Busca em Bases de Dados

Doutorandas: Franciele Gabriel e Géssica Mota

Profa. Dra. Eliane Ribeiro

O que é Saúde Baseada em Evidências?

Medicina Baseada em Evidências
Prática Baseada em Evidências

Utilização da melhor evidência científica disponível para subsidiar a tomada de decisão clínica

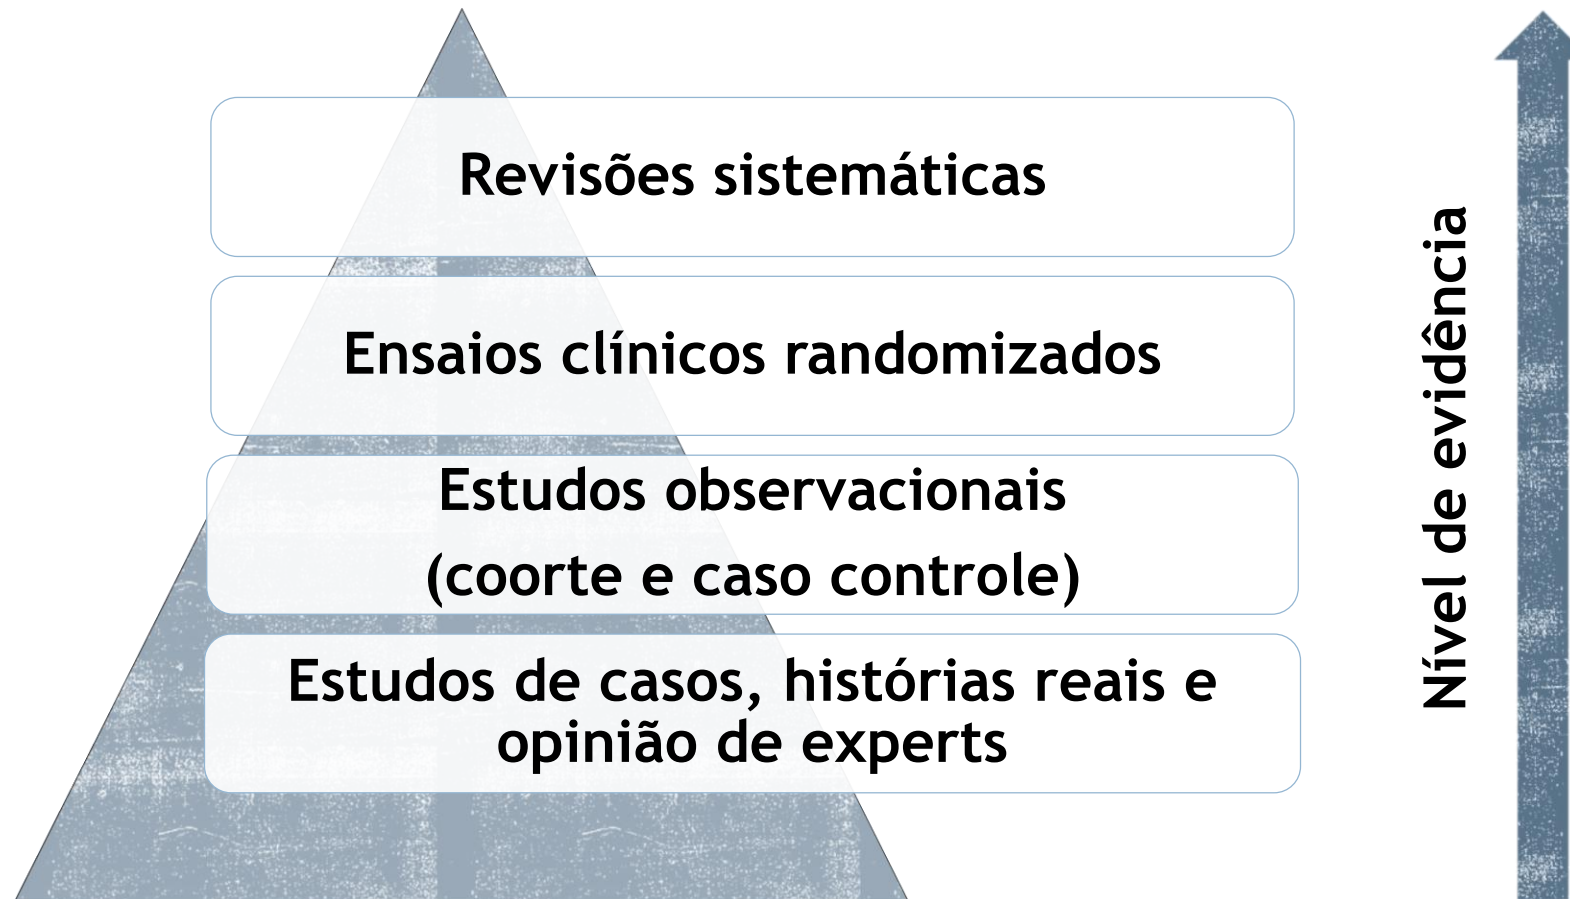

Objetivo de auxiliar os profissionais de saúde a tomarem as melhores decisões para prevenção, diagnóstico ou tratamento do paciente

Saúde Baseada em Evidências (SBE)

Qual a melhor evidência?

Etapas da SBE

Identificação de um problema clínico

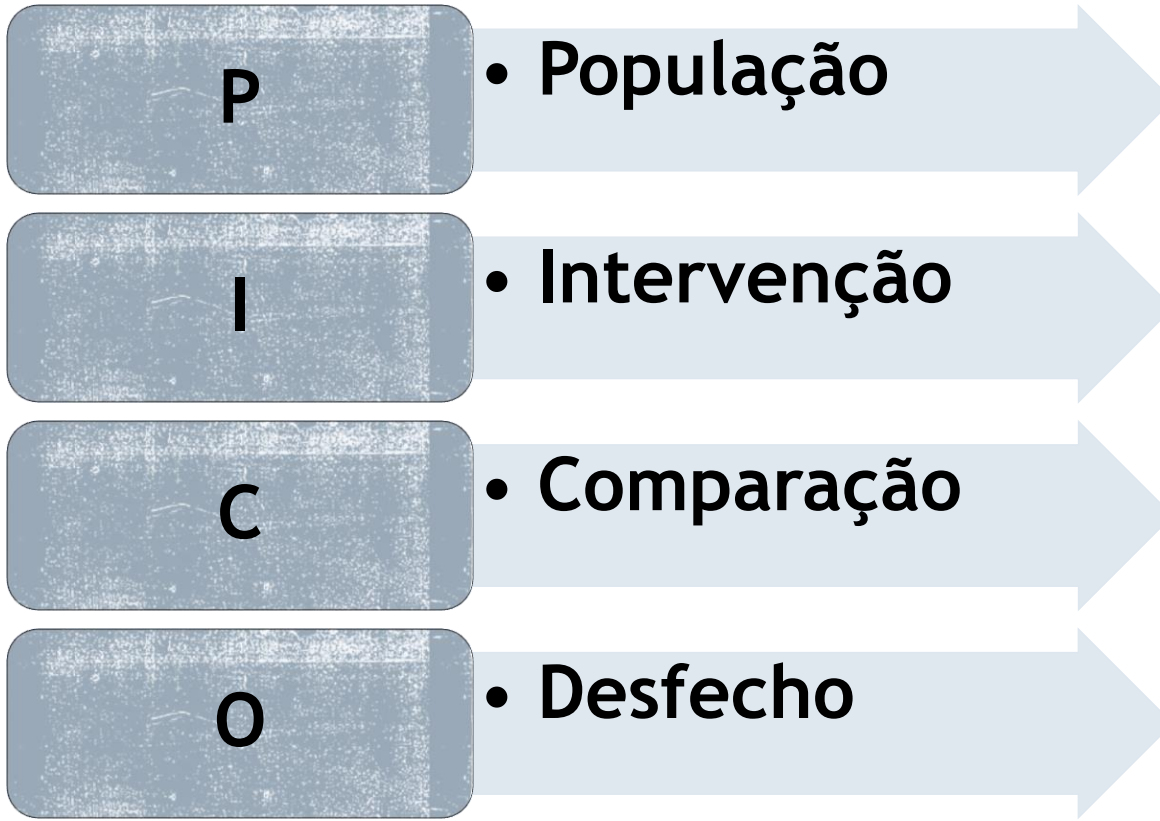

Formulação de uma questão clínica relevante

Busca das evidências científicas

Avaliação das evidências disponíveis

Como elaborar a pergunta?

Principais bases de dados

Como fazer a busca no PubMed?

The image shows a screenshot of the PubMed website. The browser's address bar displays the URL <https://pubmed.ncbi.nlm.nih.gov/>. The page header includes the NIH logo and the text "National Library of Medicine National Center for Biotechnology Information". A "Log in" button is located in the top right corner. The main content area features the "PubMed.gov" logo. Below the logo is a search bar containing the text "Economics, Pharmaceutical". A green "Search" button is positioned to the right of the search bar. A light blue arrow points to the search bar, and another light blue arrow points to the "Search" button. Below the search bar, the word "Advanced" is visible. At the bottom of the page, there is a paragraph of text: "PubMed® comprises more than 30 million citations for biomedical literature from MEDLINE, life science journals, and online books. Citations may include links to full-text content from PubMed Central and publisher web sites."
