## Subject: License and activation of WATT Mechanism Suite

Dear prof. Marcelo Becker,

Congratulations with the purchase off **Watt Mechanism Suite, multi-user educational license**. The "**multi-user educational license**" permits the Universidade de São Paulo (USP) to install the software on all computers owned by or under its control or on computers owned by and under control of registered students. USP is licensed for unlimited use by all staff and students at USP.

WATT Mechanism Suite contains both WATT Synthesis and Roberts Animator.

### Installation instructions:

1. Download the software from our web-site using your activation key, as indicated on page 2.
2. Run the downloaded install package to install the software.
3. Start WATT, select **Activation** from the HELP-menu and enter your activation key (see page 2)
4. Start ROBERTS, select **Activation** from the HELP-menu and enter your activation key (see page 2)

The software is now ready for use. Help is available from the HELP-menu.

Installing the Software will signify your agreement to be bound by the terms set down in the End-User License Agreement (EULA) for WATT Mechanism Suite. The EULA is shown during installation and is printed in the manual.

This letter and the attached activation codes are proof of your license and should be kept in a safe place.

Kind Regards,  
Harry Draijer
