

# General information

## Lecturer/dates

Prof. Frederique Grassi

Tuesdays and thursdays 10-11:40

Room 2015

First lecture 16/08/2022

## How to study for this course

- Before each class: try to read the slides
- After each class:

Re-do all calculations (not everything is on the slides for space reason)

Do the homework and submit it on edisciplinas within 1 week. Work in group, ask questions and do not wait for the last day. It will not be graded (but see below)

## Evaluation

No written test

Every tuesday from 11:10 to 11:40, there will be an easy quiz on edisciplinas about the lectures and homework of the previous week. Worst 2 grades will be discarded to compute the final grade.
