8

MITM

- Por mais que façamos – ser humano é o elo mais fraco da corrente

9

MITM

Hi, it's my first week and the boss had asked me to look at a problem on the network. Can you help me?

10

MITM

Oh no! I left my keys at home. The boss will be so mad at me. Can you let me in?

11

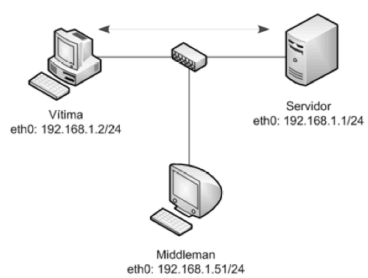

MITM

Ha, I have full access to the network. Gullible or what...
