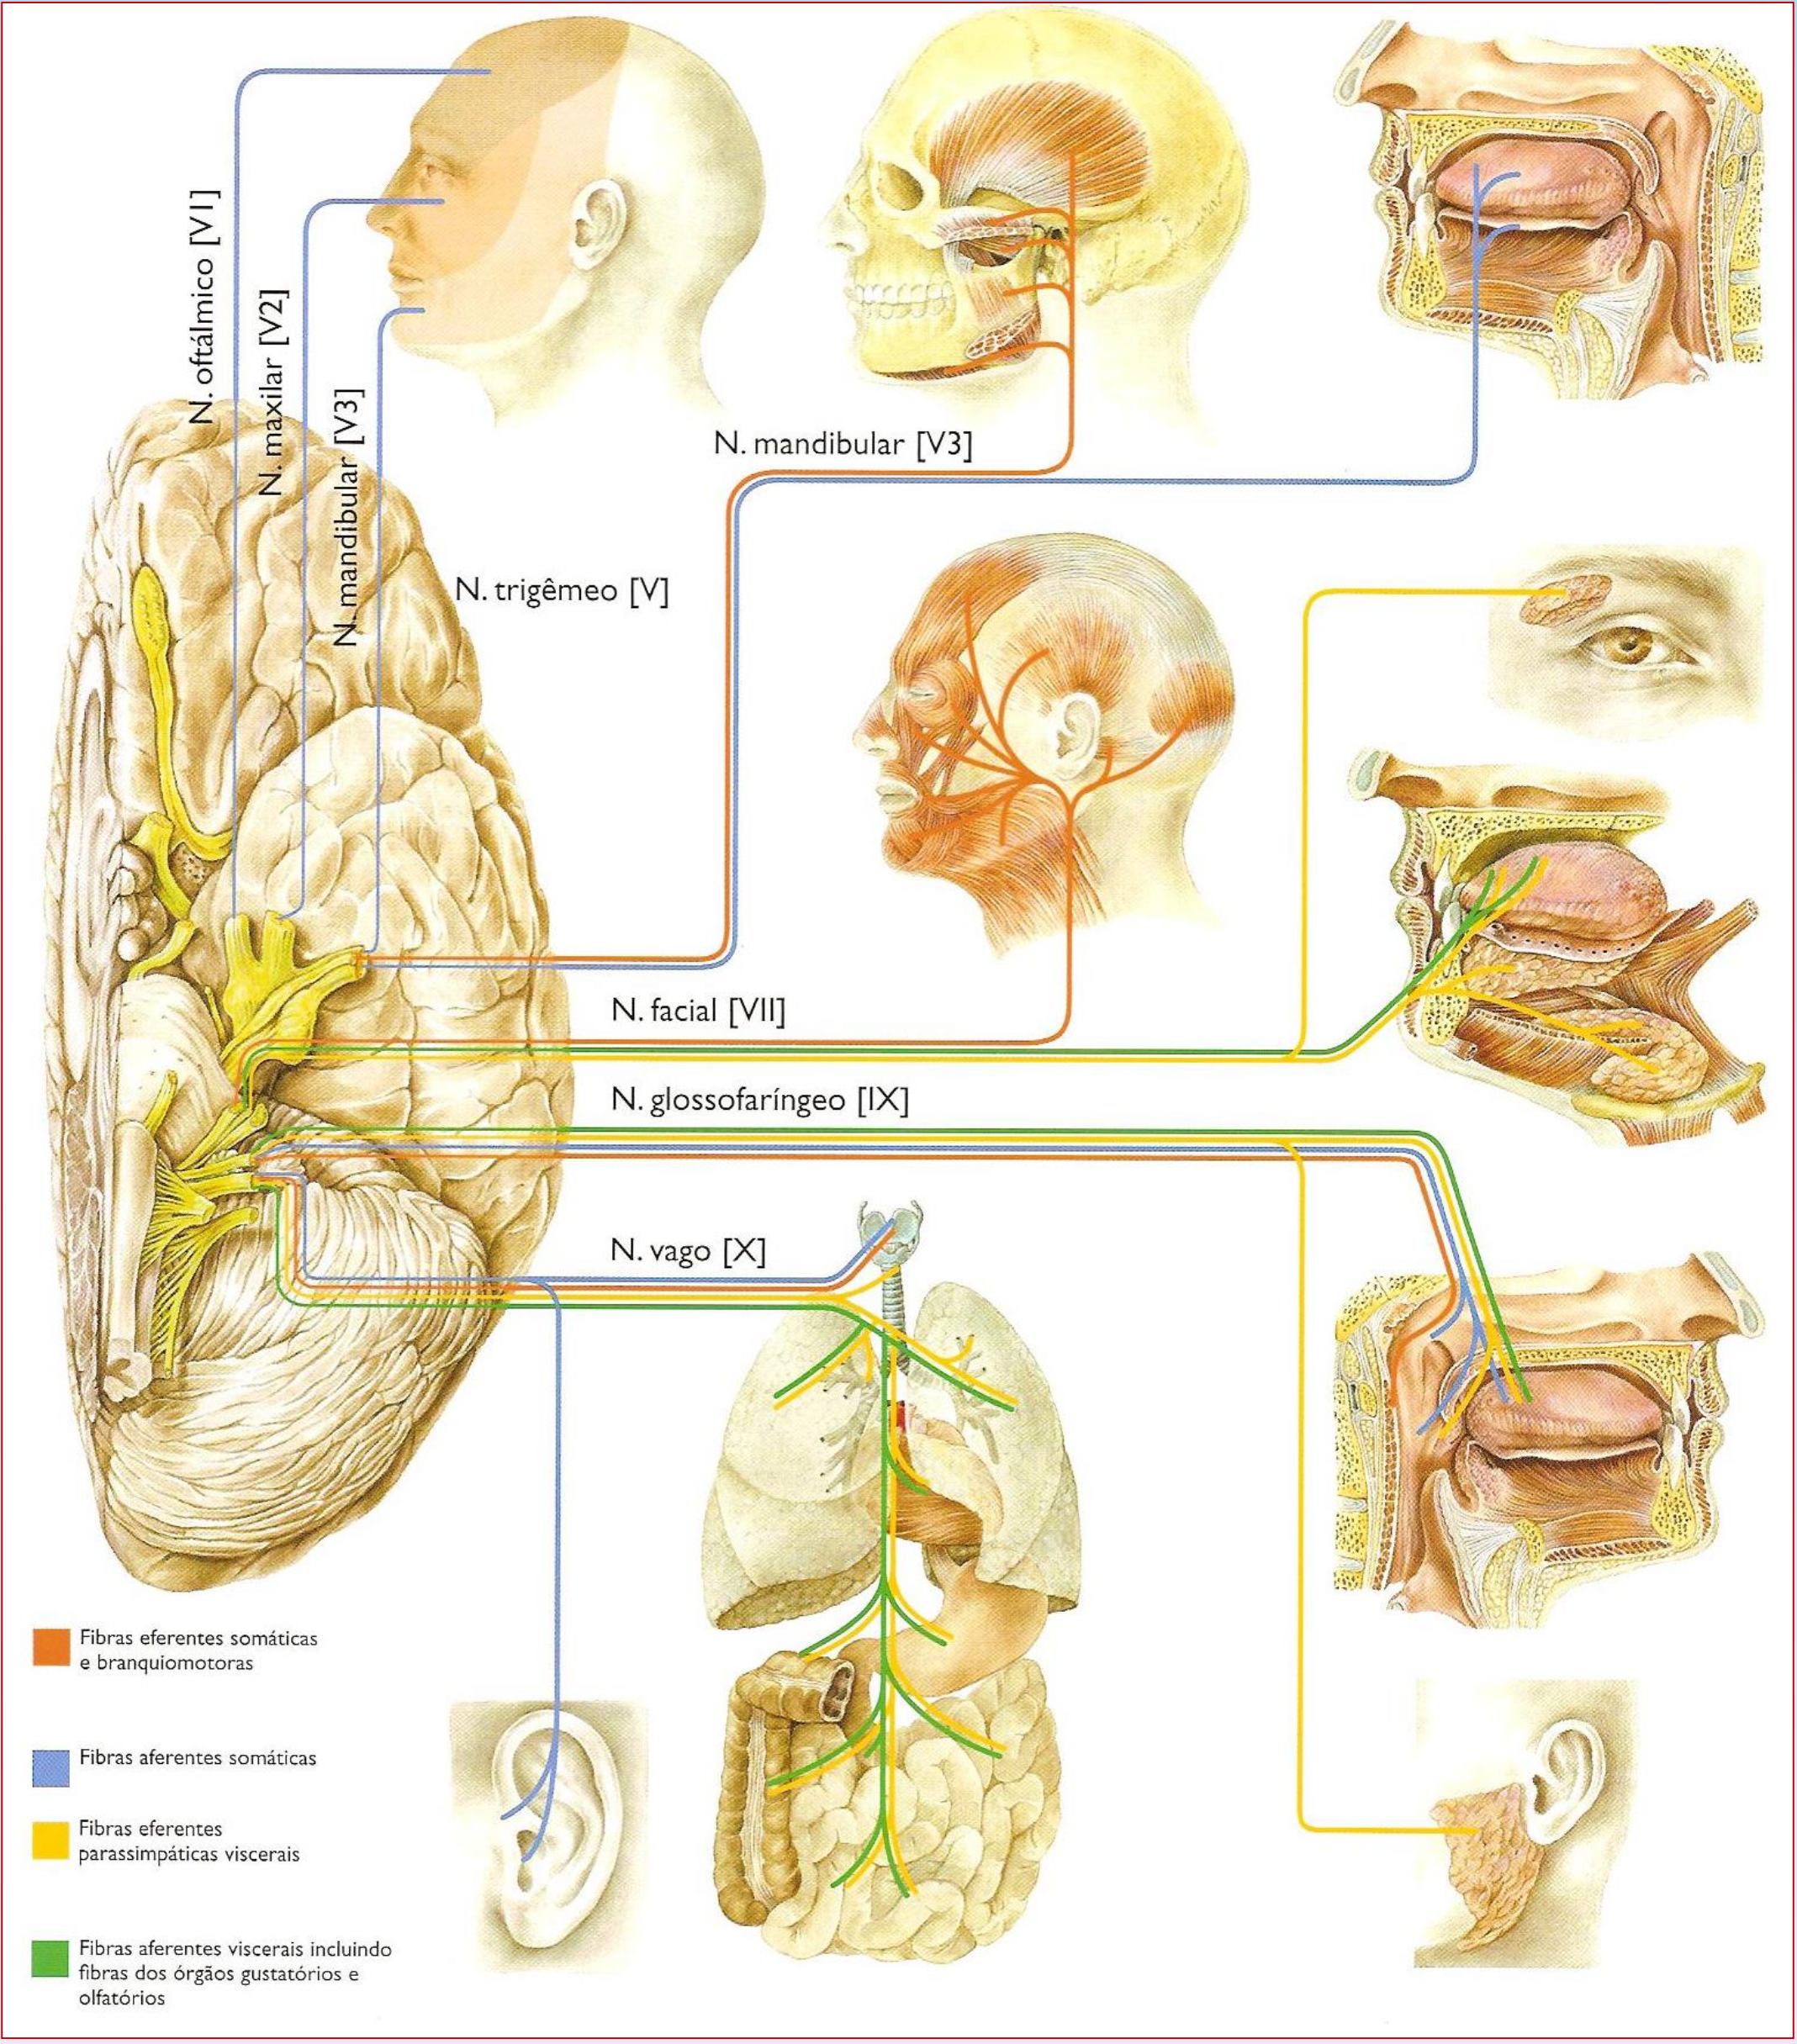

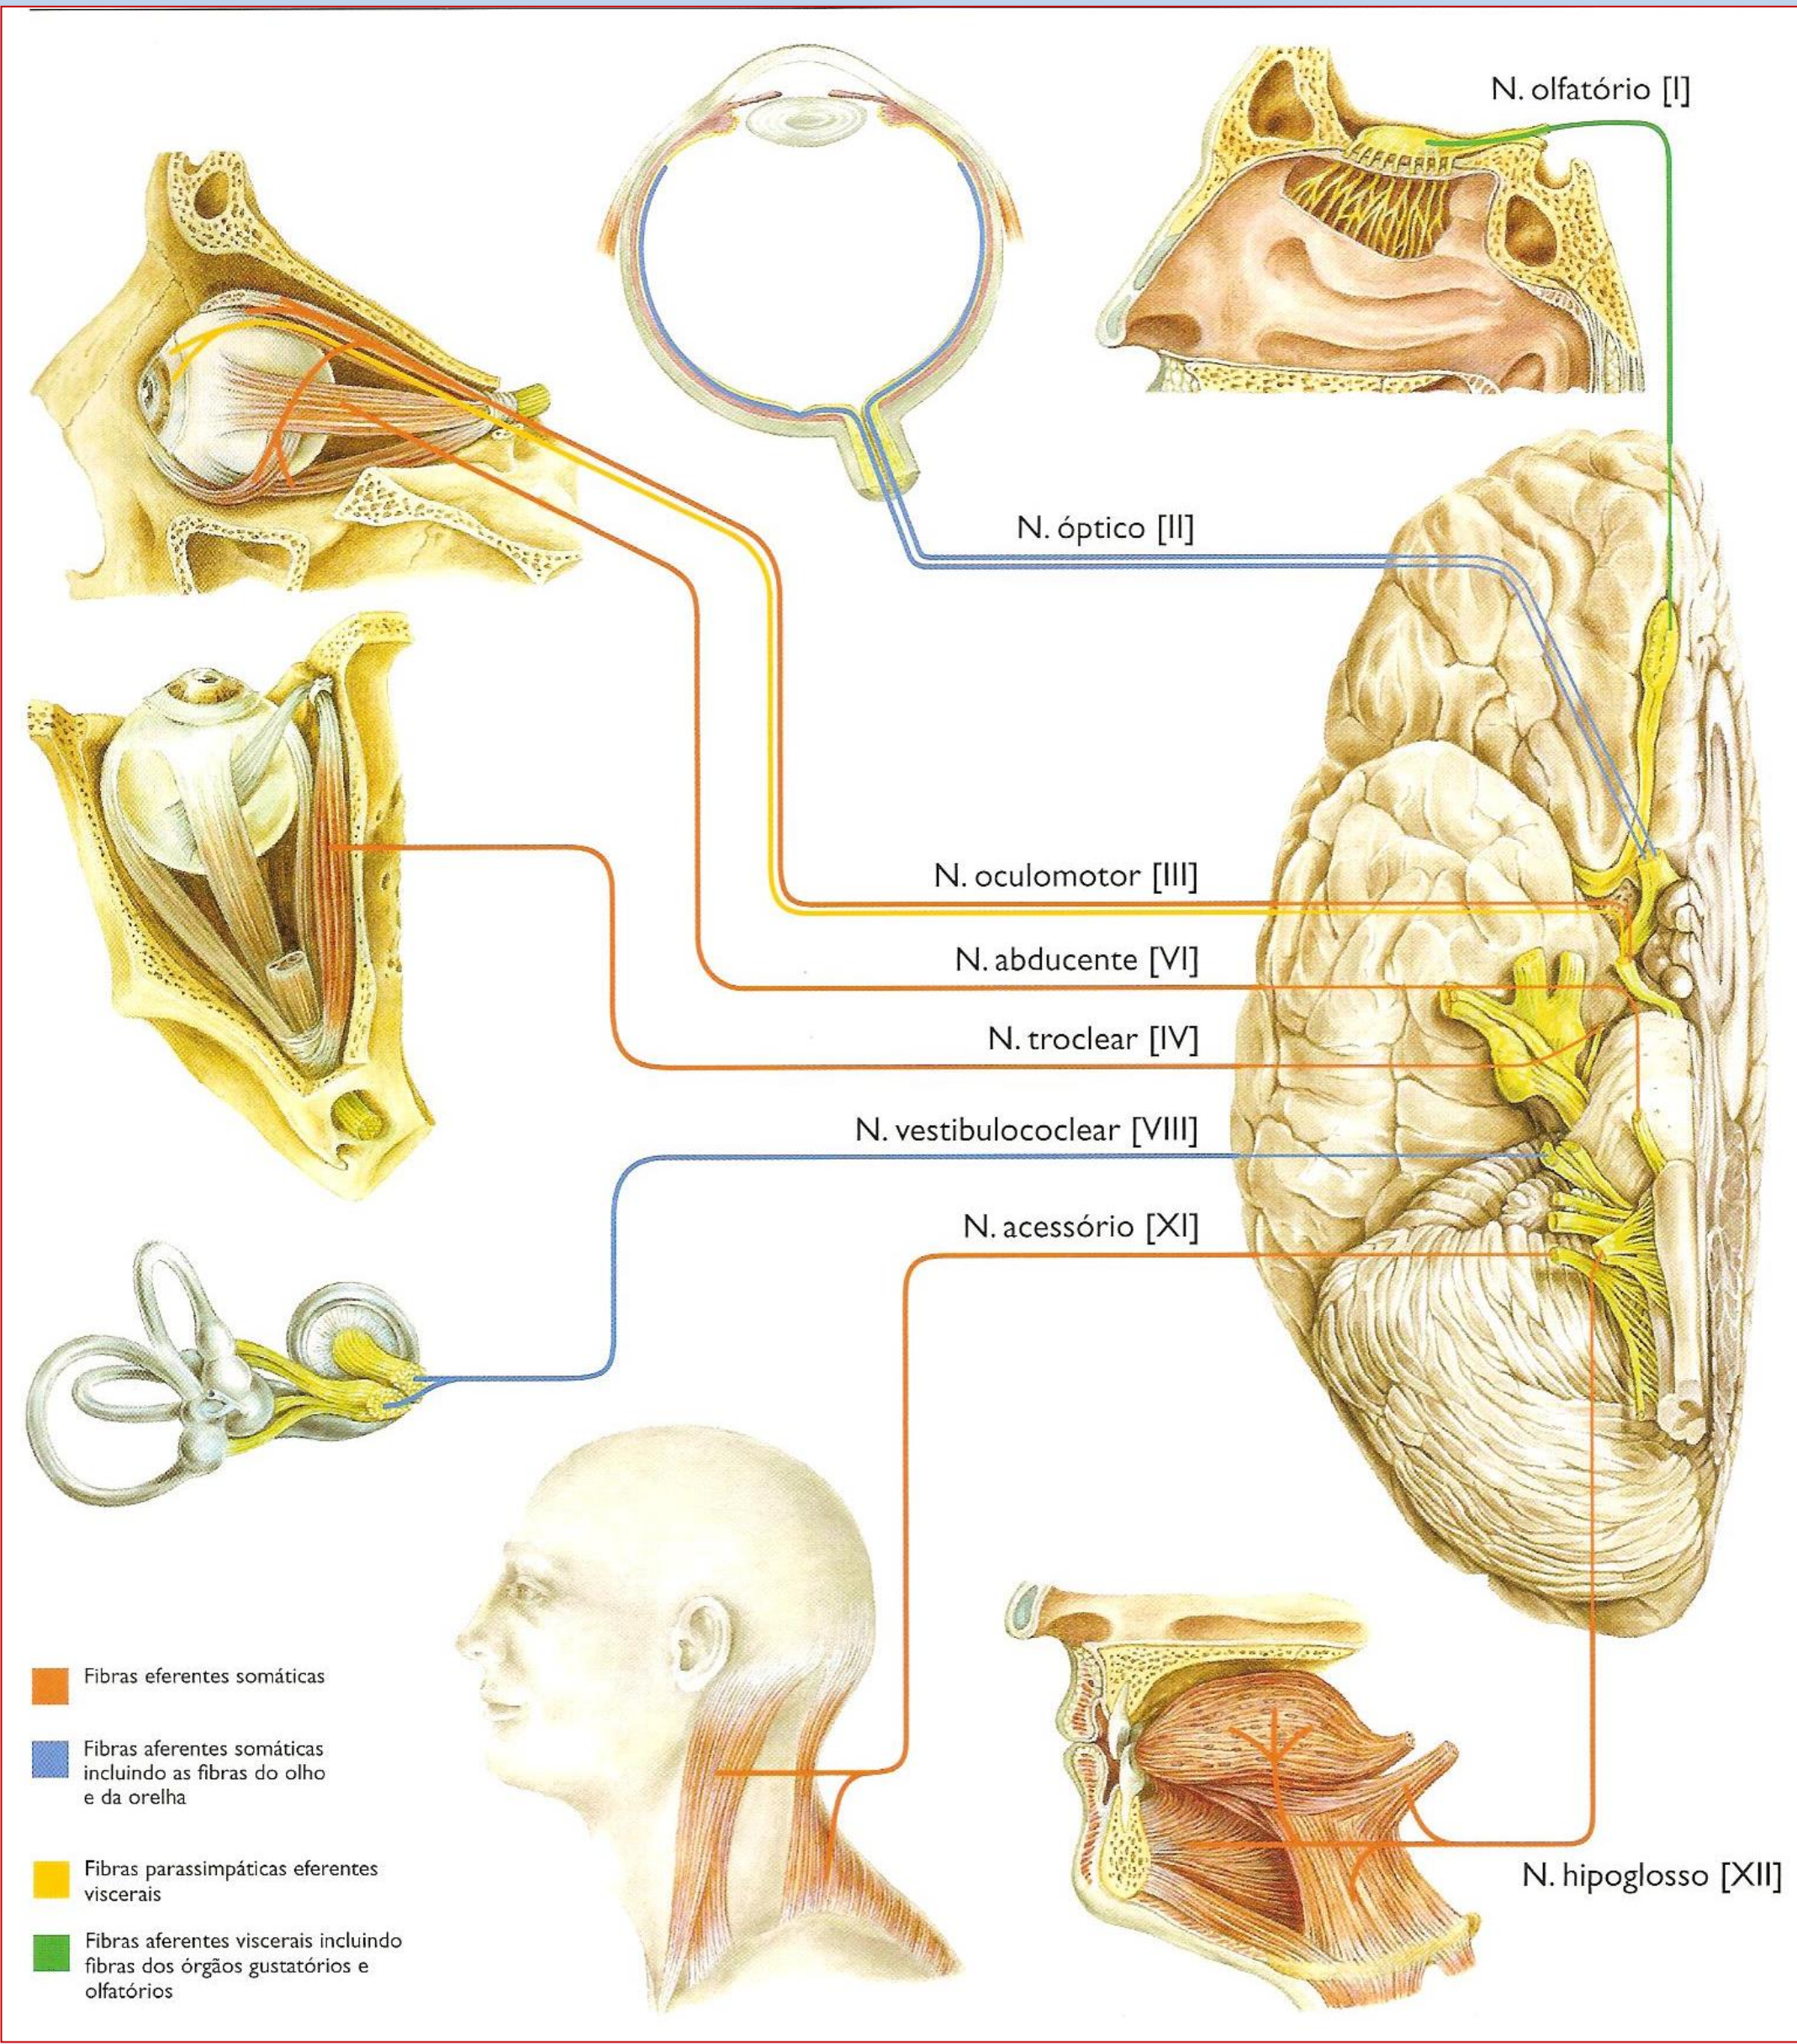

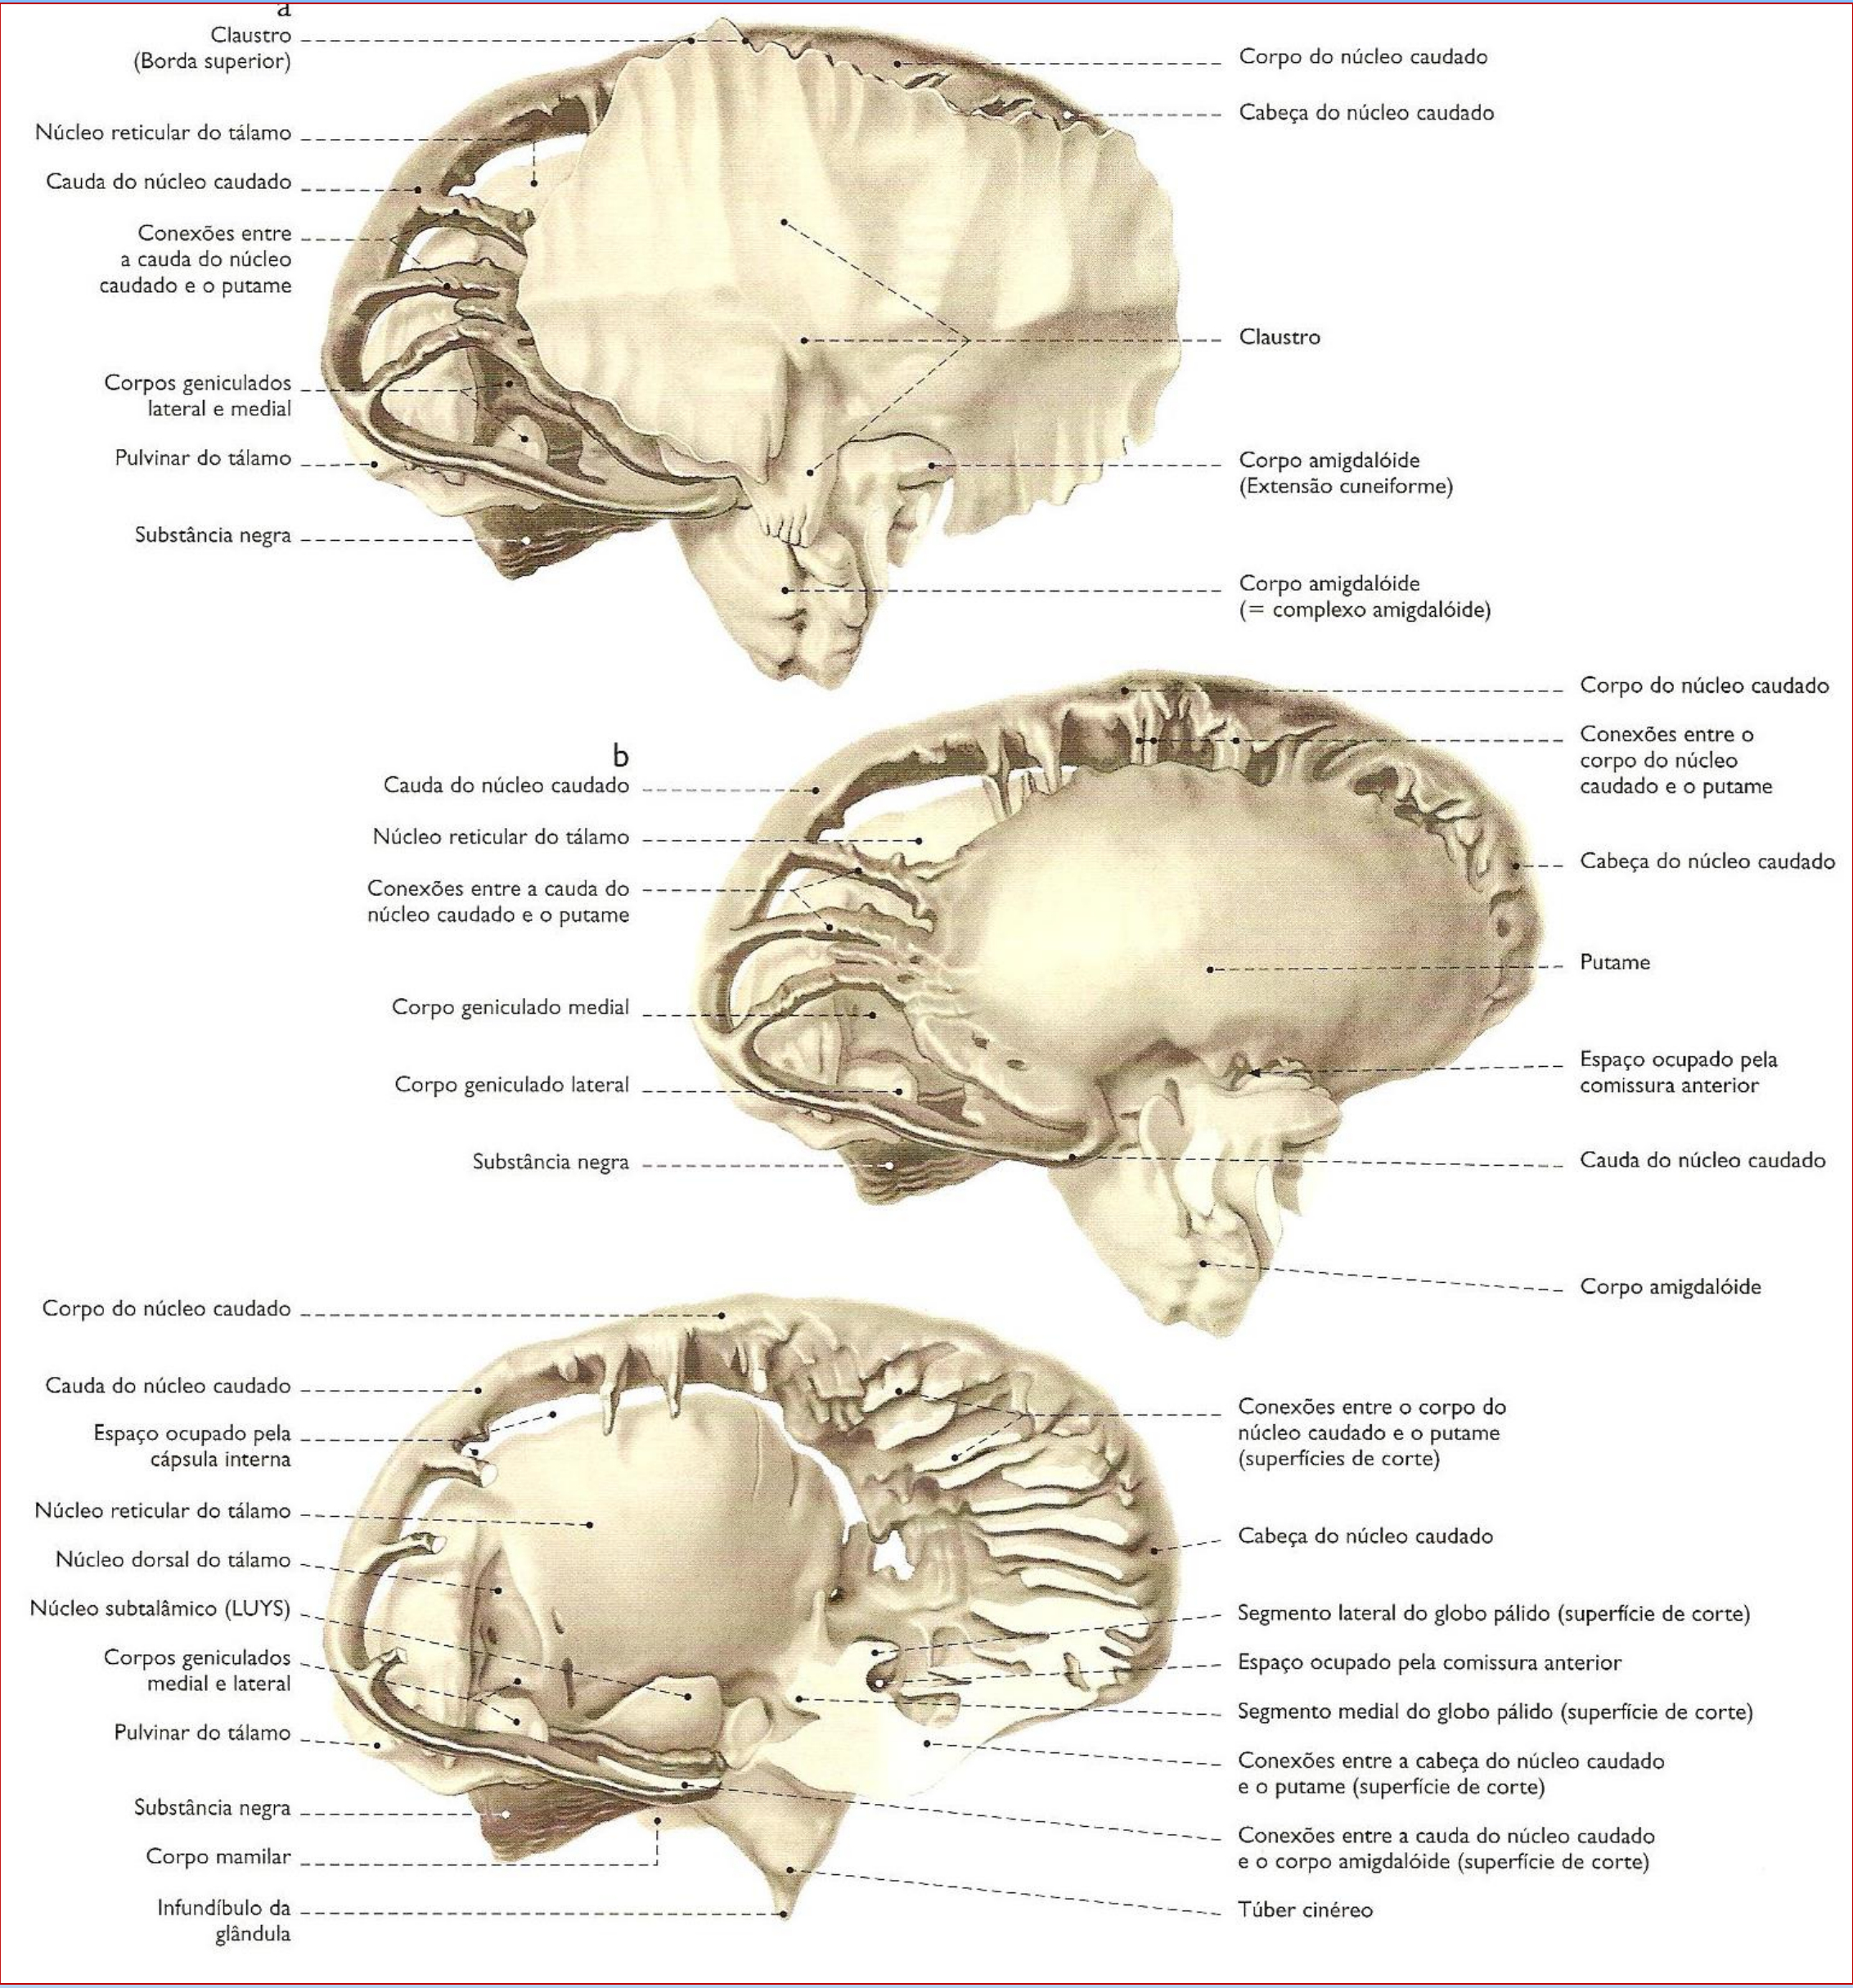

Cortes horizontais de encéfalo

Telencéfalo e diencéfalo

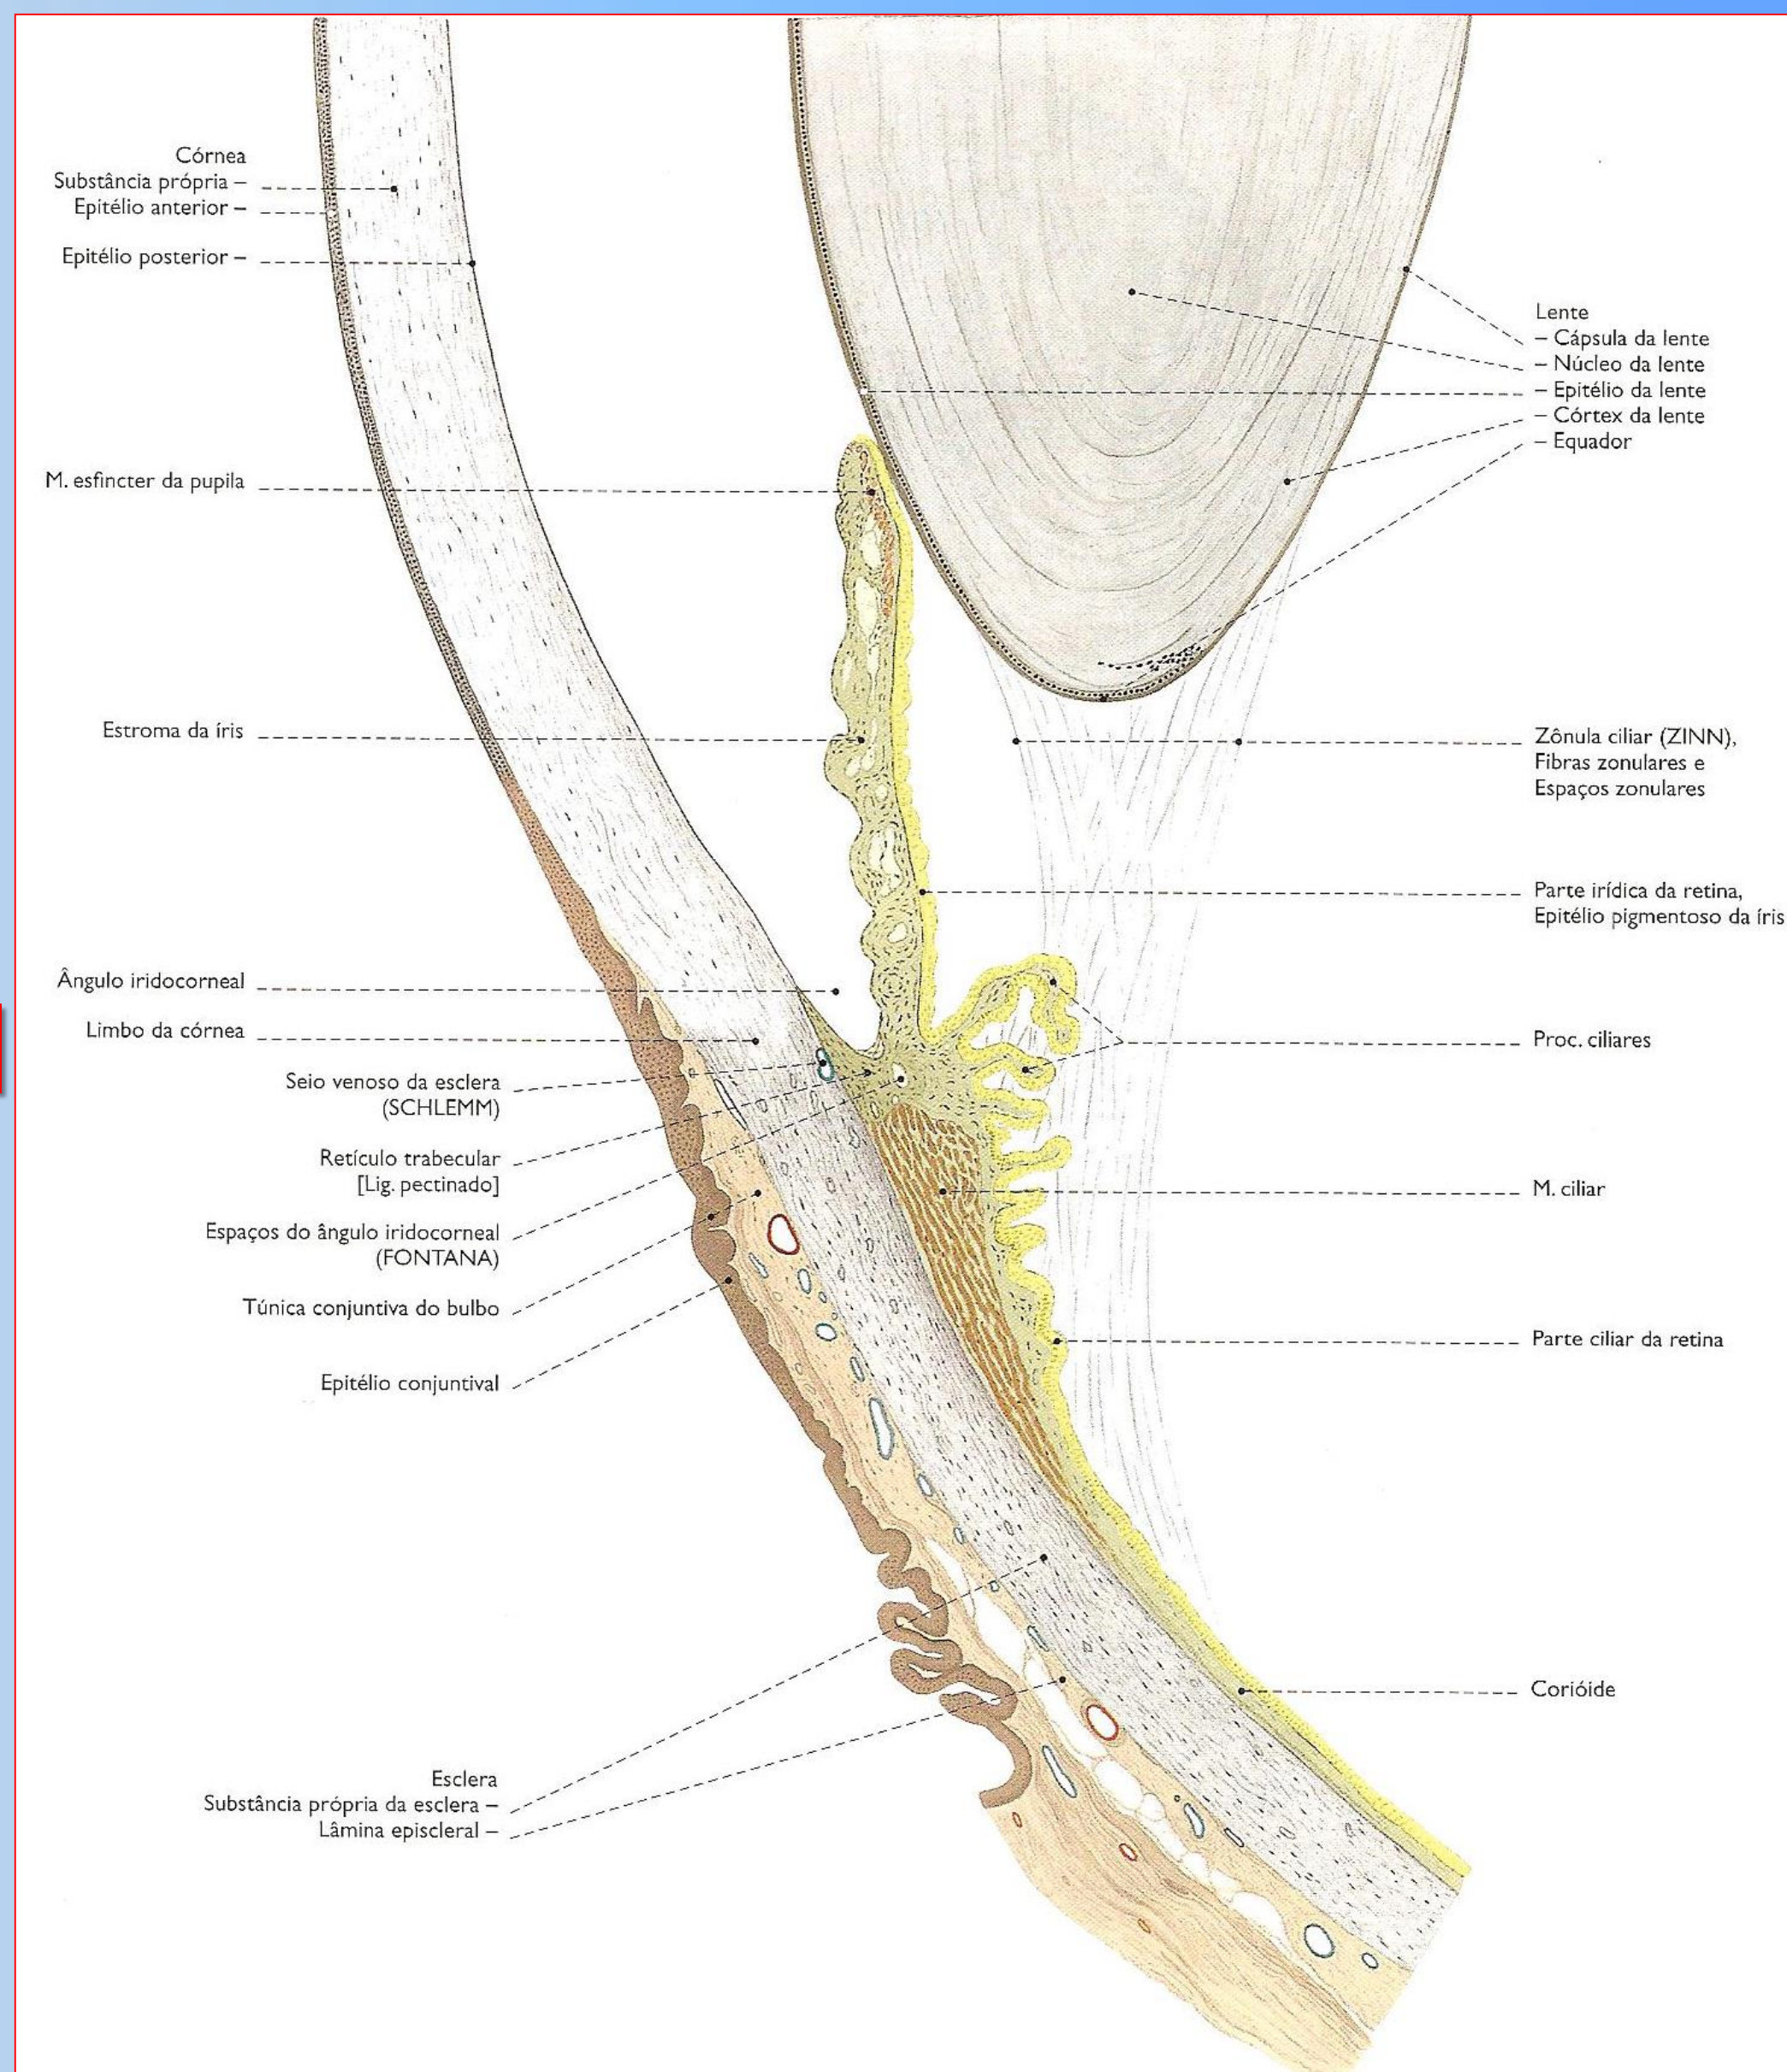

Núcleos da base e tálamo

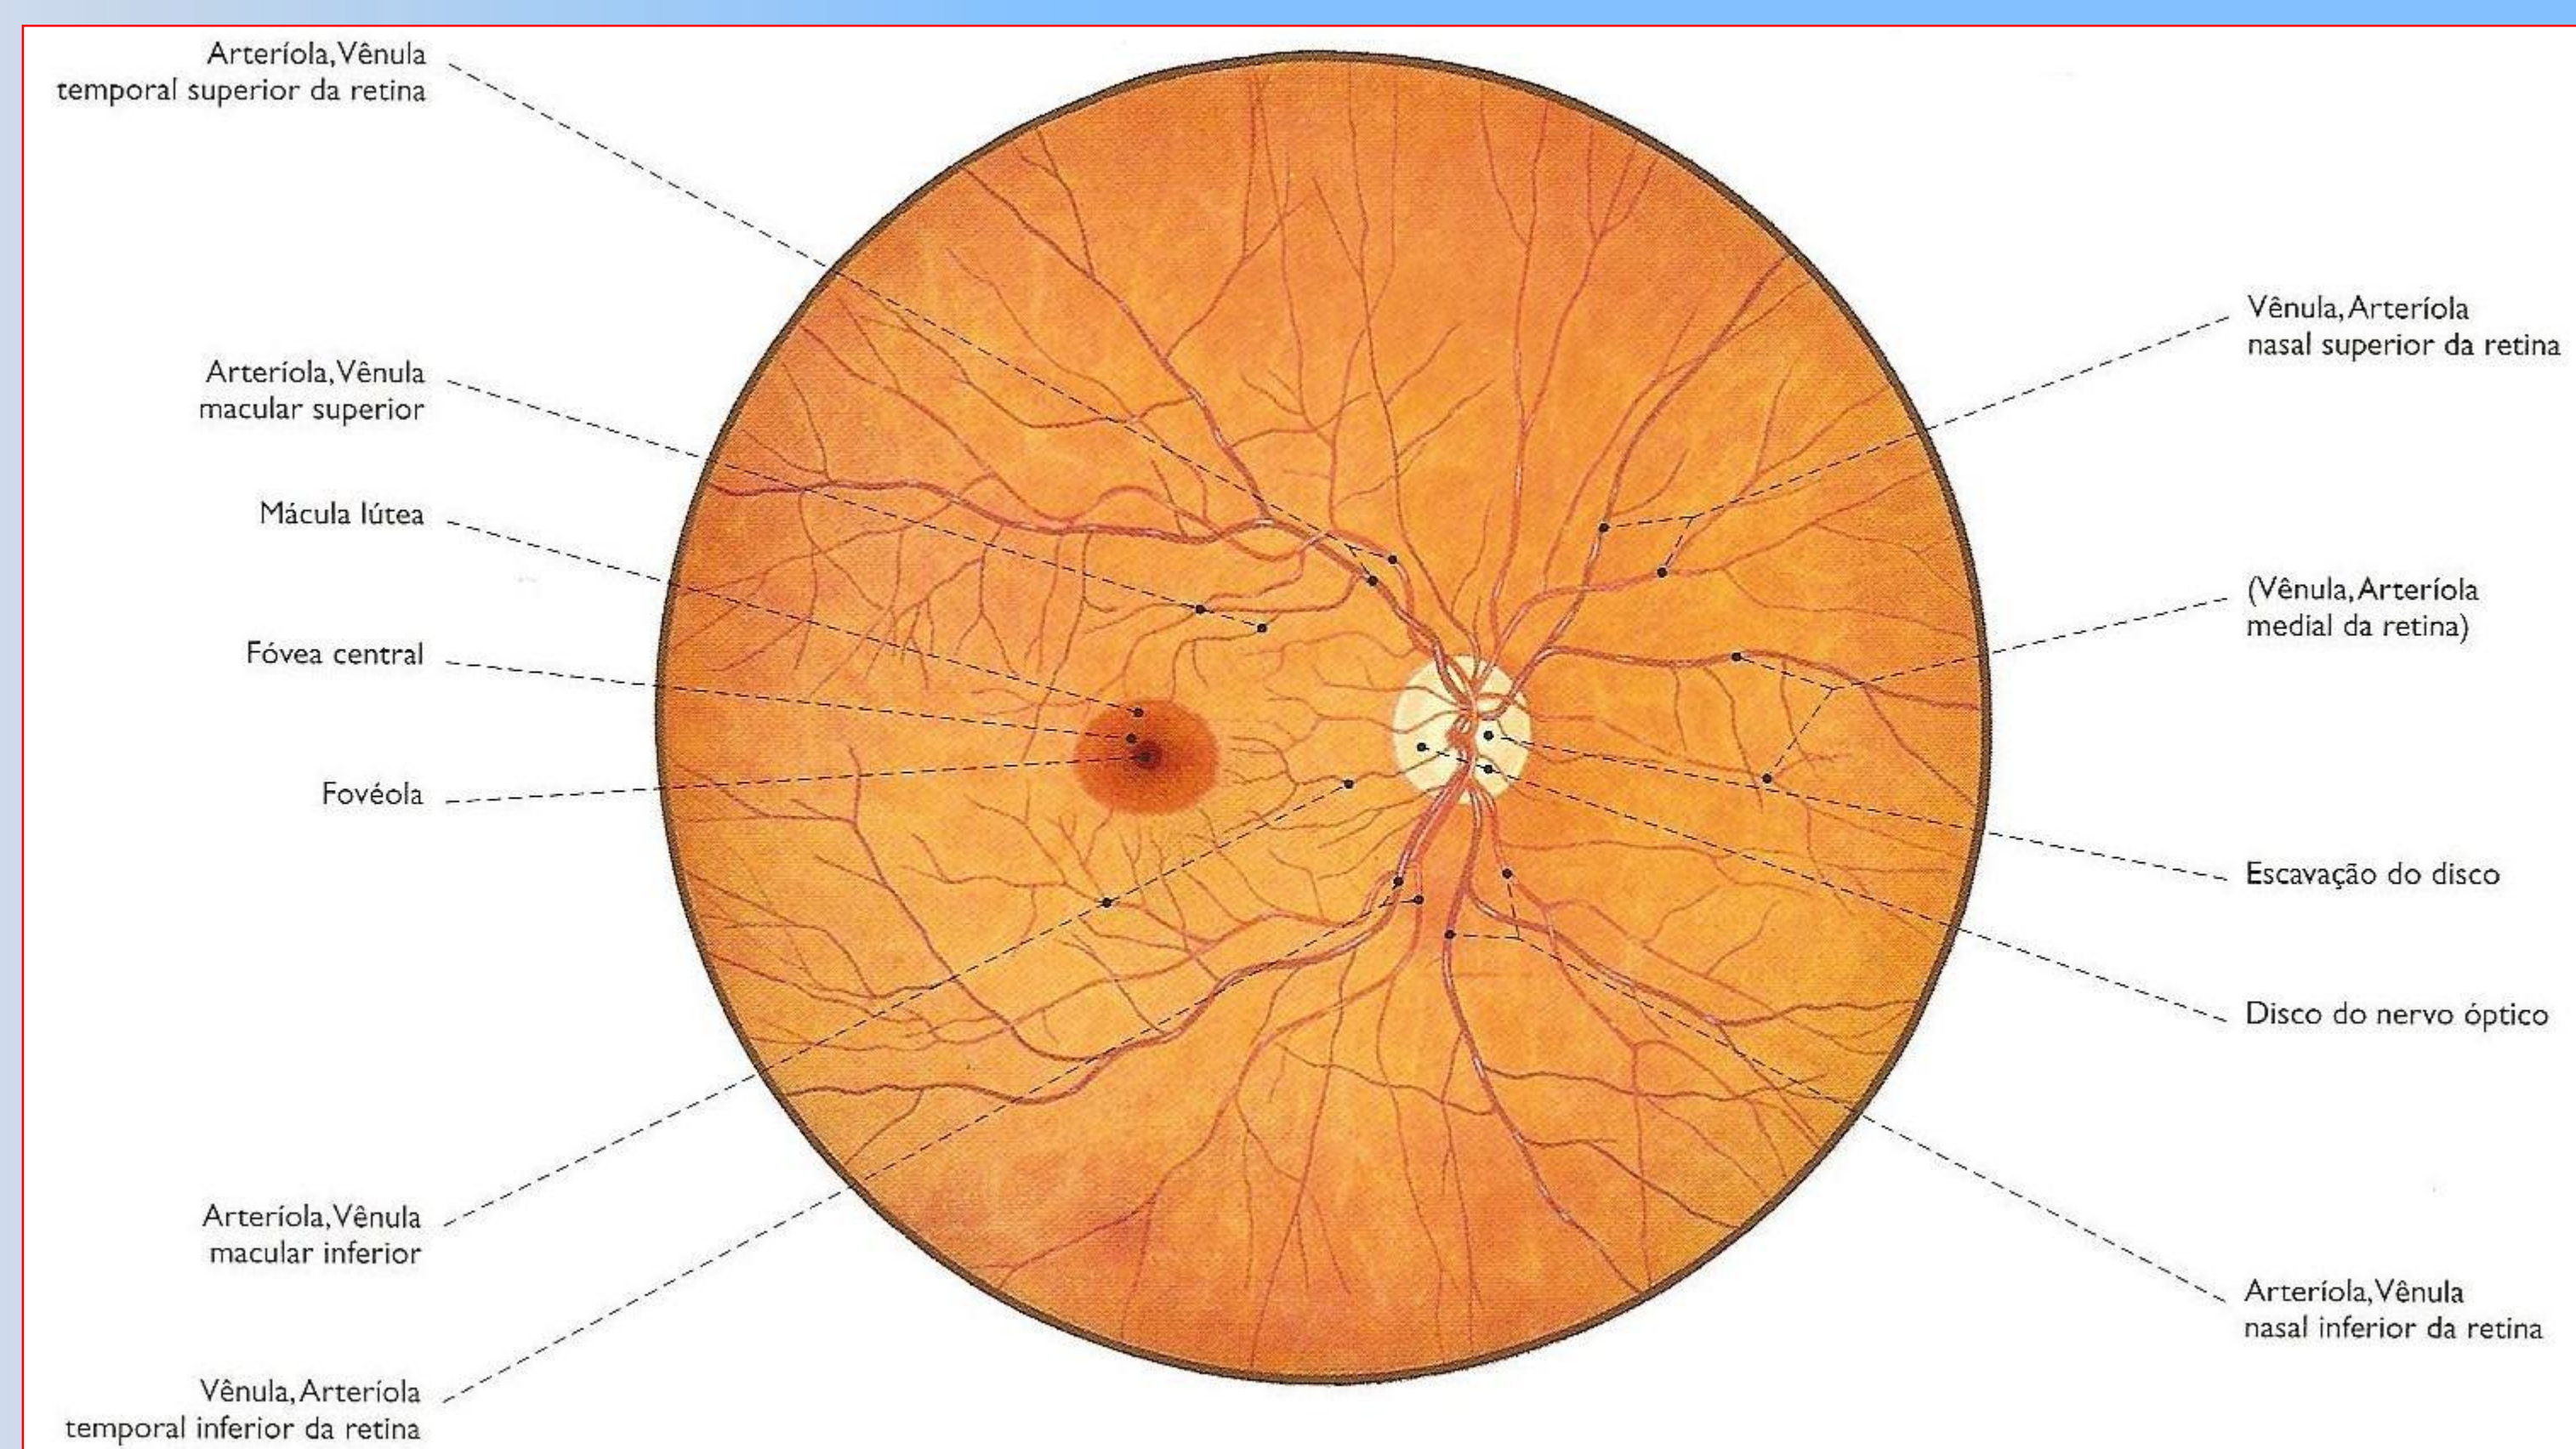

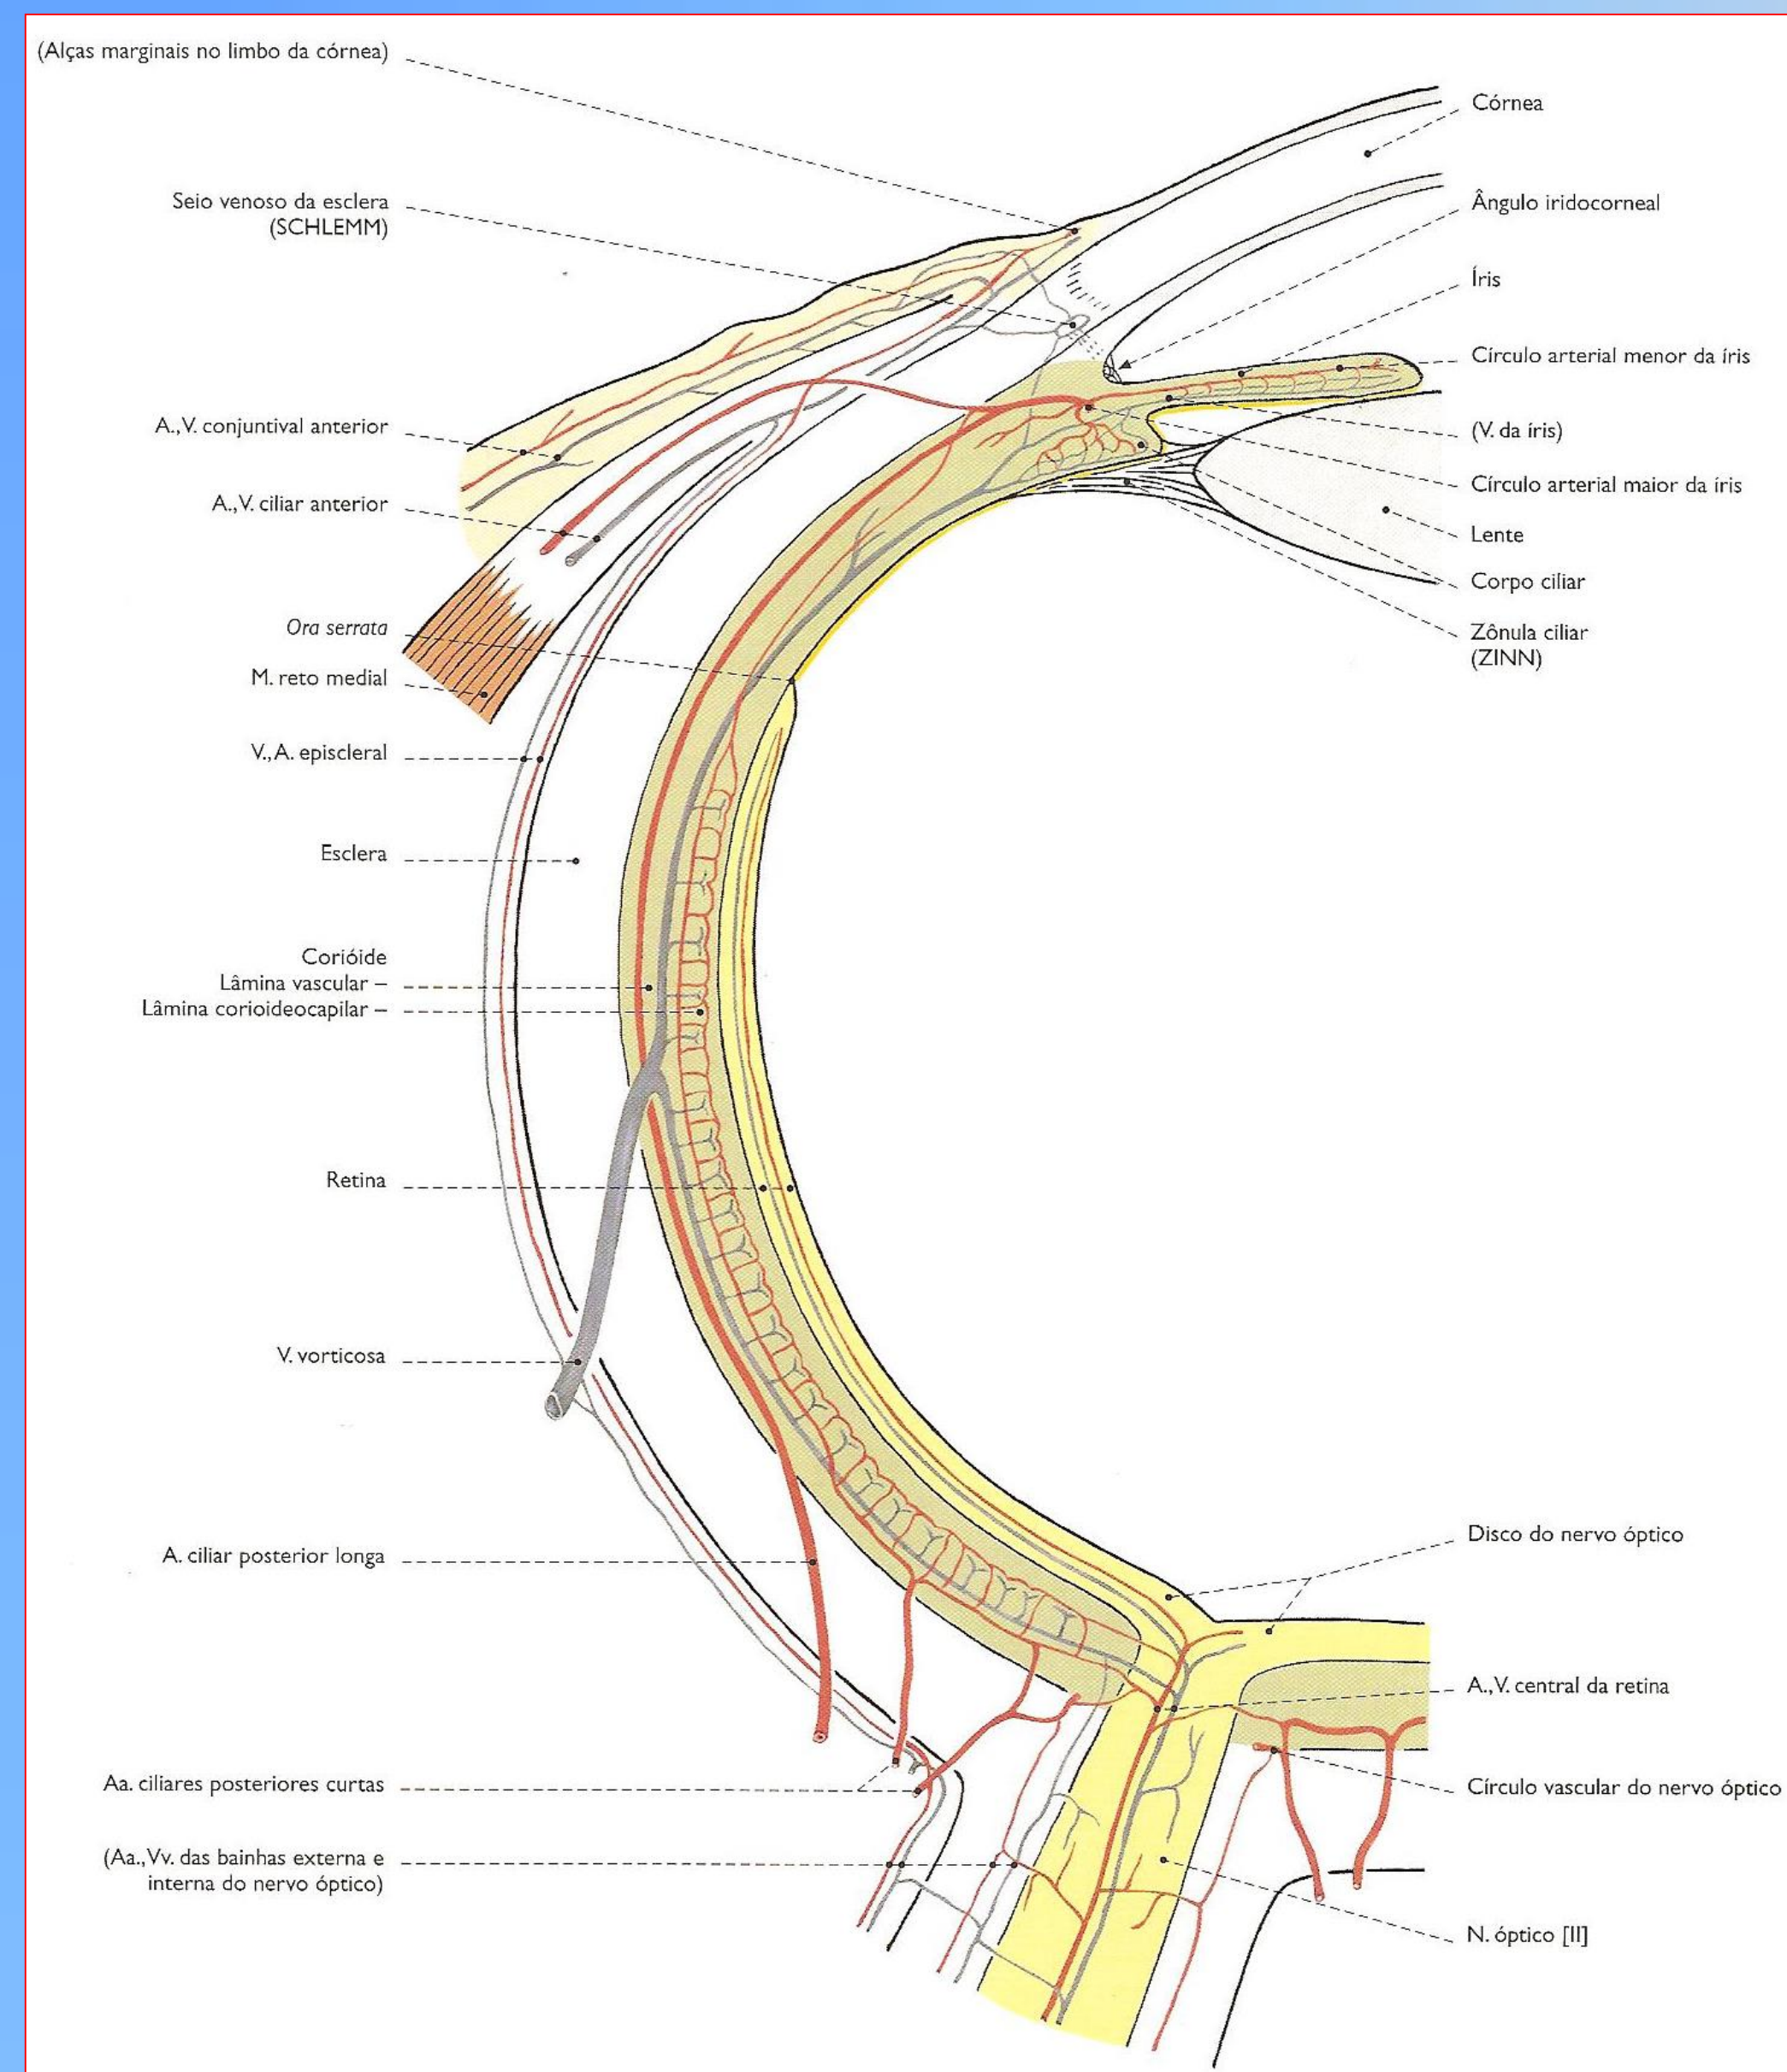

Nervos cranianos

Sistema visual

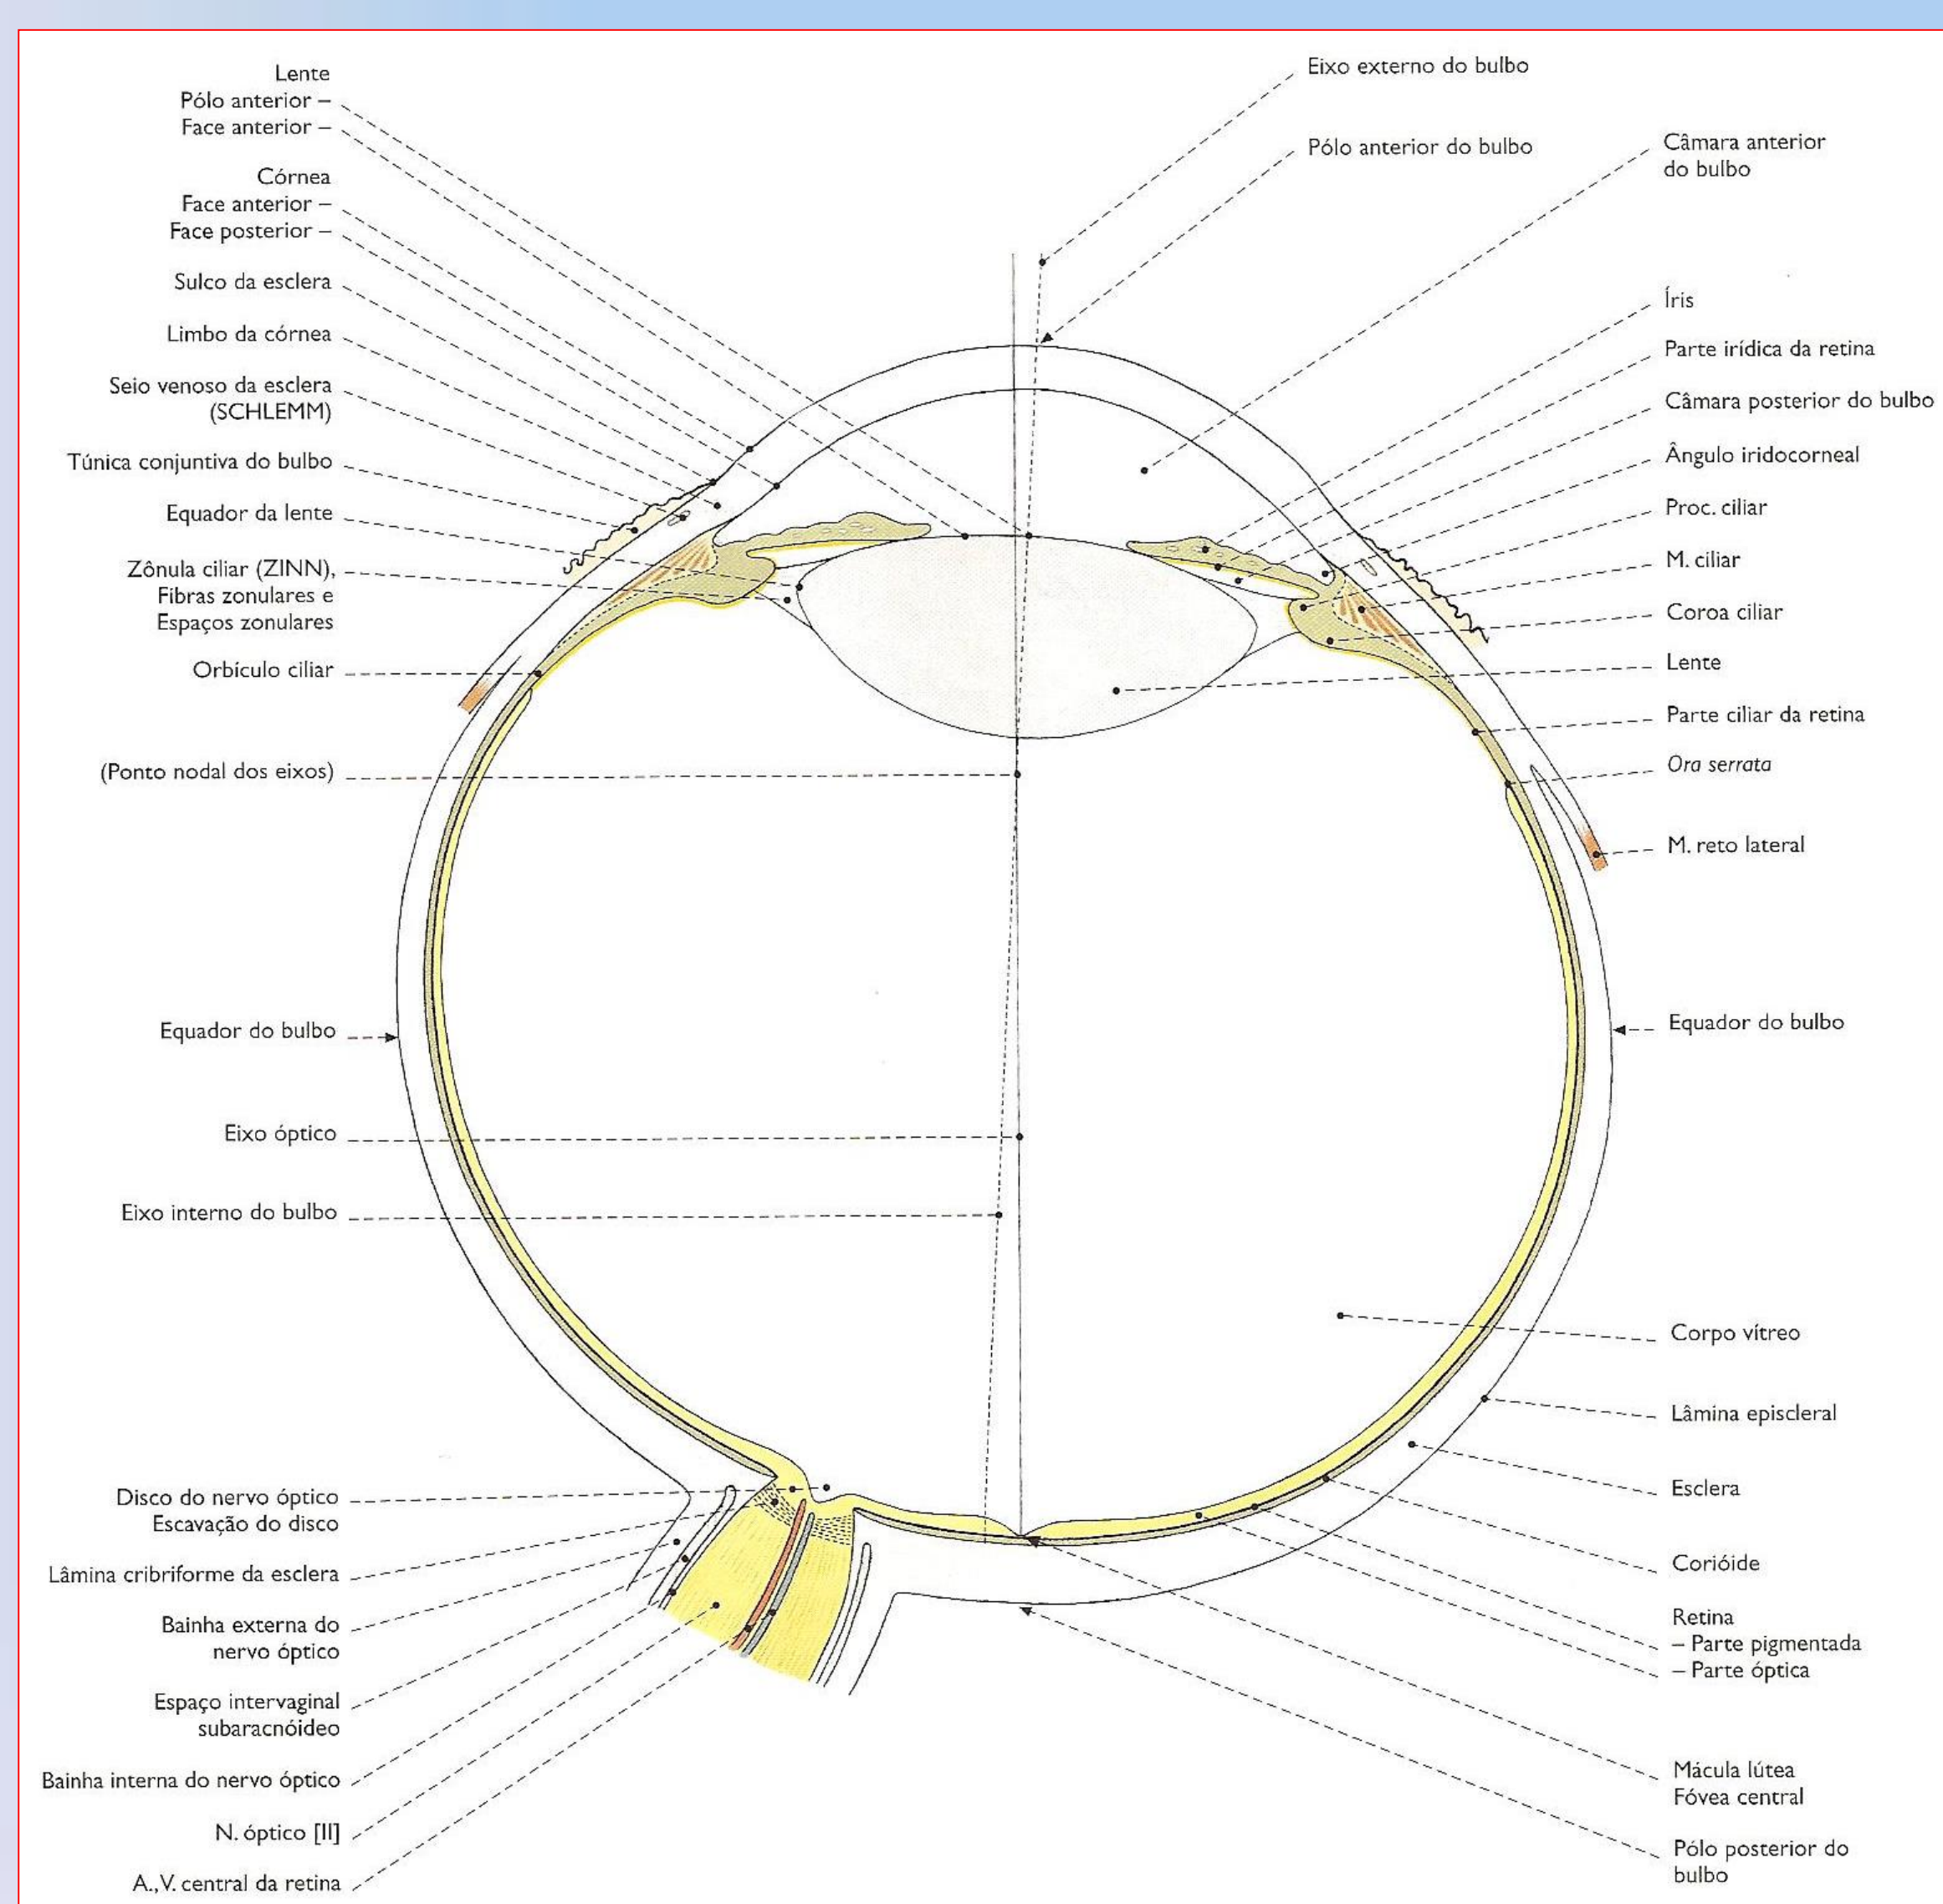

**Bulbo do olho
corte meridional
parte anterior**

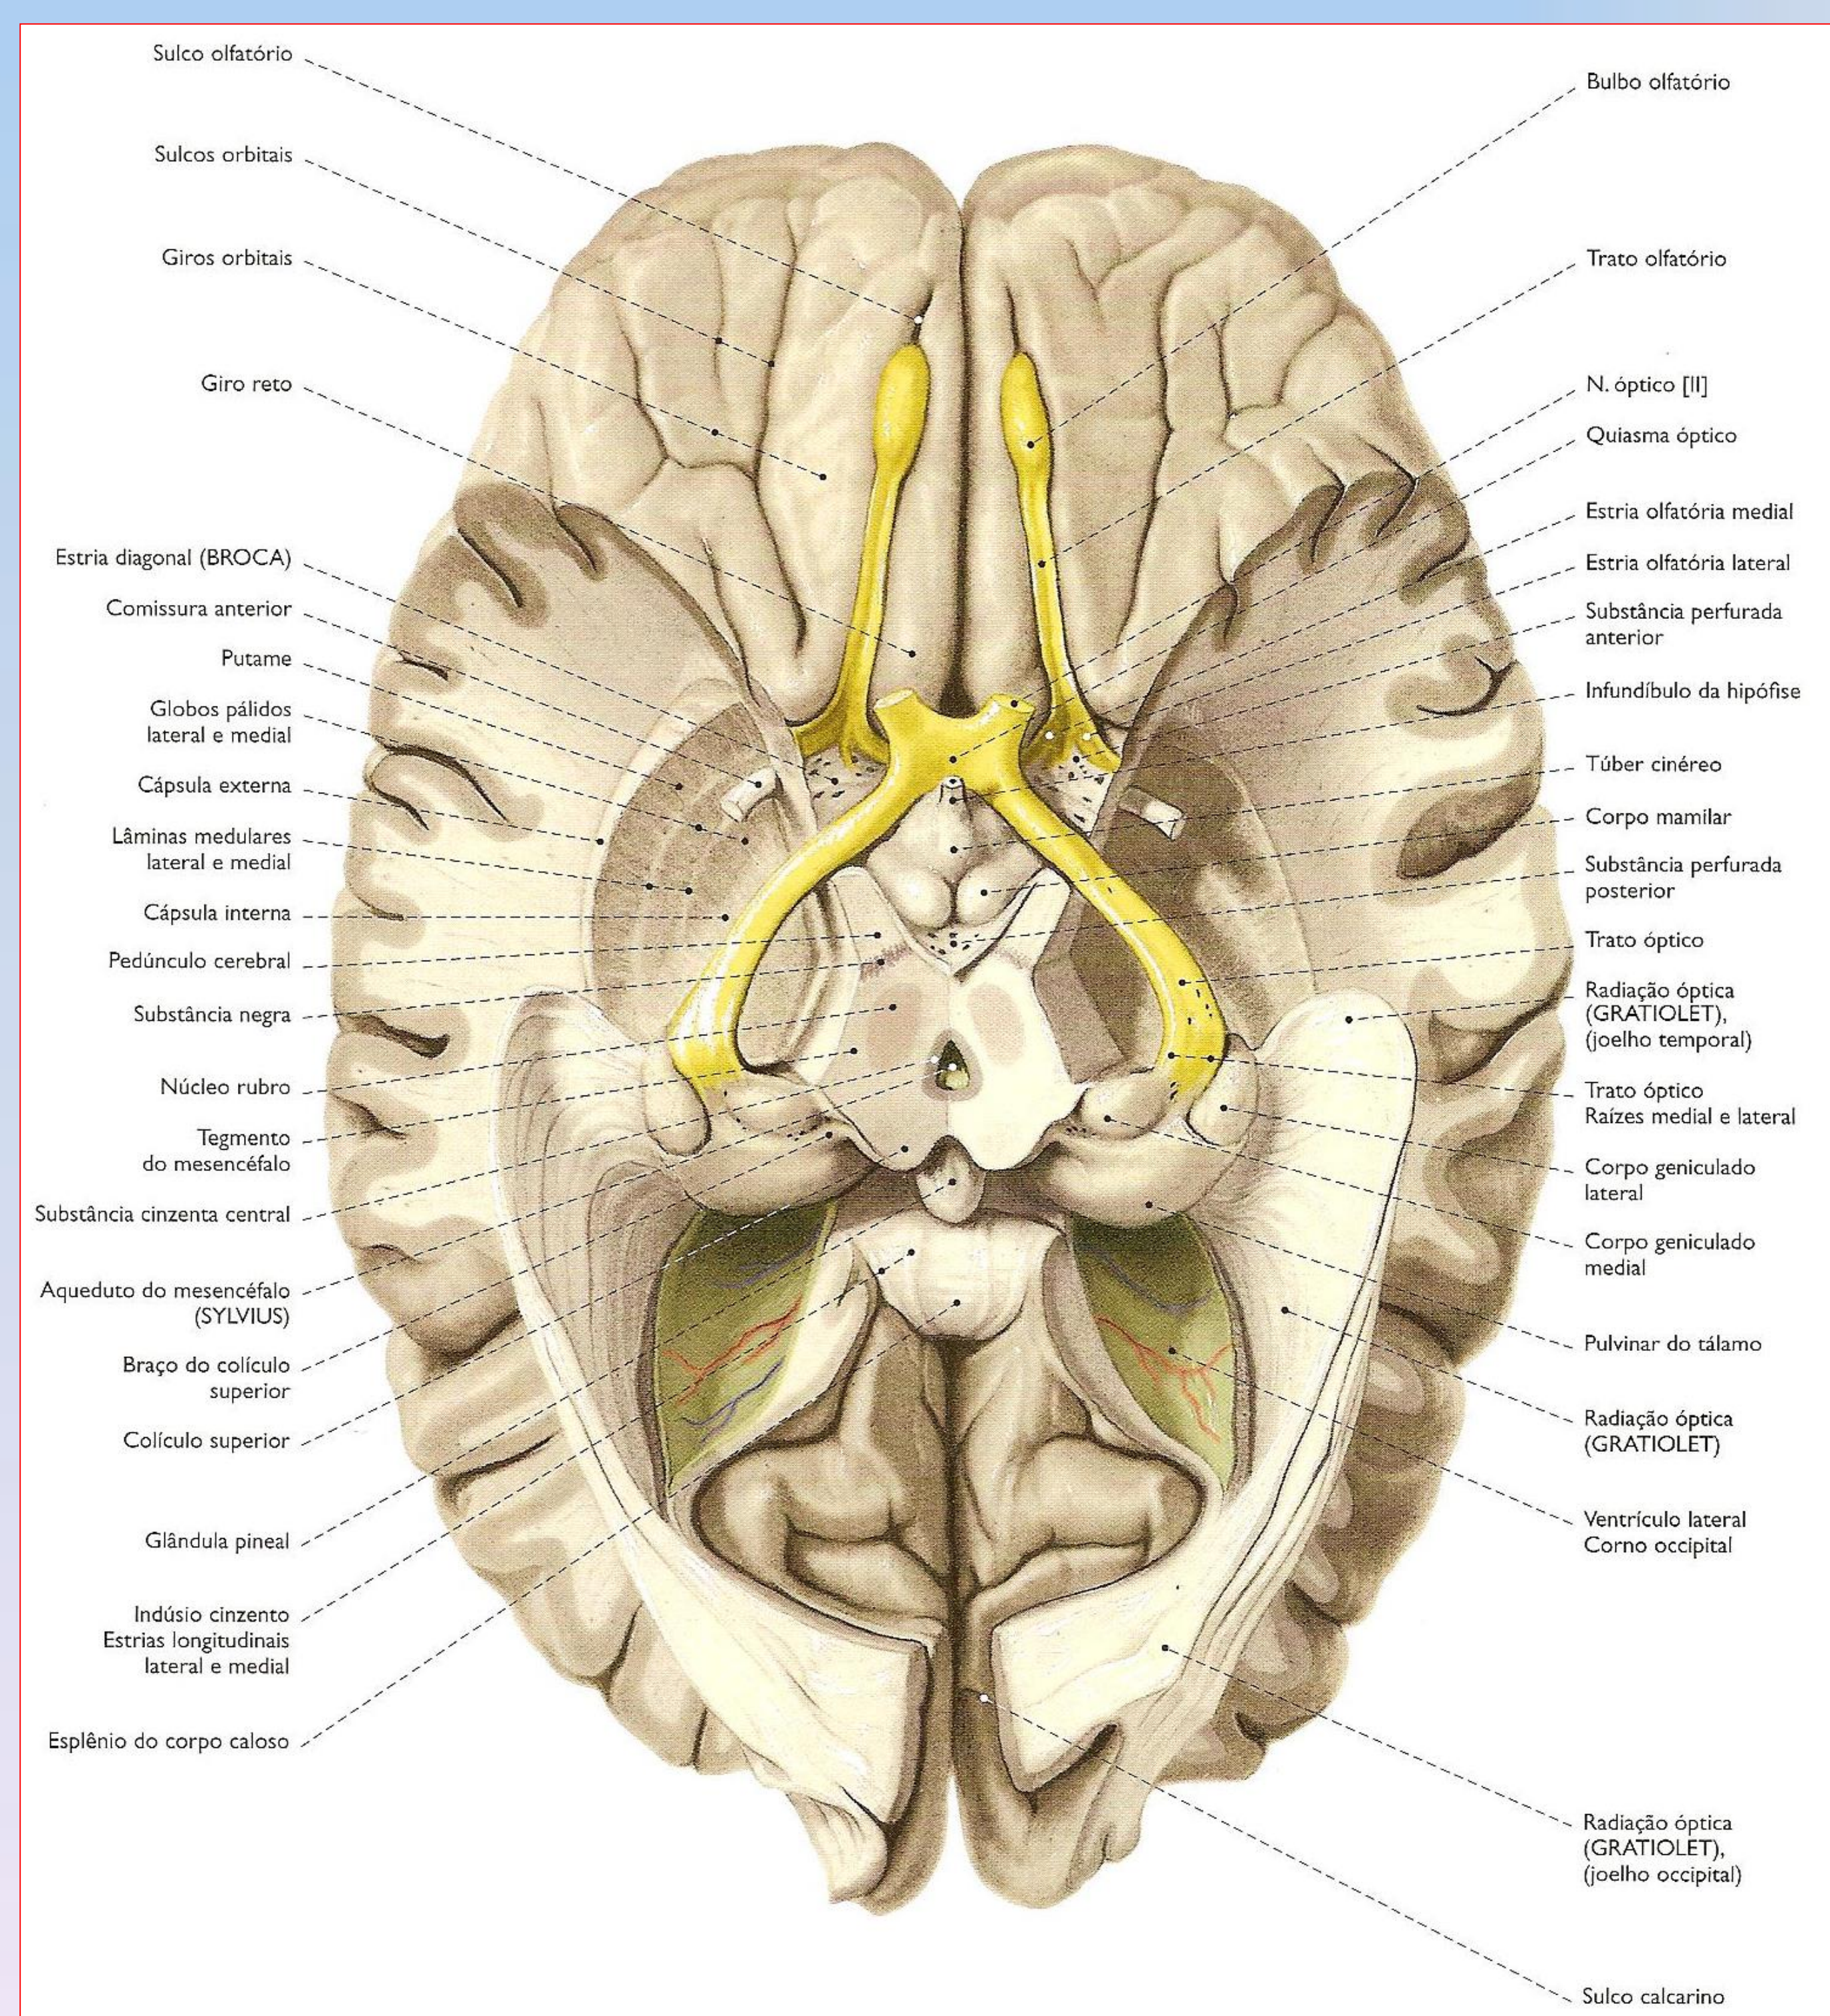

Vasos do bulbo do olho

Retina vista através do exame do fundo de olho pelo oftalmoscópio

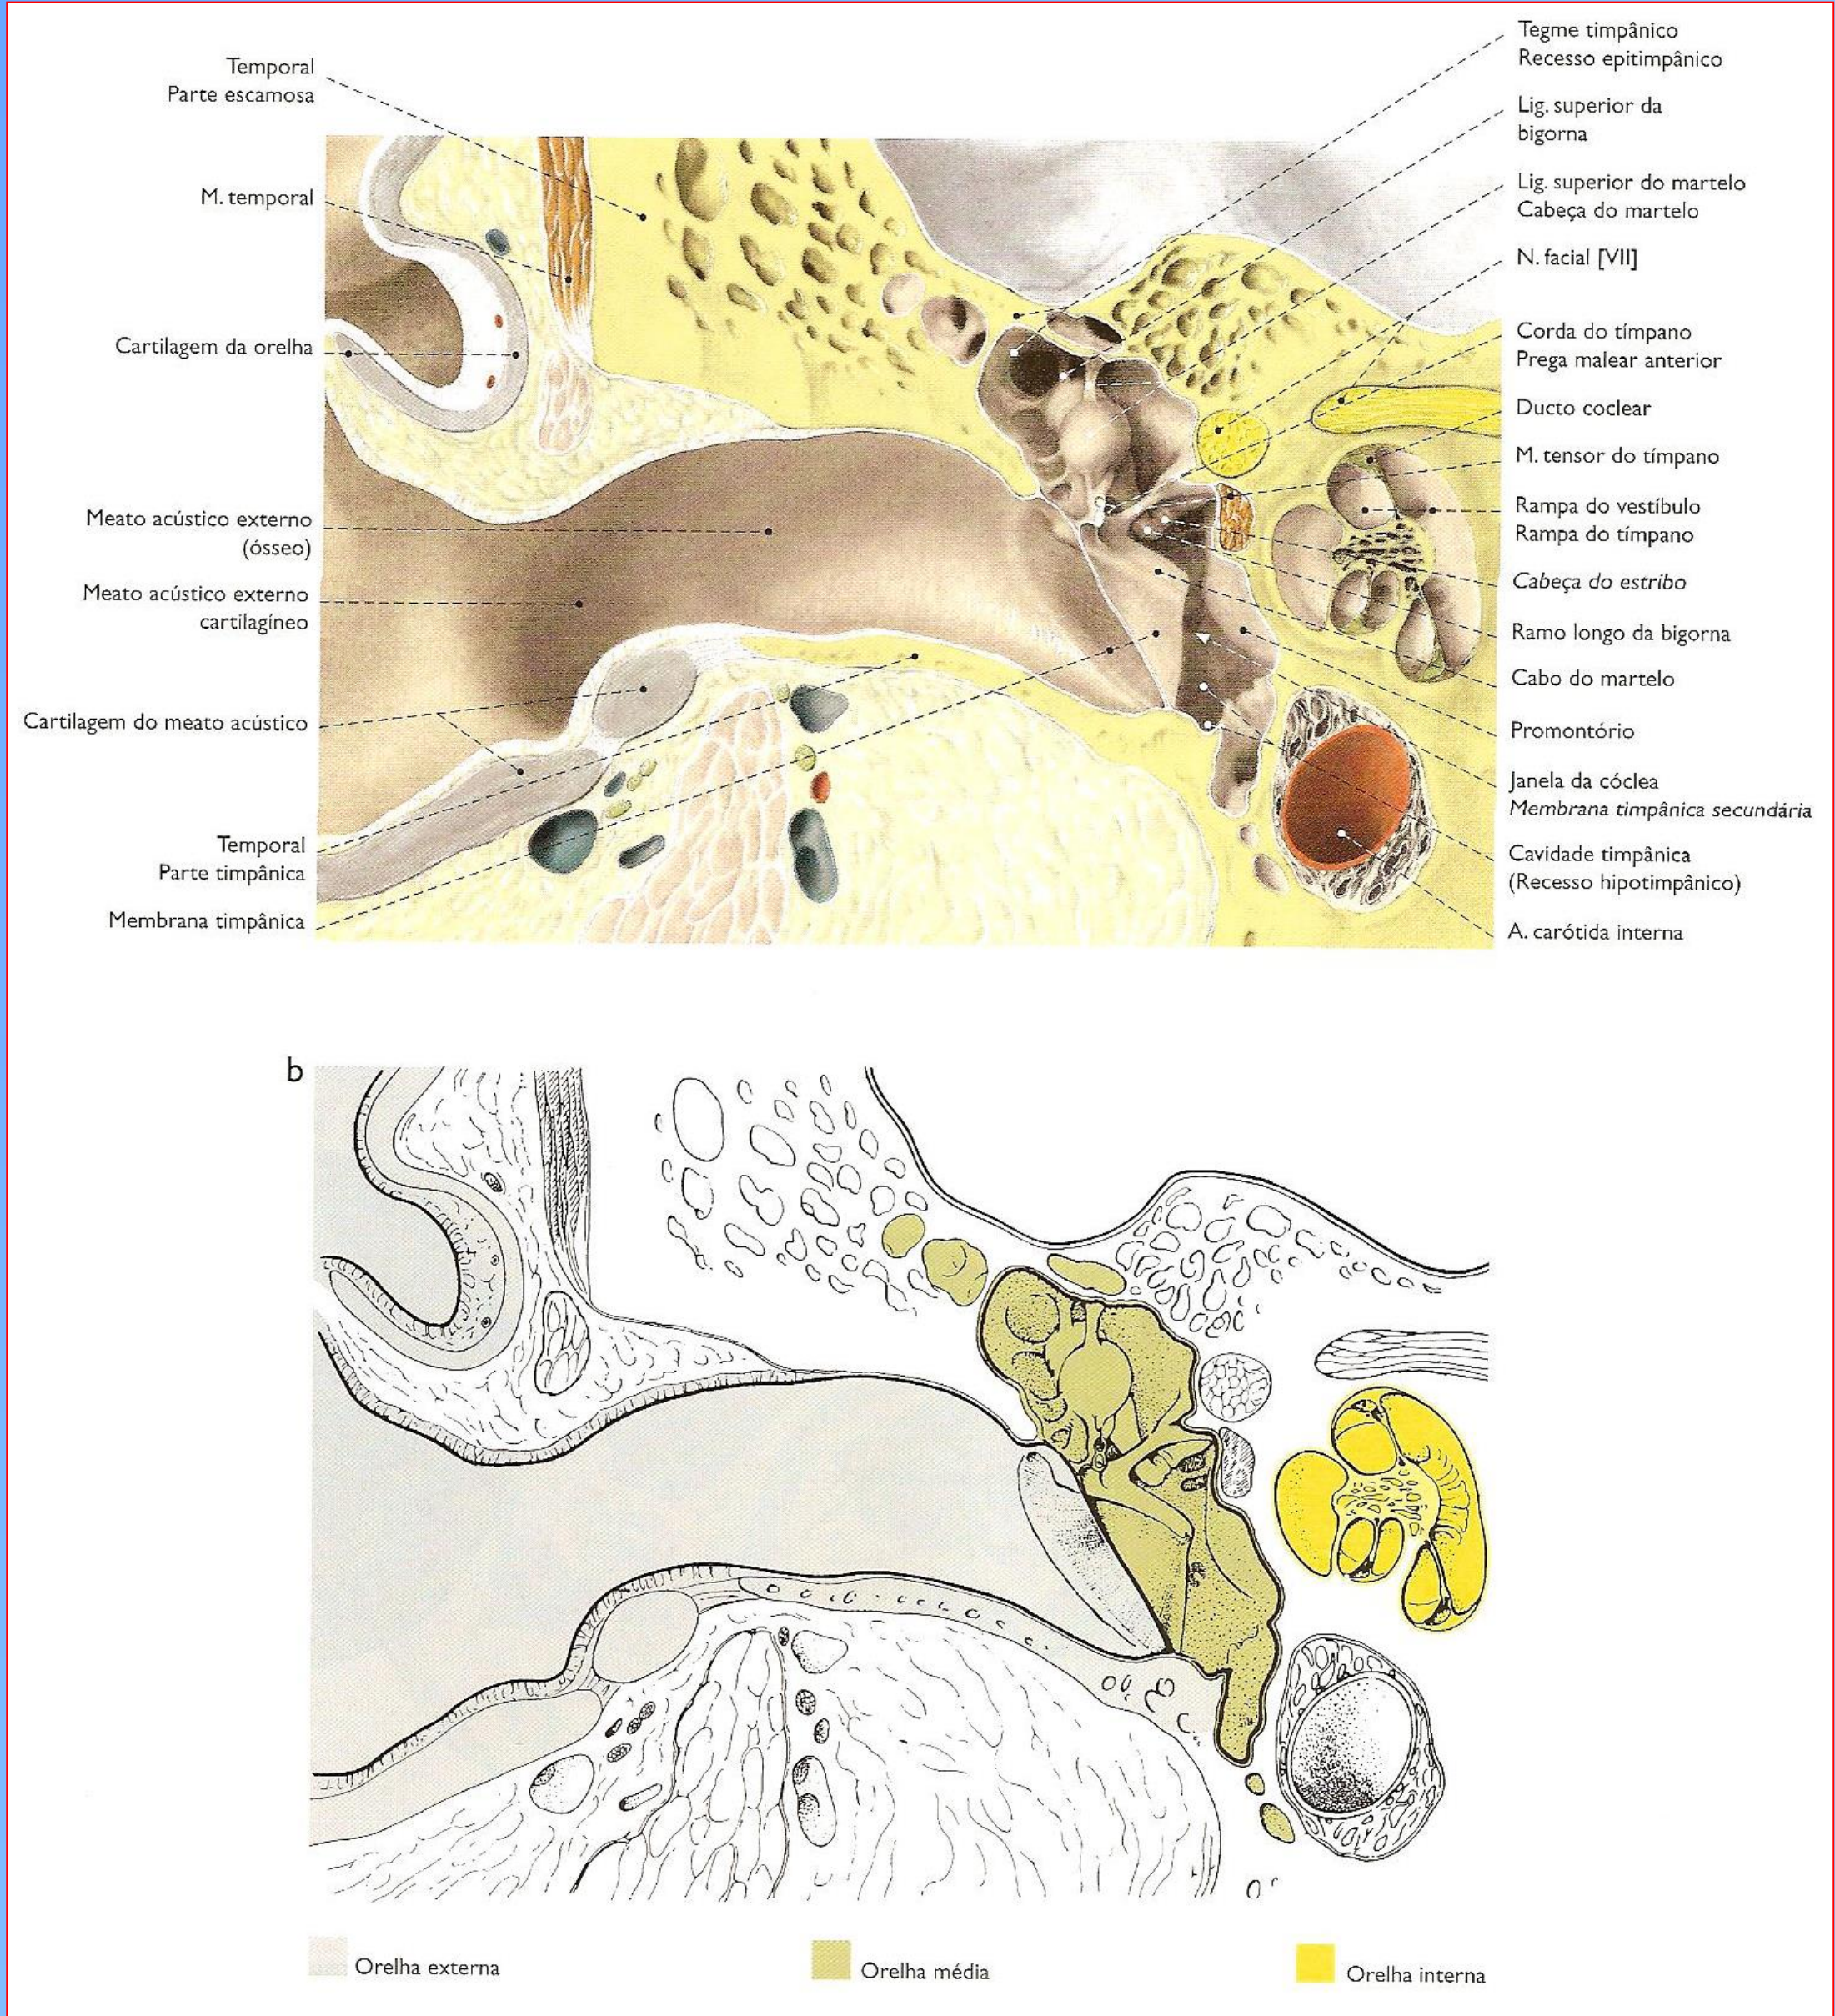

**Bulbo do olho
corte transversal
vista superior**

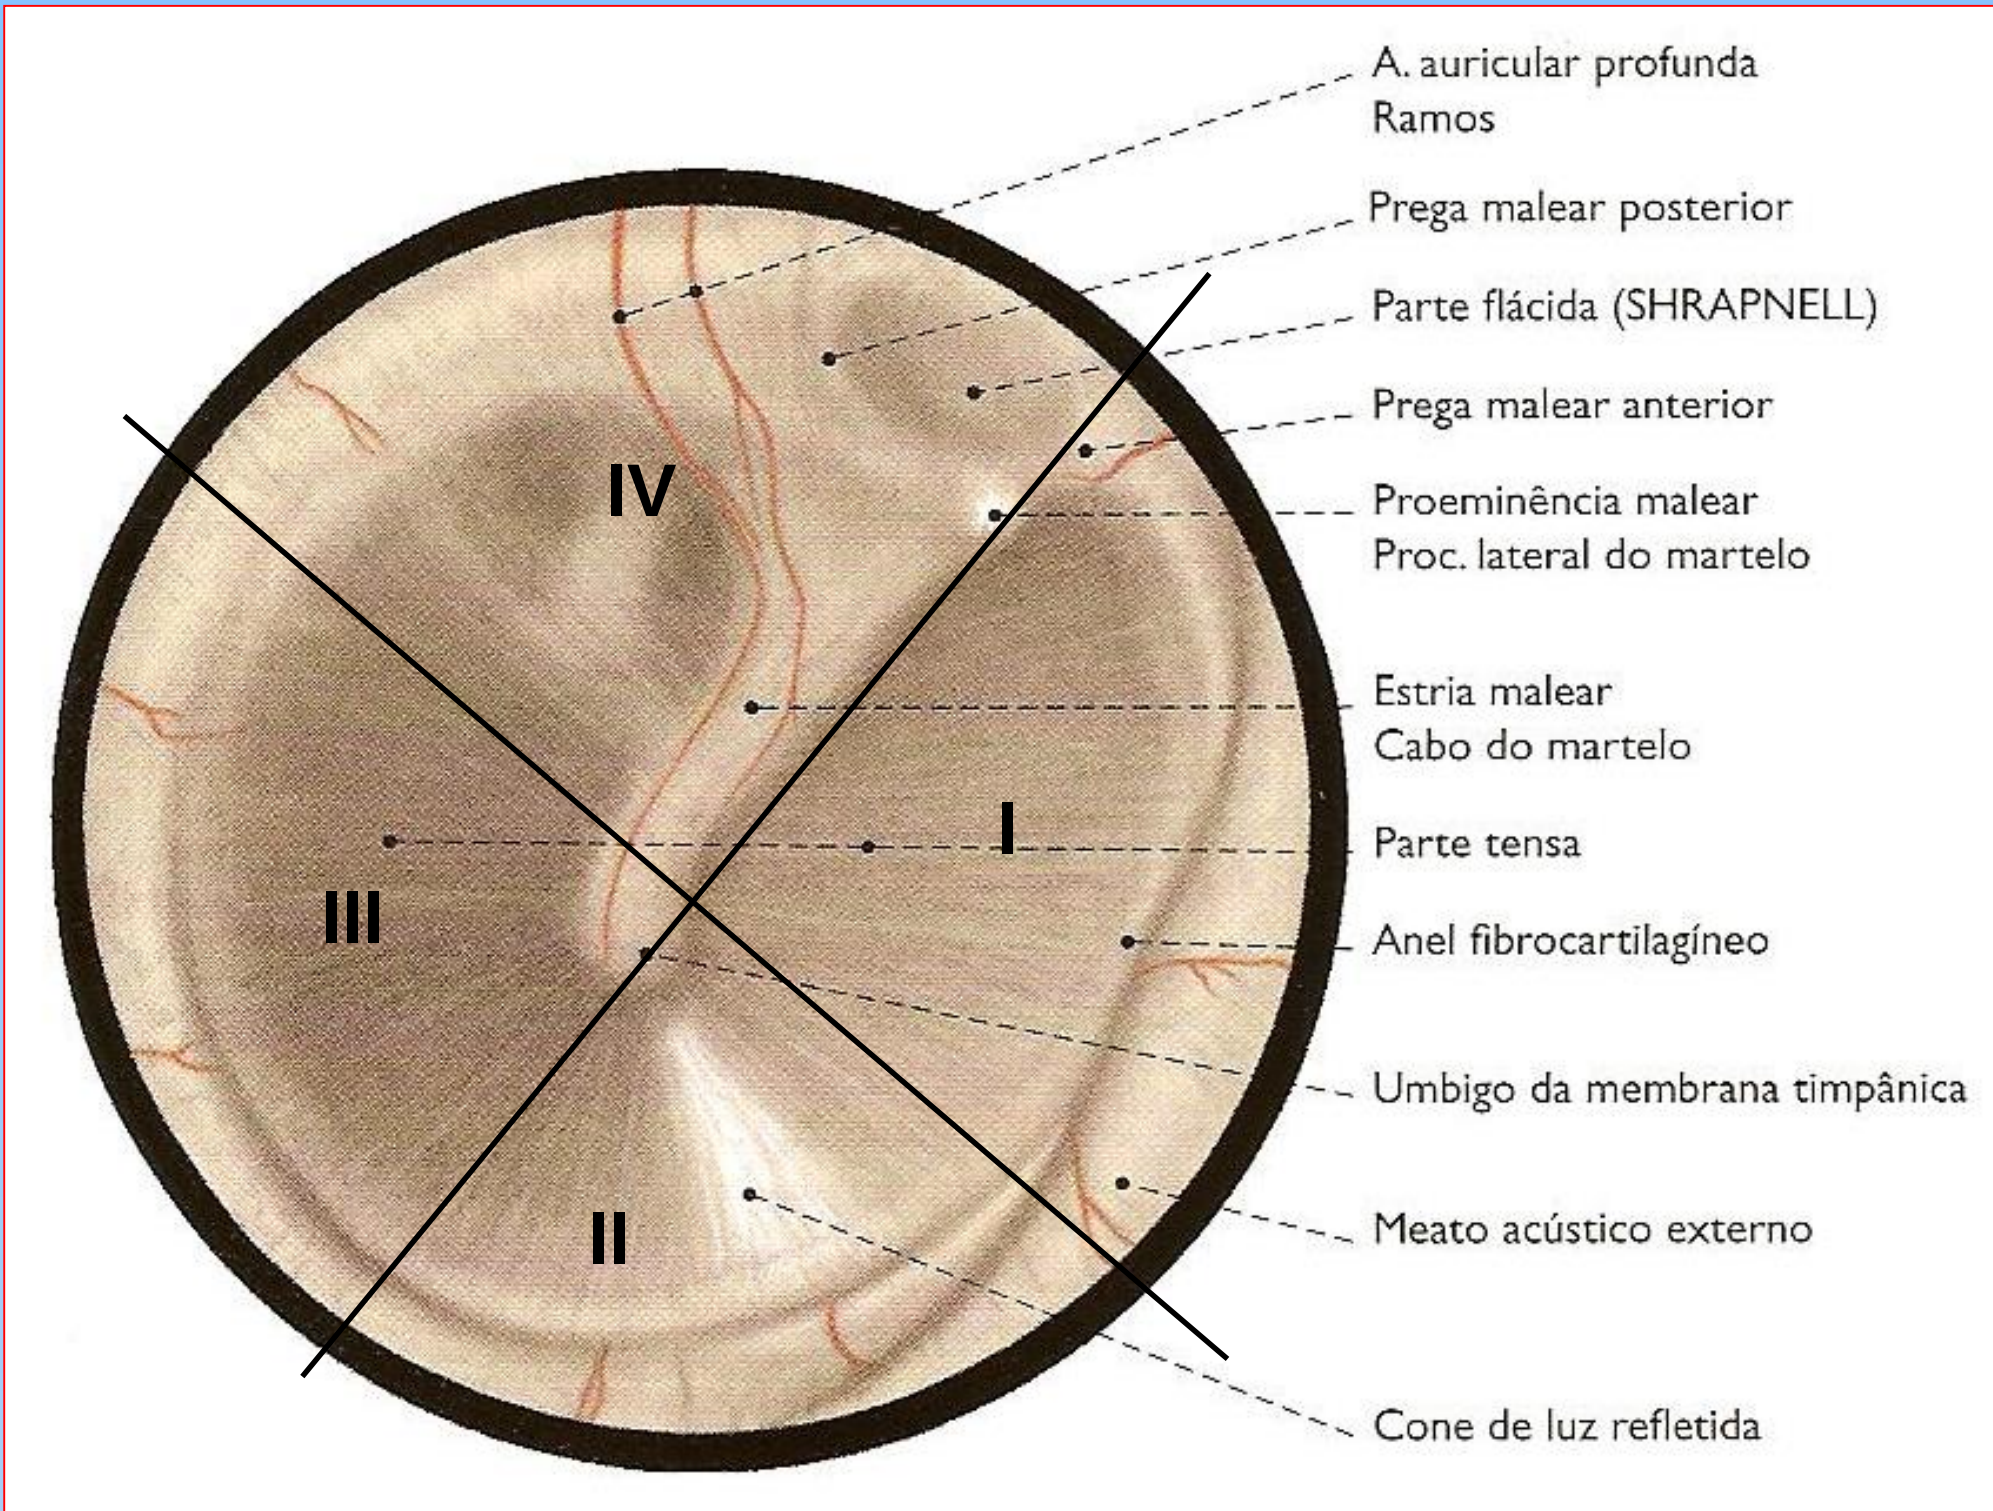

Via da visão

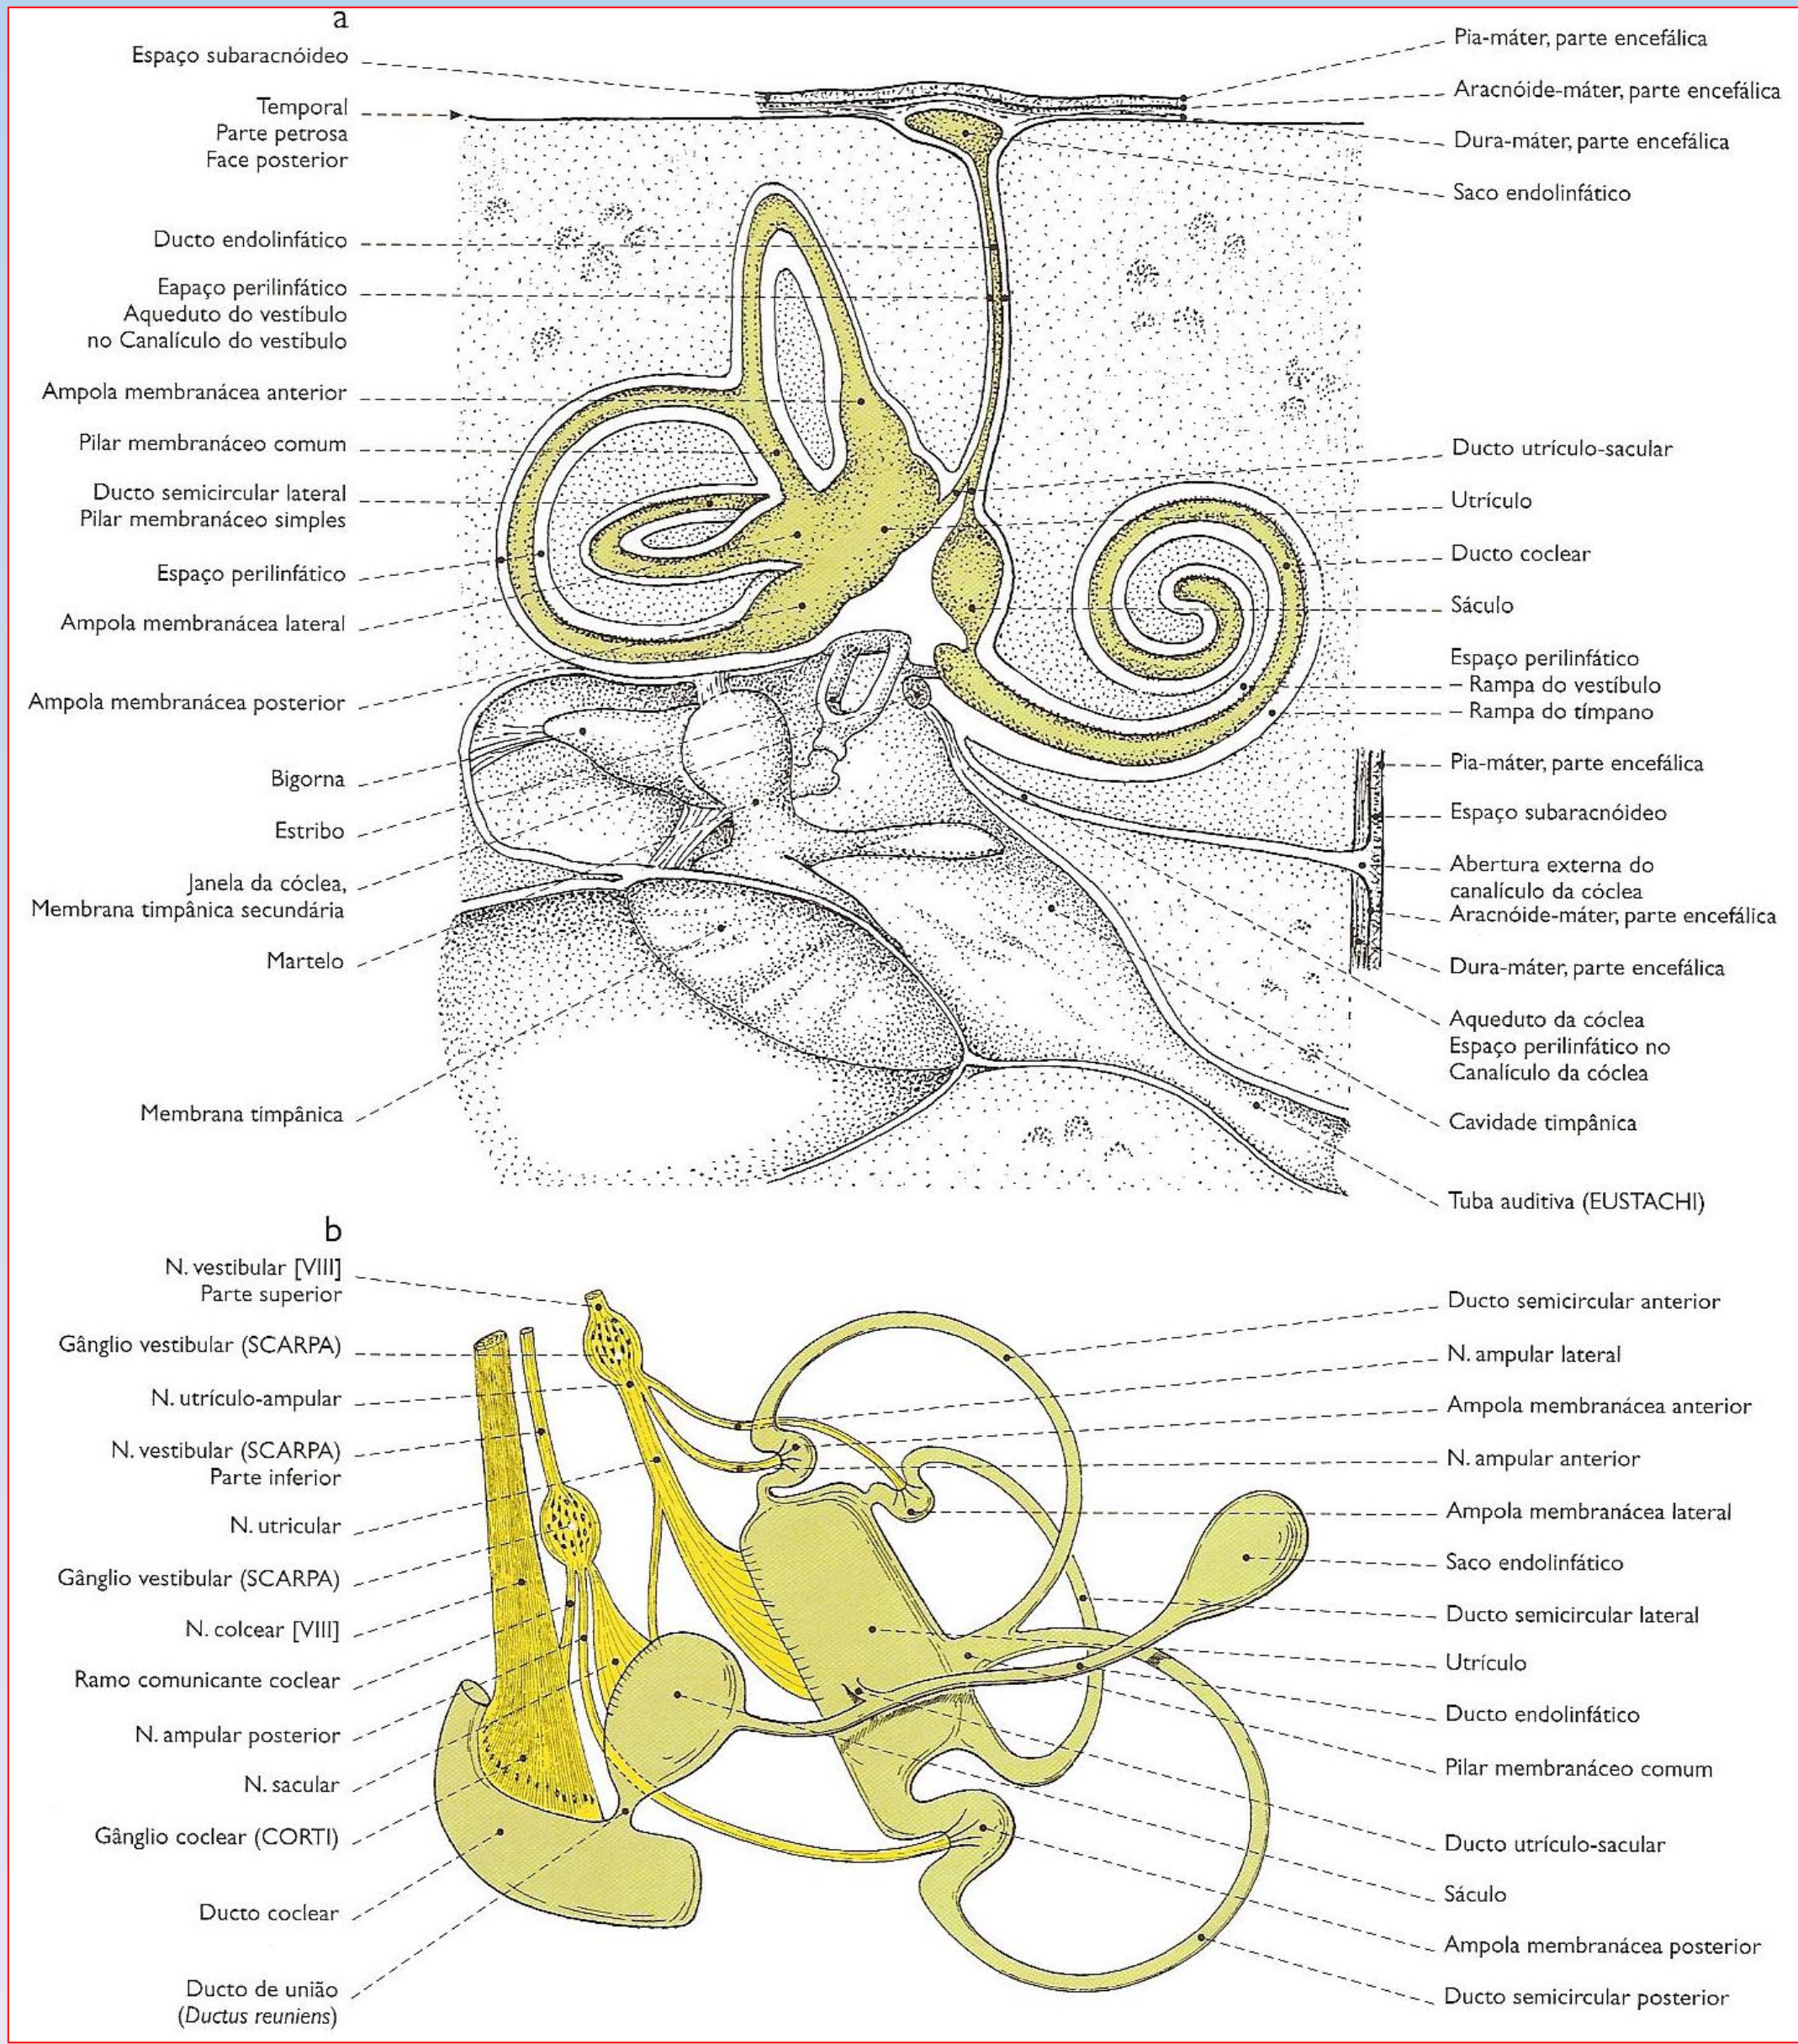

Sistemas vestibular e coclear

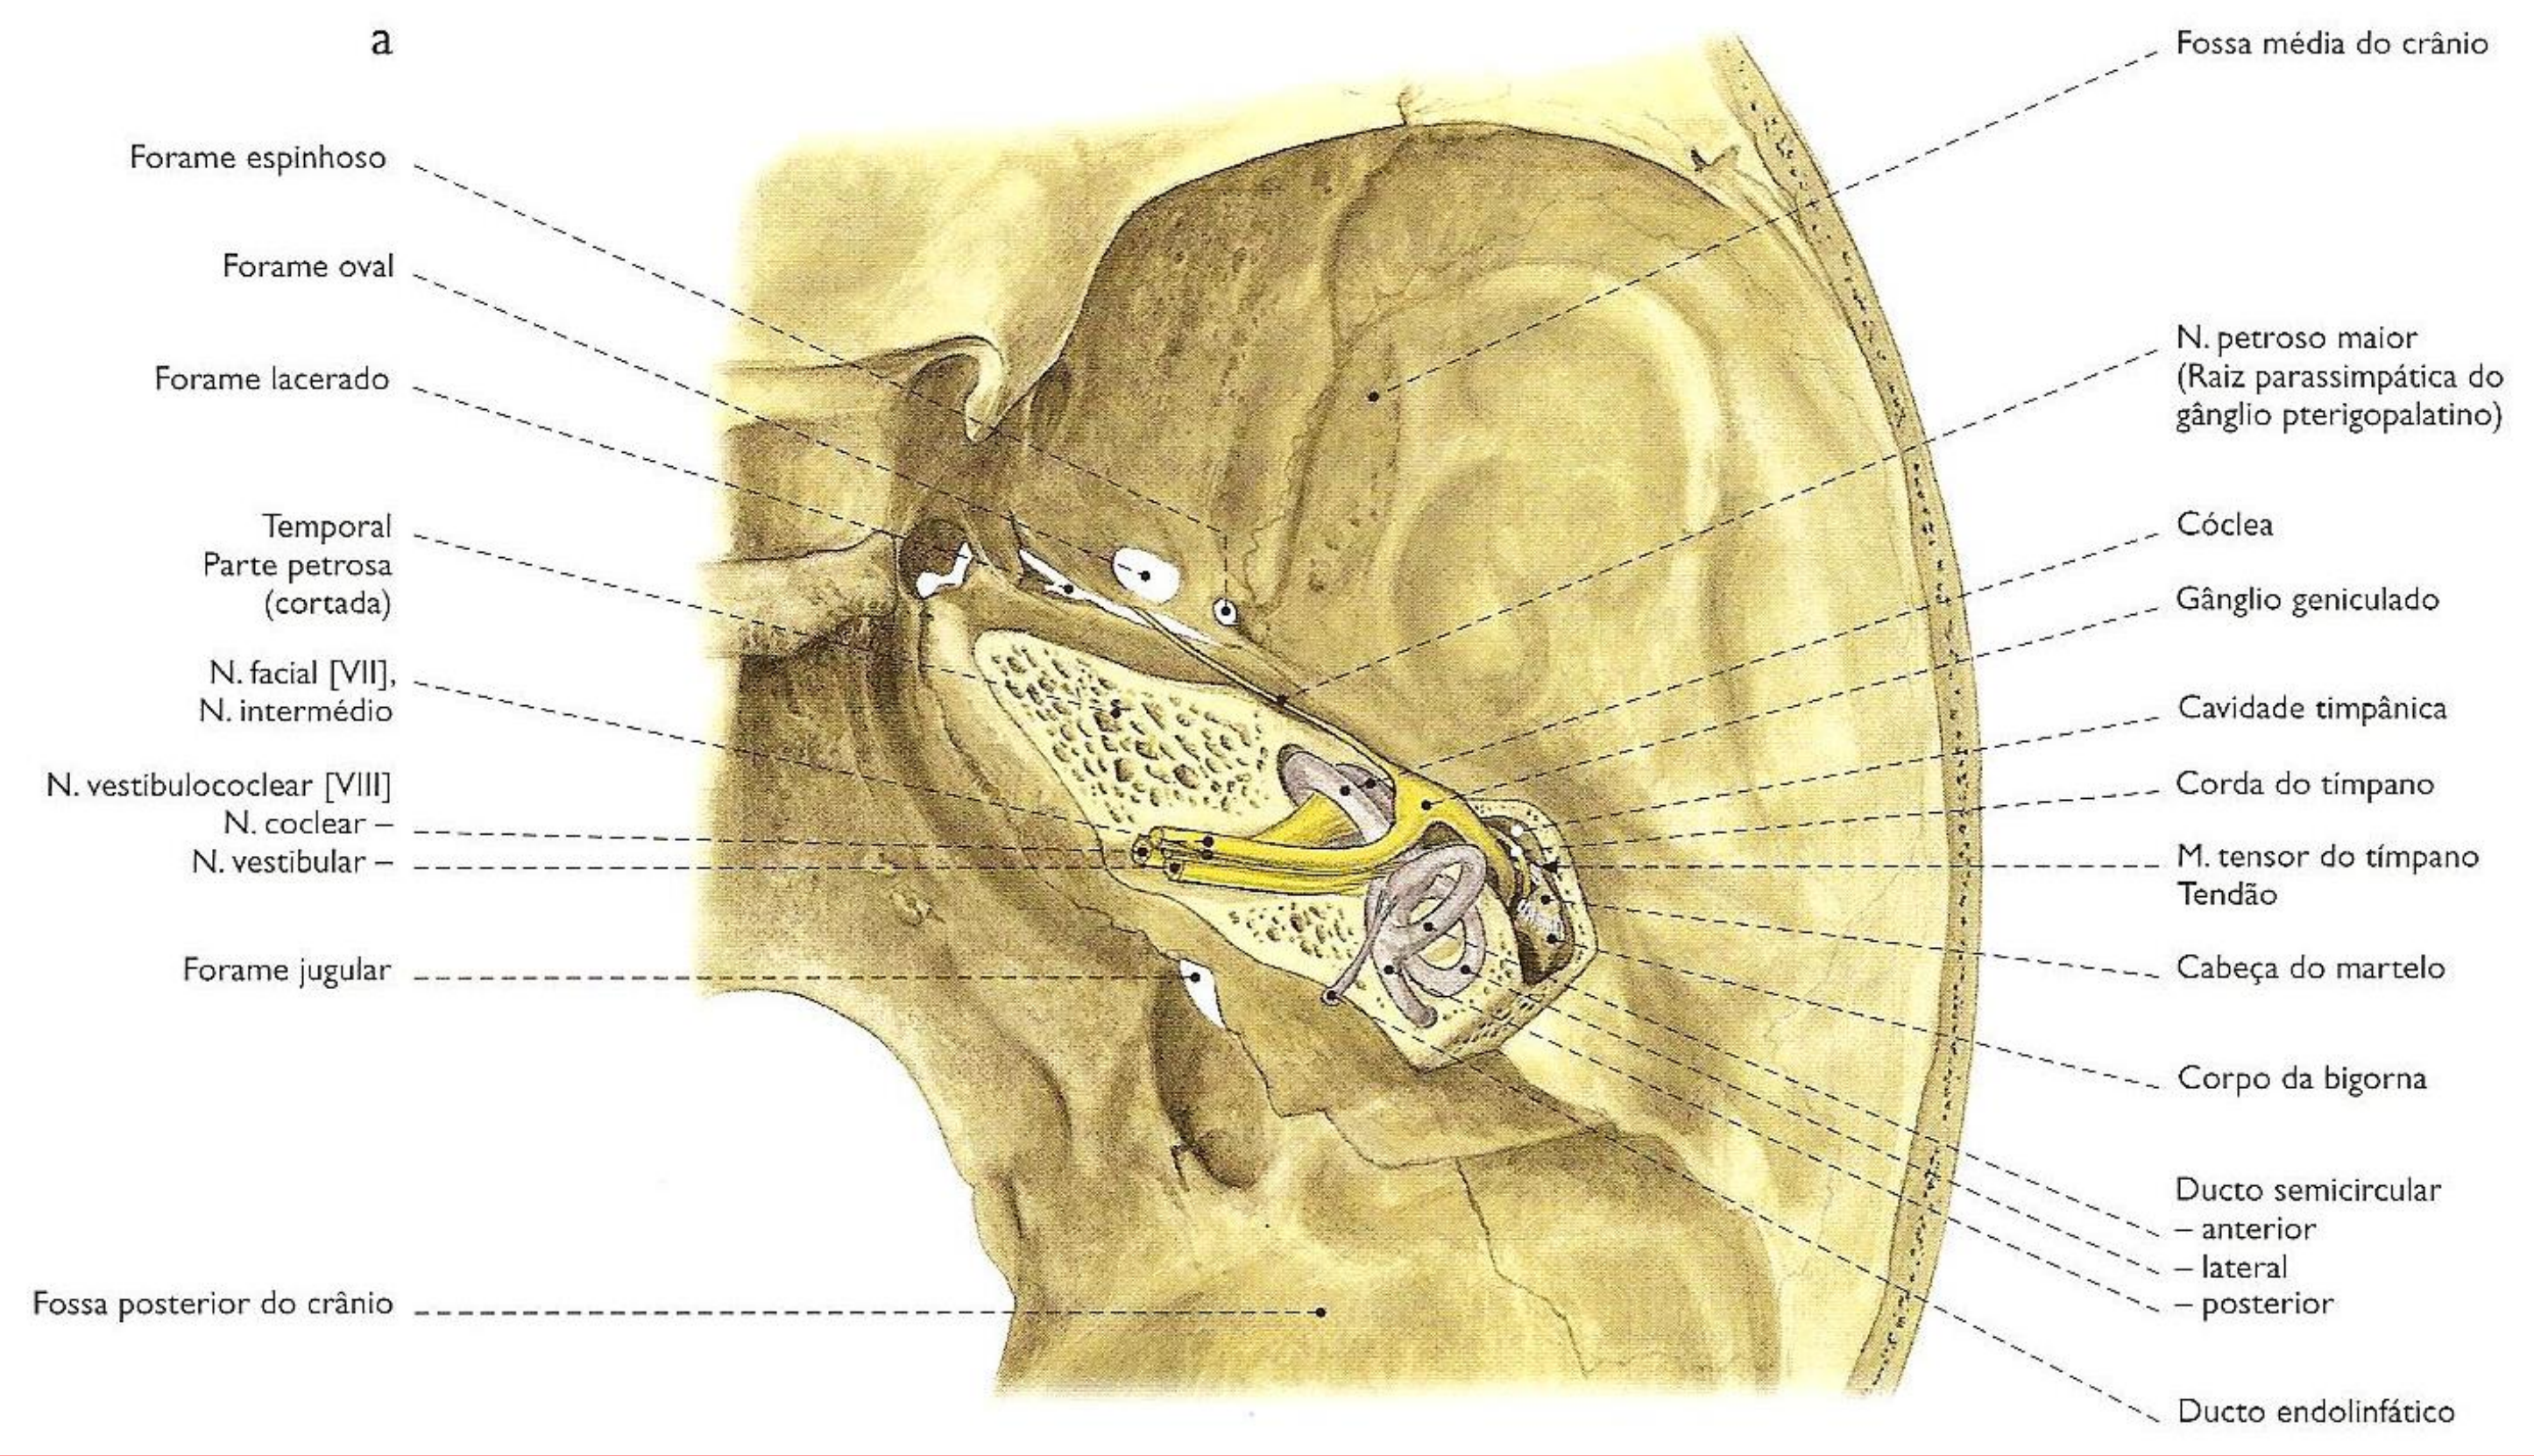

Órgão da audição
corte frontal

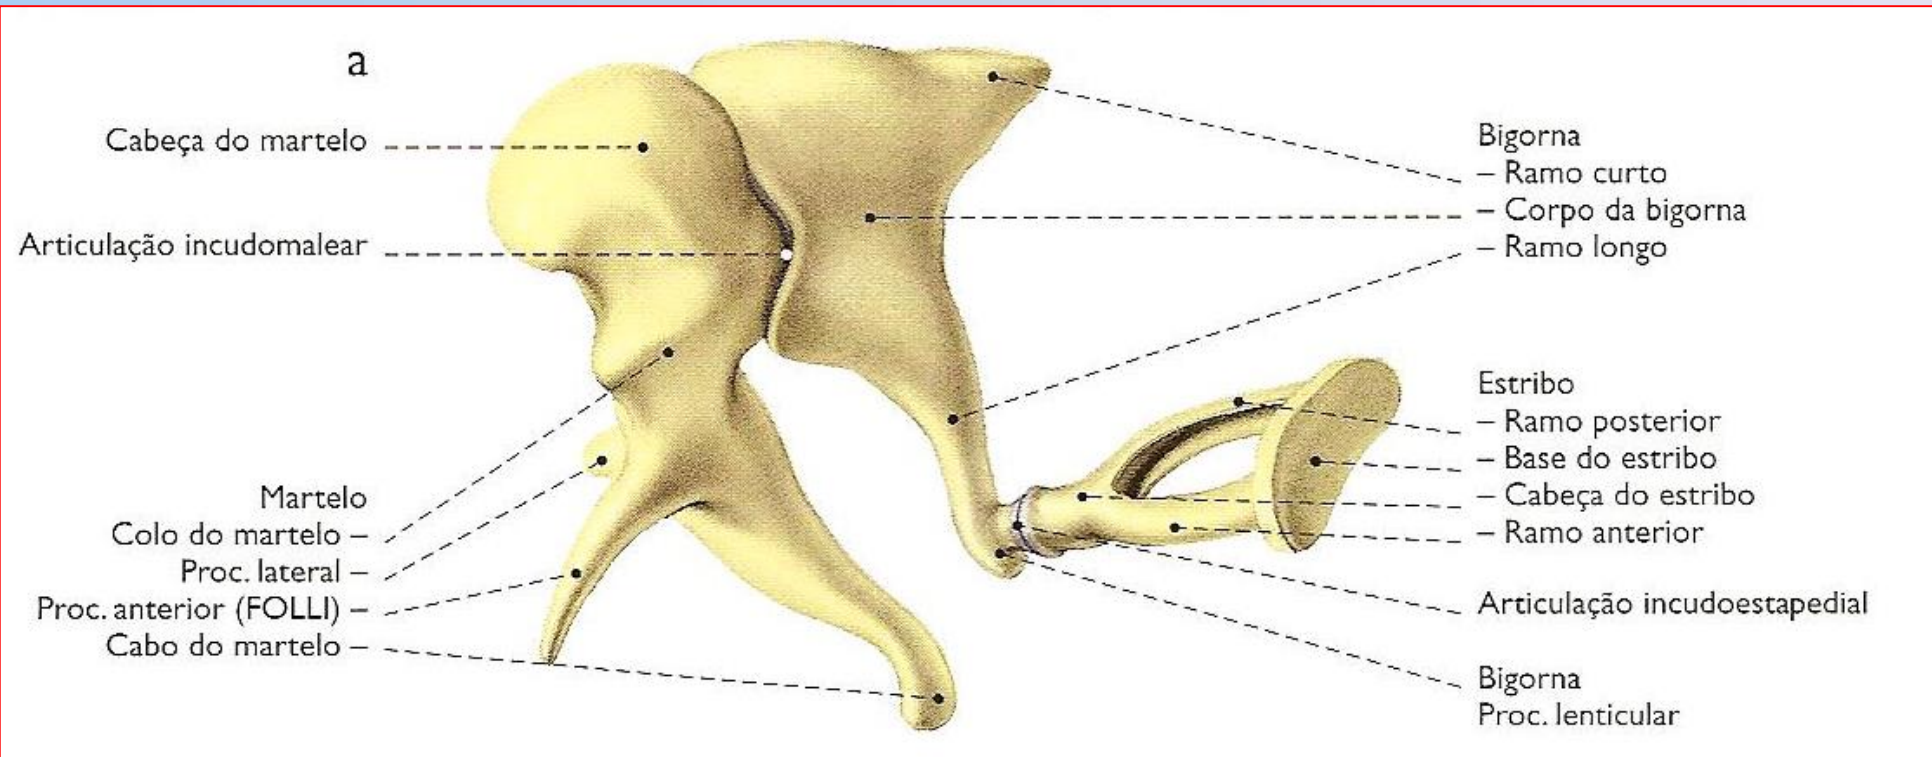

Membrana timpânica e seus quadrantes
orelha direita

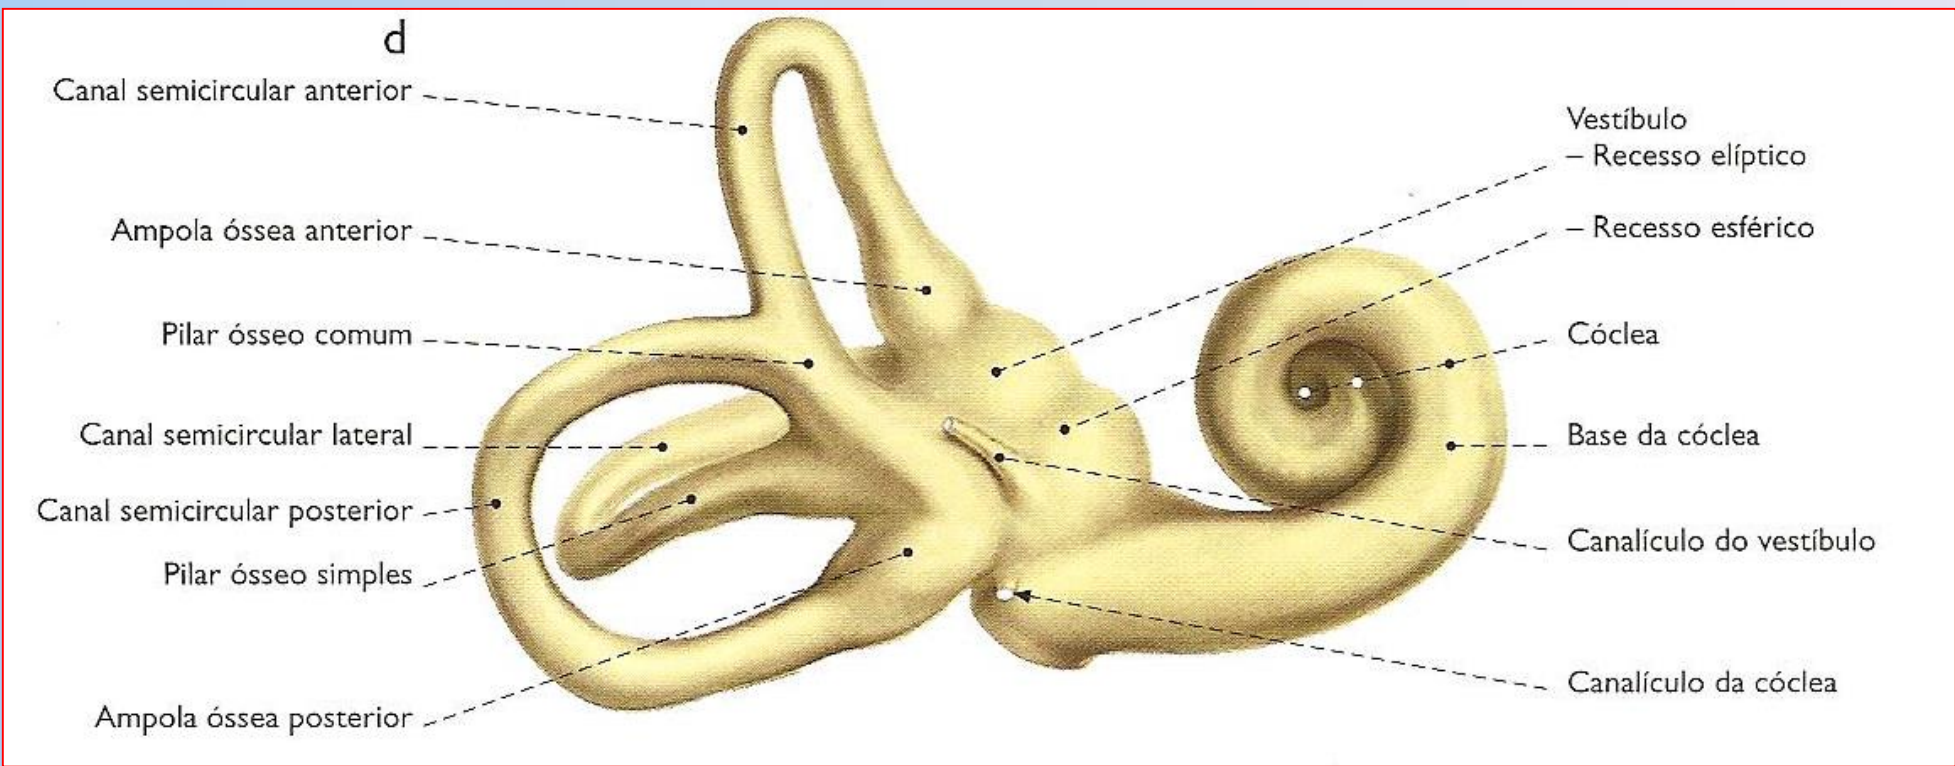

Labirinto membranoso e
nervo vestibulococlear
representação esquemática

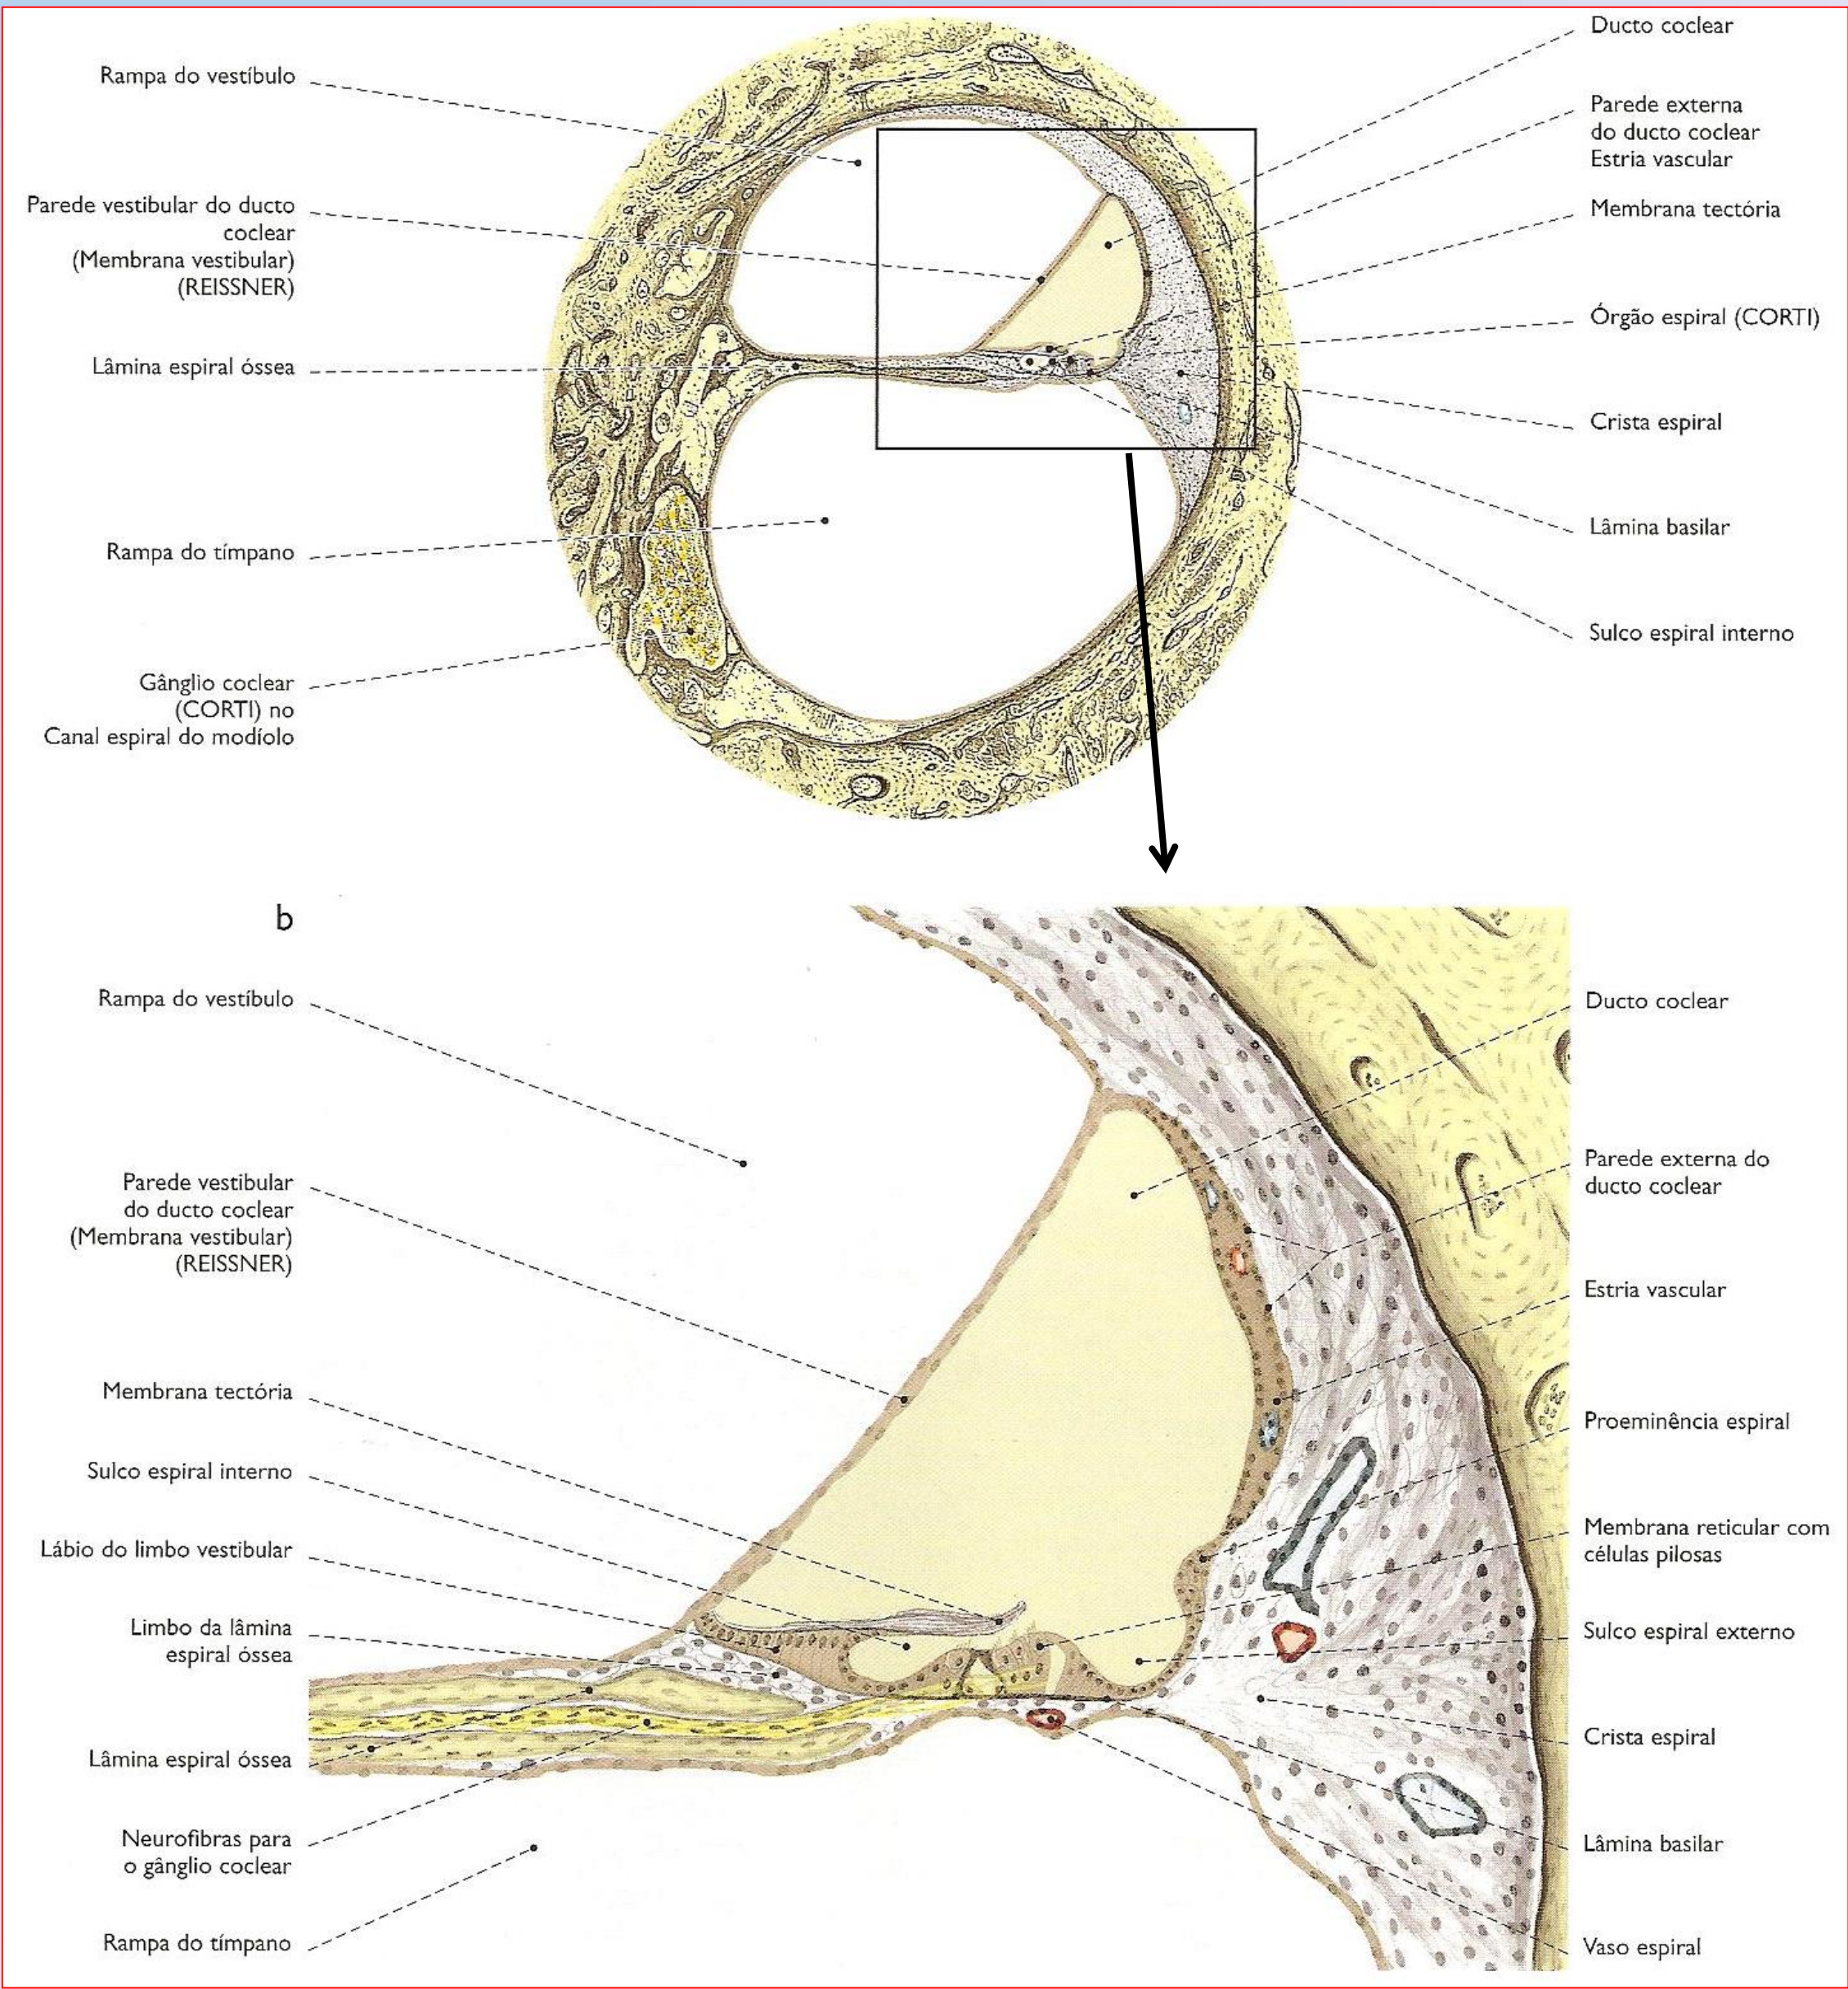

Osso temporal – parte petrosa direita
corte horizontal

Ossículos da audição

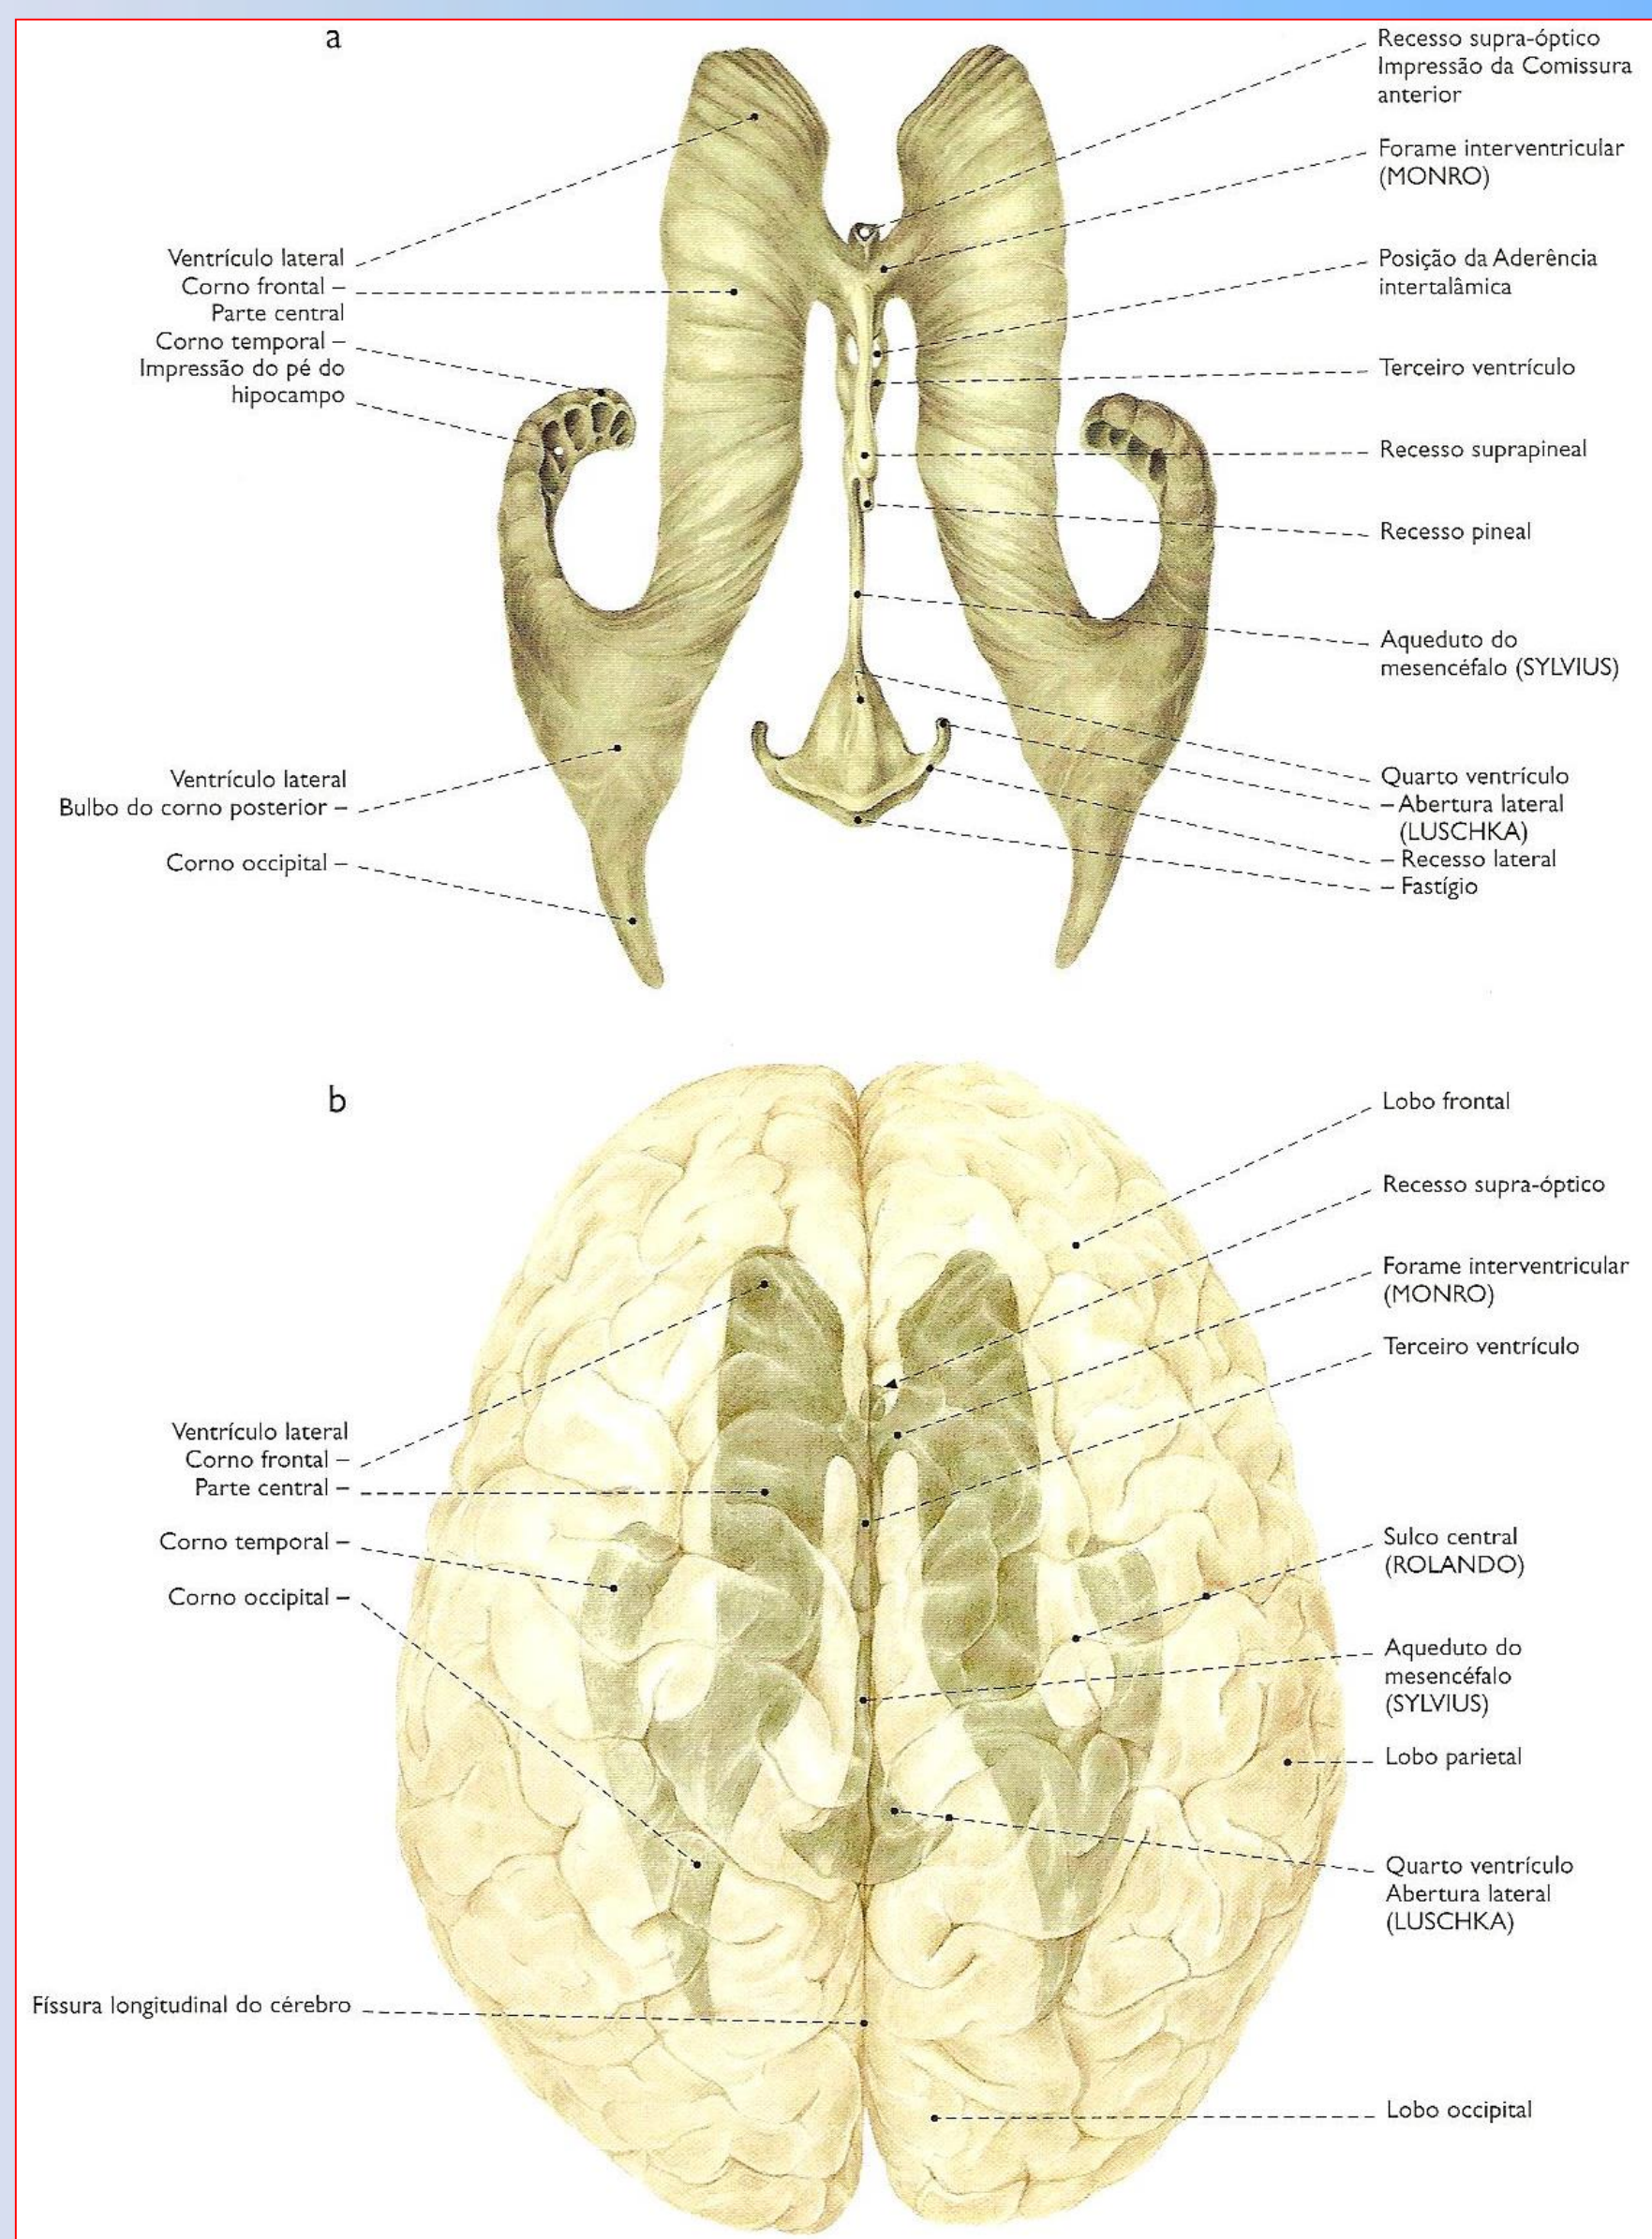

Labirinto ósseo
vista dorsomedial

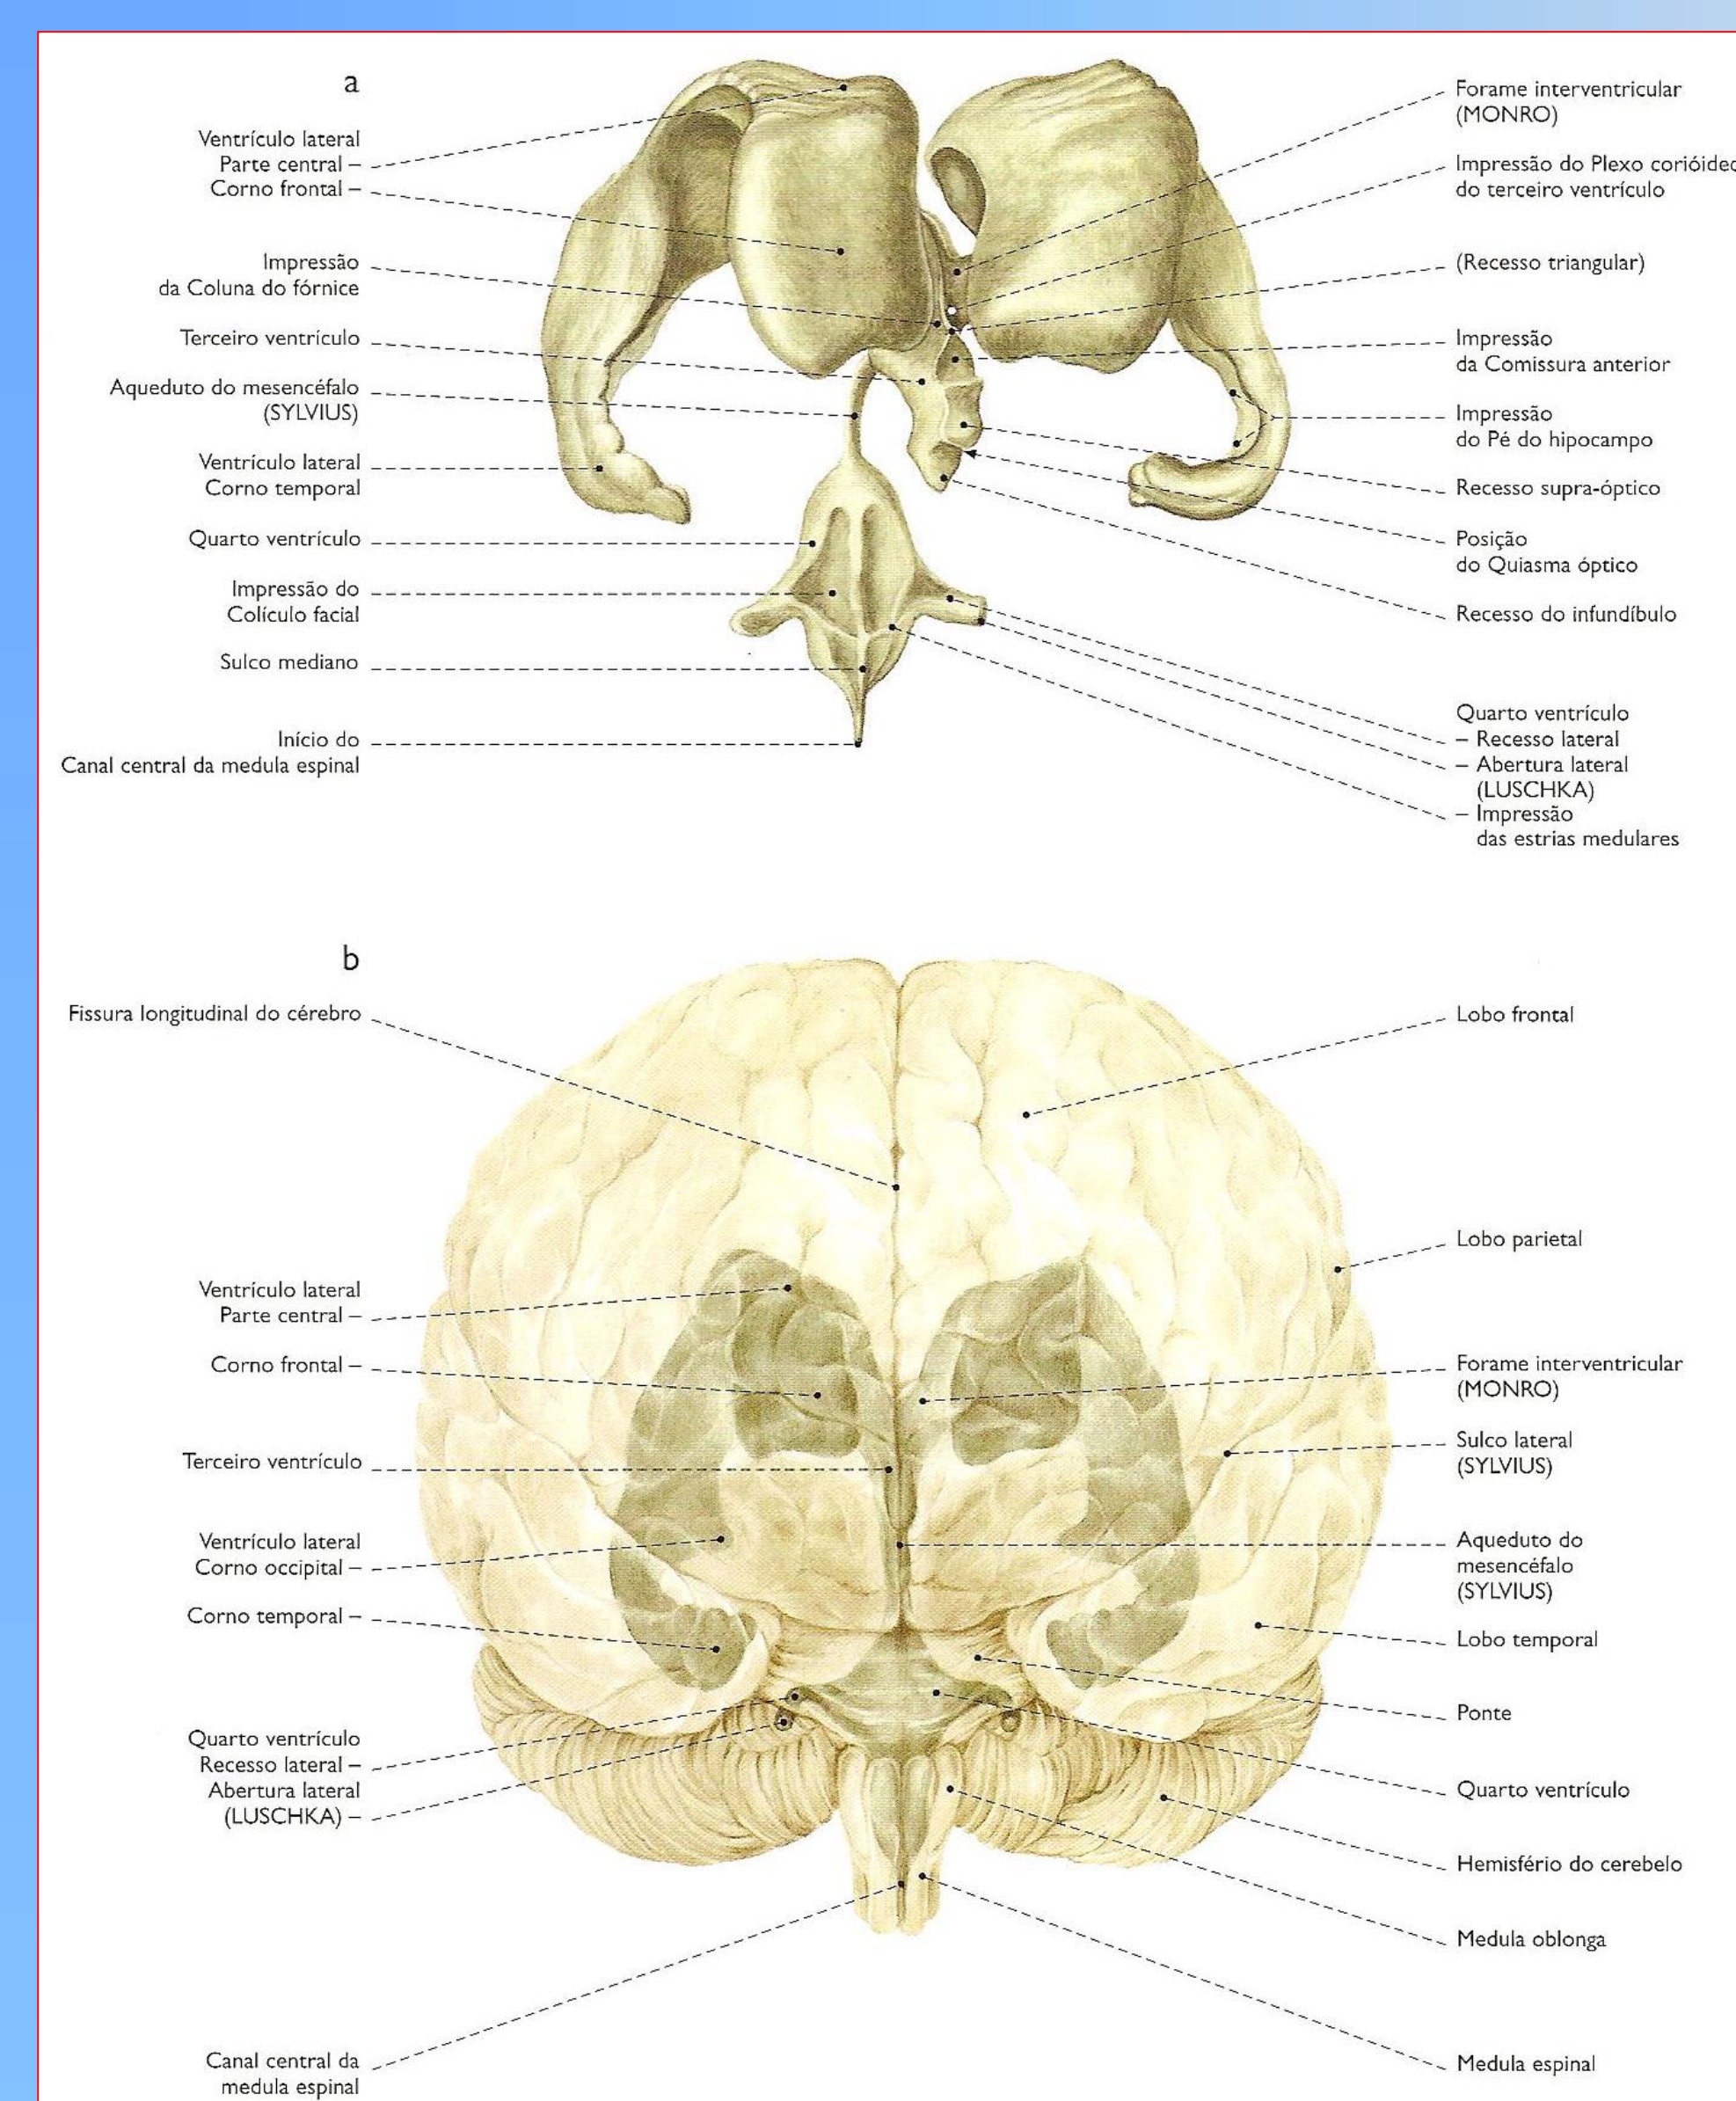

Cóclea, ducto coclear e órgão
espiral de CORTI
corte transversal

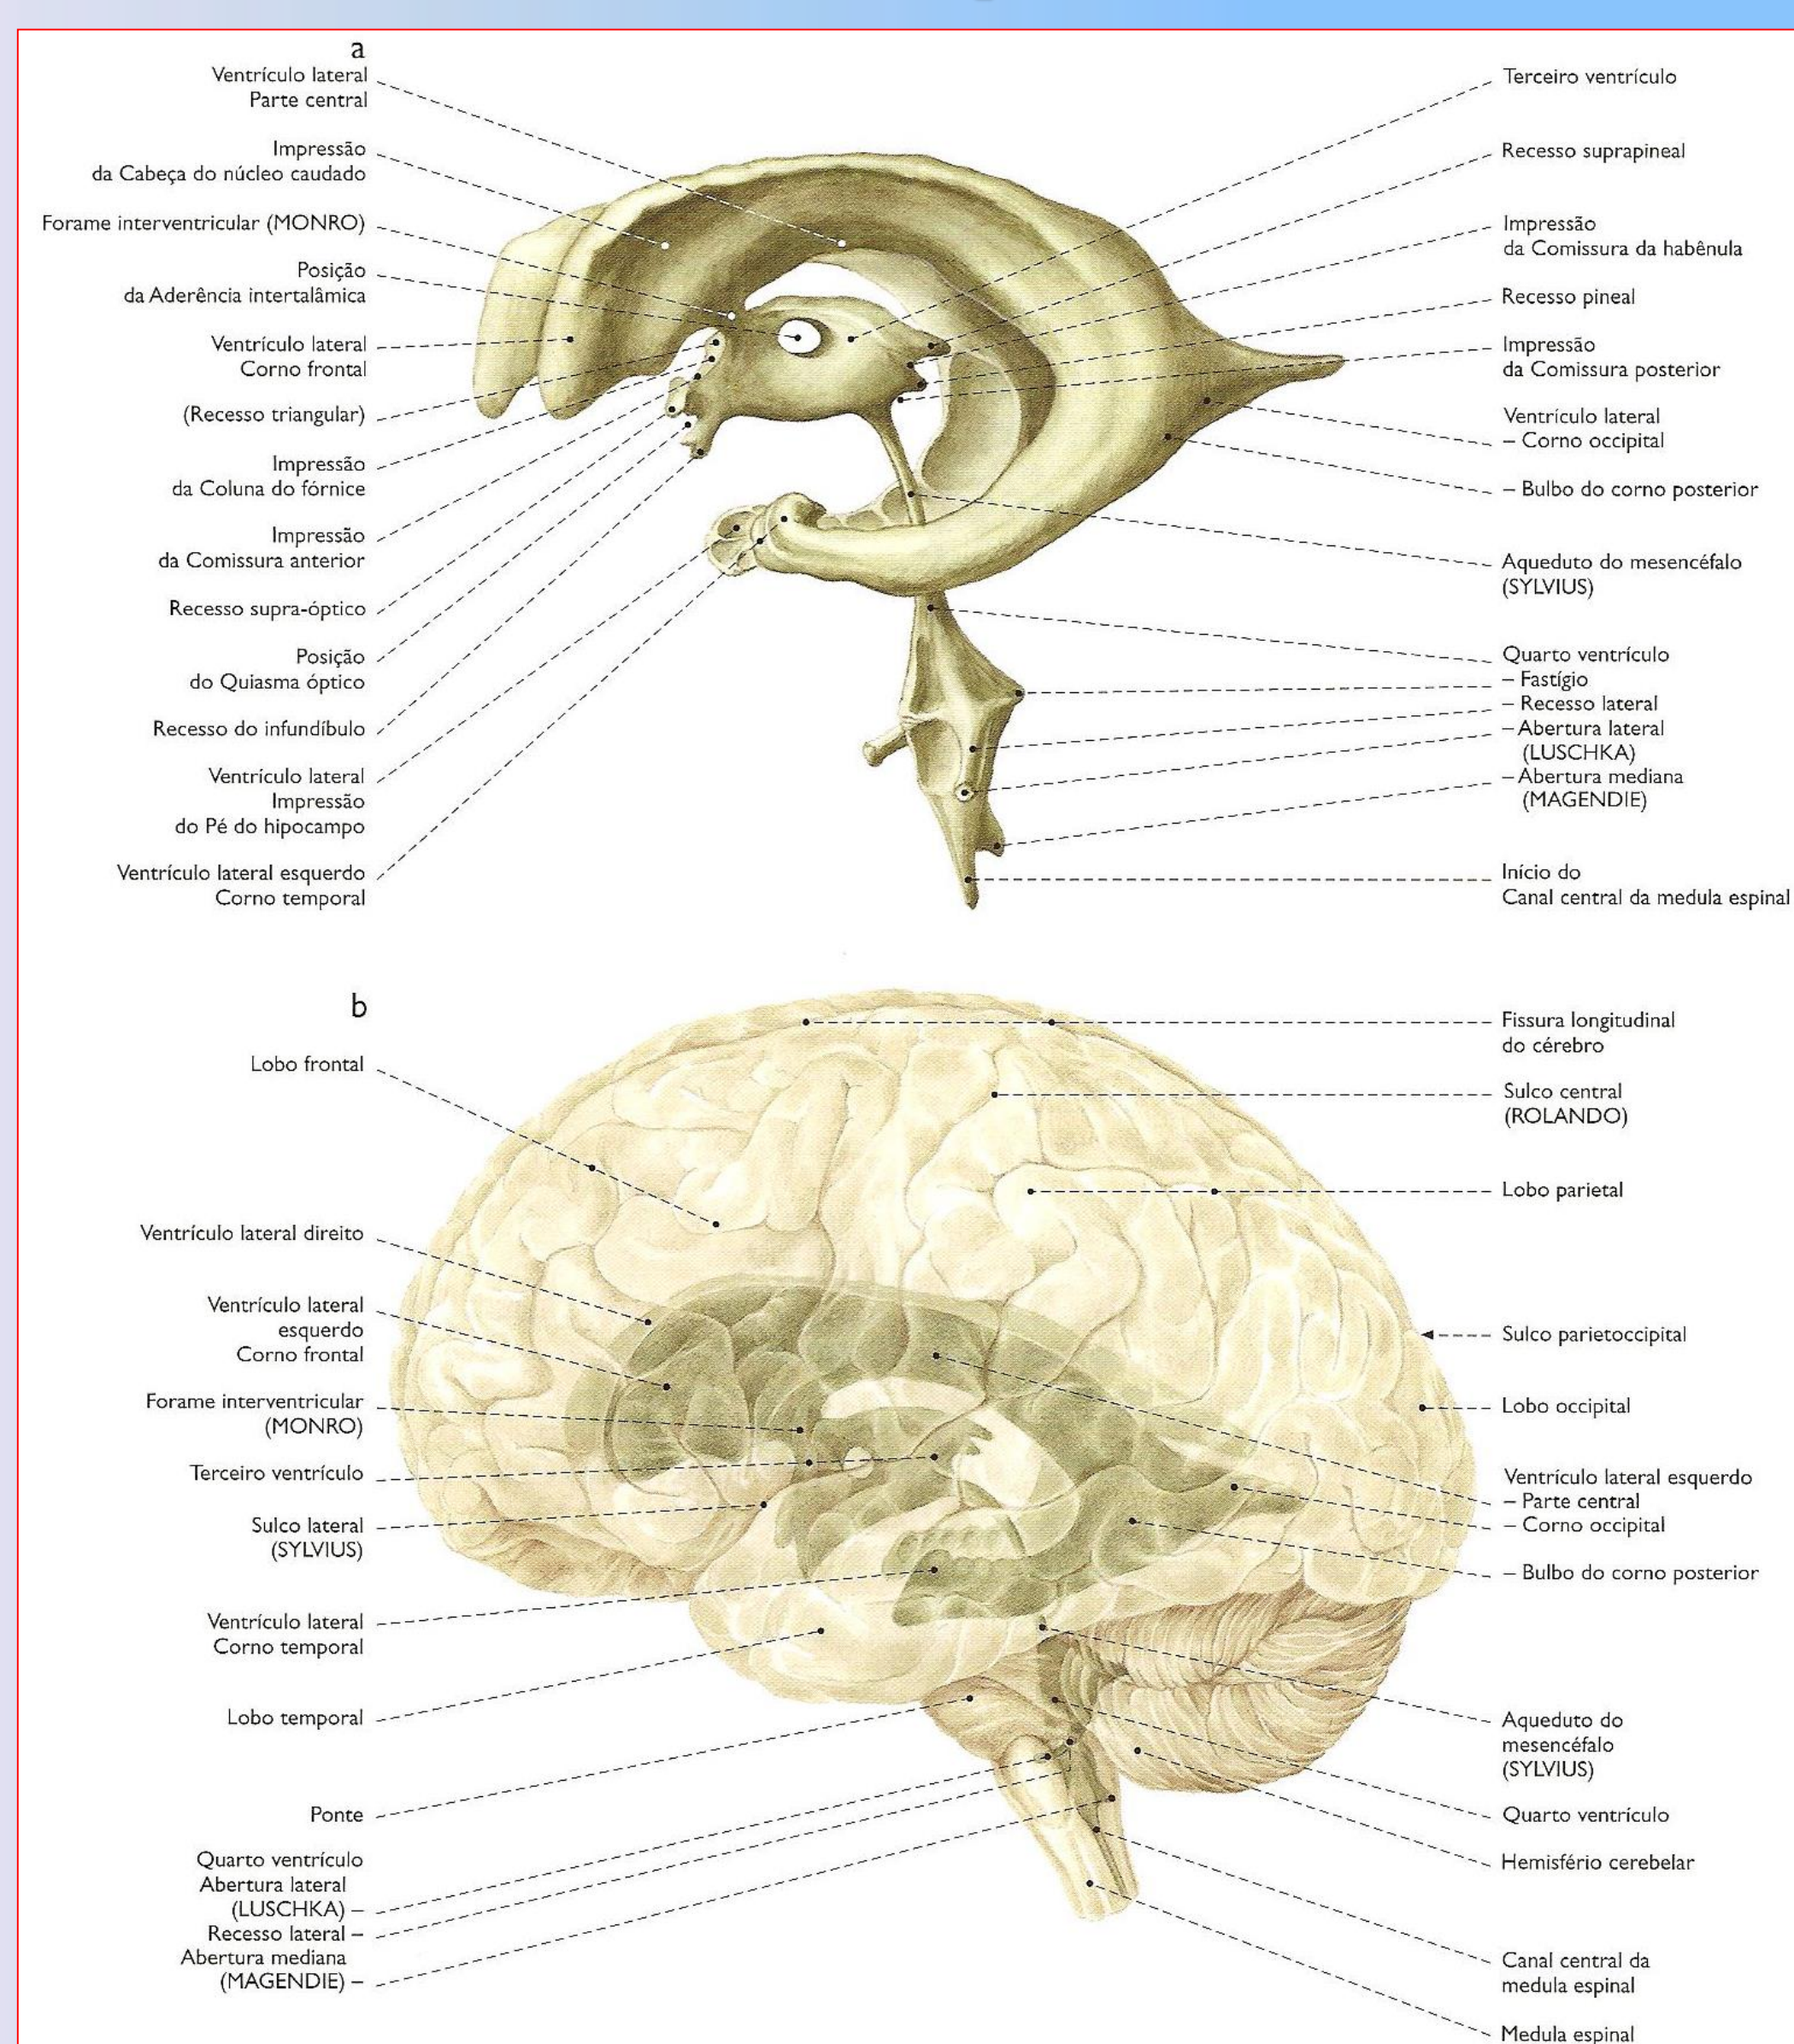

Meninges, ventrículos e circulação liquórica

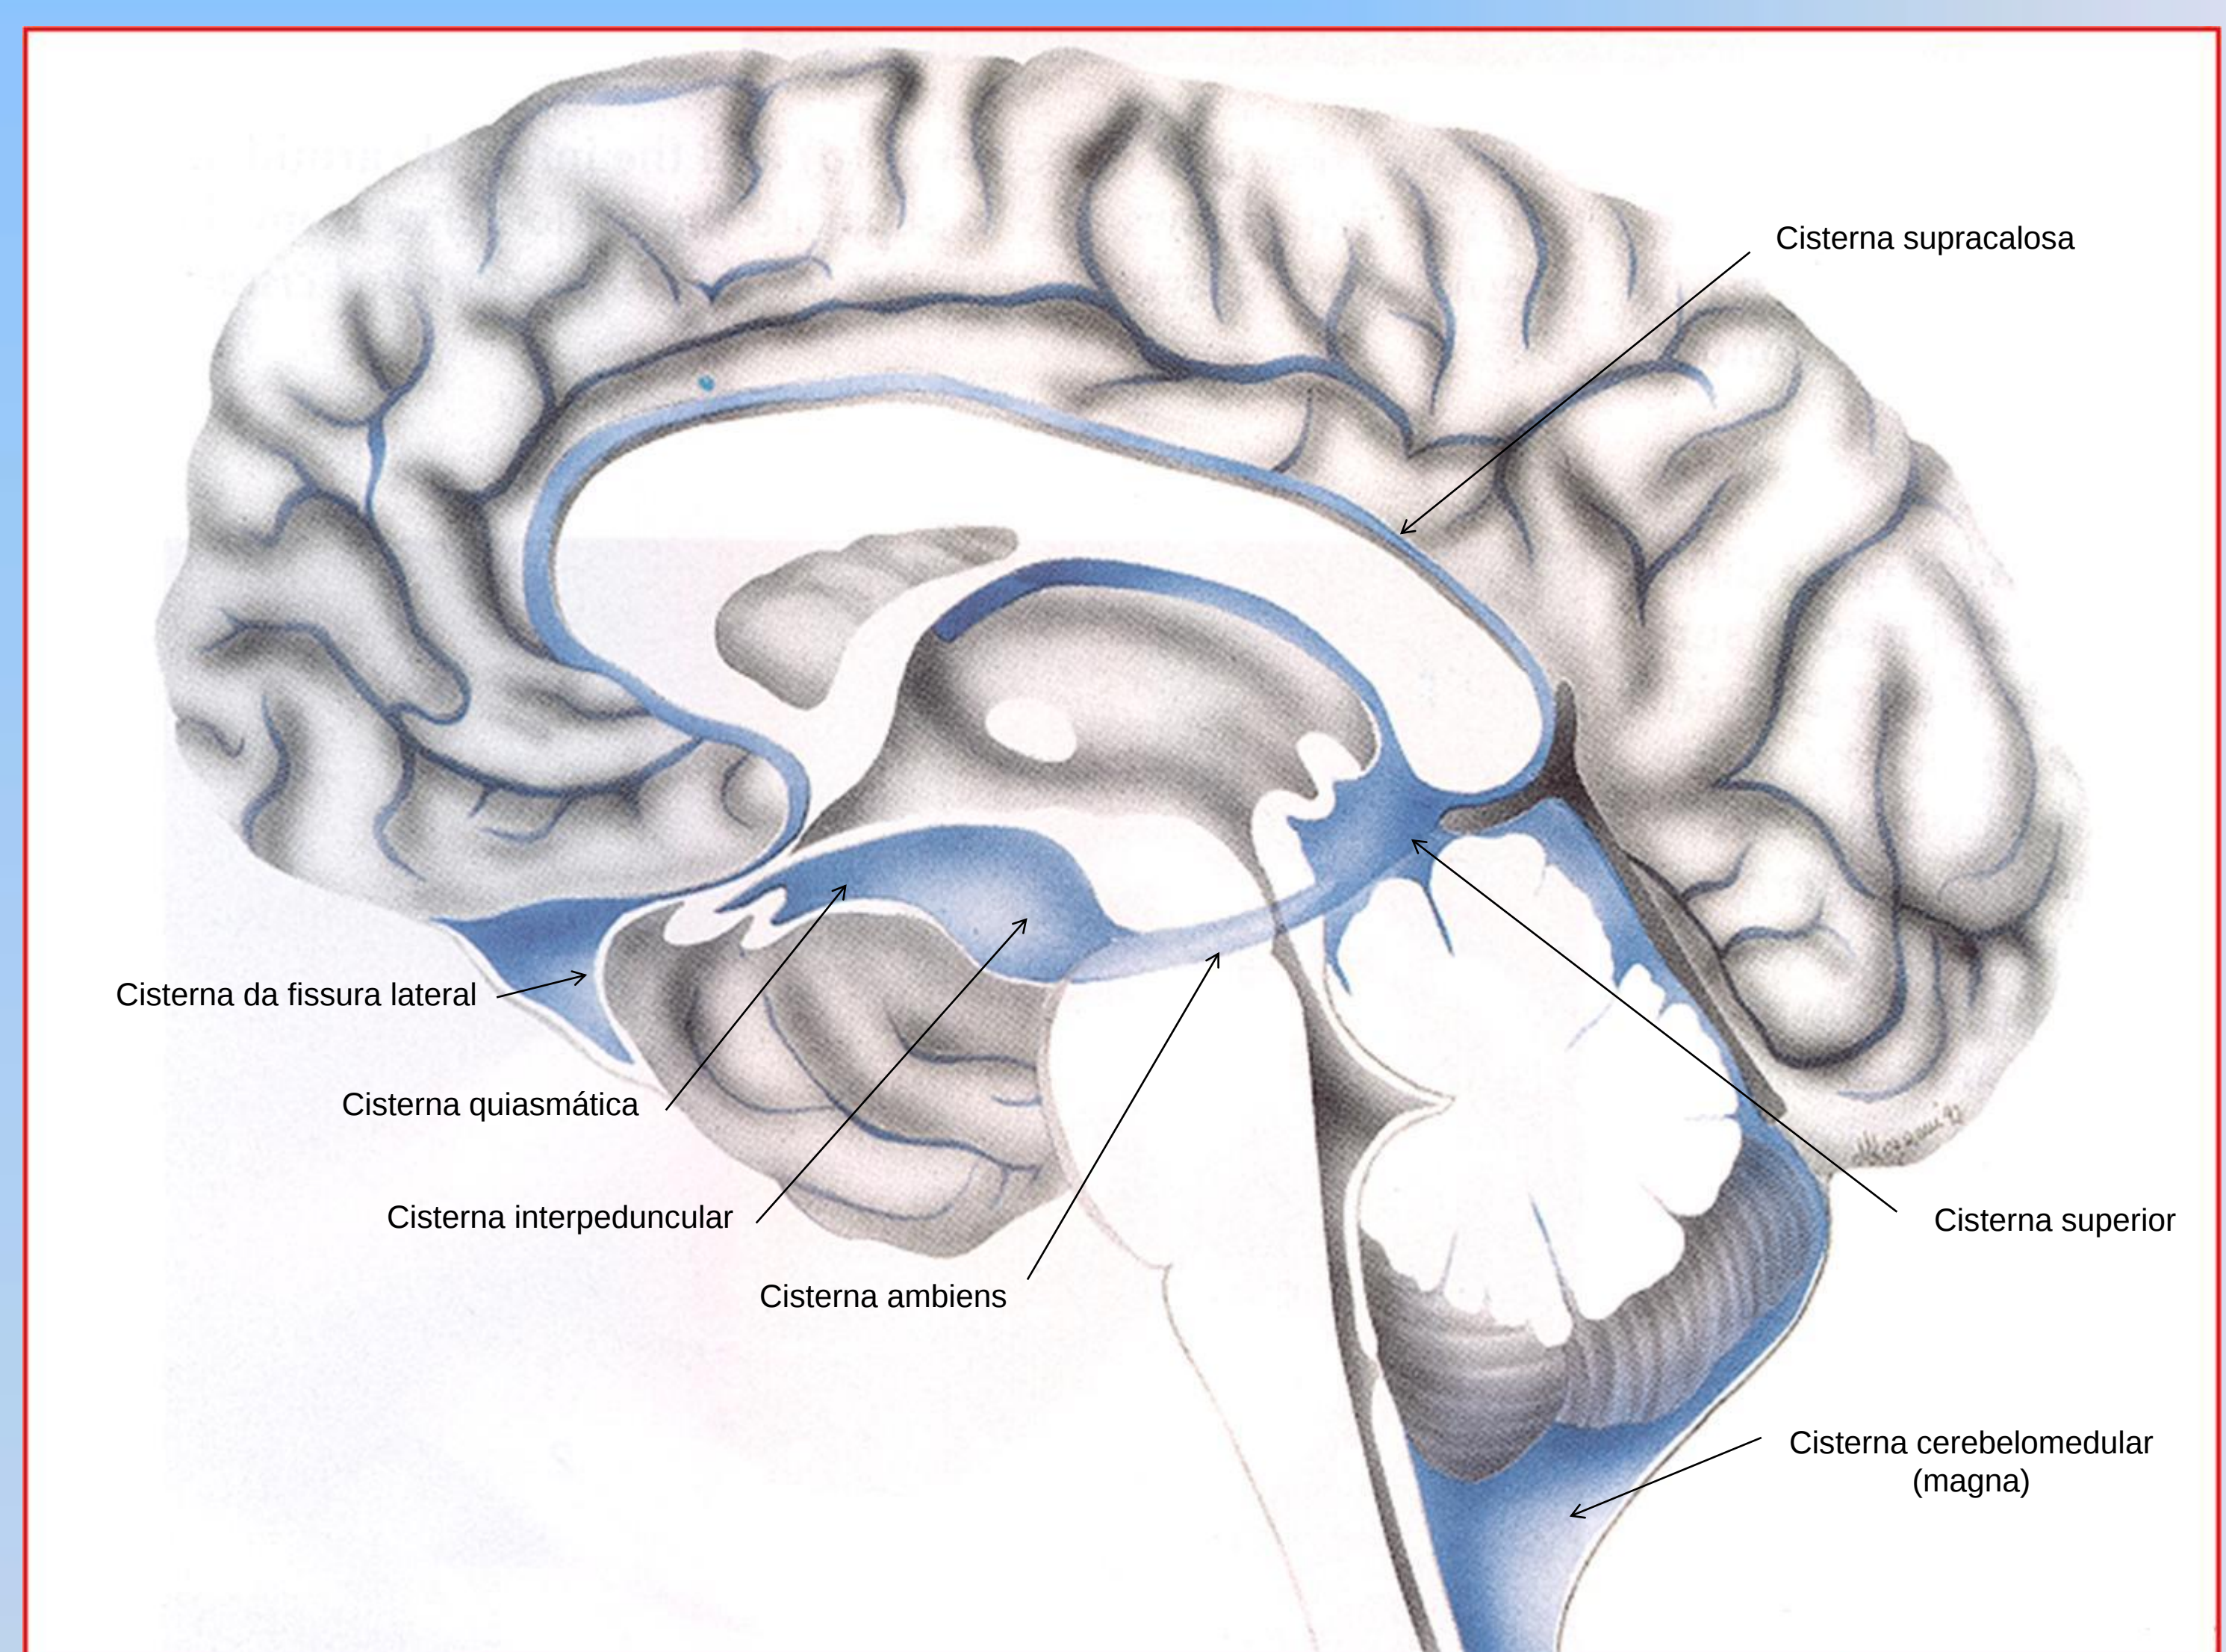

**Ventrículos cerebrais
Vista superior**

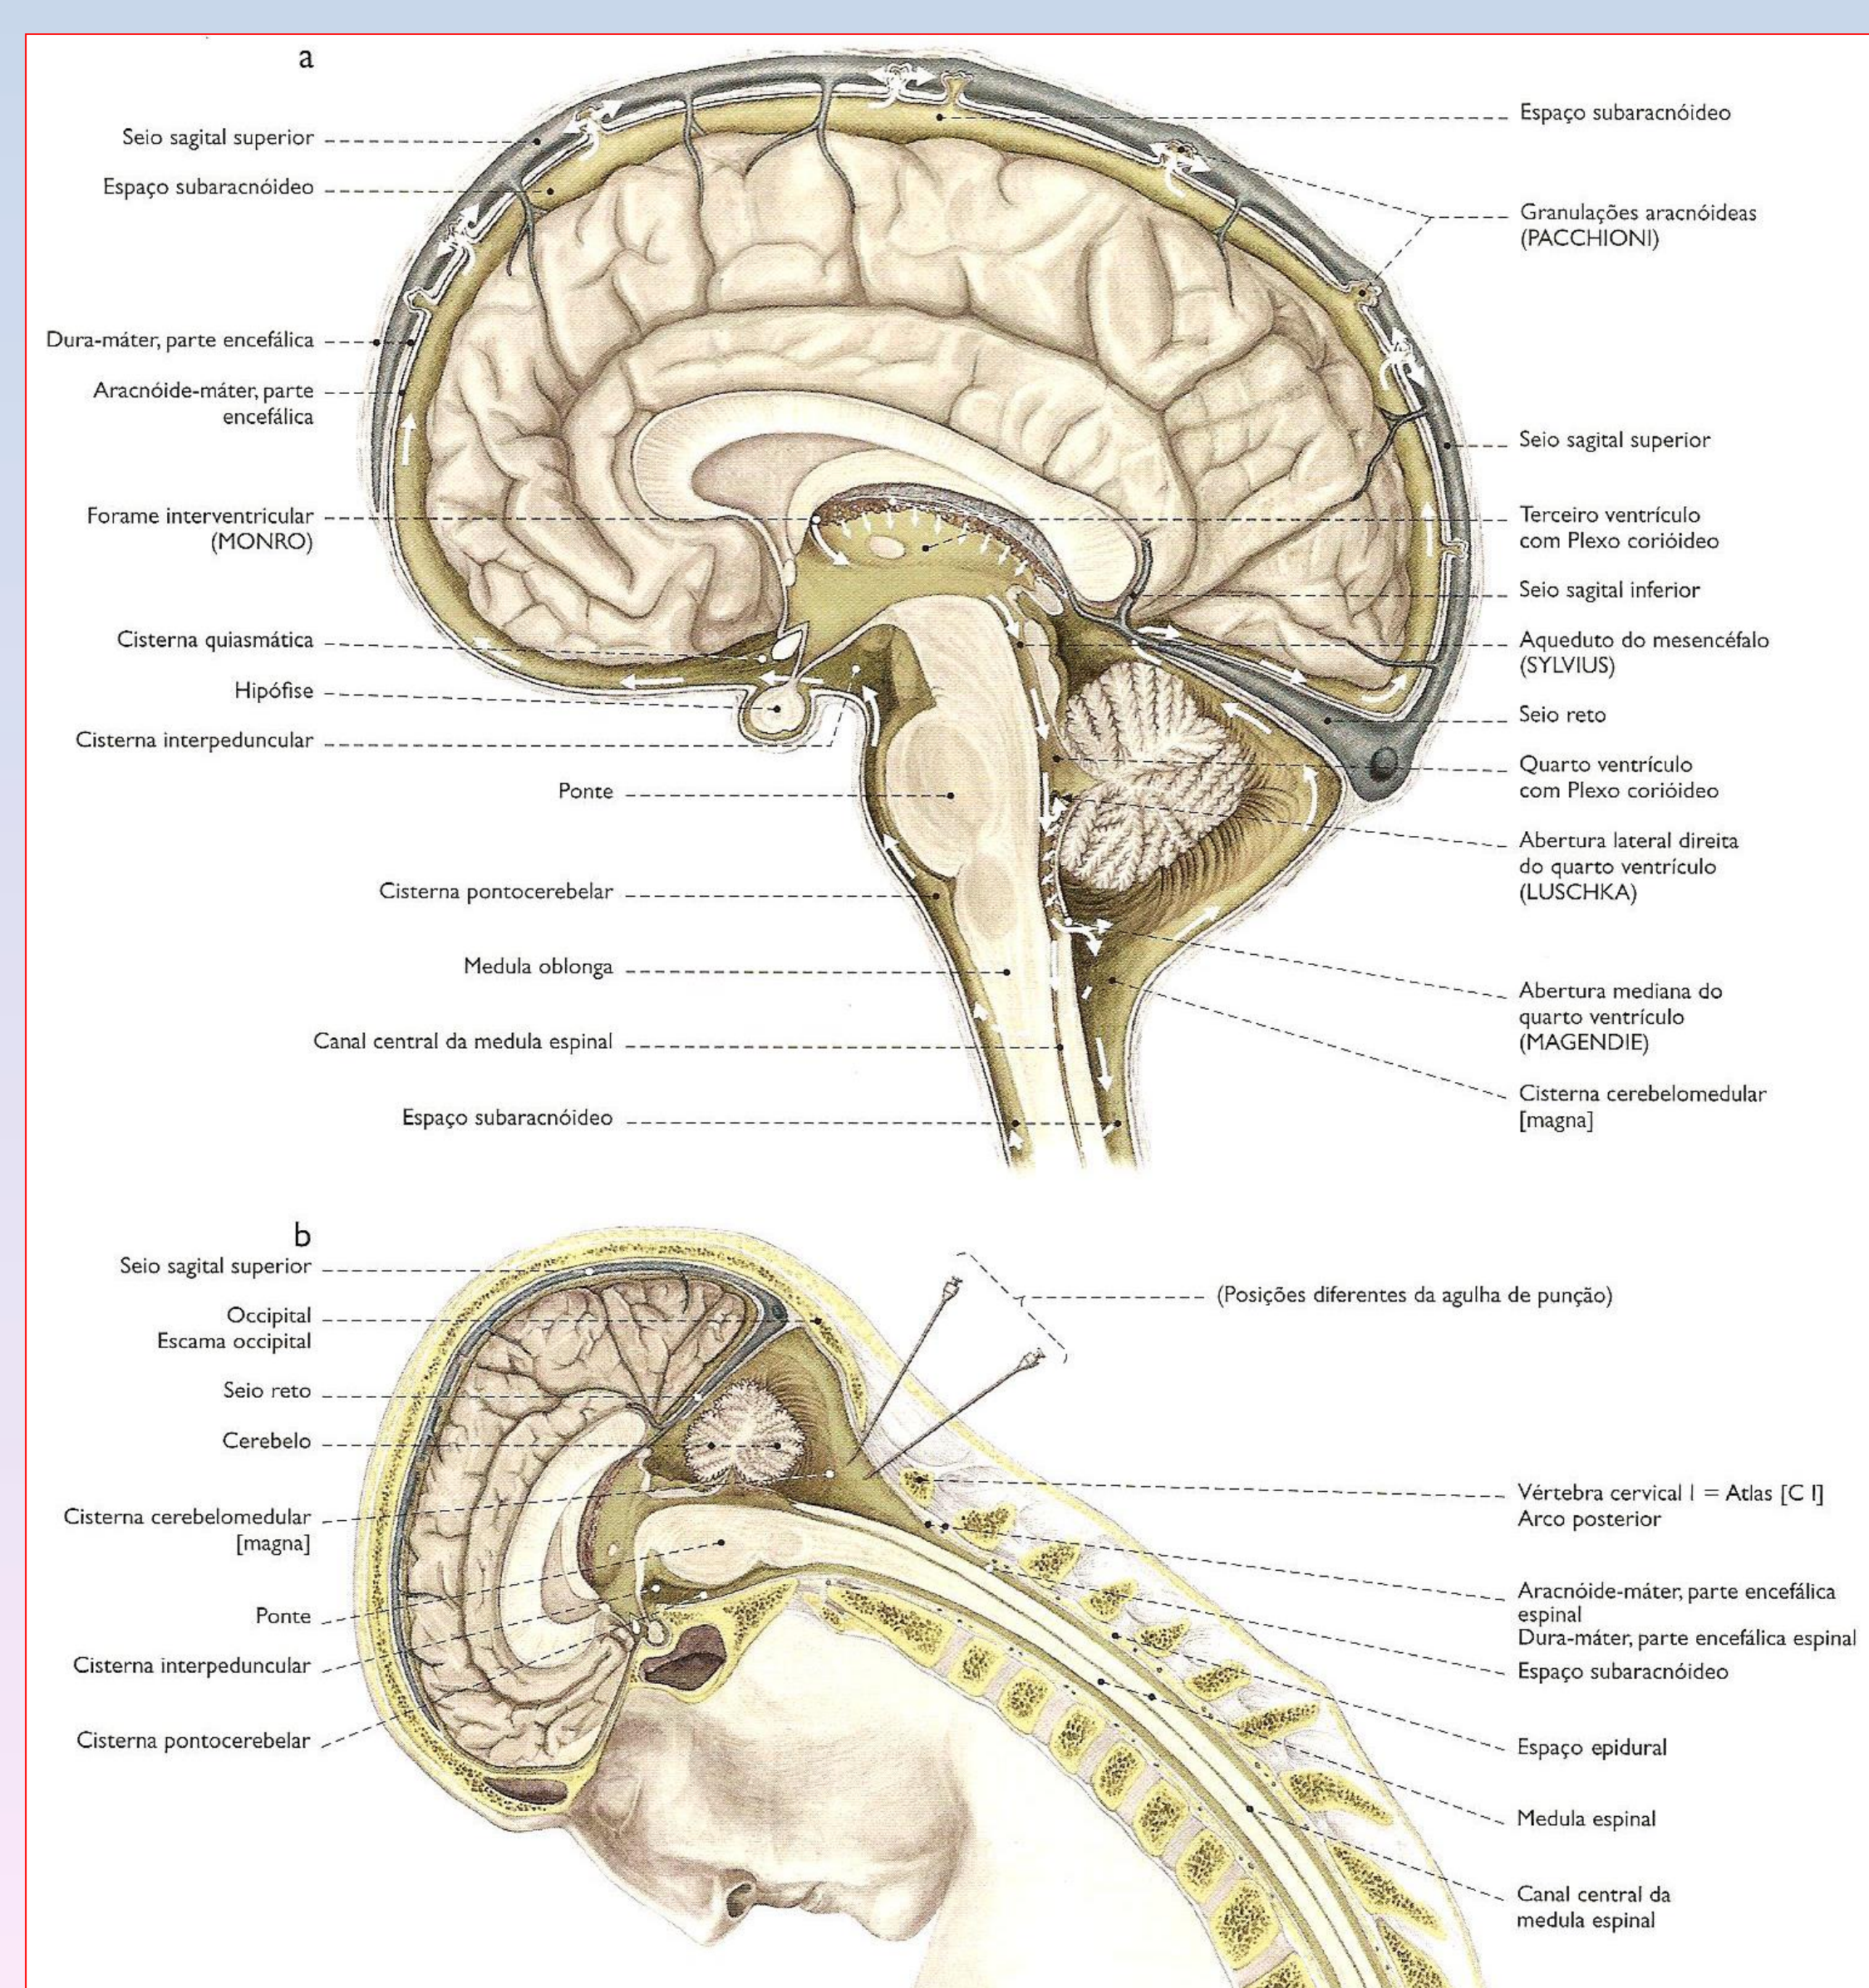

**Ventrículos cerebrais
Vista frontal**

**Ventrículos cerebrais
Vista lateral esquerda**

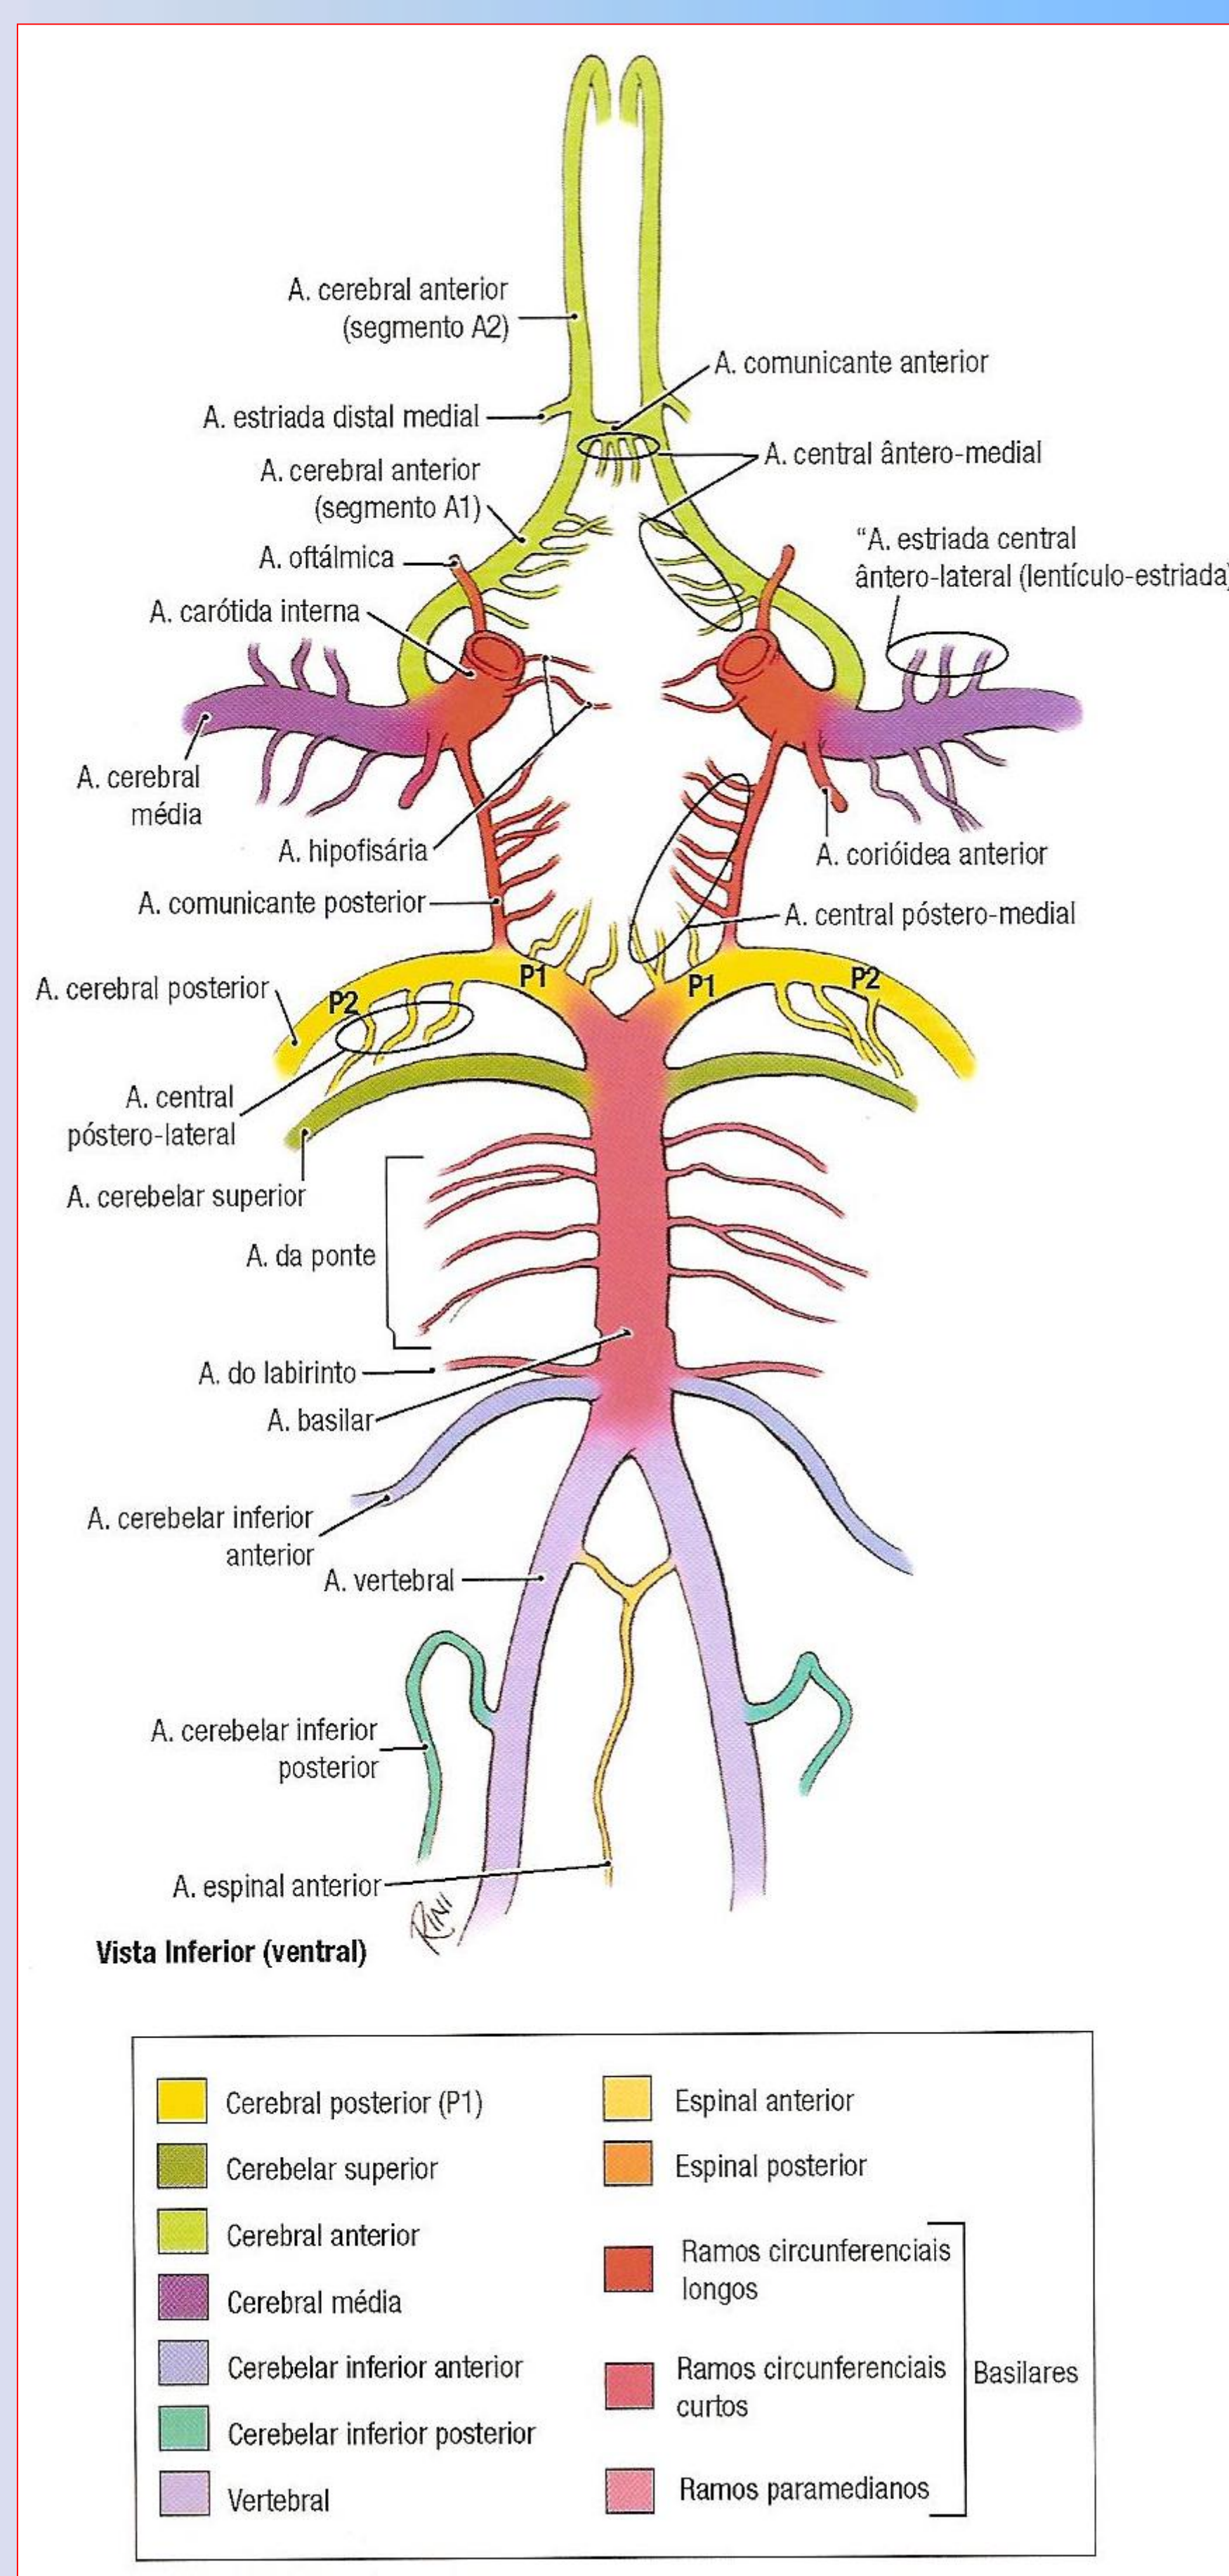

Cisternas subaracnóideas

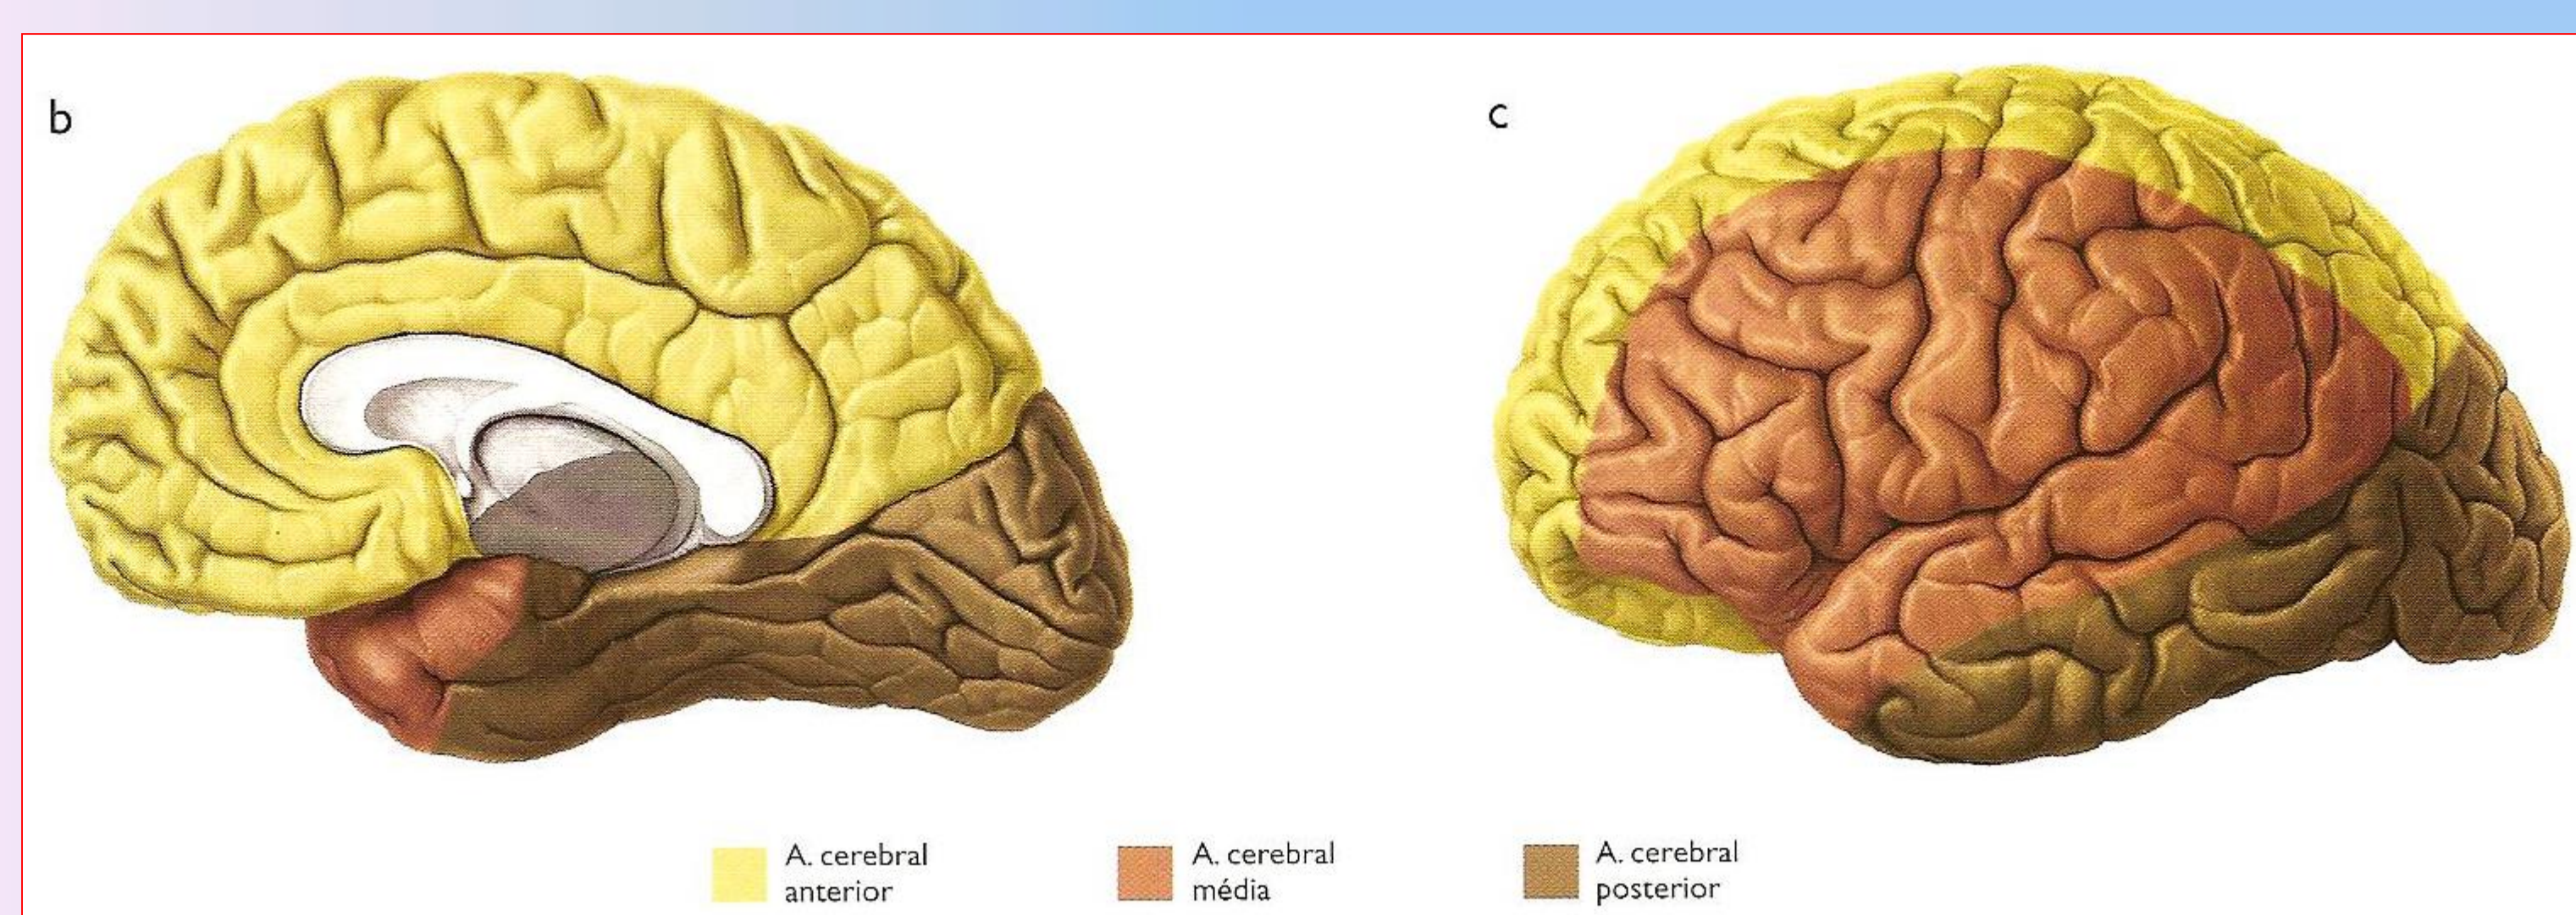

**Espaço subaracnóideo,
cisternas subaracnóideas,
circulação liquórica e punção
suboccipital**

Vascularização do SNC

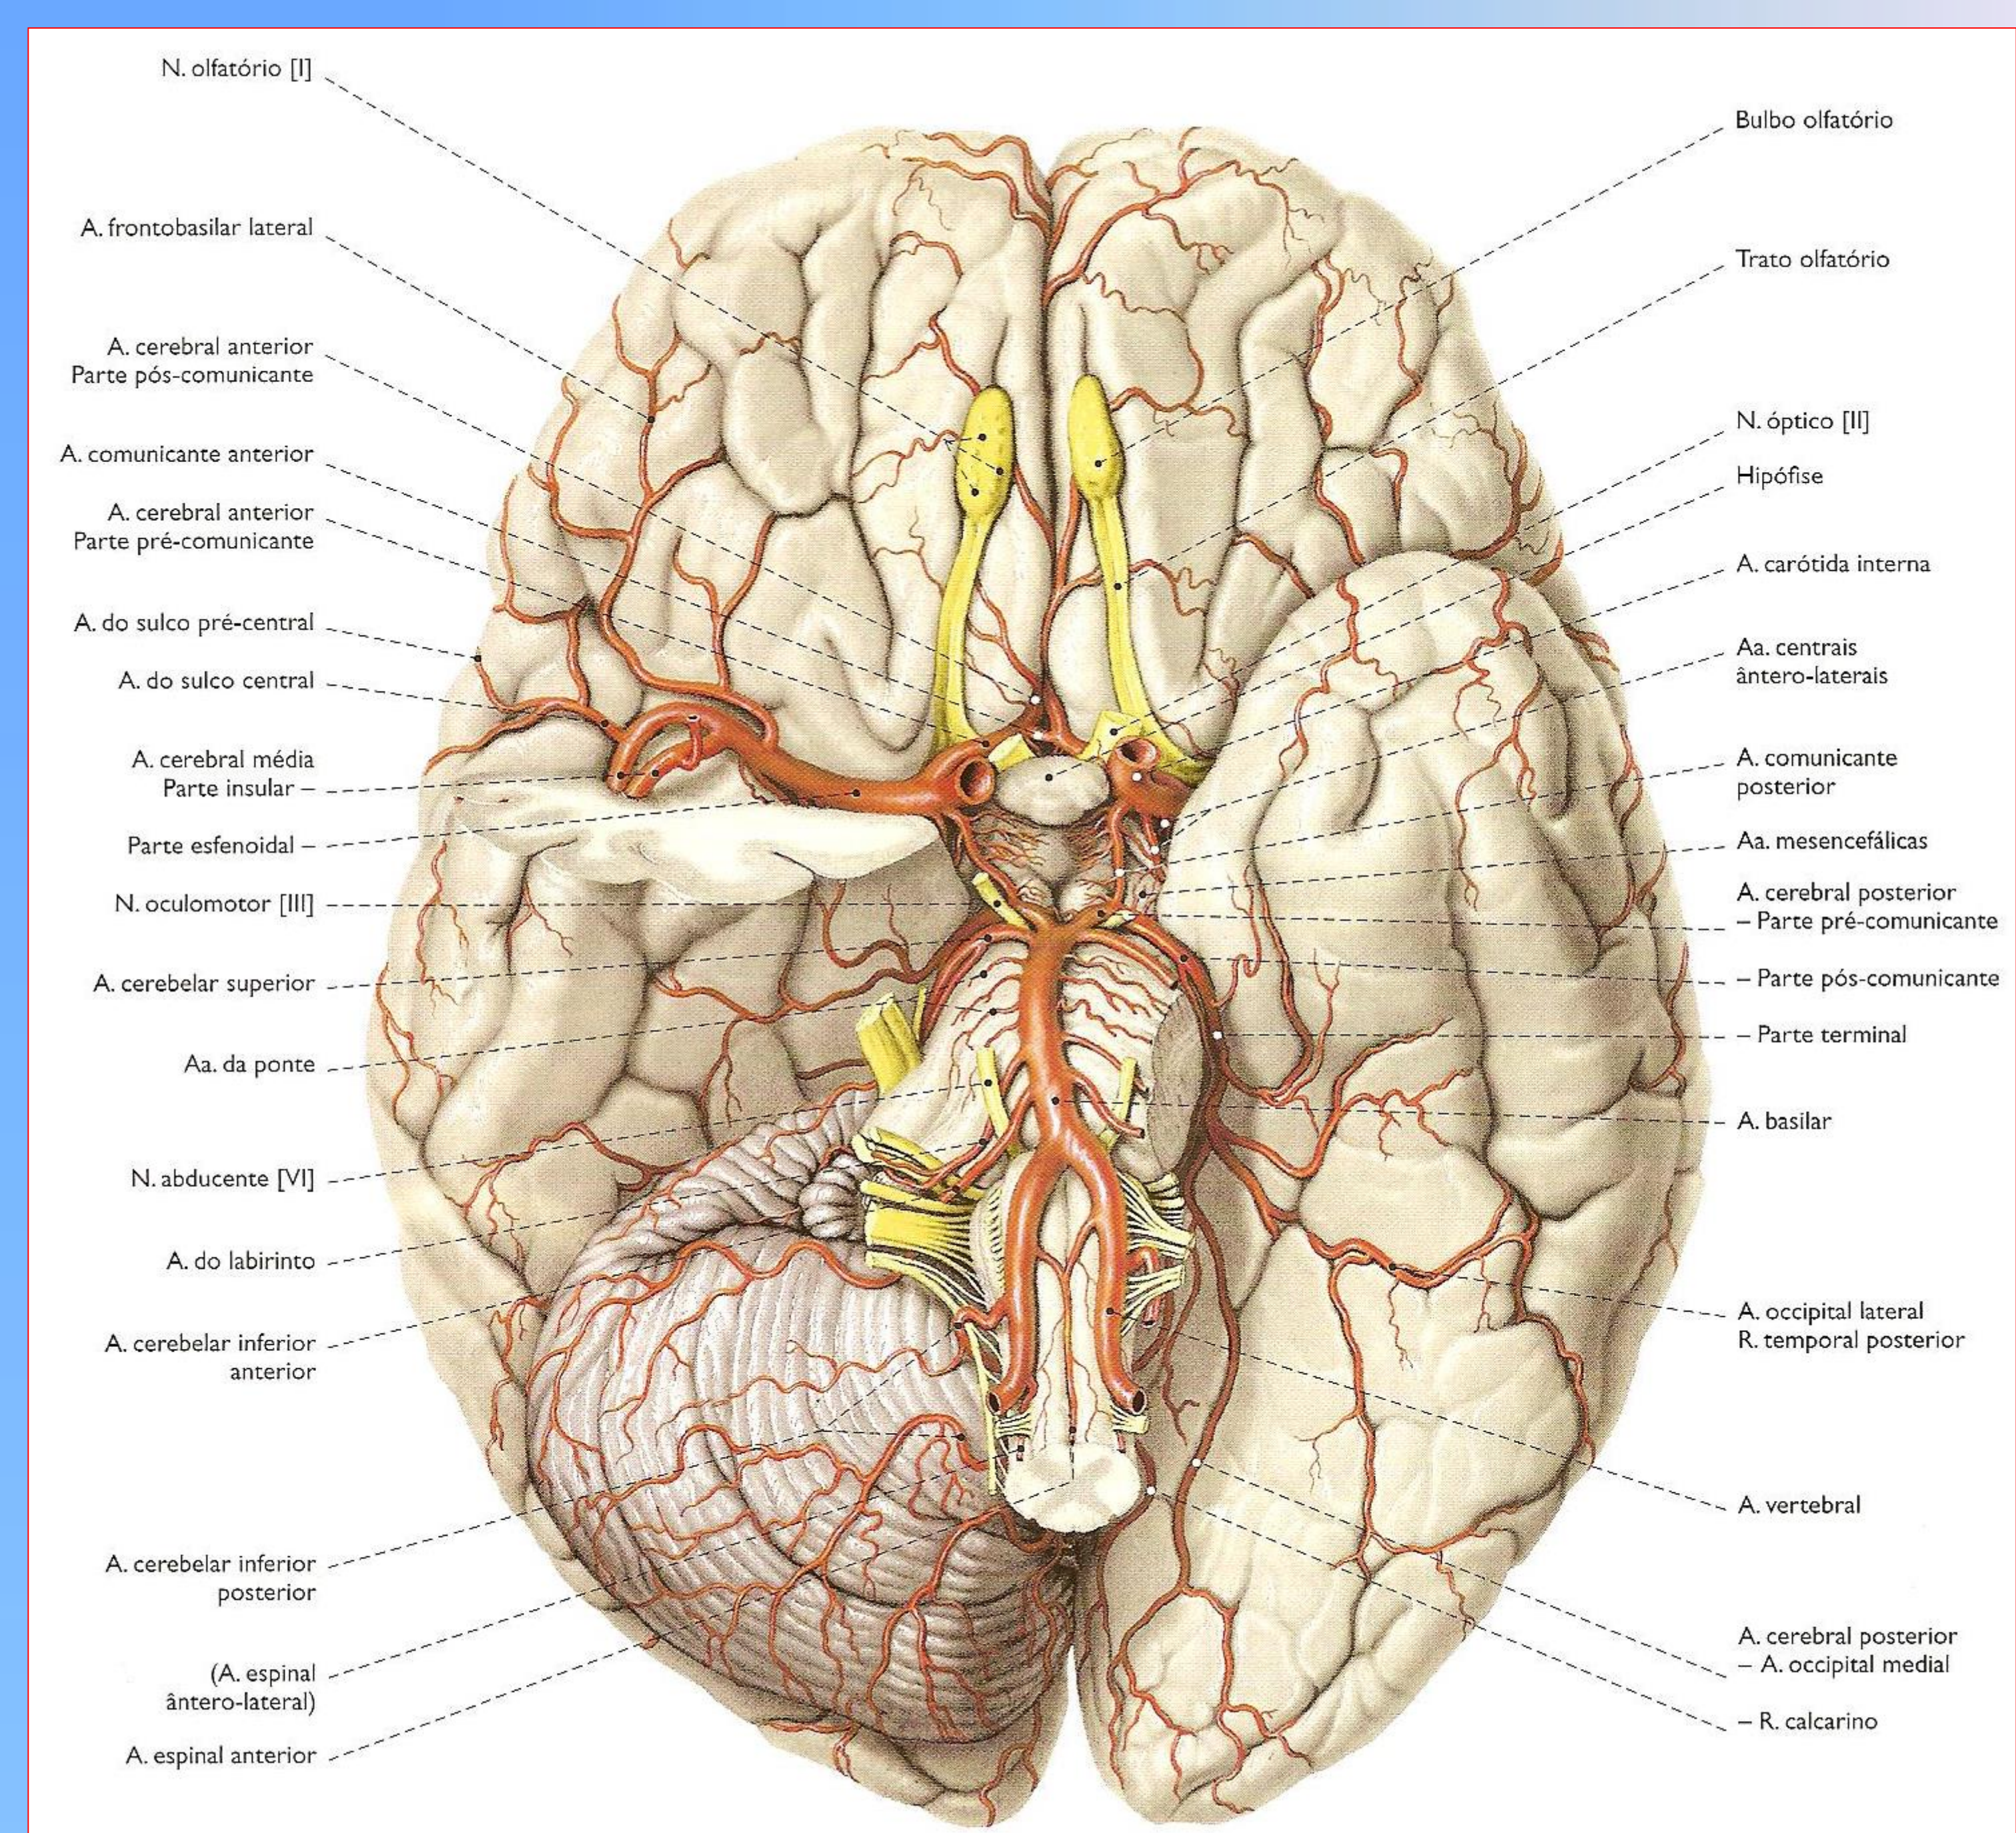

Artérias do encéfalo

Polígono da base

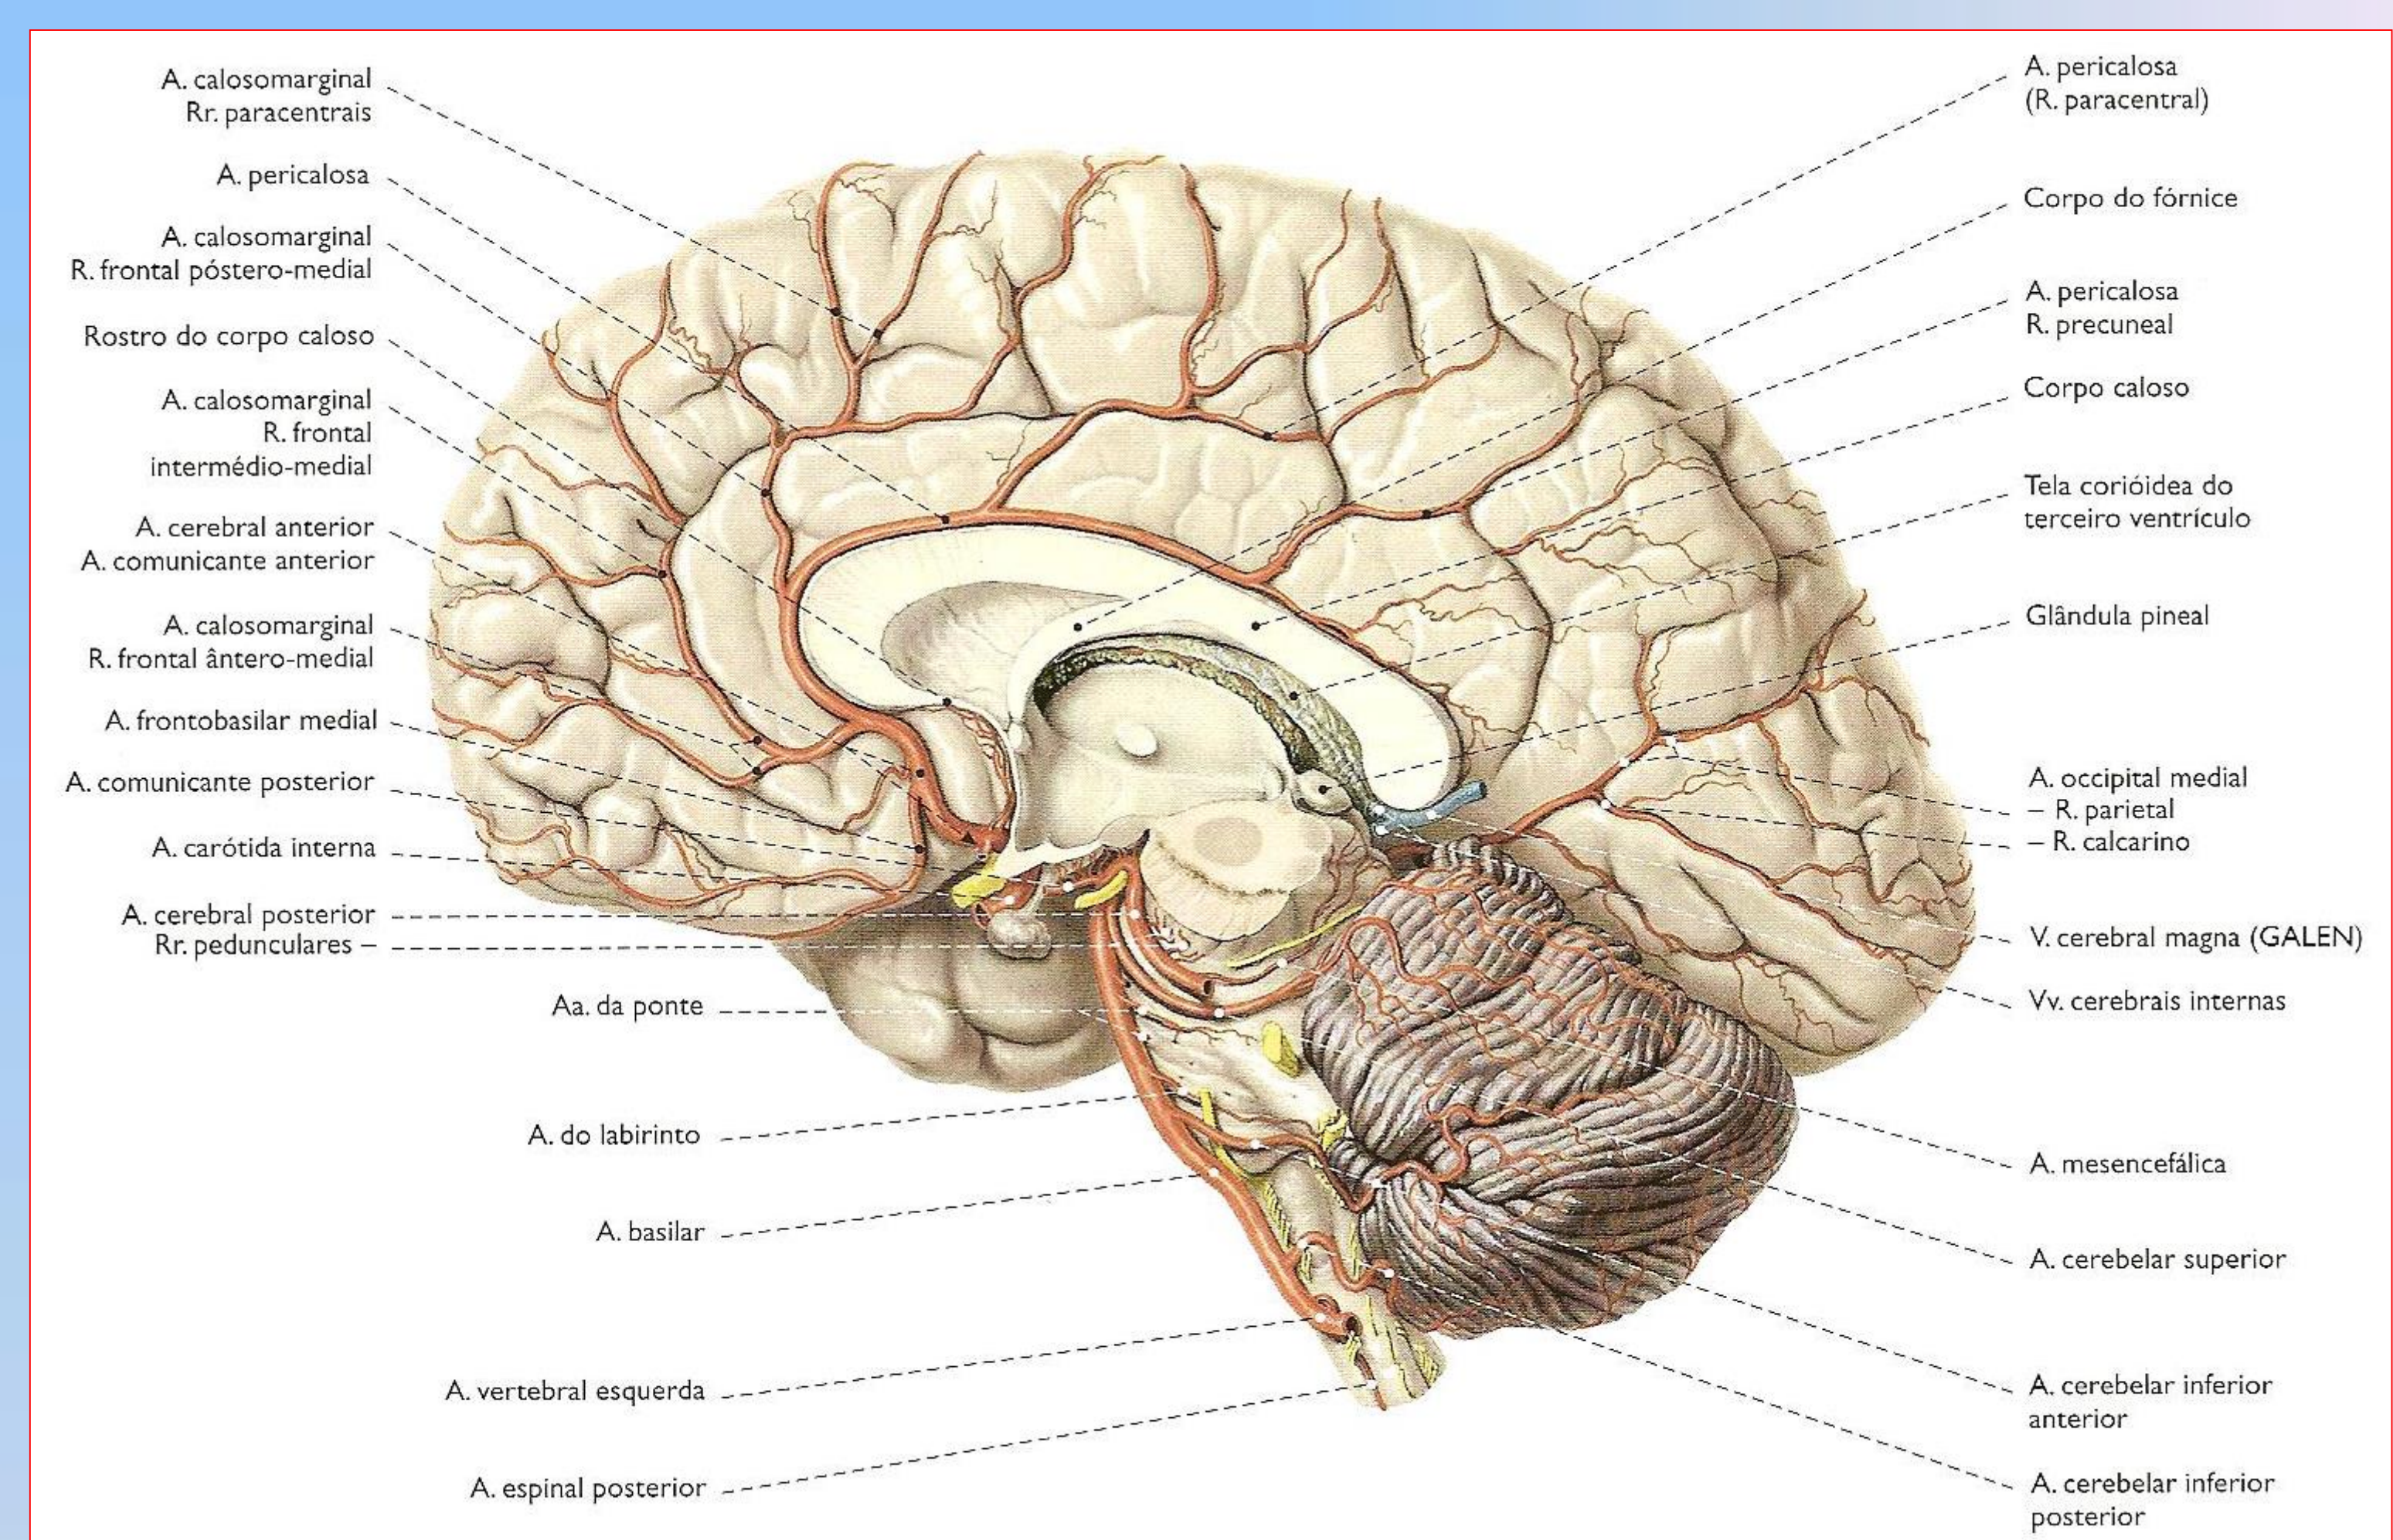

Áreas de suprimento das artérias cerebrais

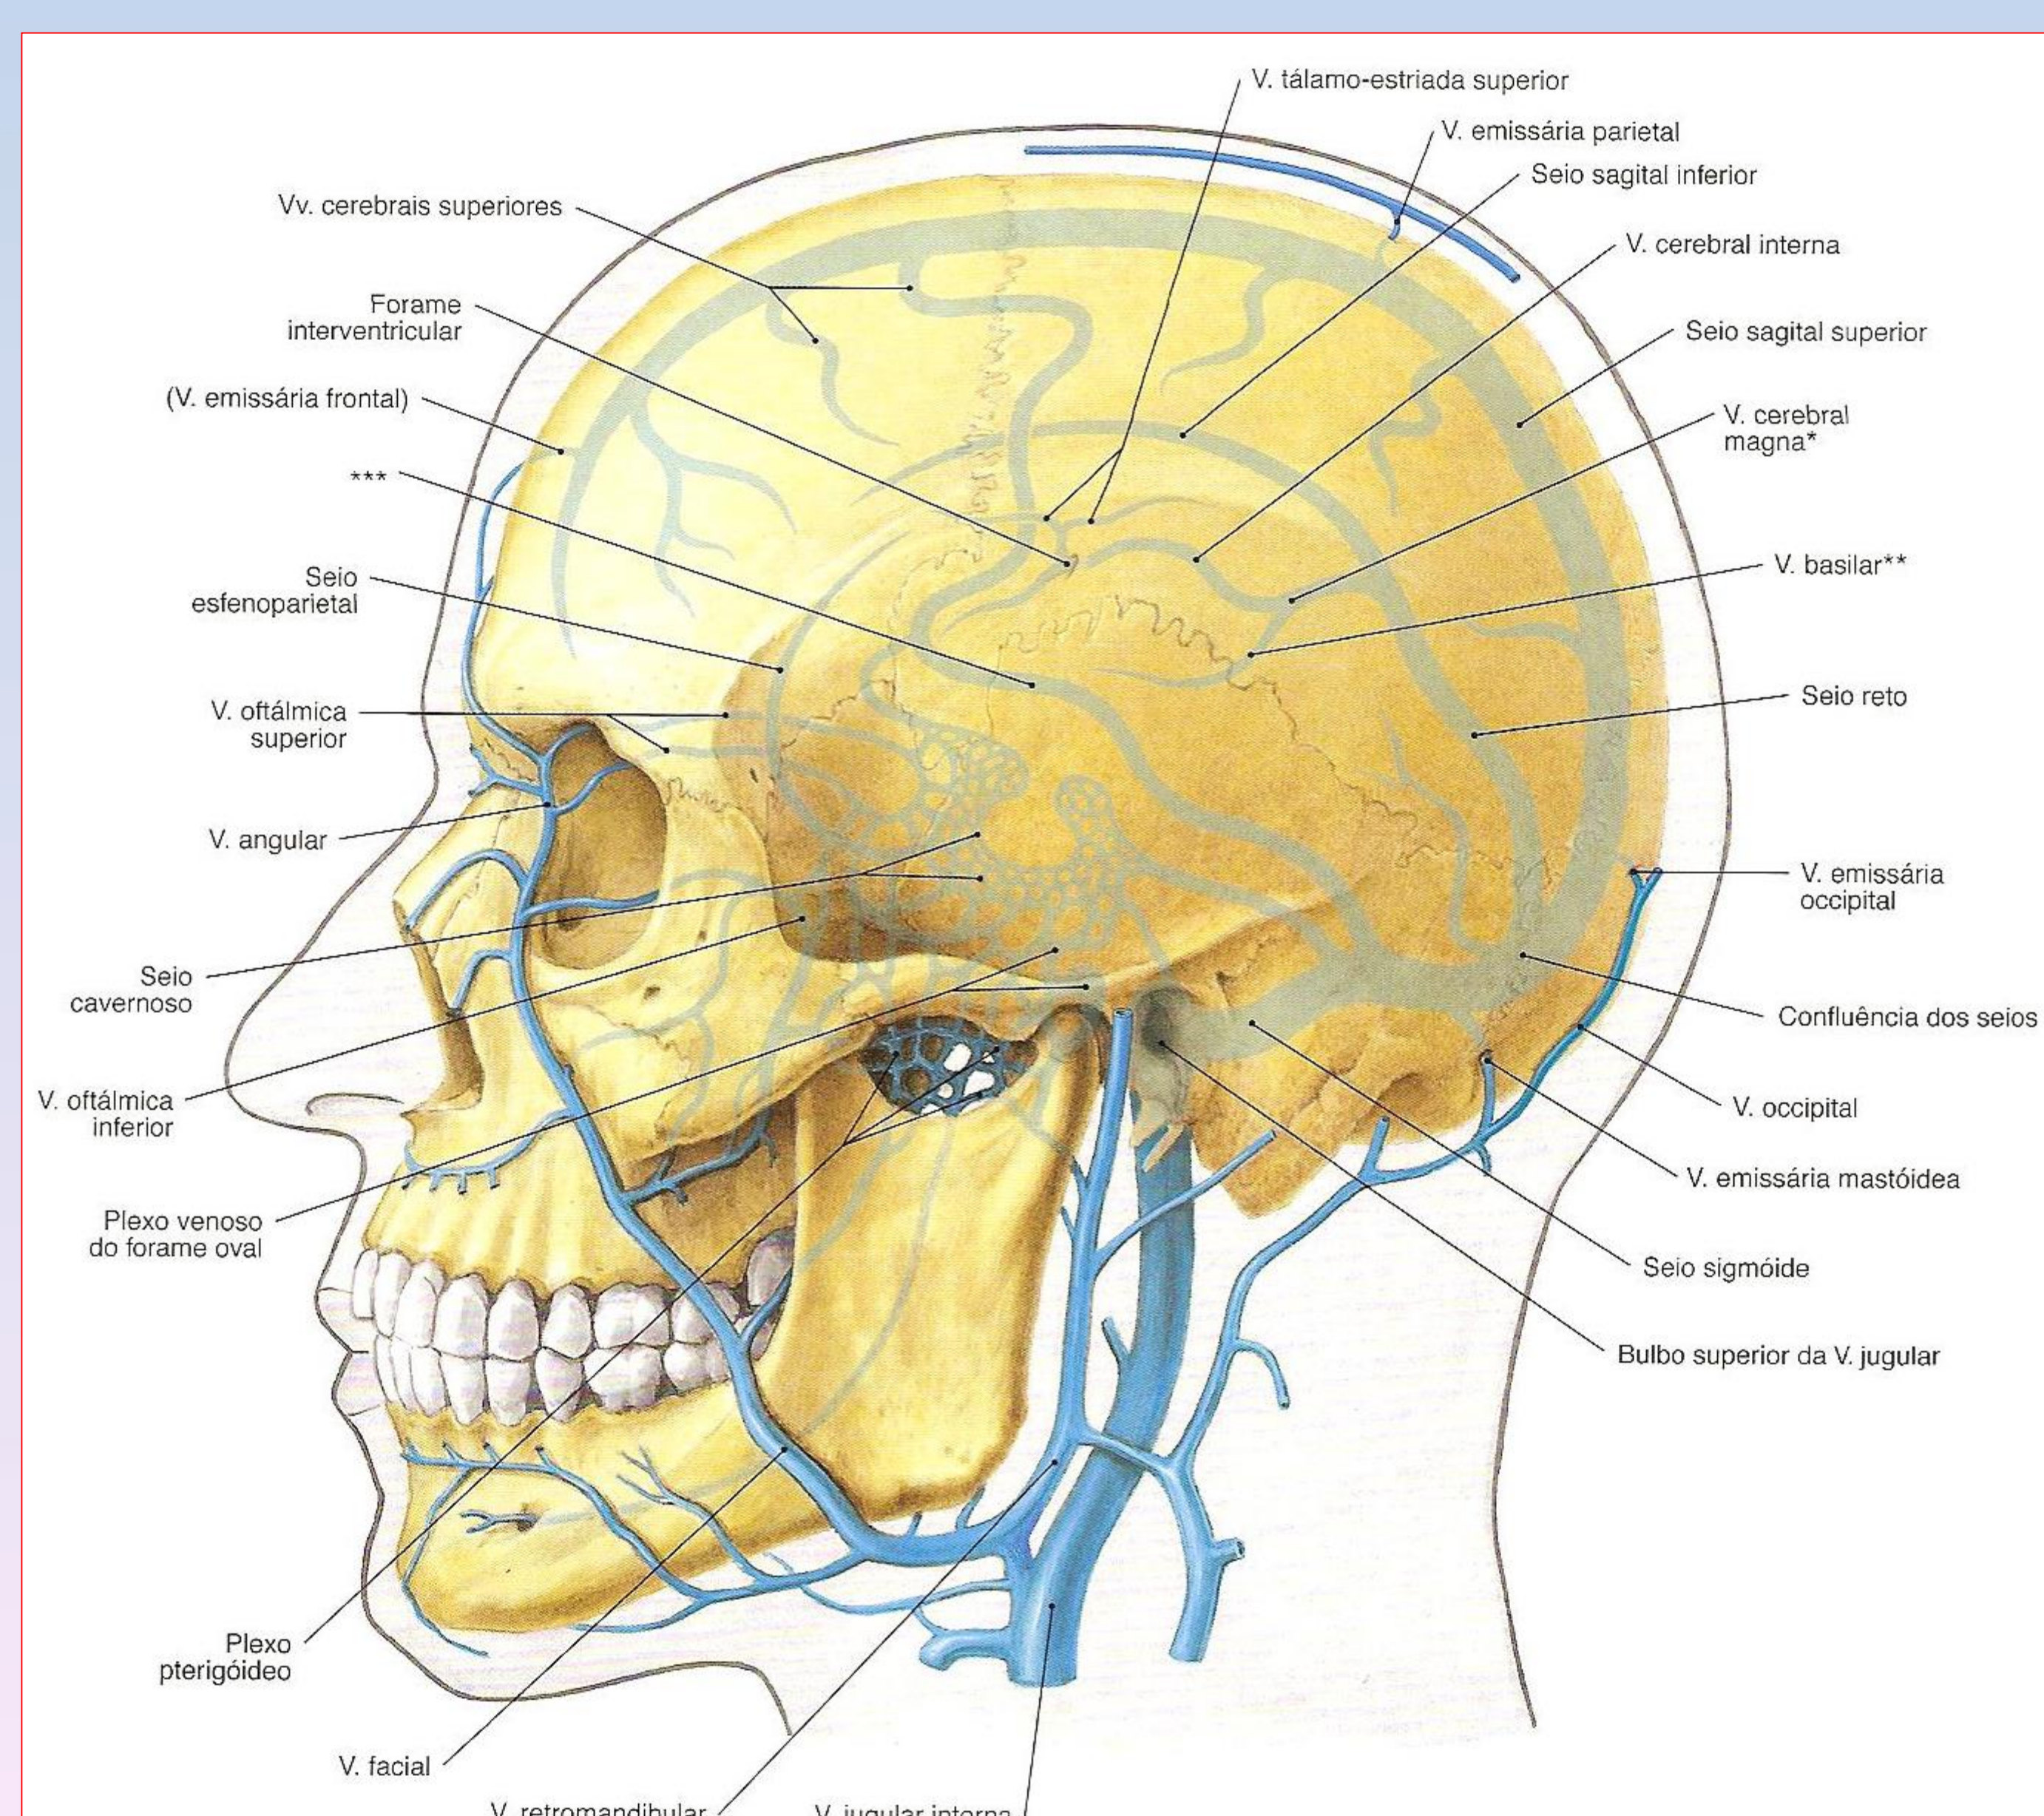

Artérias do encéfalo

Vista inferior

Artérias do encéfalo

Veias da cabeça
