

The background of the slide features a low-angle, perspective view of architectural elements. On the left, a dark brown brick wall is visible, topped with a lighter-colored brick section. To the right, a corrugated metal roof with a light green and white striped pattern is shown. The background is composed of large, solid-colored geometric shapes in shades of light gray and beige, creating a modern, minimalist aesthetic.

Revistas de Arquitetura e Urbanismo

IAU0917 - Meios Digitais I (2025)

Por que Revistas de Arquitetura?

CURADORIA

Seleção criteriosa e referências qualificadas

PENSAMENTO CRÍTICO

Análise reflexiva e questionamento de soluções

REPERTÓRIO

Ampliação de técnicas, linguagens e abordagens.

CULTURA

Compreensão histórica e contextualização internacional

POSICIONAMENTO

Visão autoral frente aos tensionamentos

REFERÊNCIA

Base teórica para embasar projetos e argumentos
