\*O Filme e experimento adicionaram 0.1 cada na média final das provas de exercícios (MPE)

Alunos com média final > 5.0 estão aprovados. Alunos com frequência menor que 70% (mínimo regimental para o curso) mas que conseguirem média, terão a frequência aumentada a 0.7.

Alunos com média final < 5.0 e frequência < 70% estão automaticamente reprovados, por nota e frequência, sem direito a fazer a prova de recuperação (REC). Sendo assim, nenhum aluno reprovado desta turma poderá fazer a prova de recuperação.
